EPISODE 280: YOU'RE WELCOME

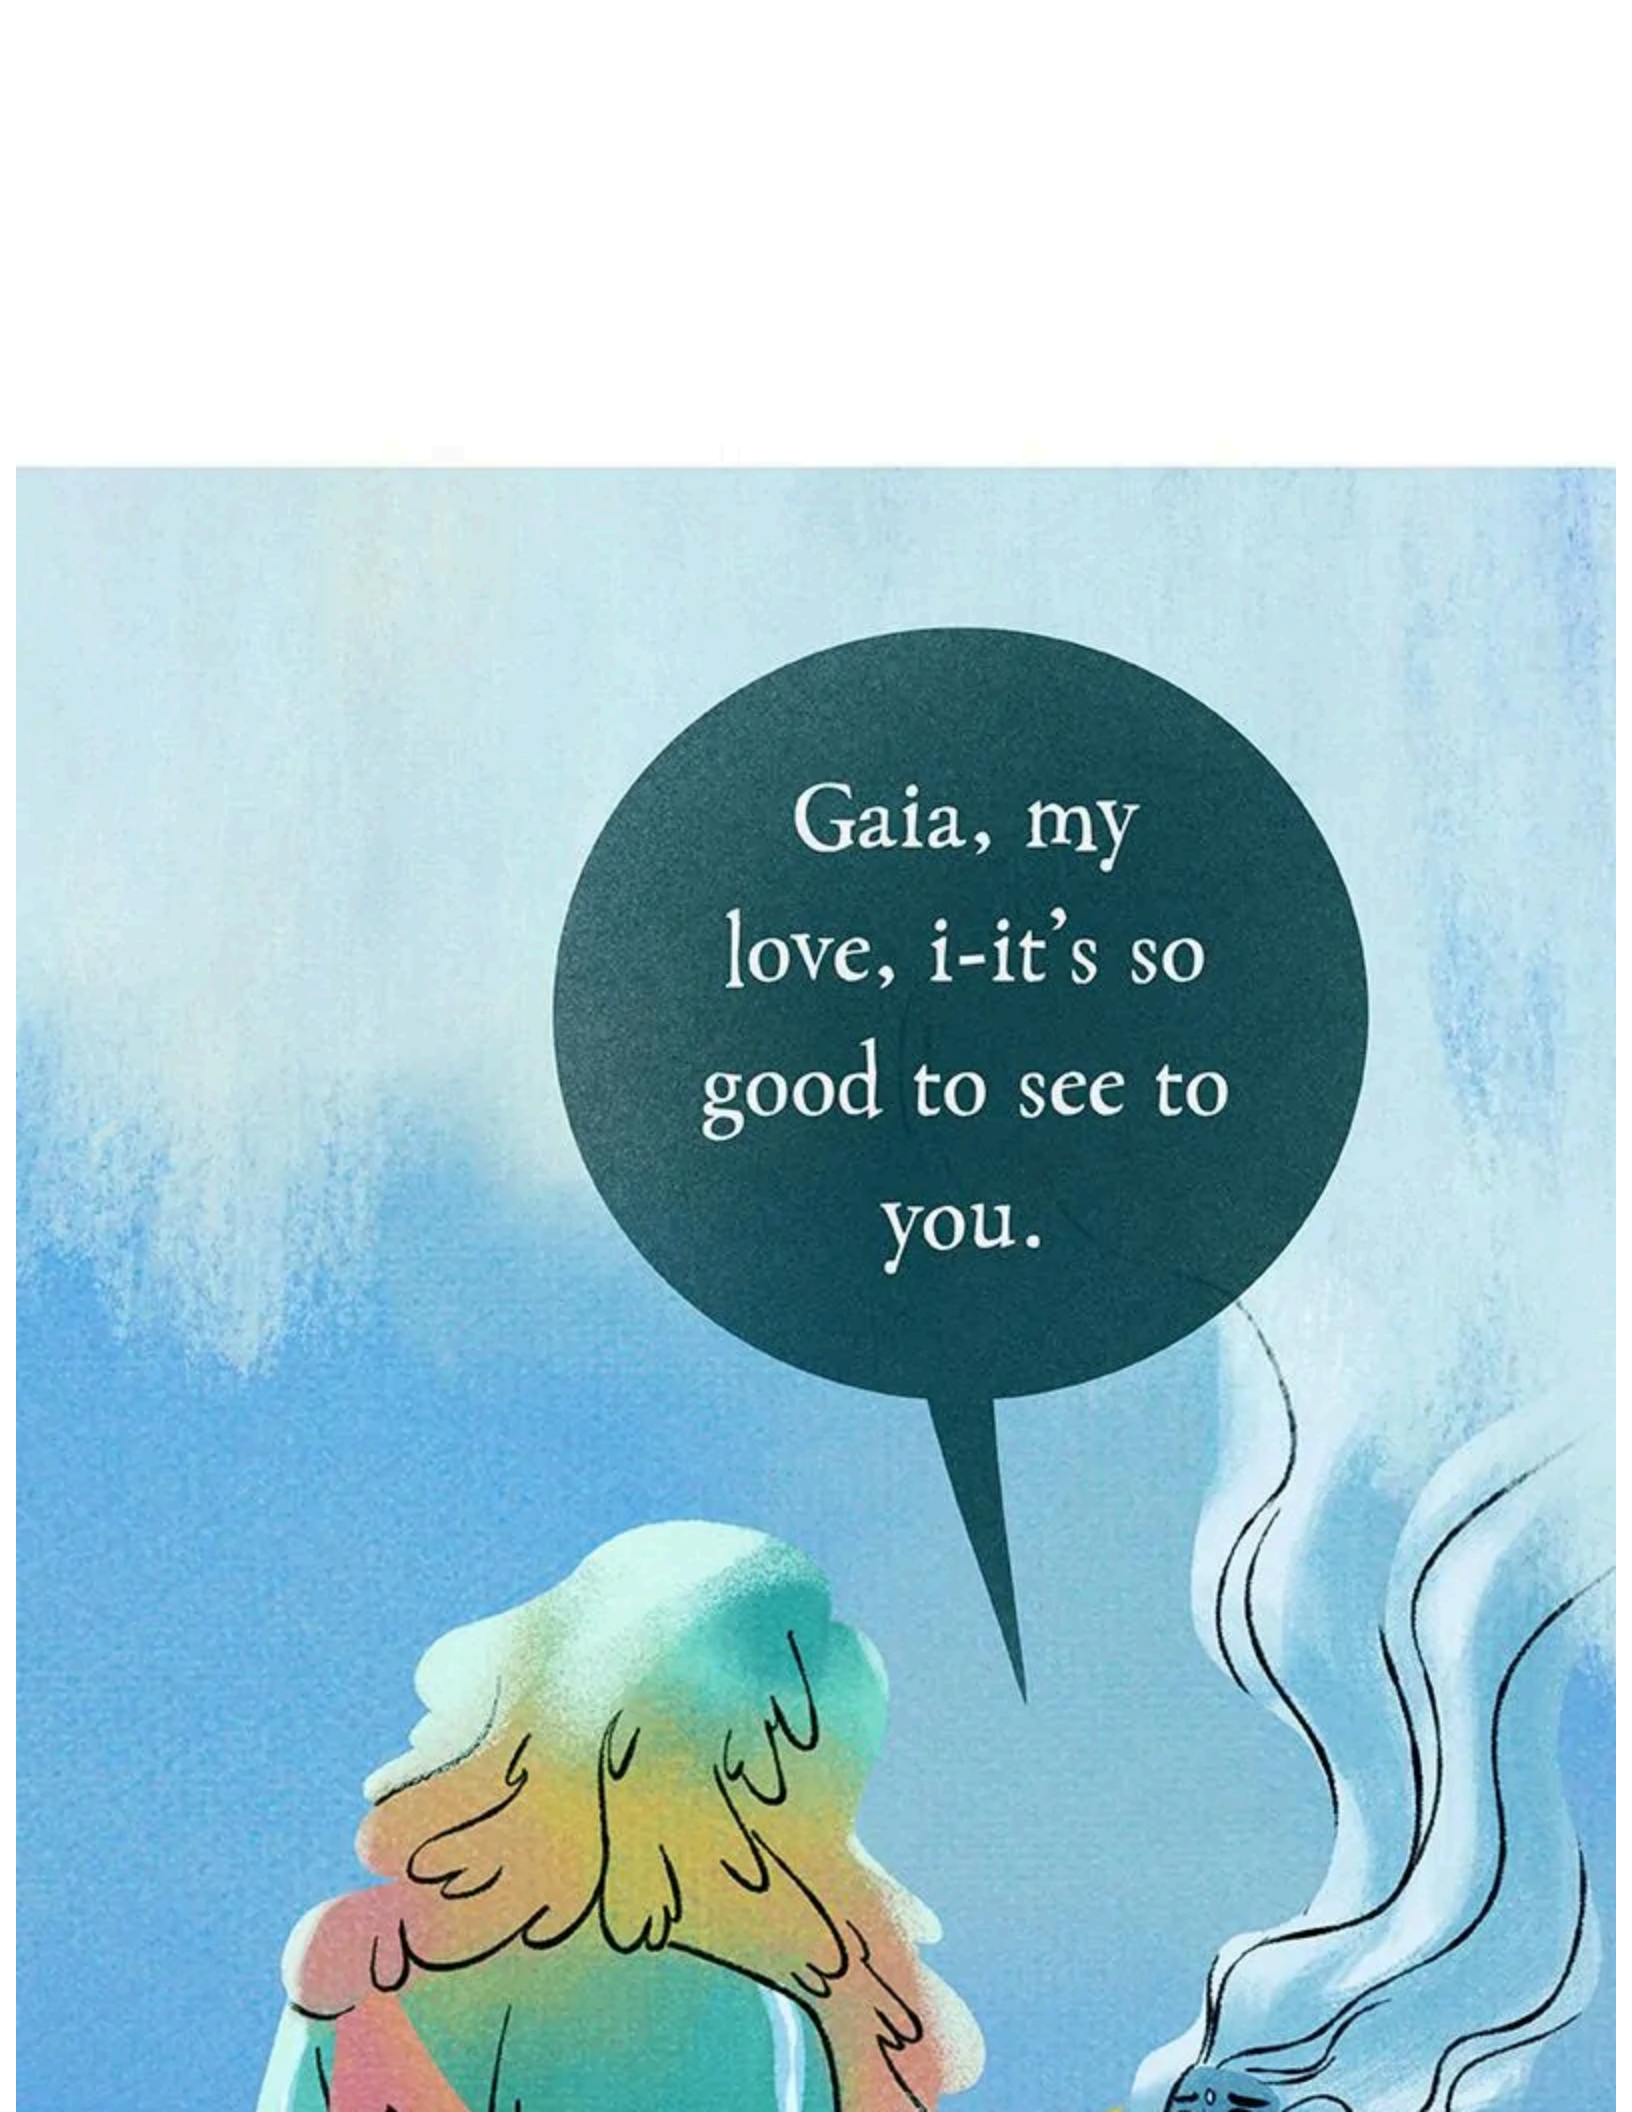

This feels
nice.

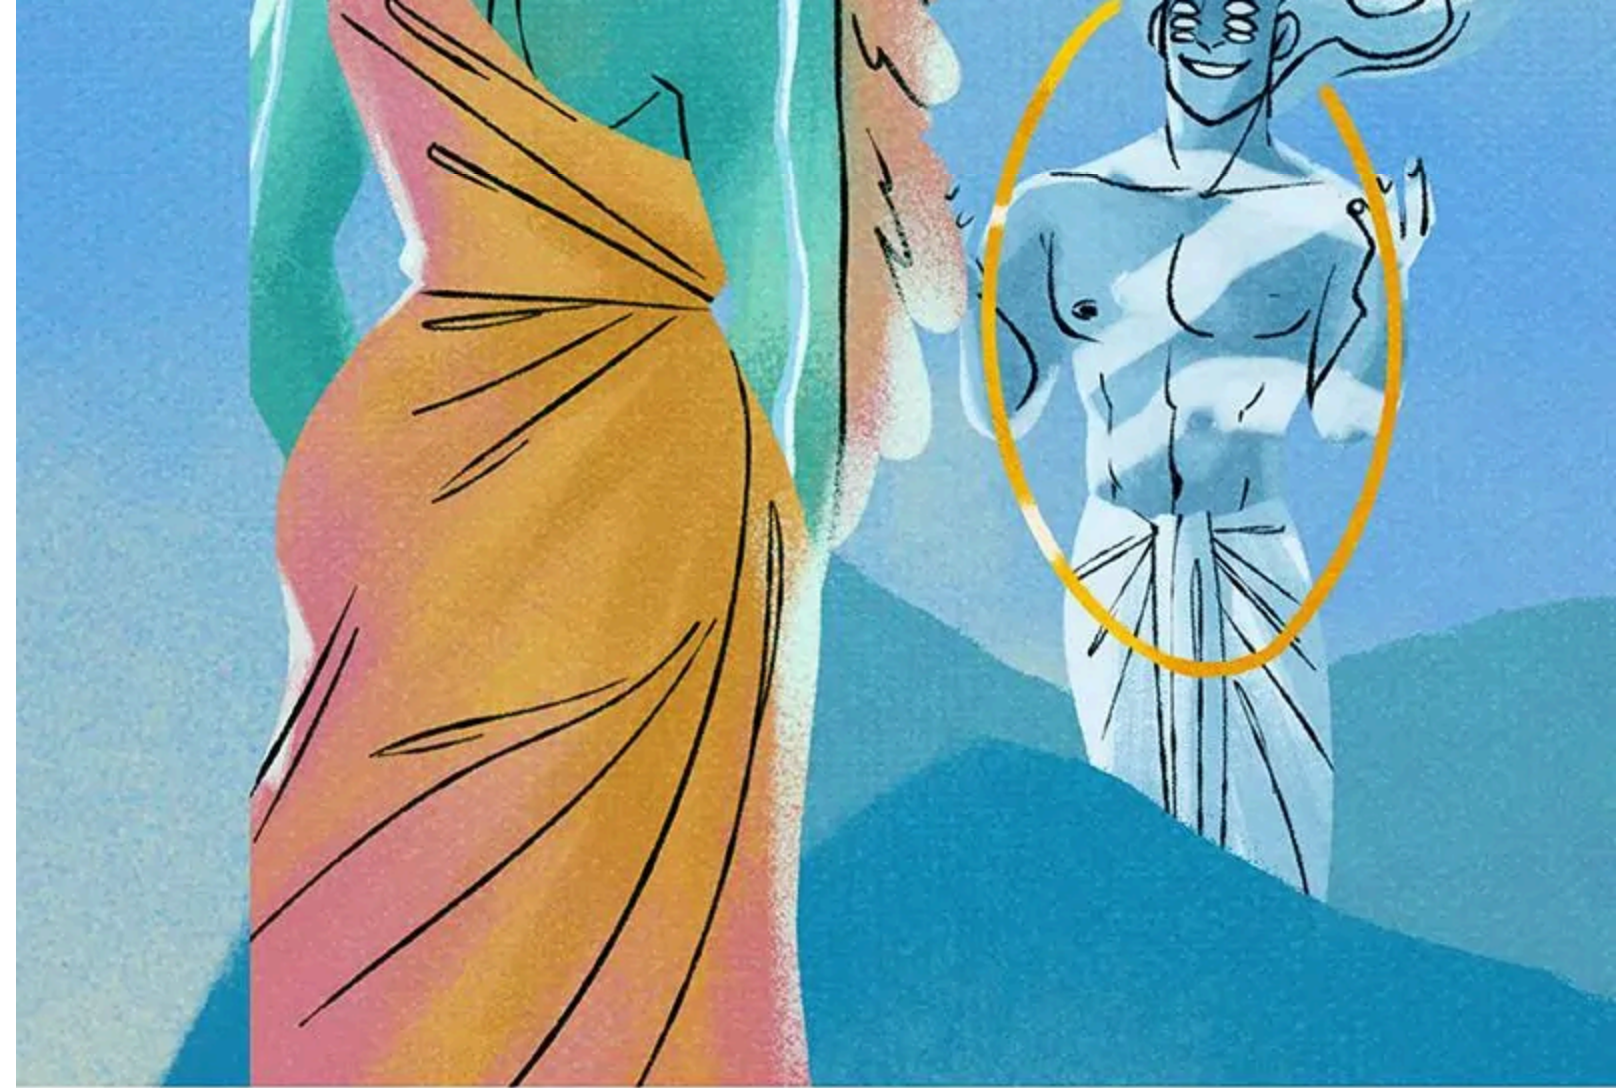

An illustration of two characters against a blue, textured background. On the left, a character with a large, bushy beard in shades of green, yellow, and orange is shown in profile, looking towards the right. On the right, another character with long, flowing white hair is shown in profile, looking towards the left. A large, dark green speech bubble originates from the white-haired character, containing the text "Gaia, my love, i-it's so good to see to you." in white serif font.

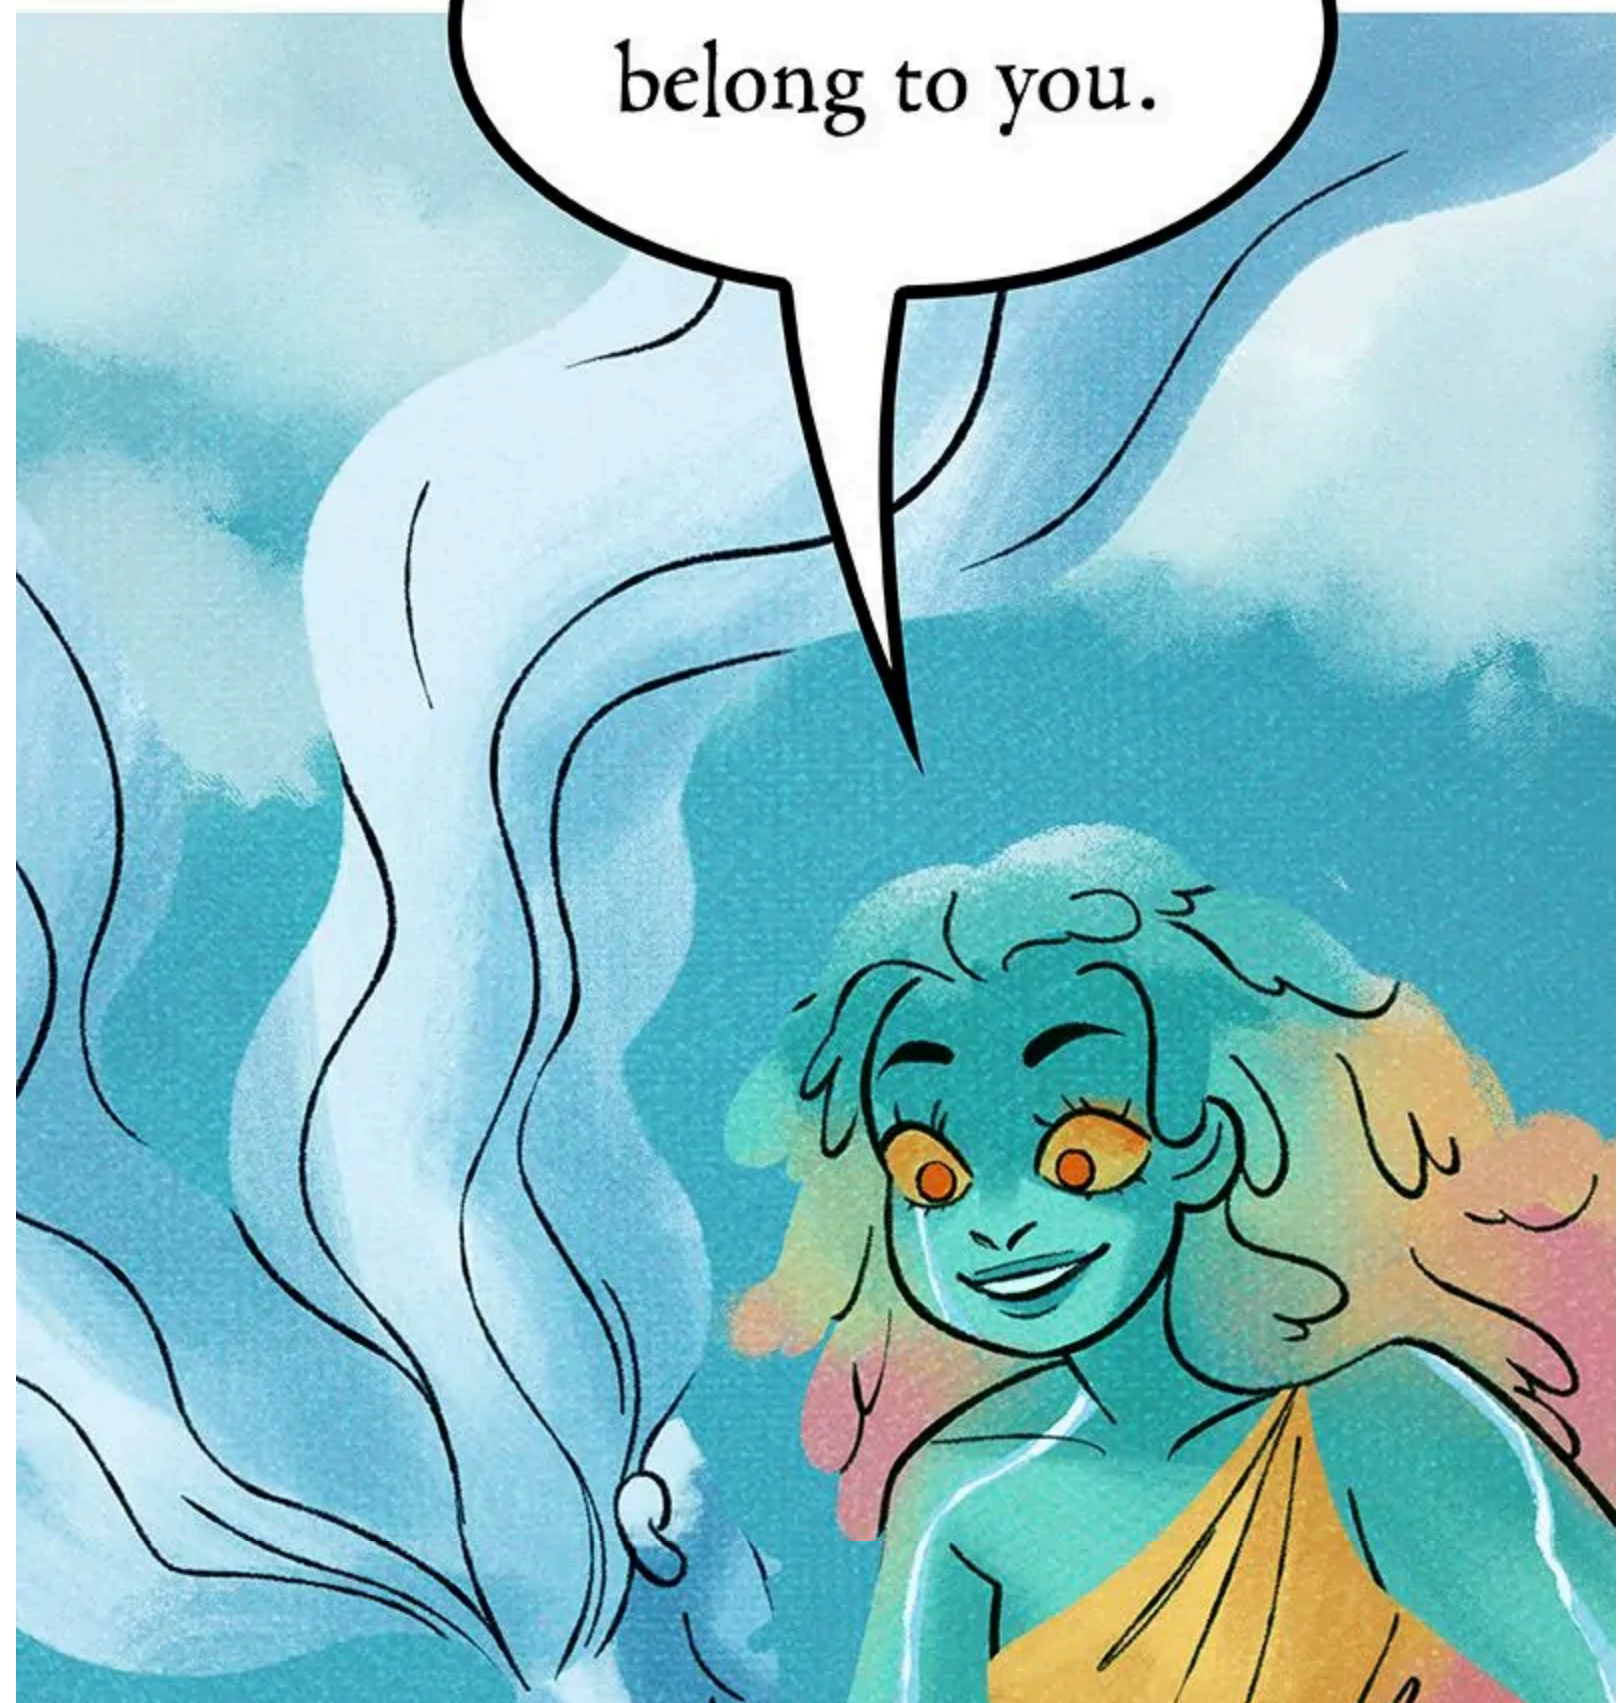

Gaia, my
love, i-it's so
good to see to
you.

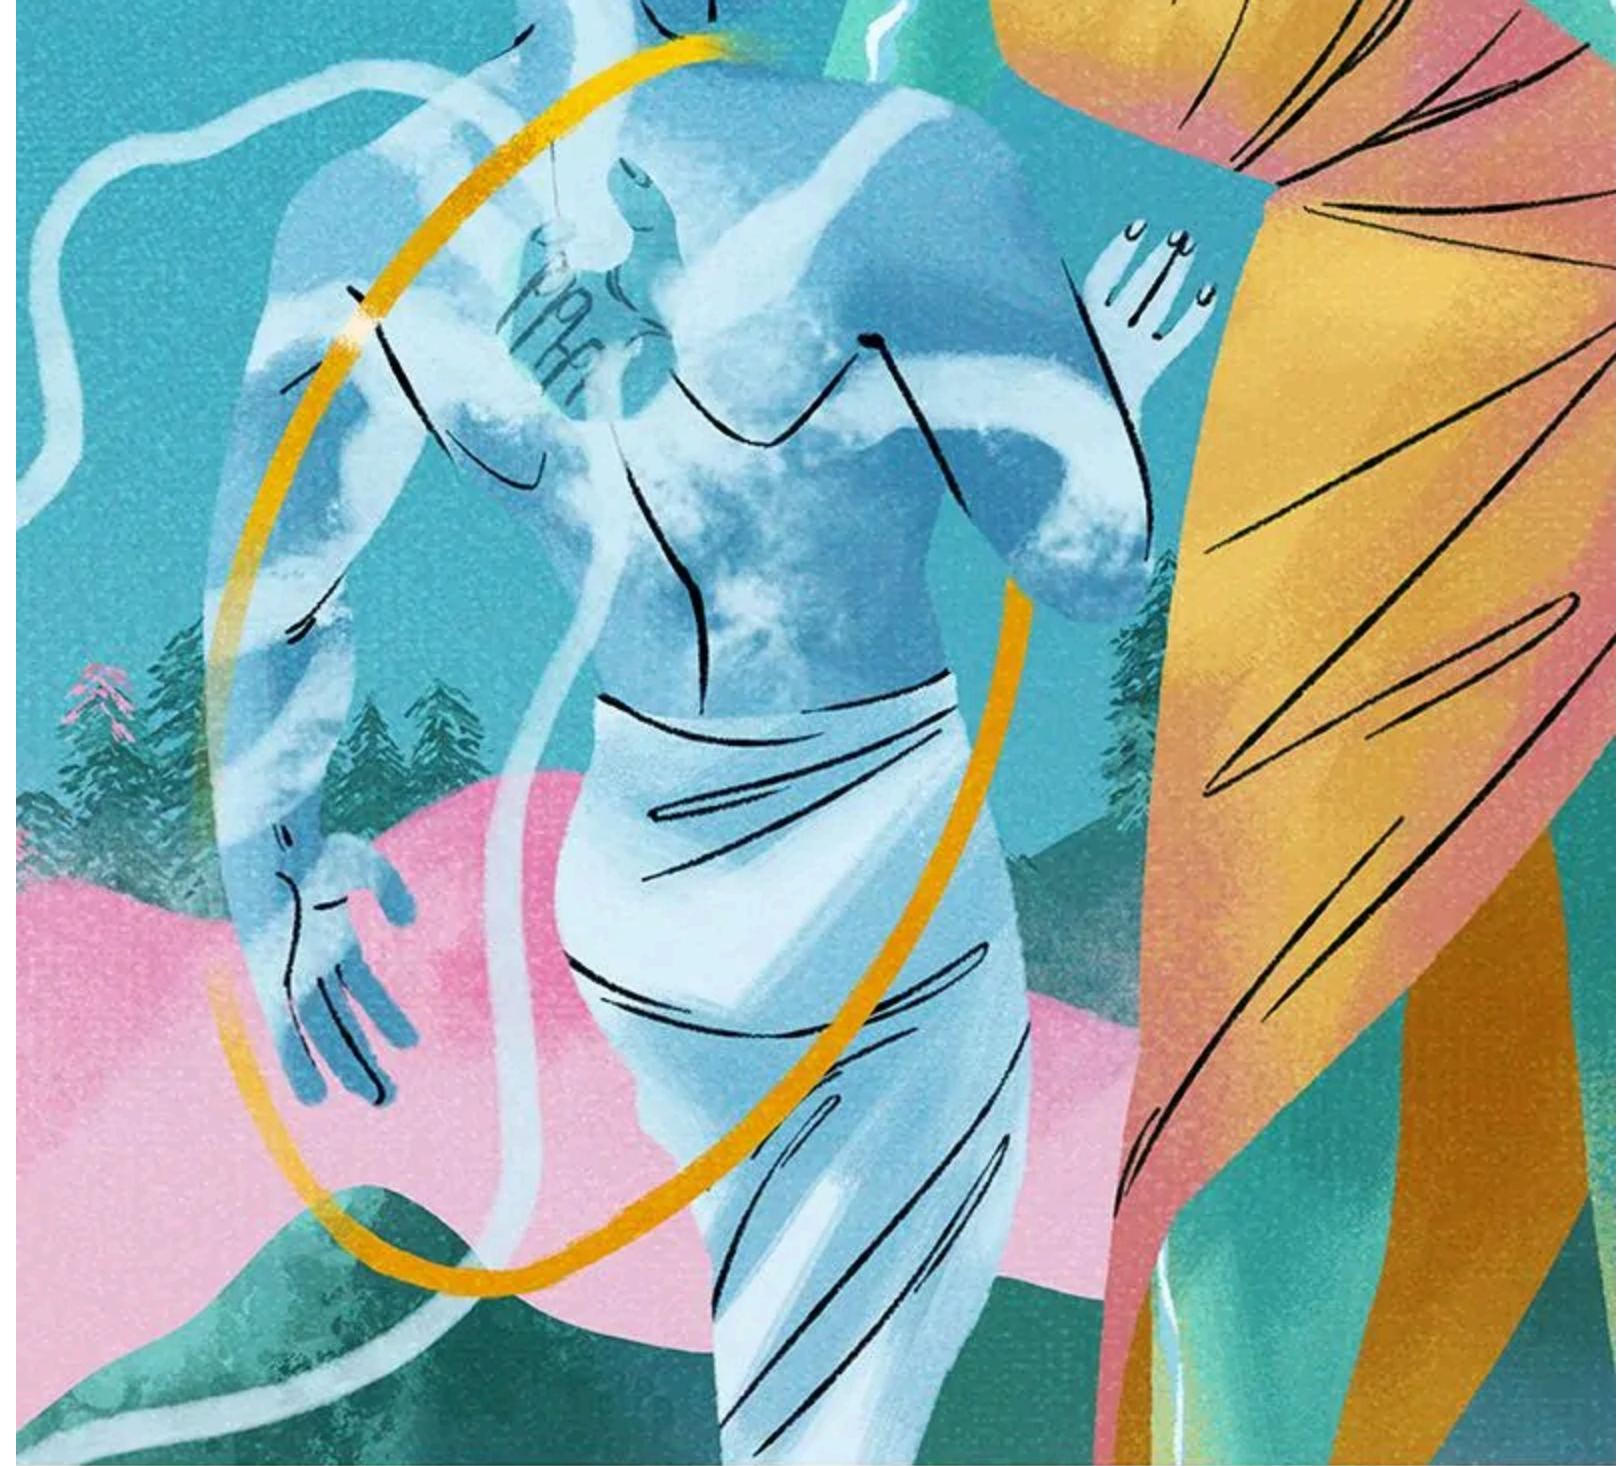

Why don't you—

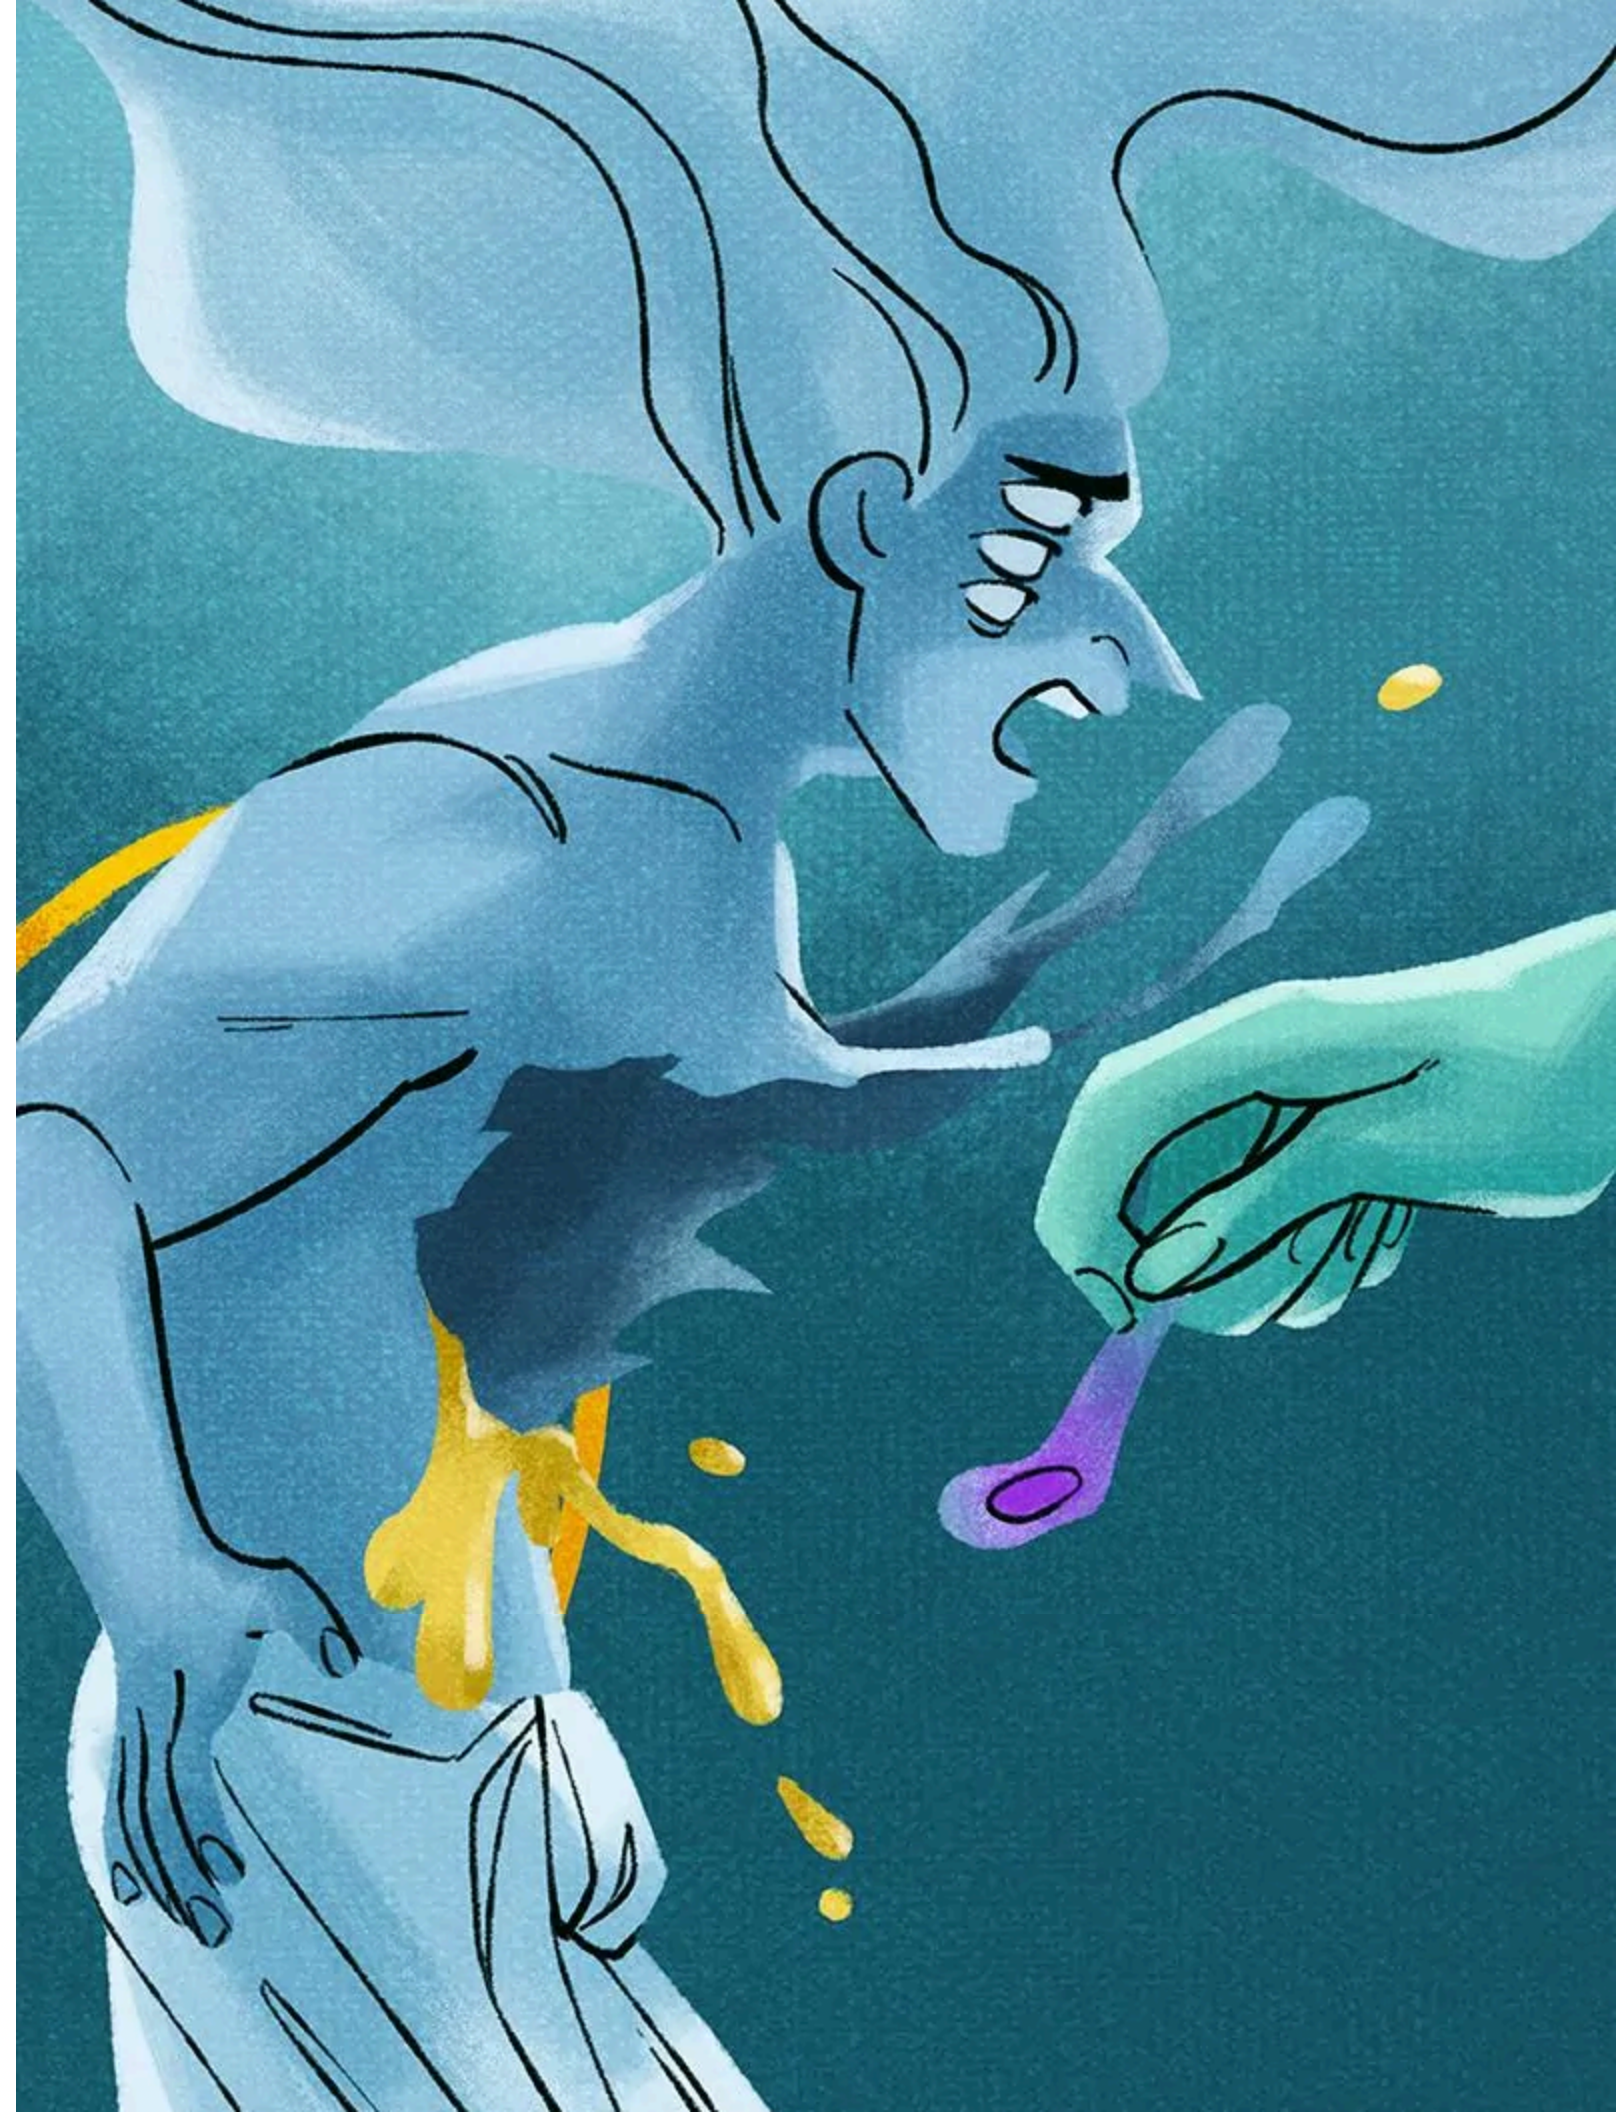

He doesn't
belong to you.

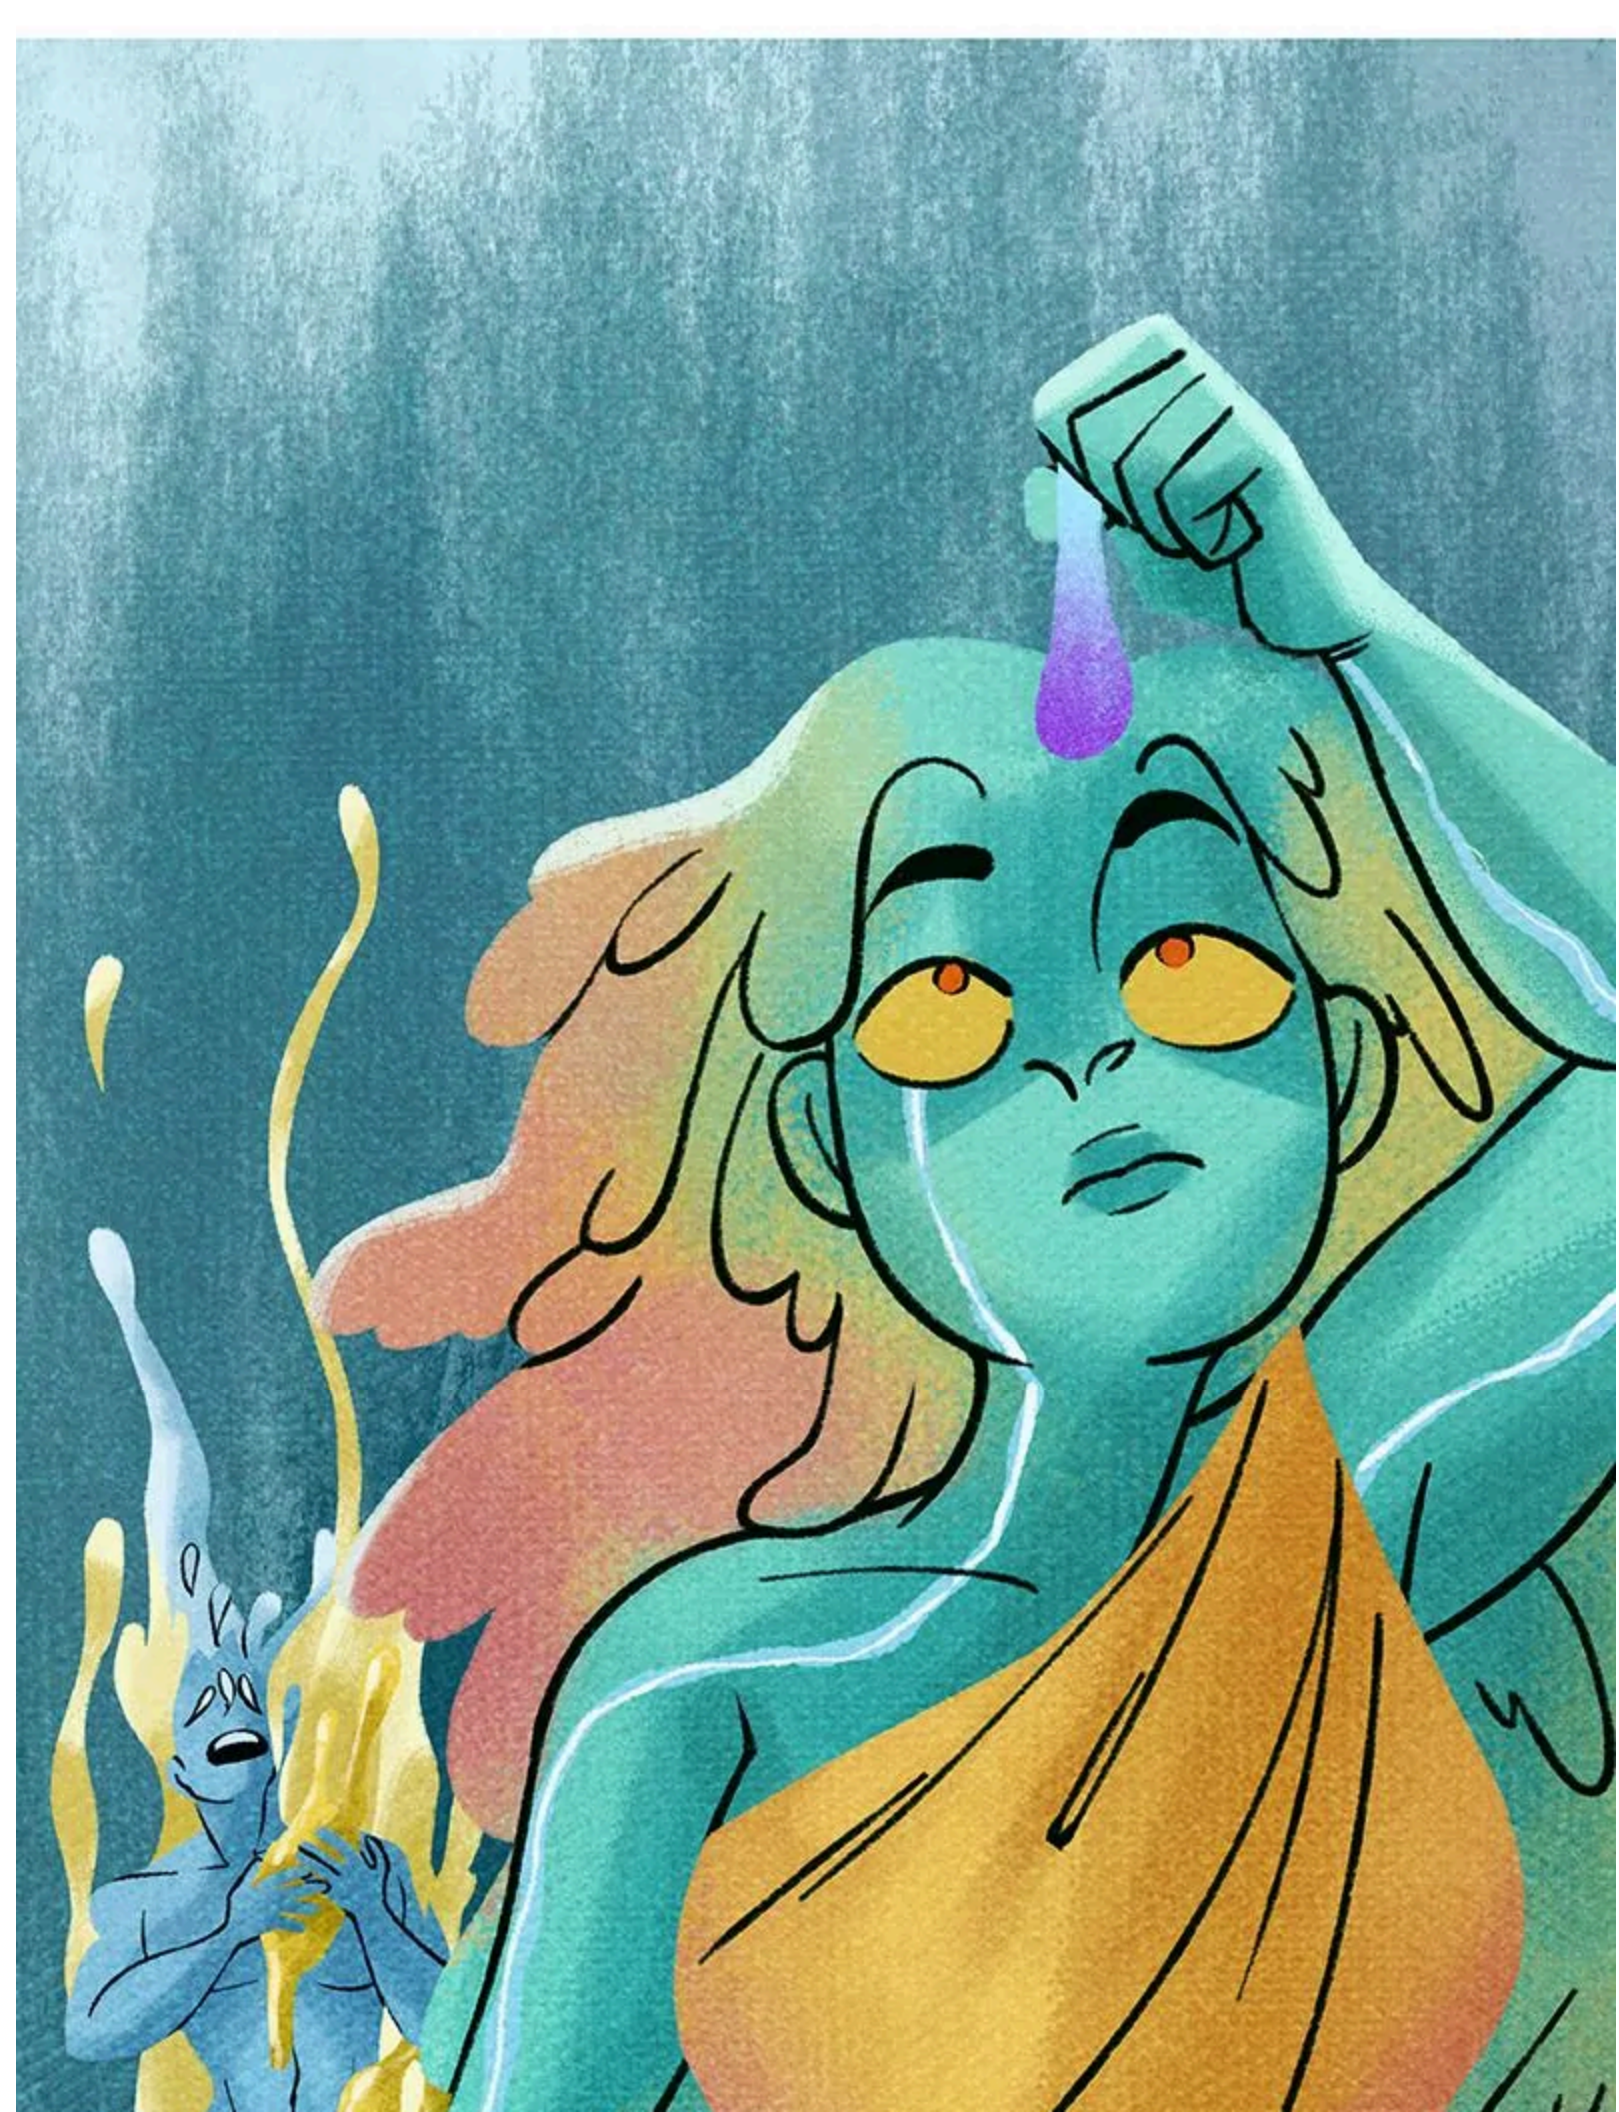

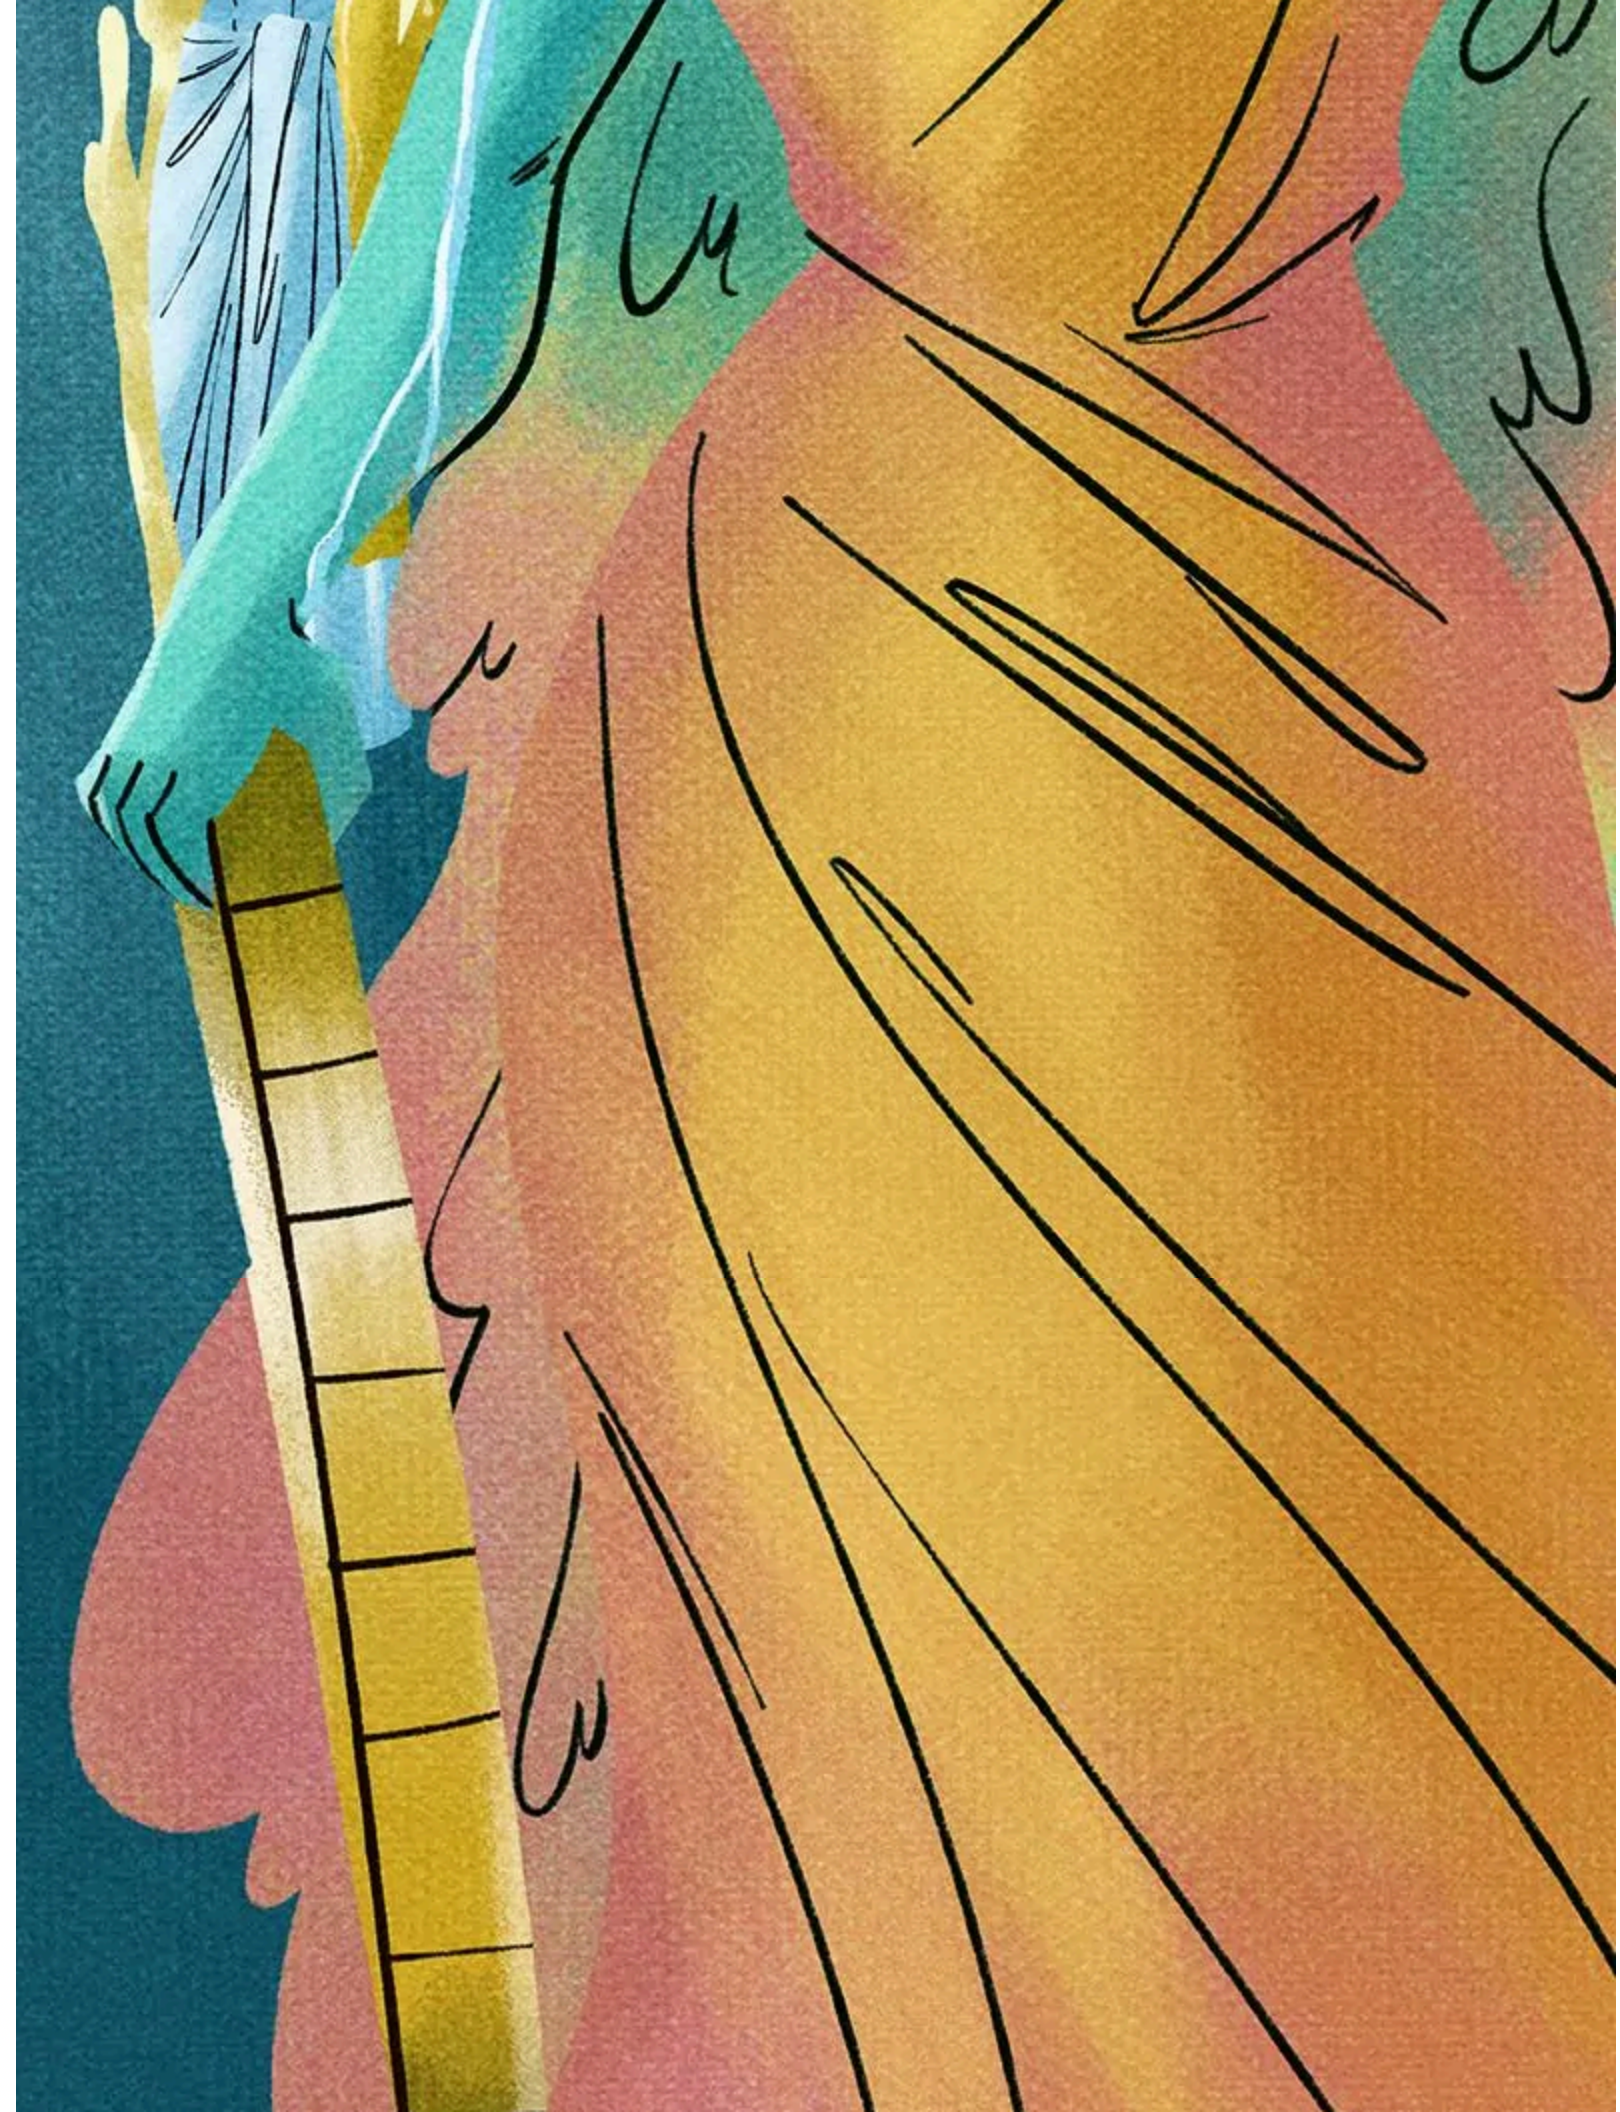

AH!

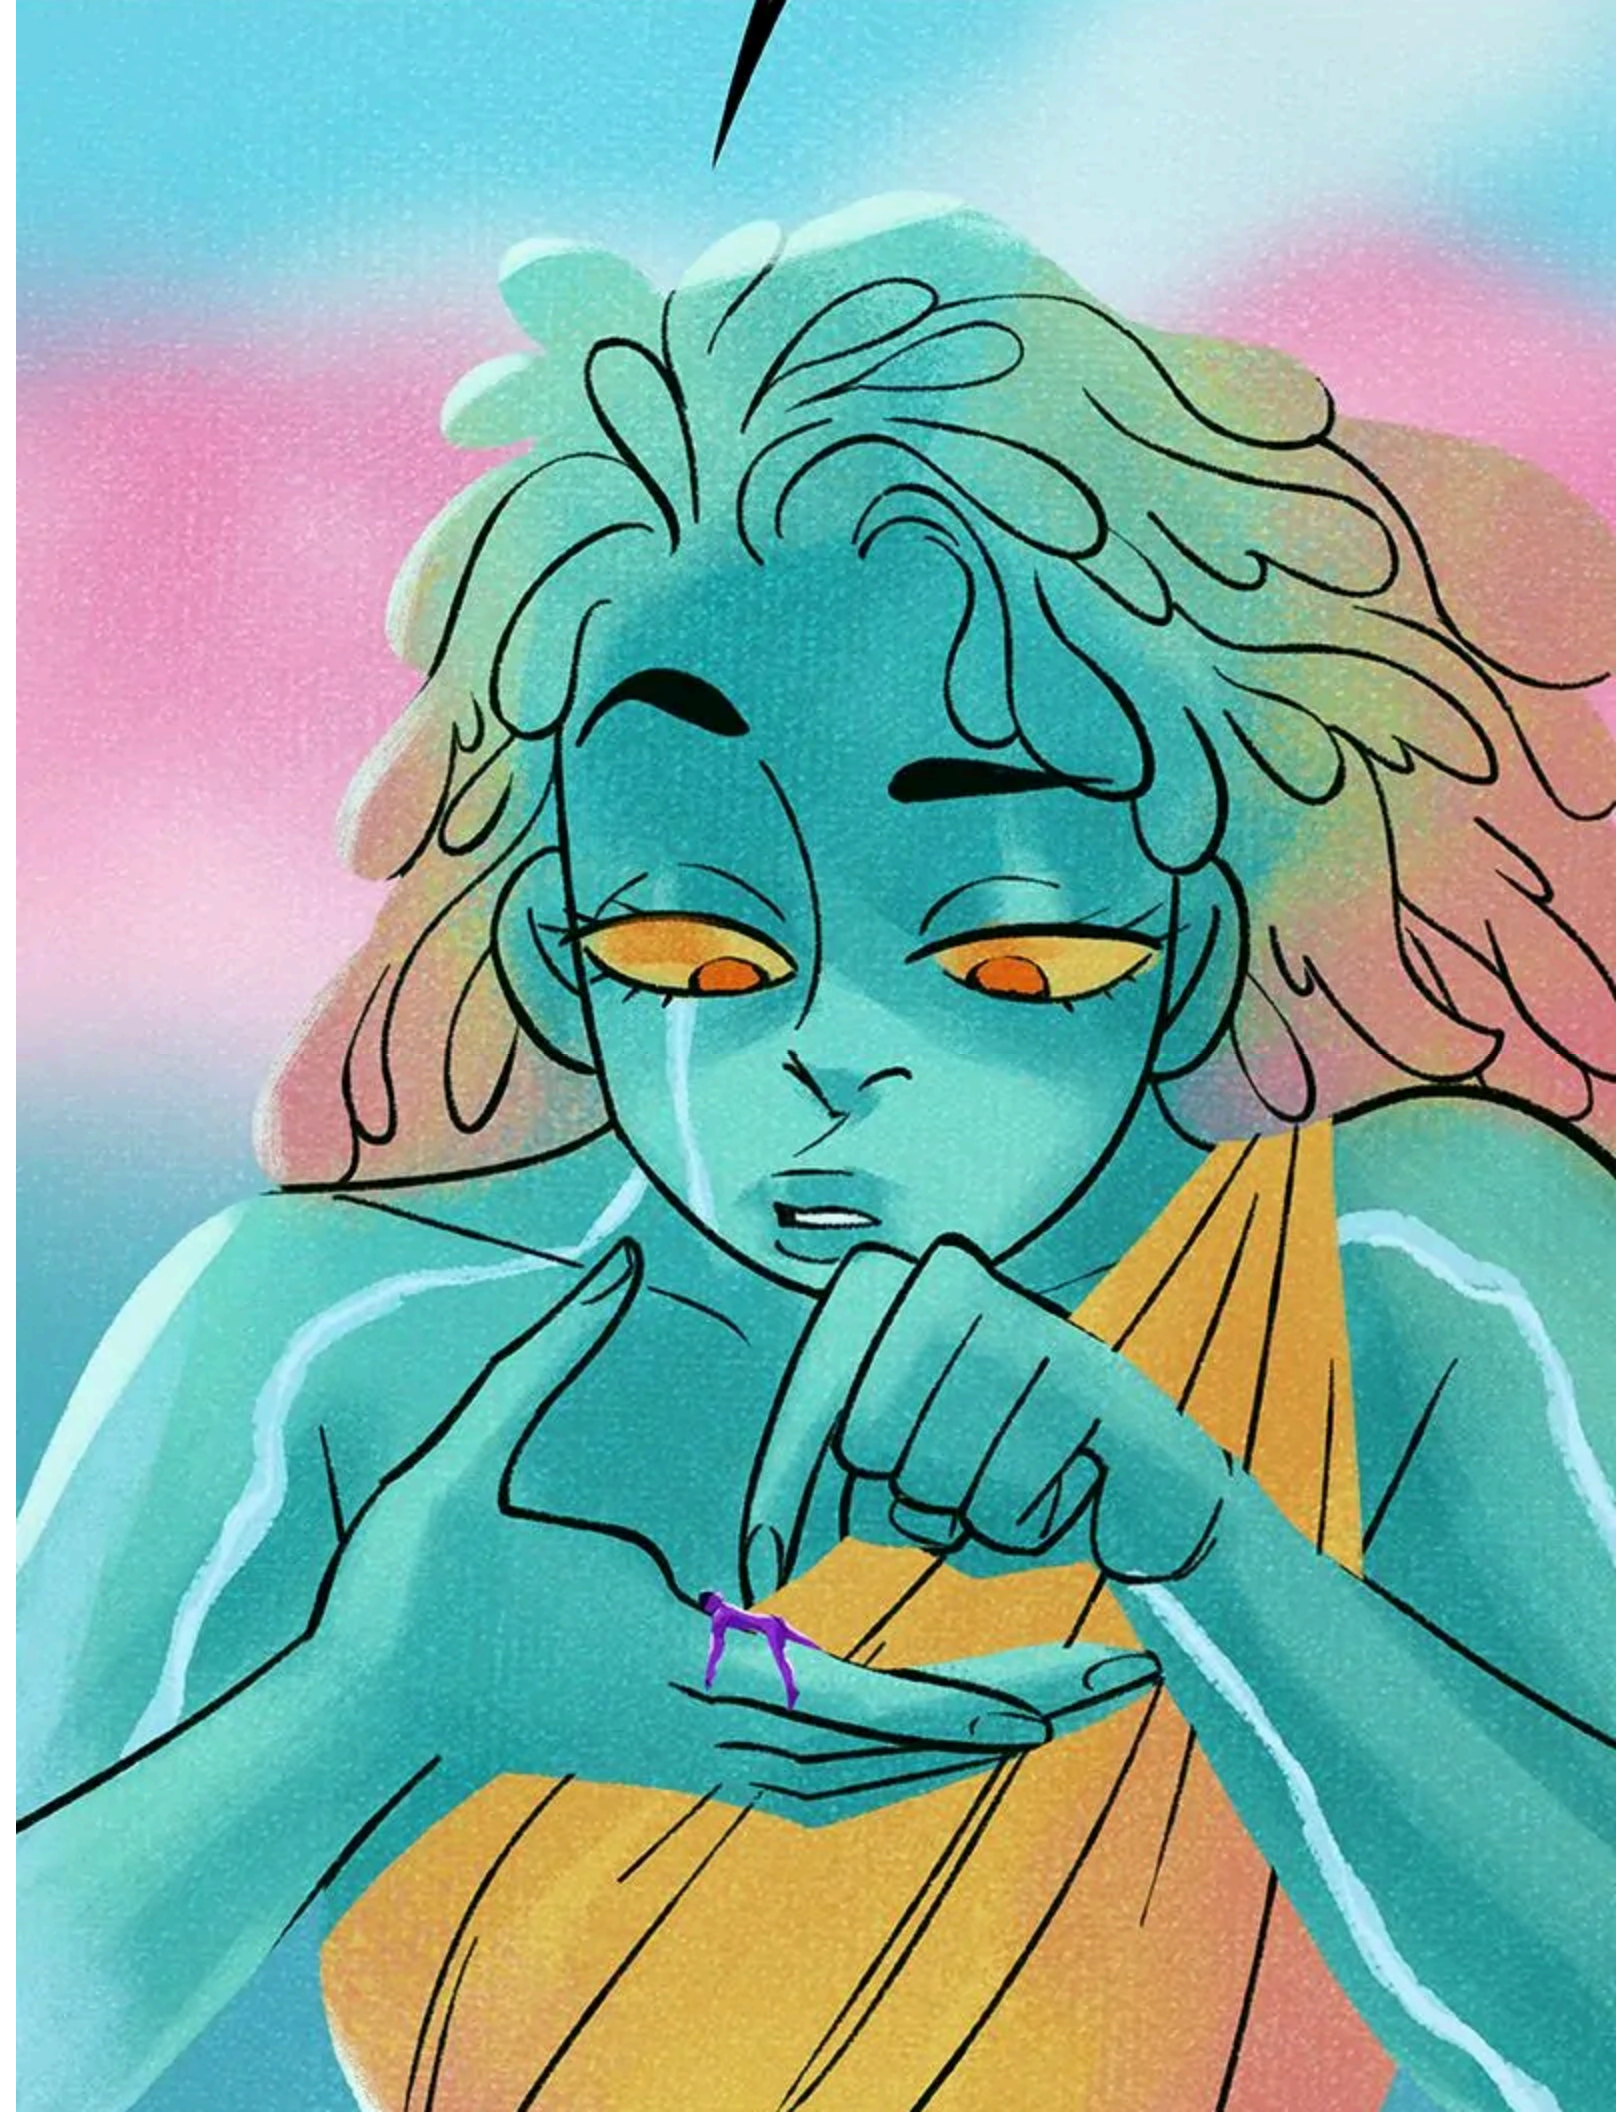

You alive?

Yeah, he's fine.

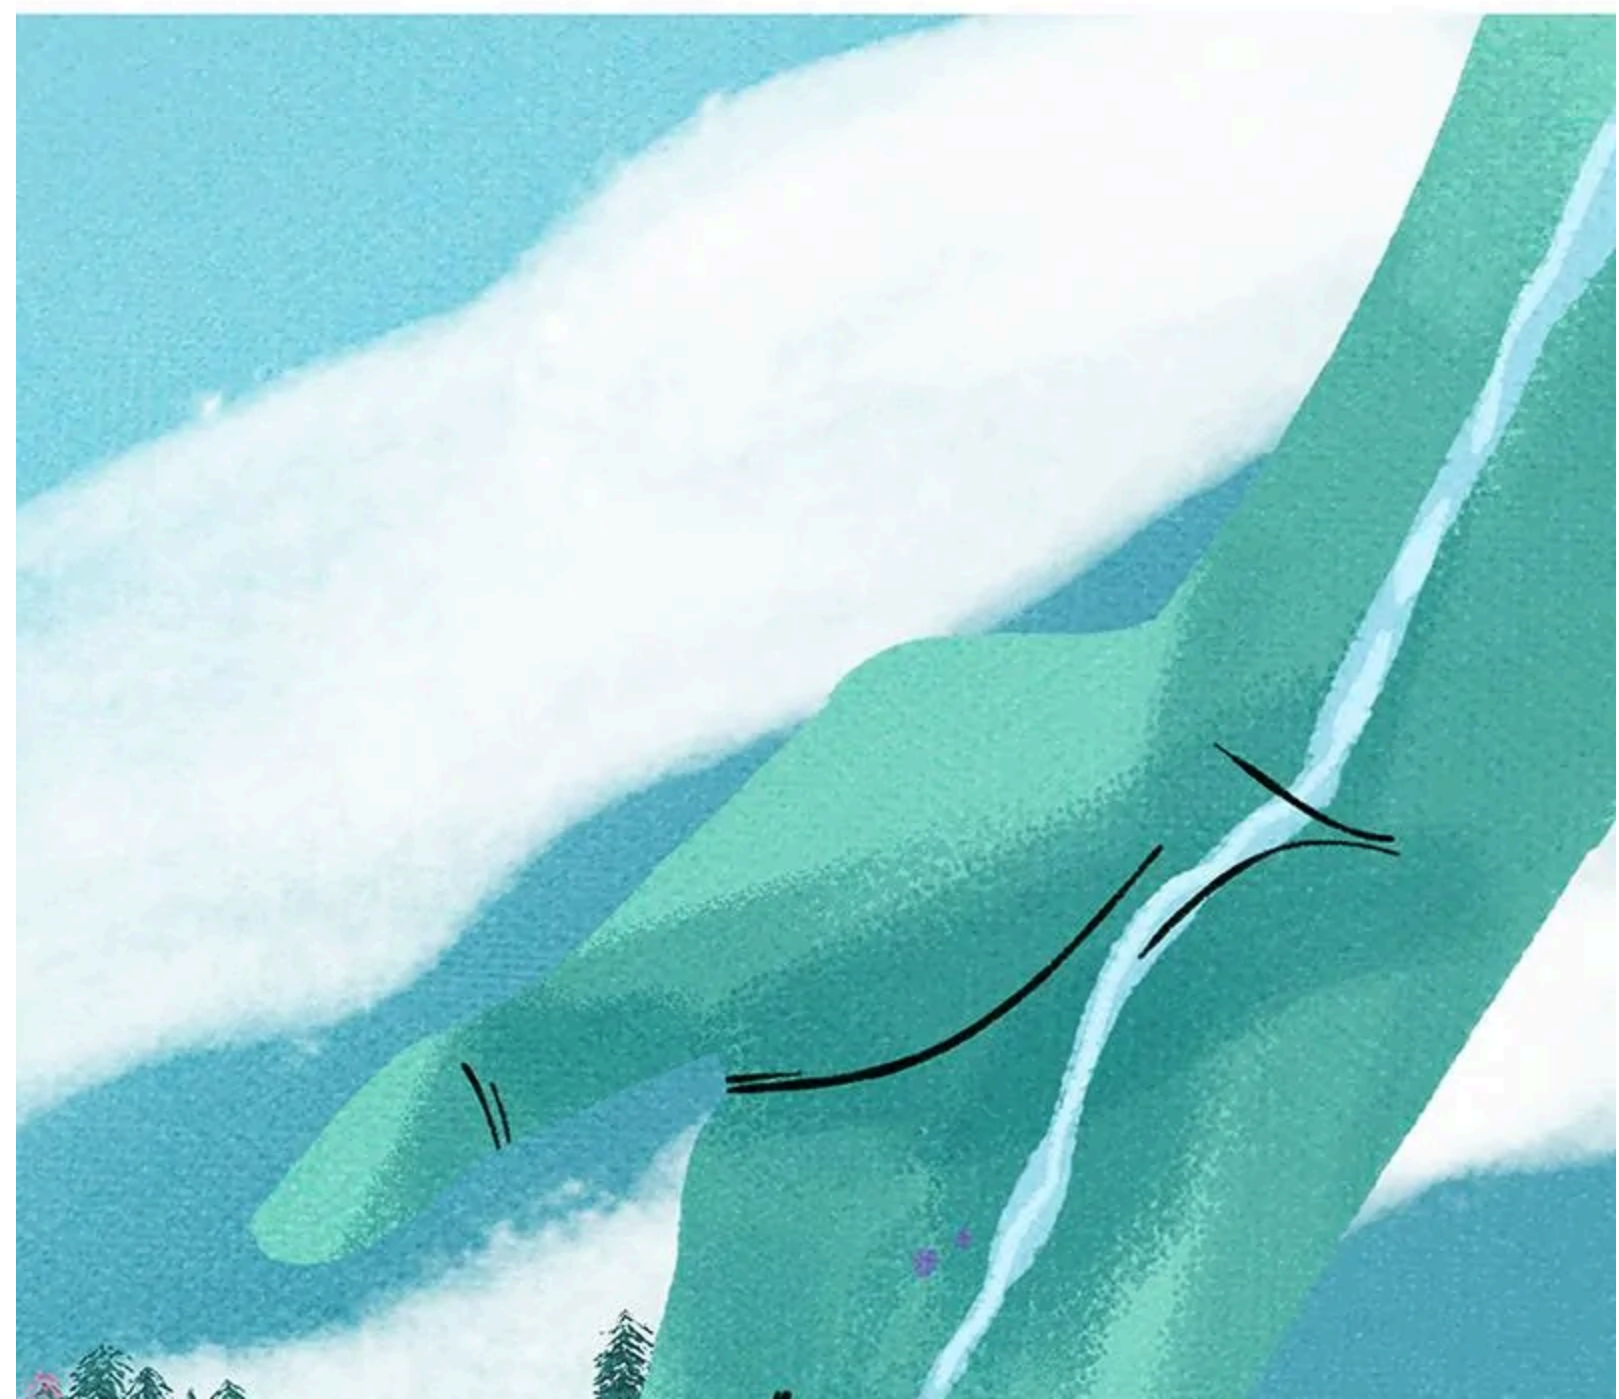

Here you go.

Deal with him
as you see fit

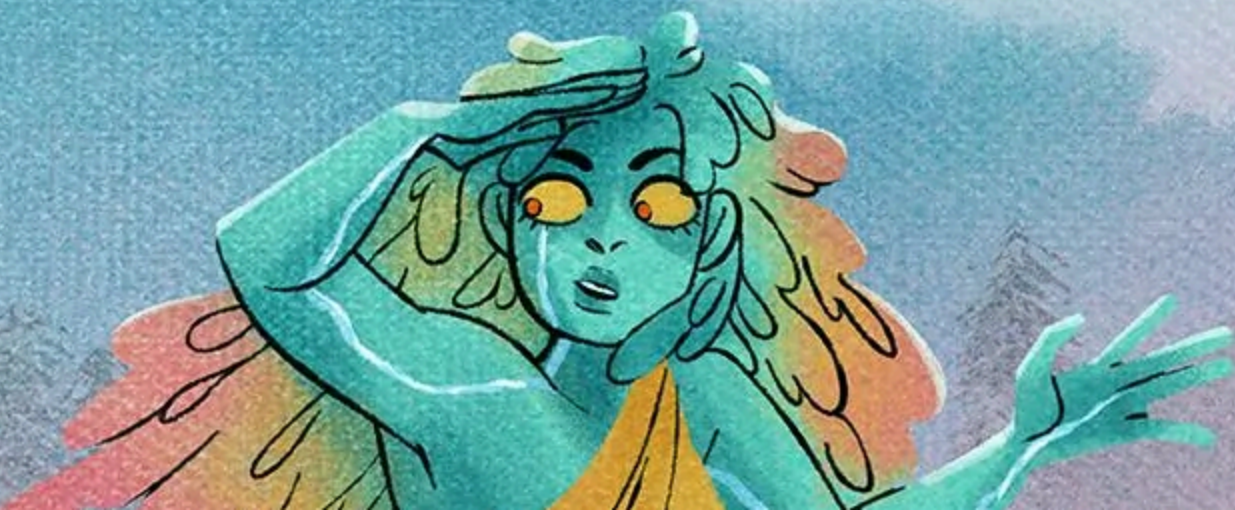

as you see fit.

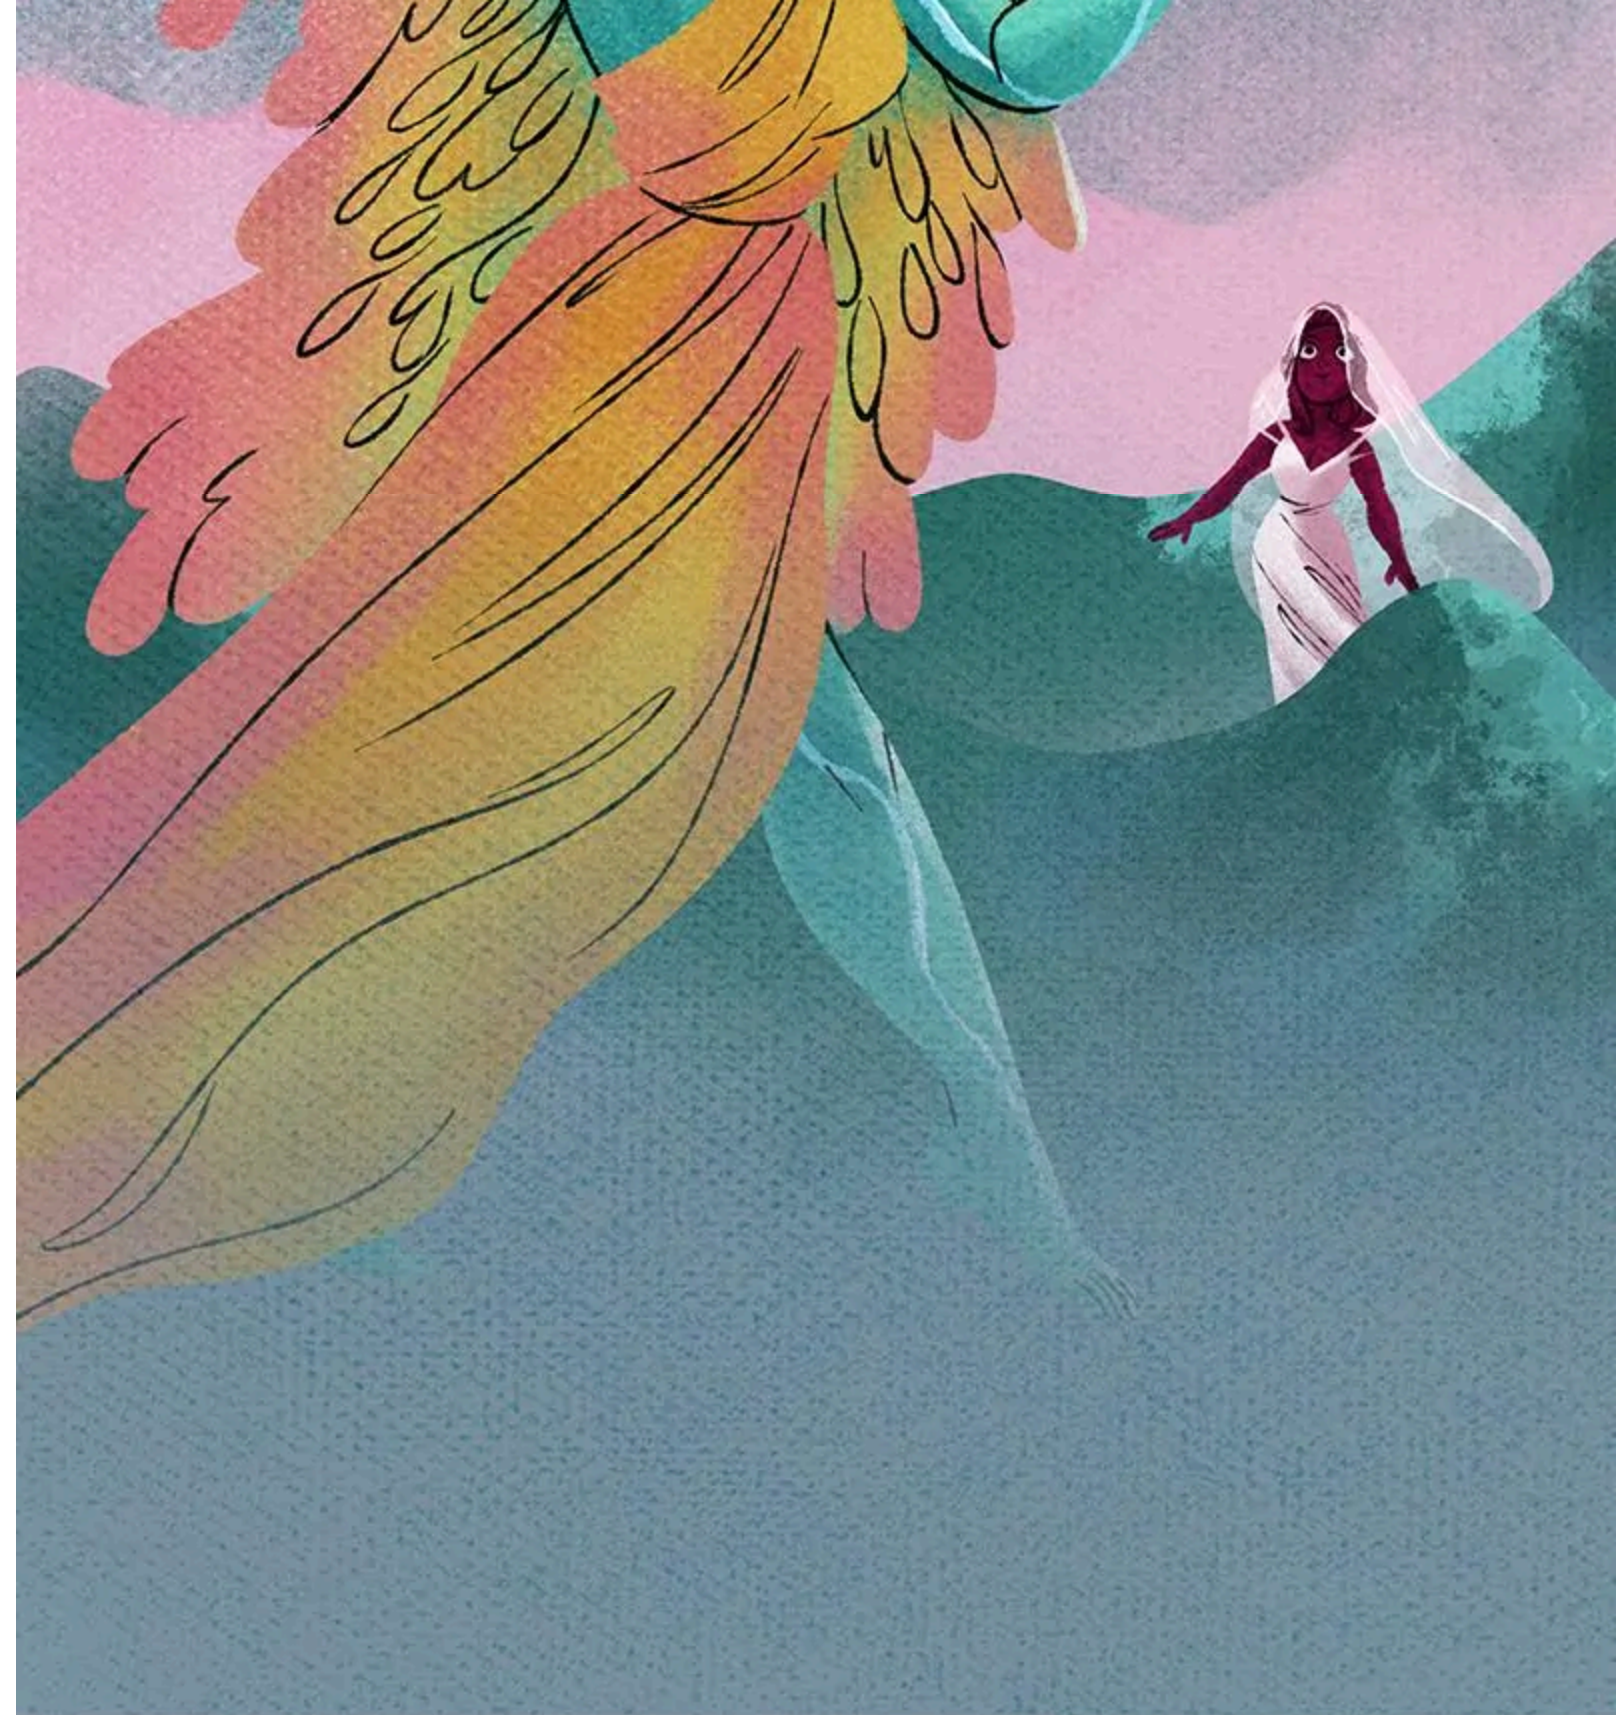

Thank you,
ma'am.

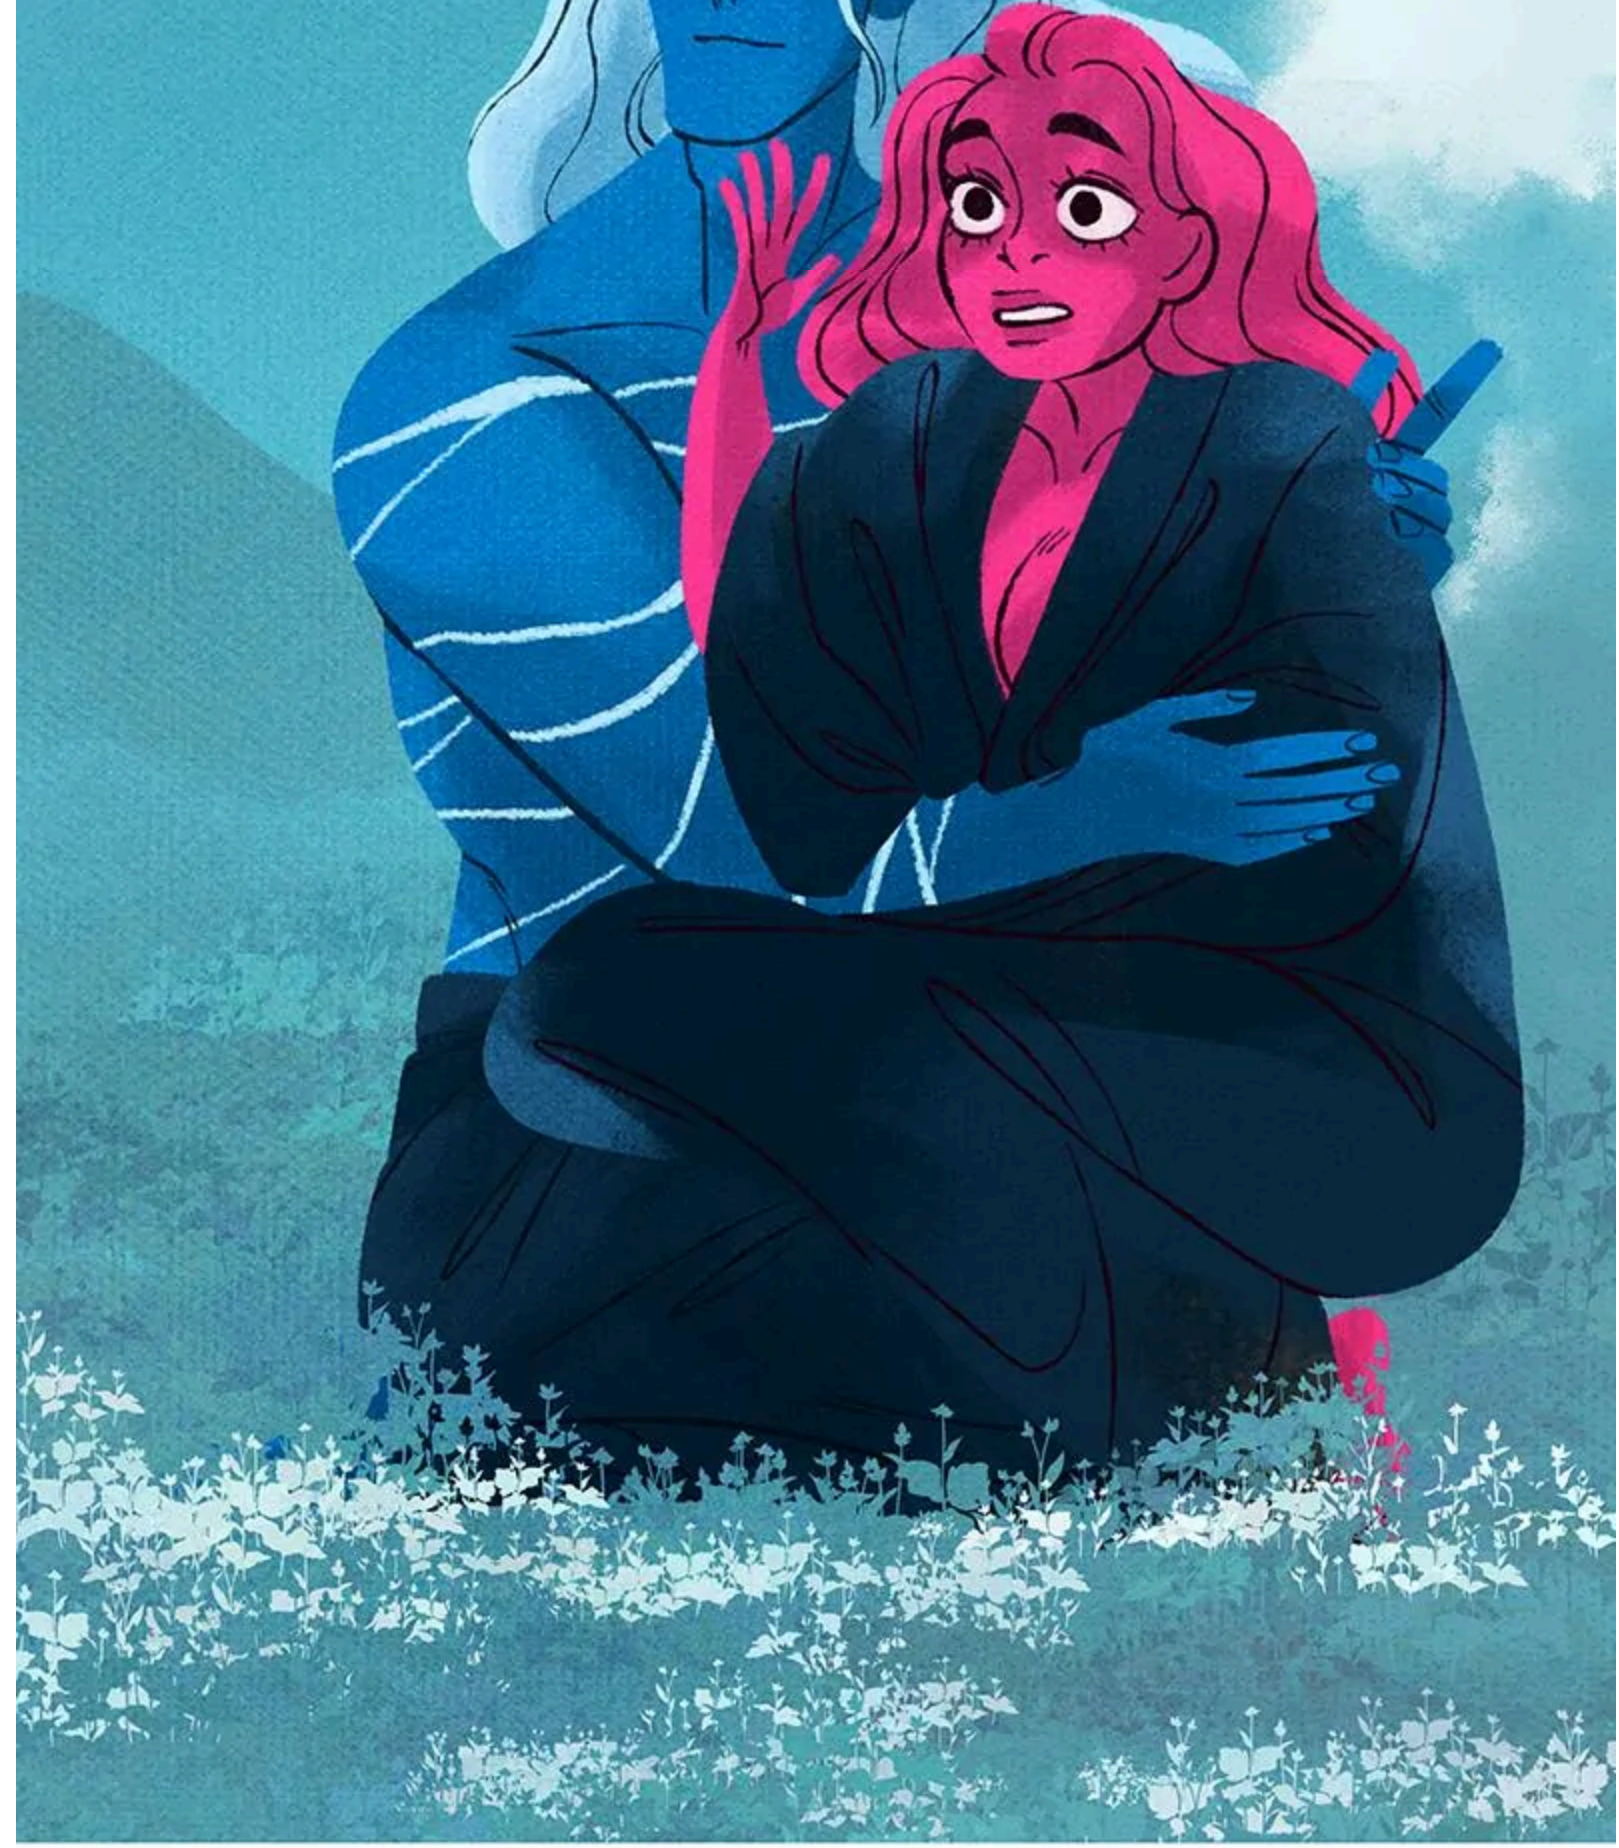

Now,
where is
that Kore?

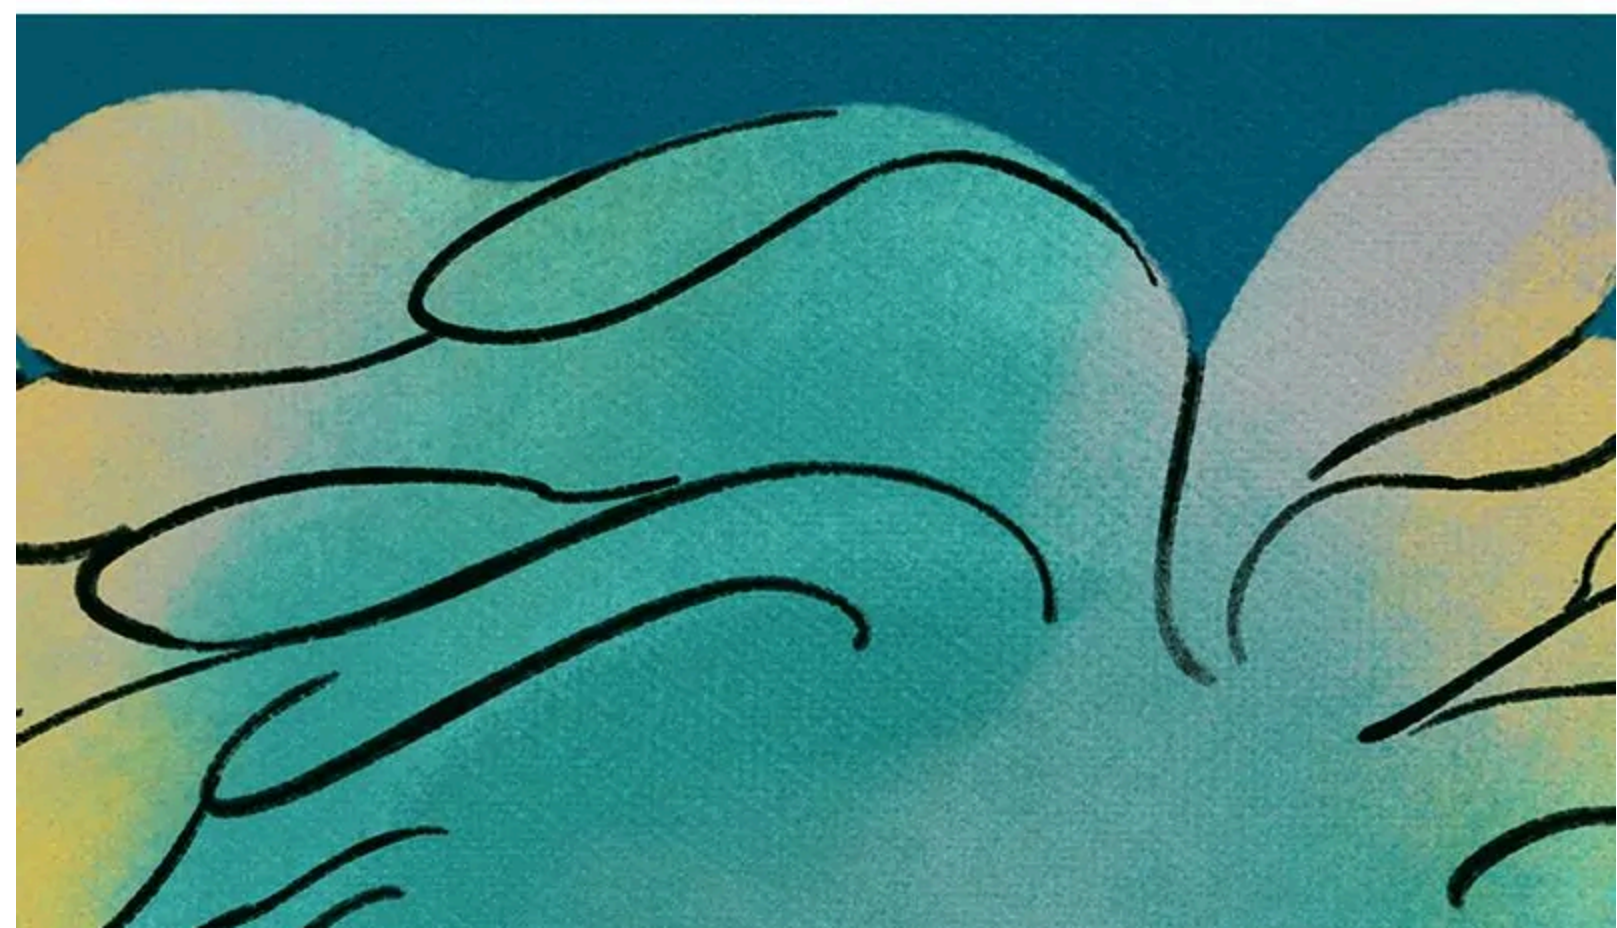

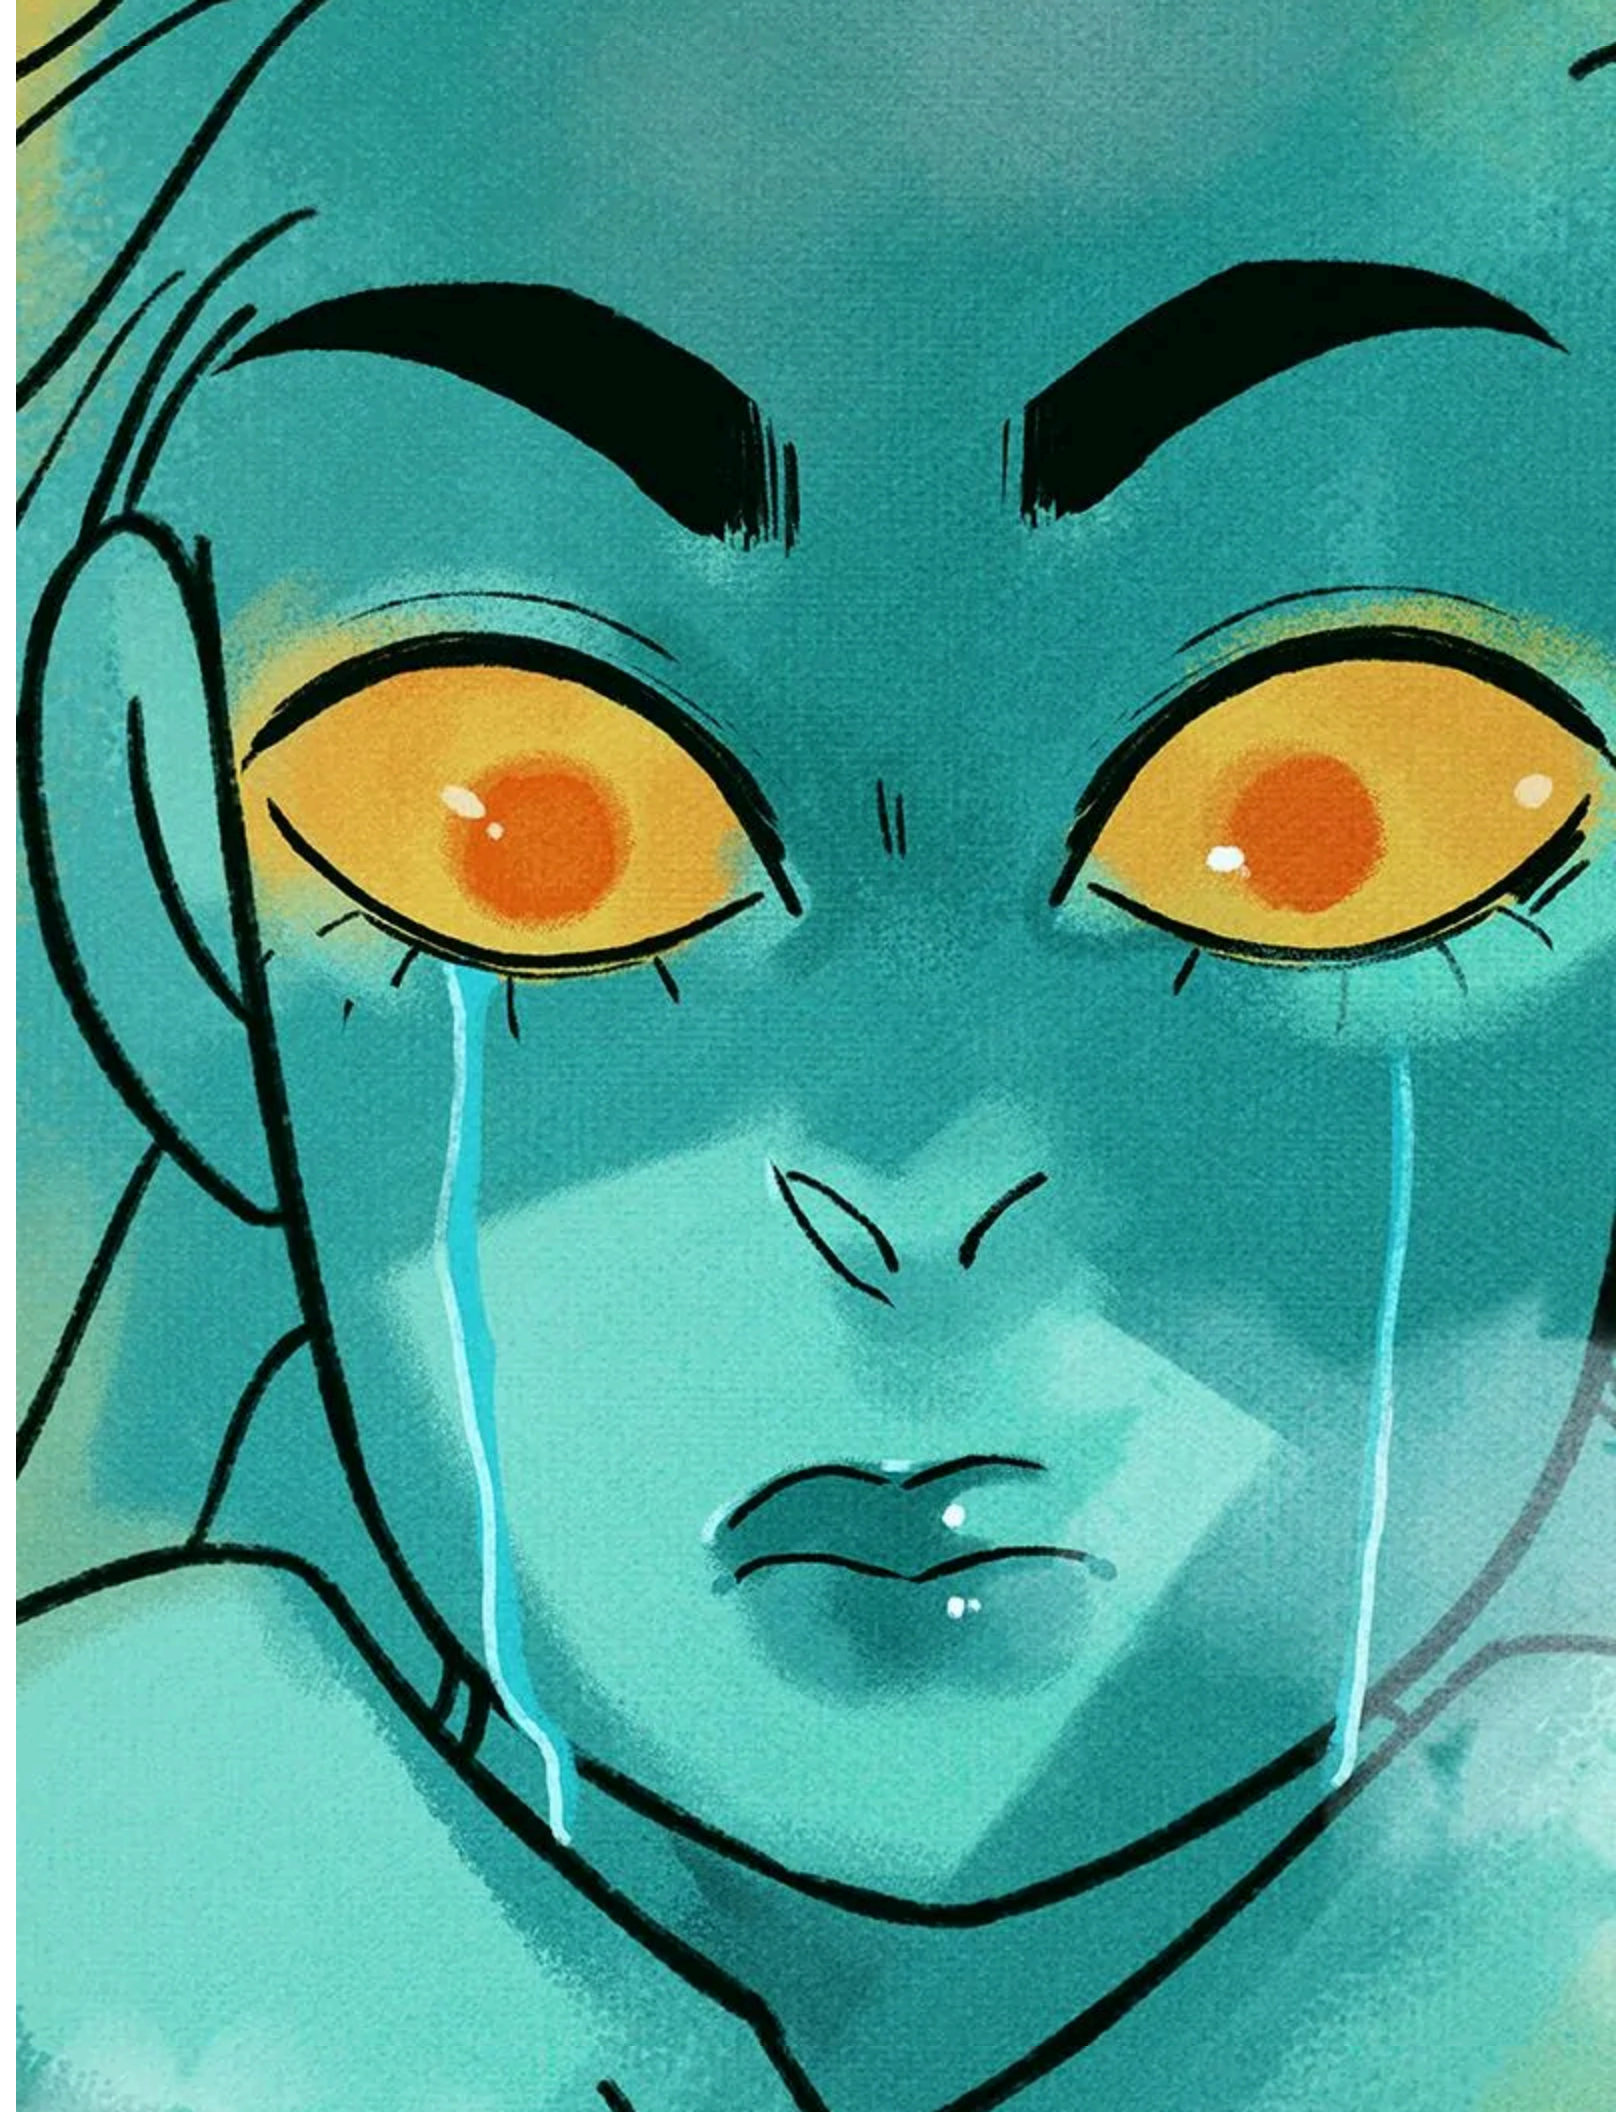

Ah,
down here.

It's time to
set things right.

3 months later.

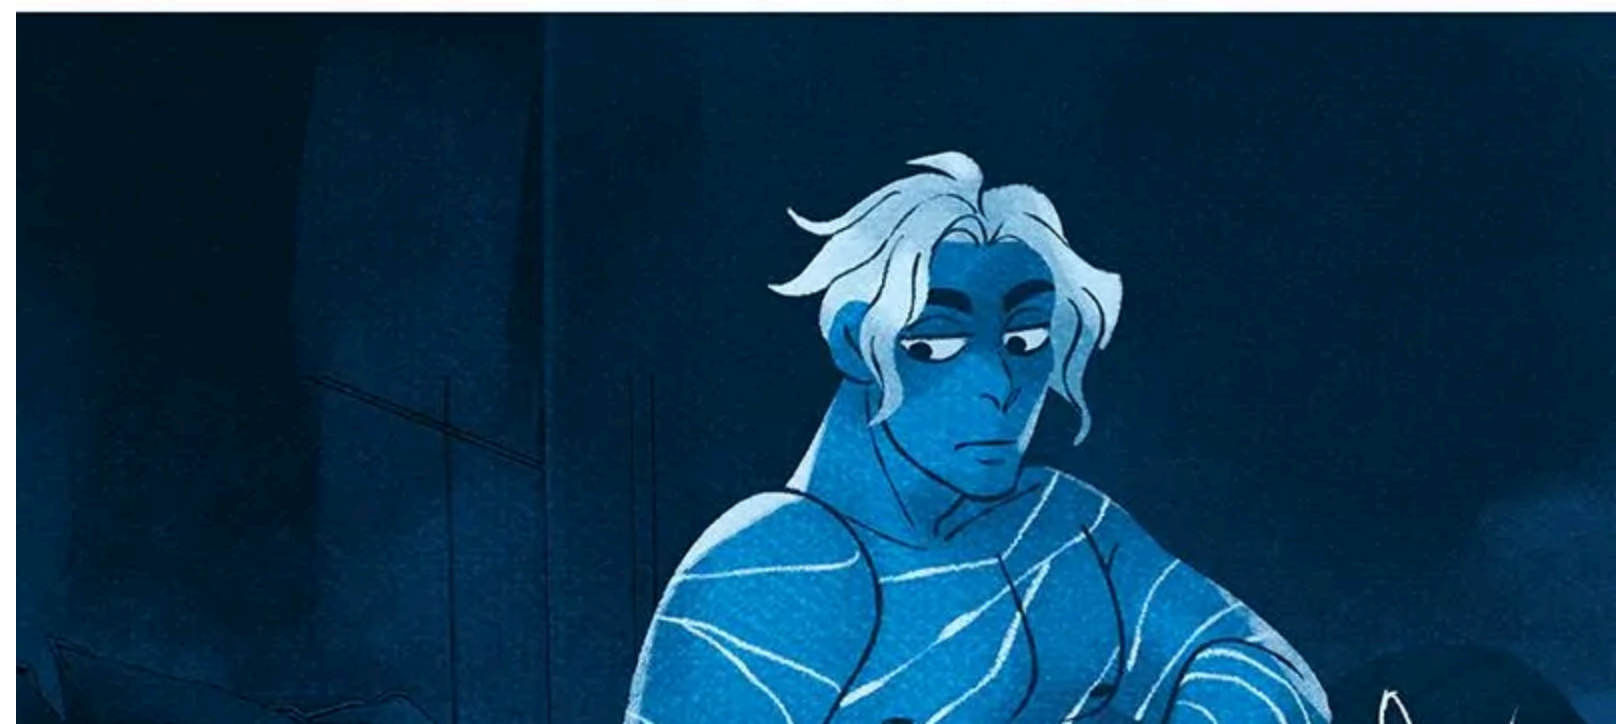

BEEP

BEEP

BEEP

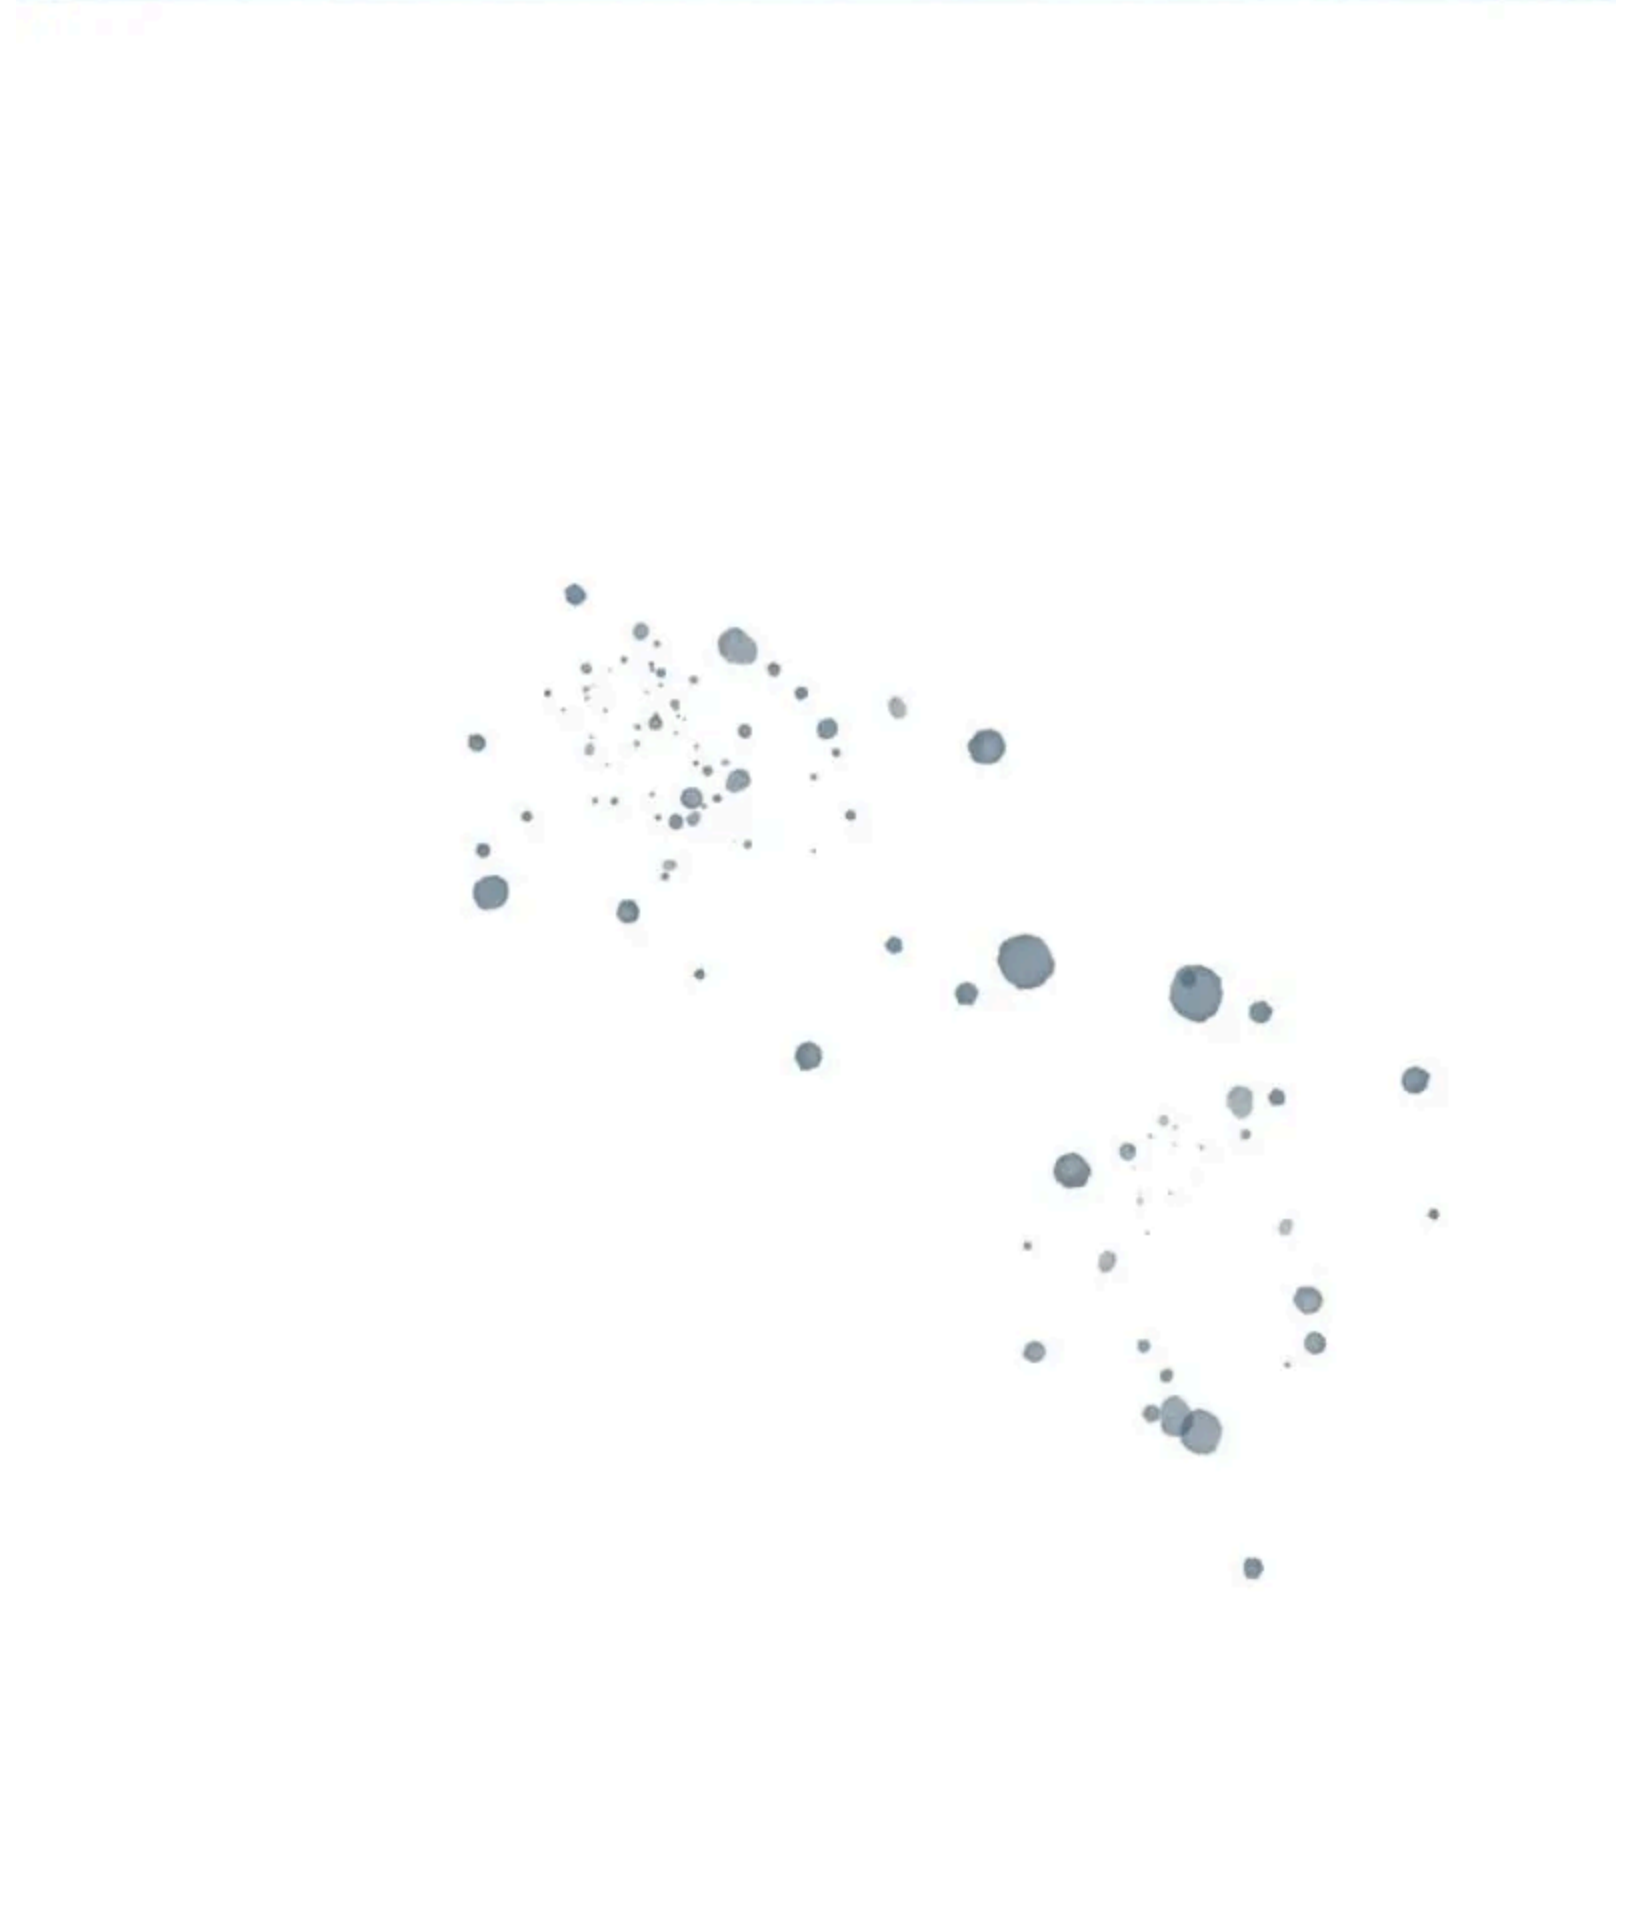

WHOOSH

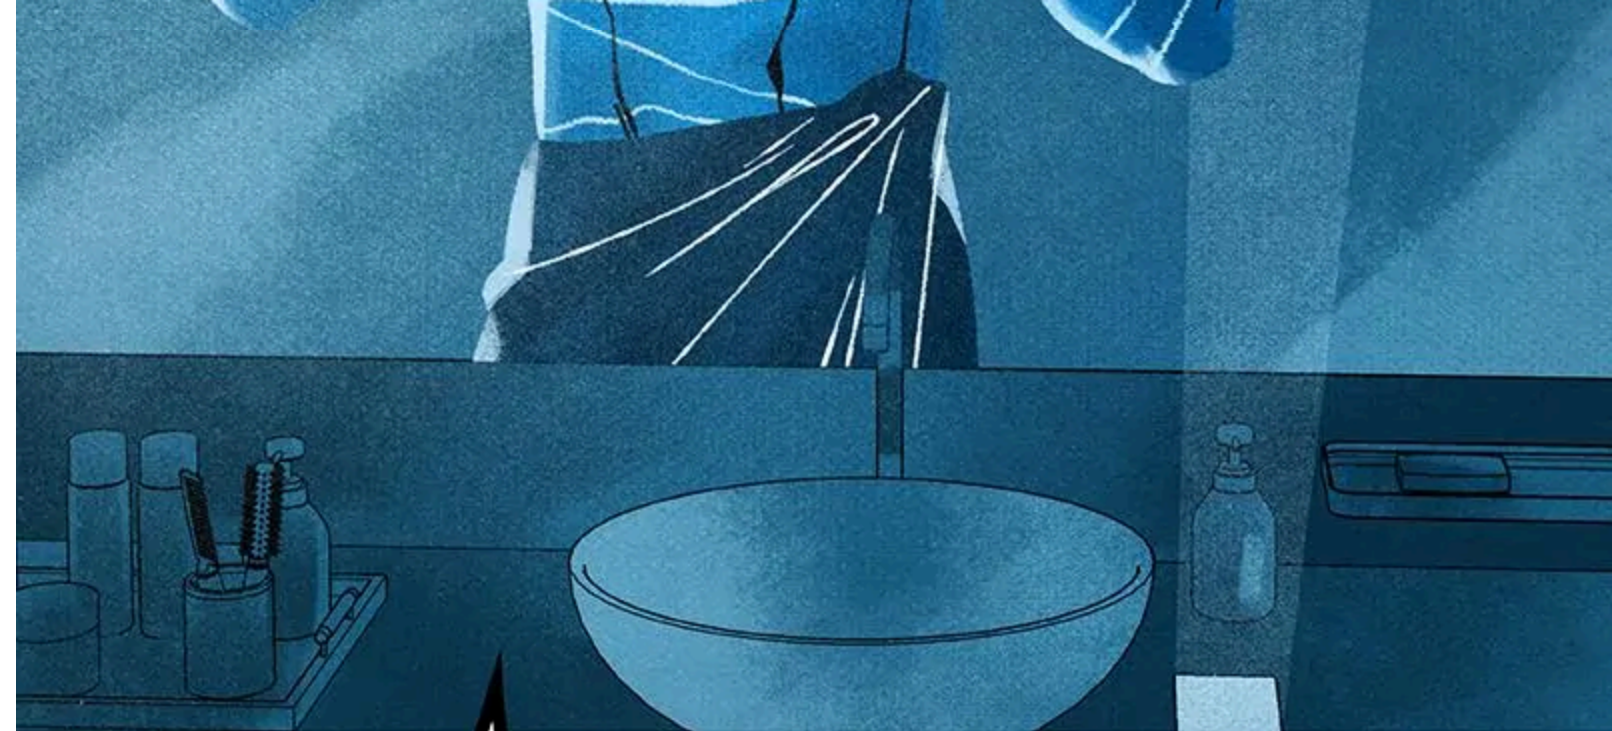

I'm fine.

*I know, I know.
But I just need to
make sure you're
doing okay.*

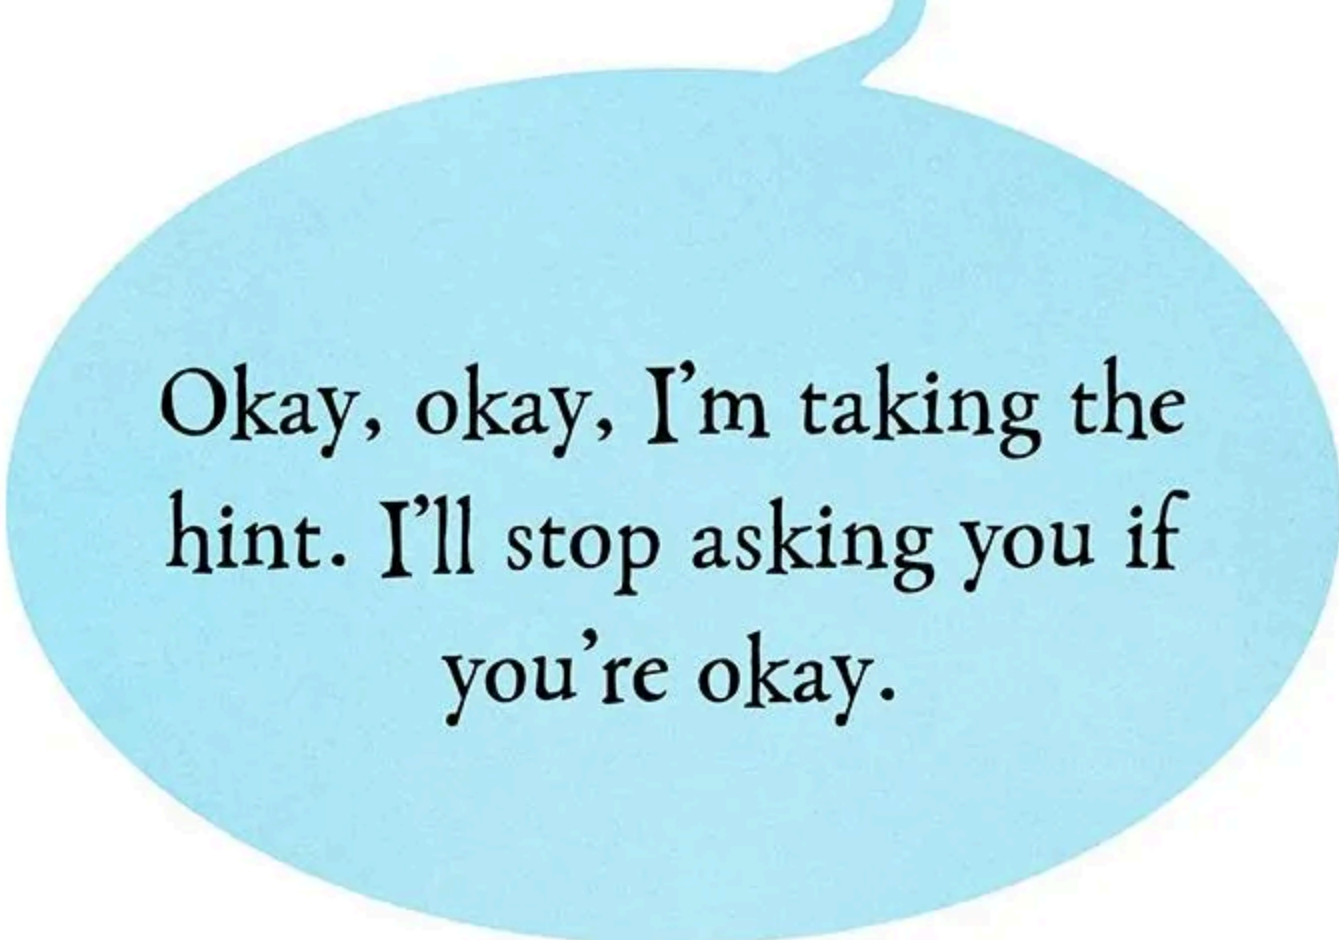

I'd be a lot better if
everyone stops gently
asking me if
I'm okay.

I think this is one of those times when it's safe to assume I'm hanging in there.

Okay, okay, I'm taking the
hint. I'll stop asking you if
you're okay.

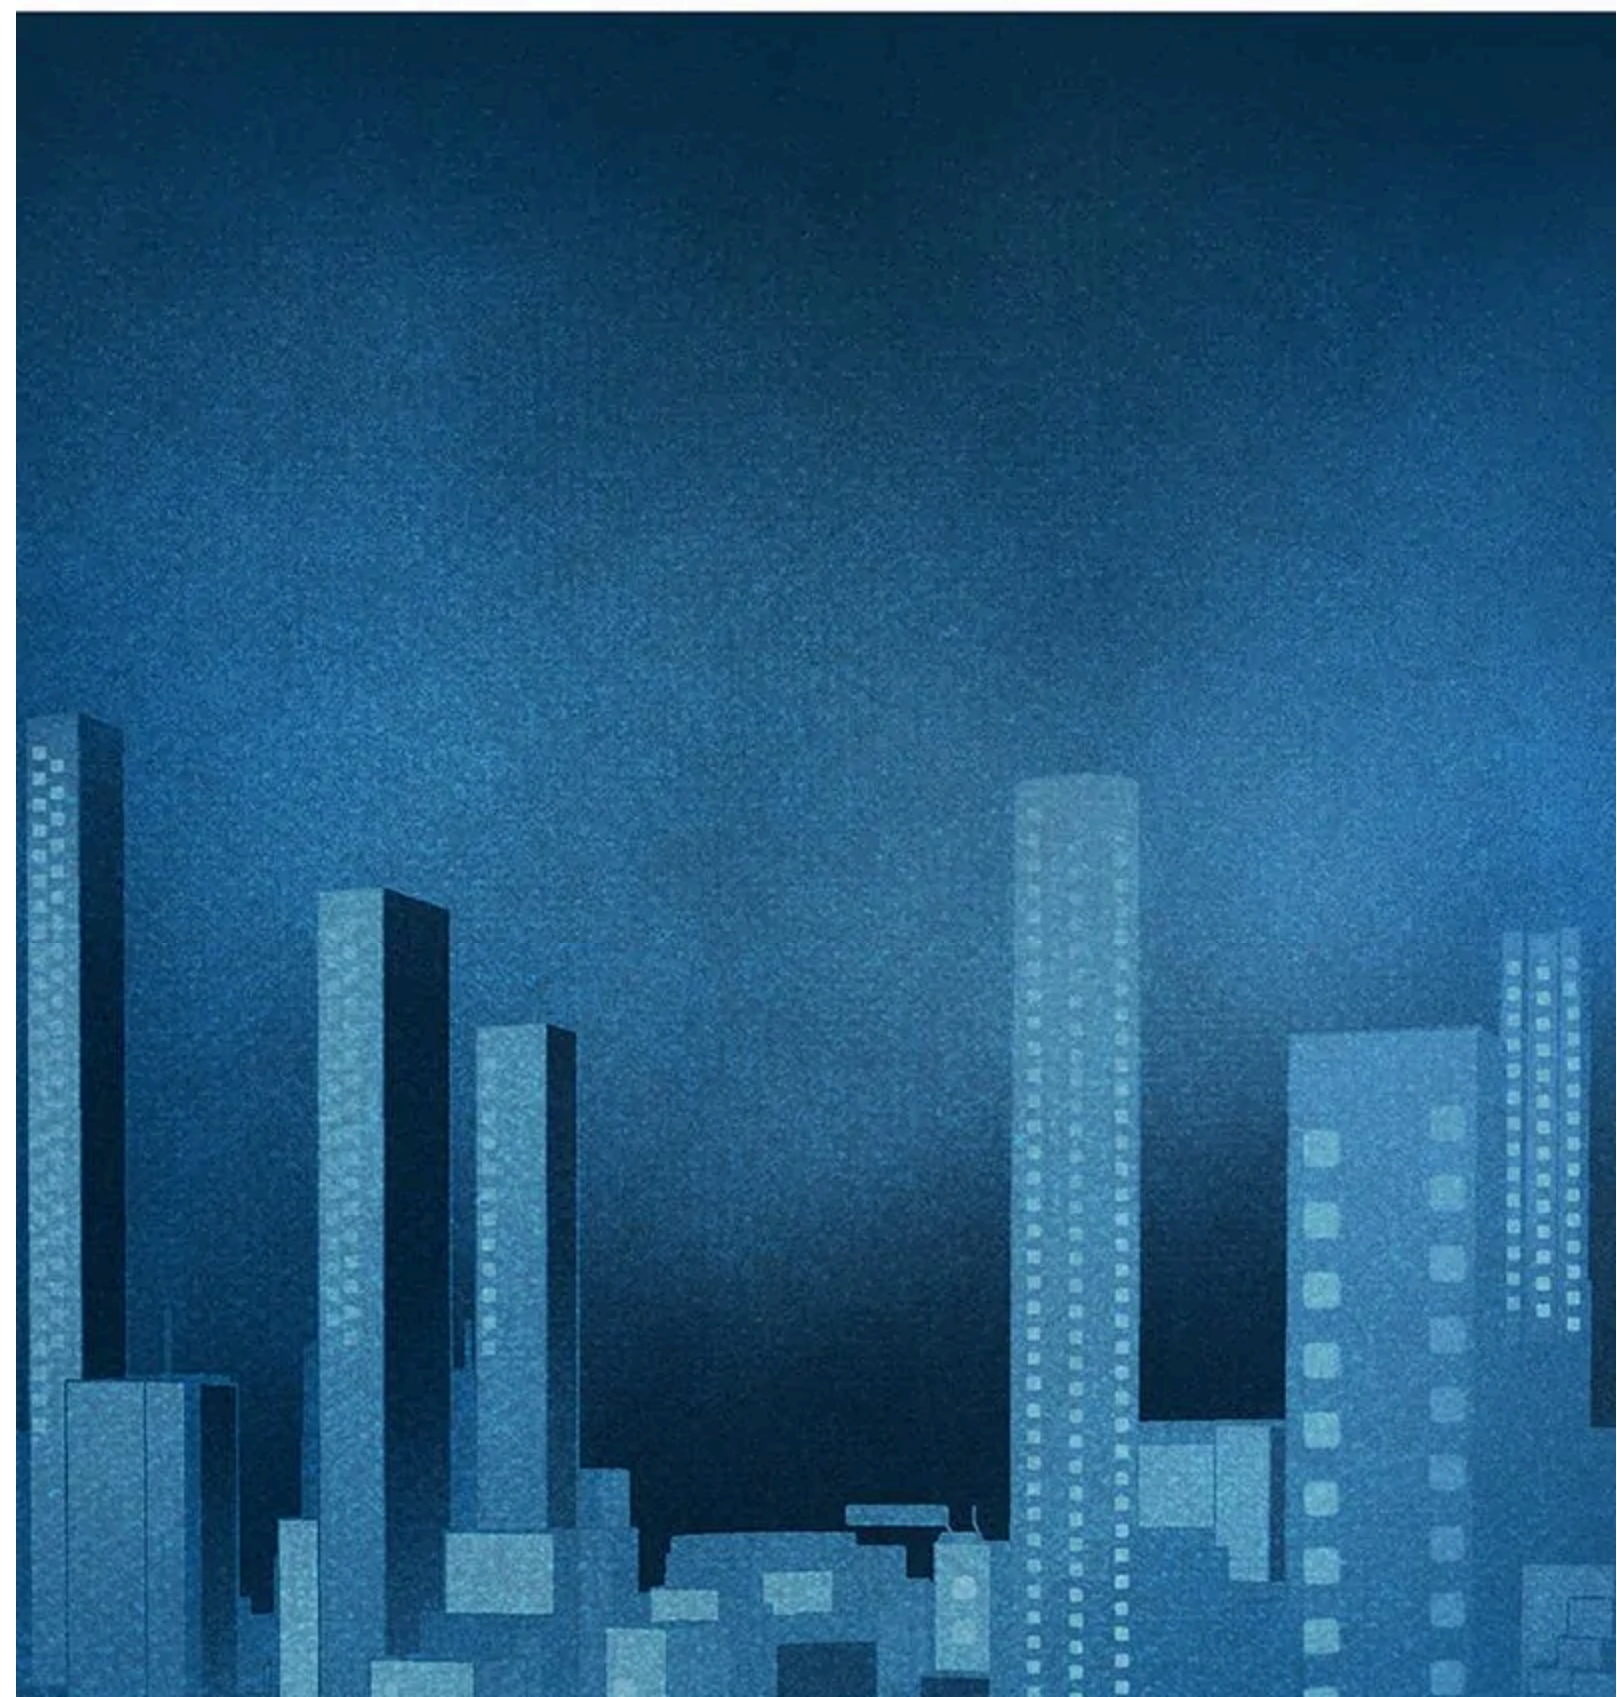

I'll see you later on
today.

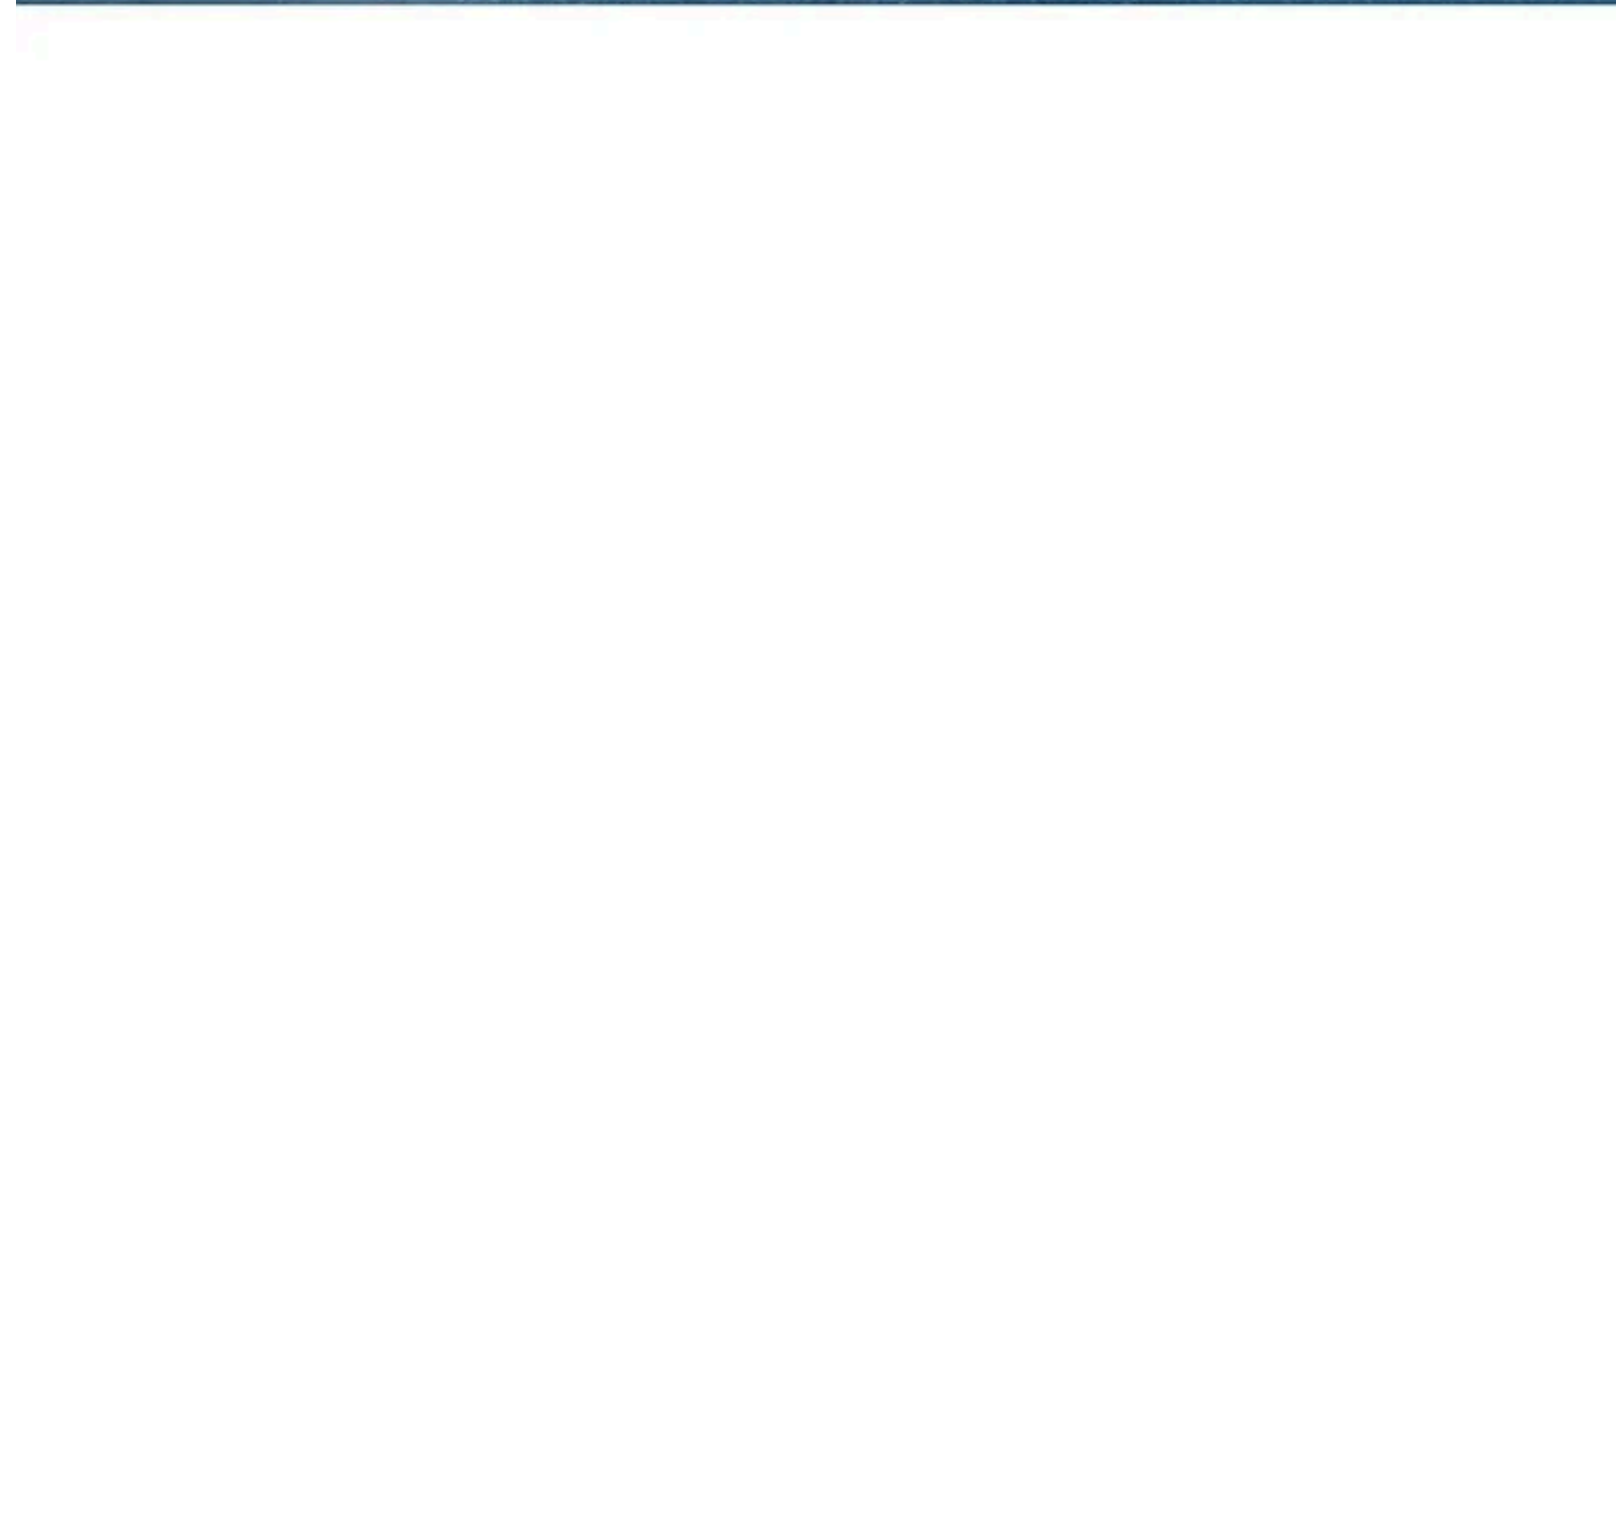

Huff

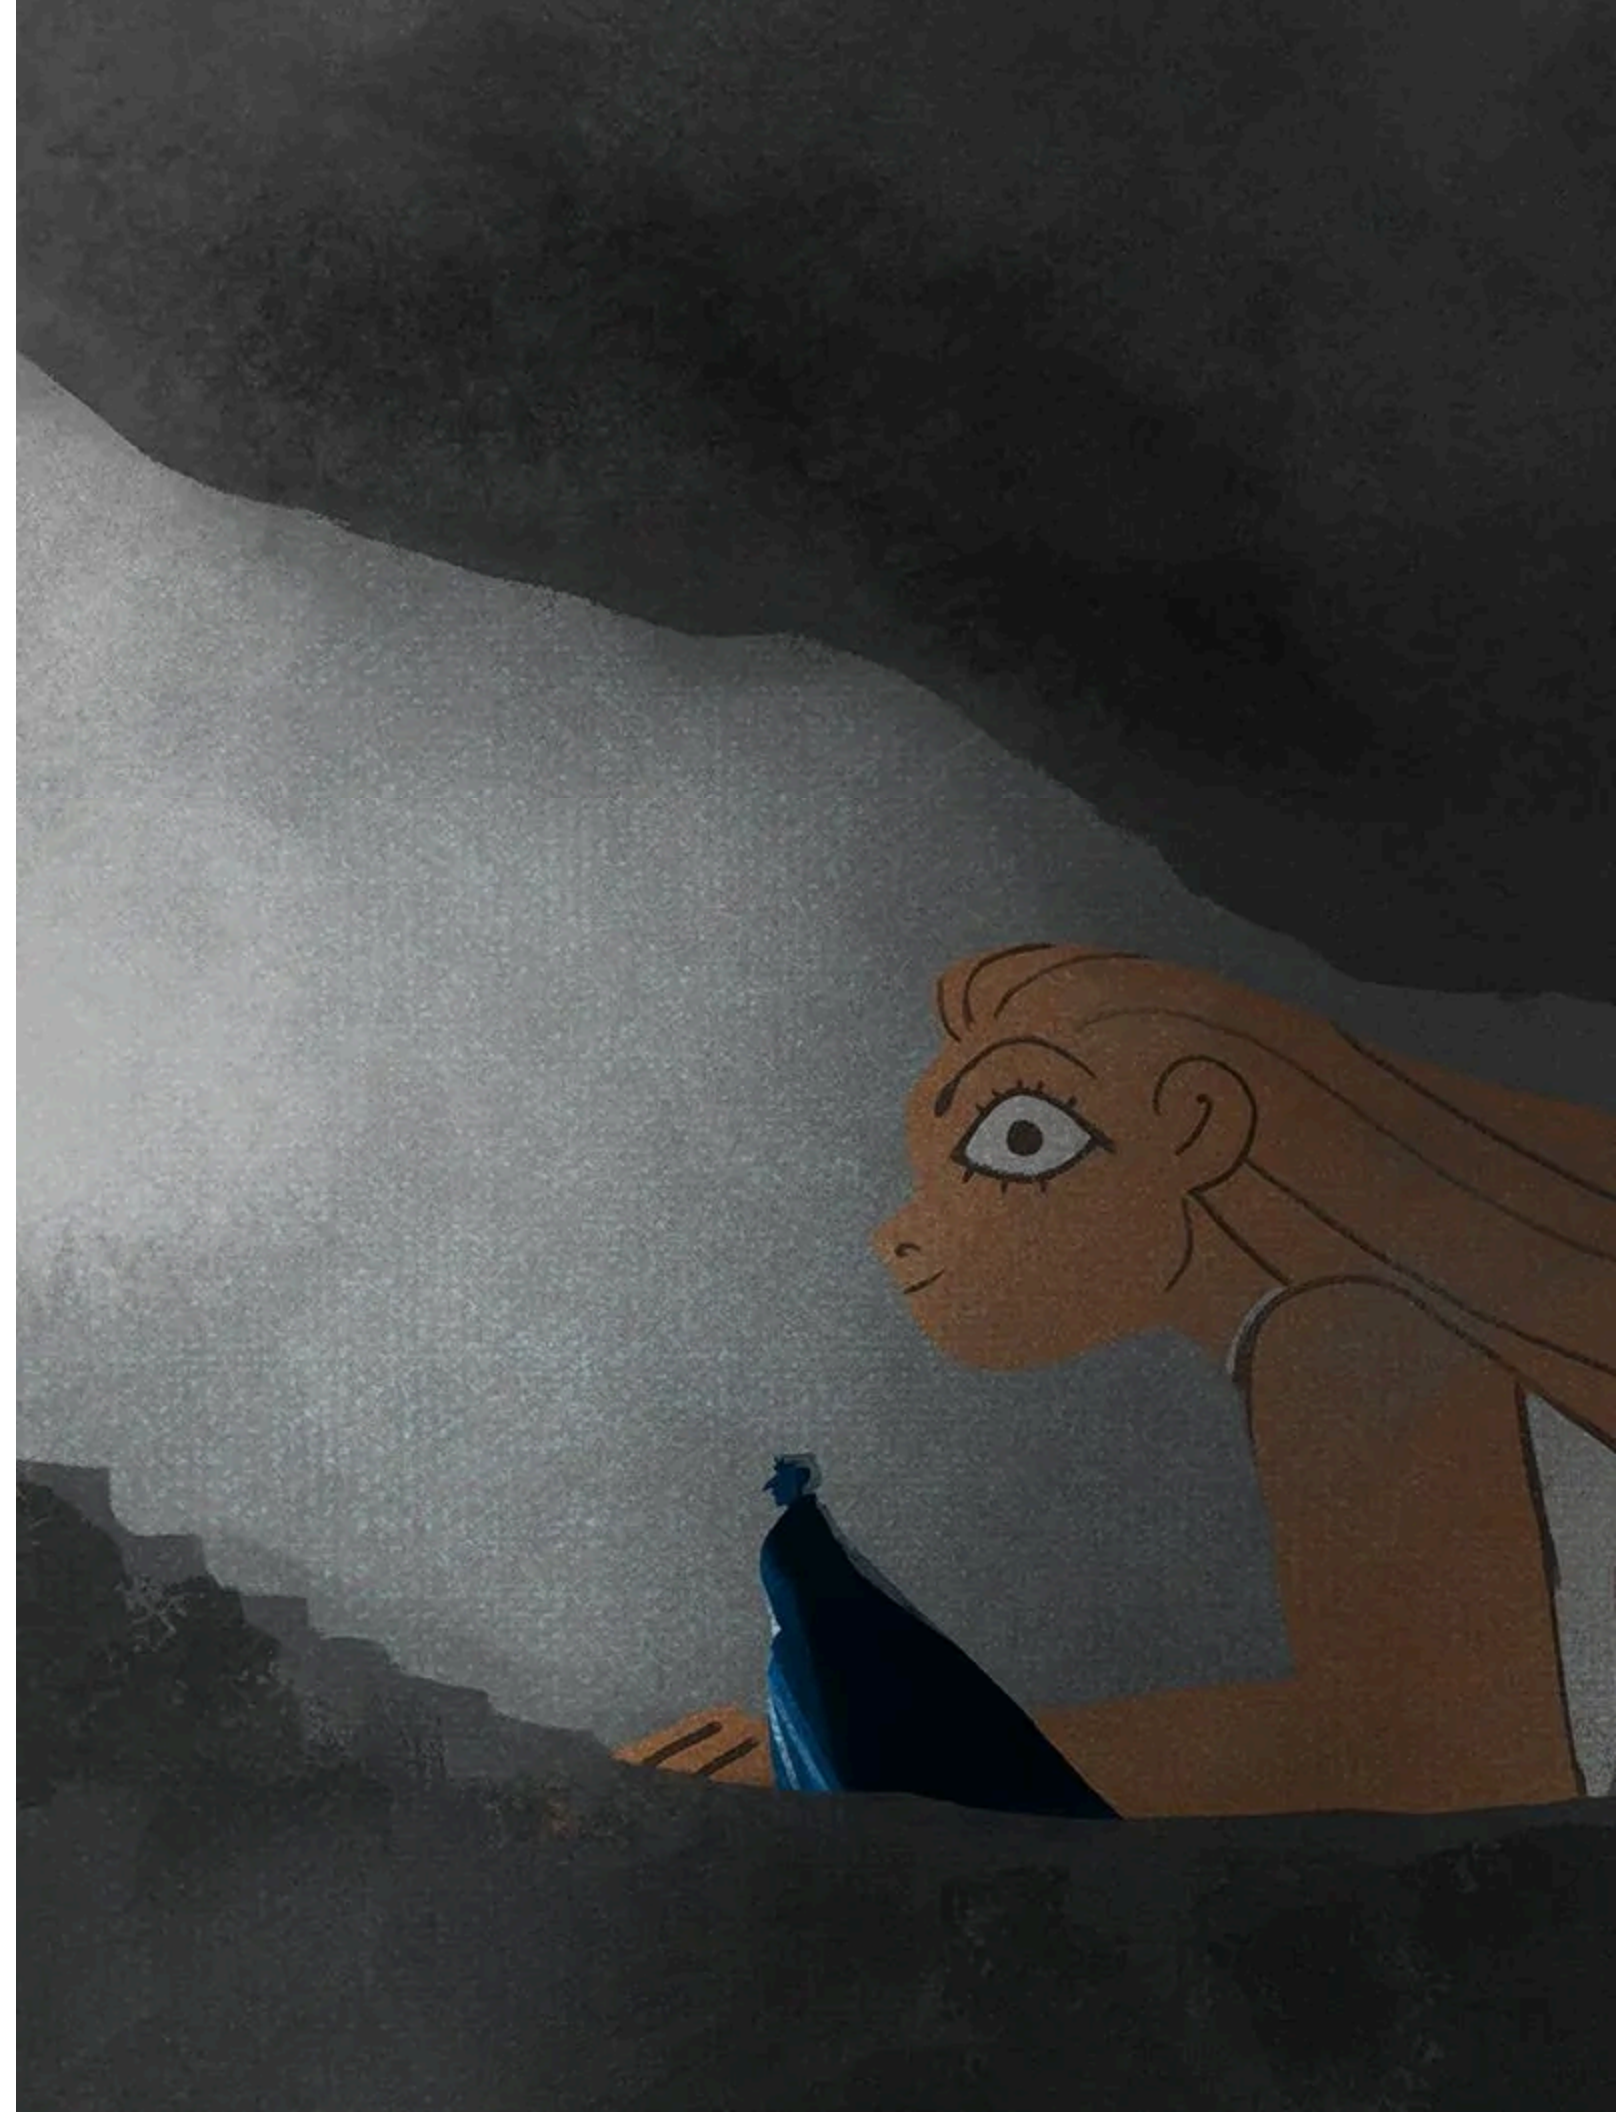

Are you ready,
old friend?

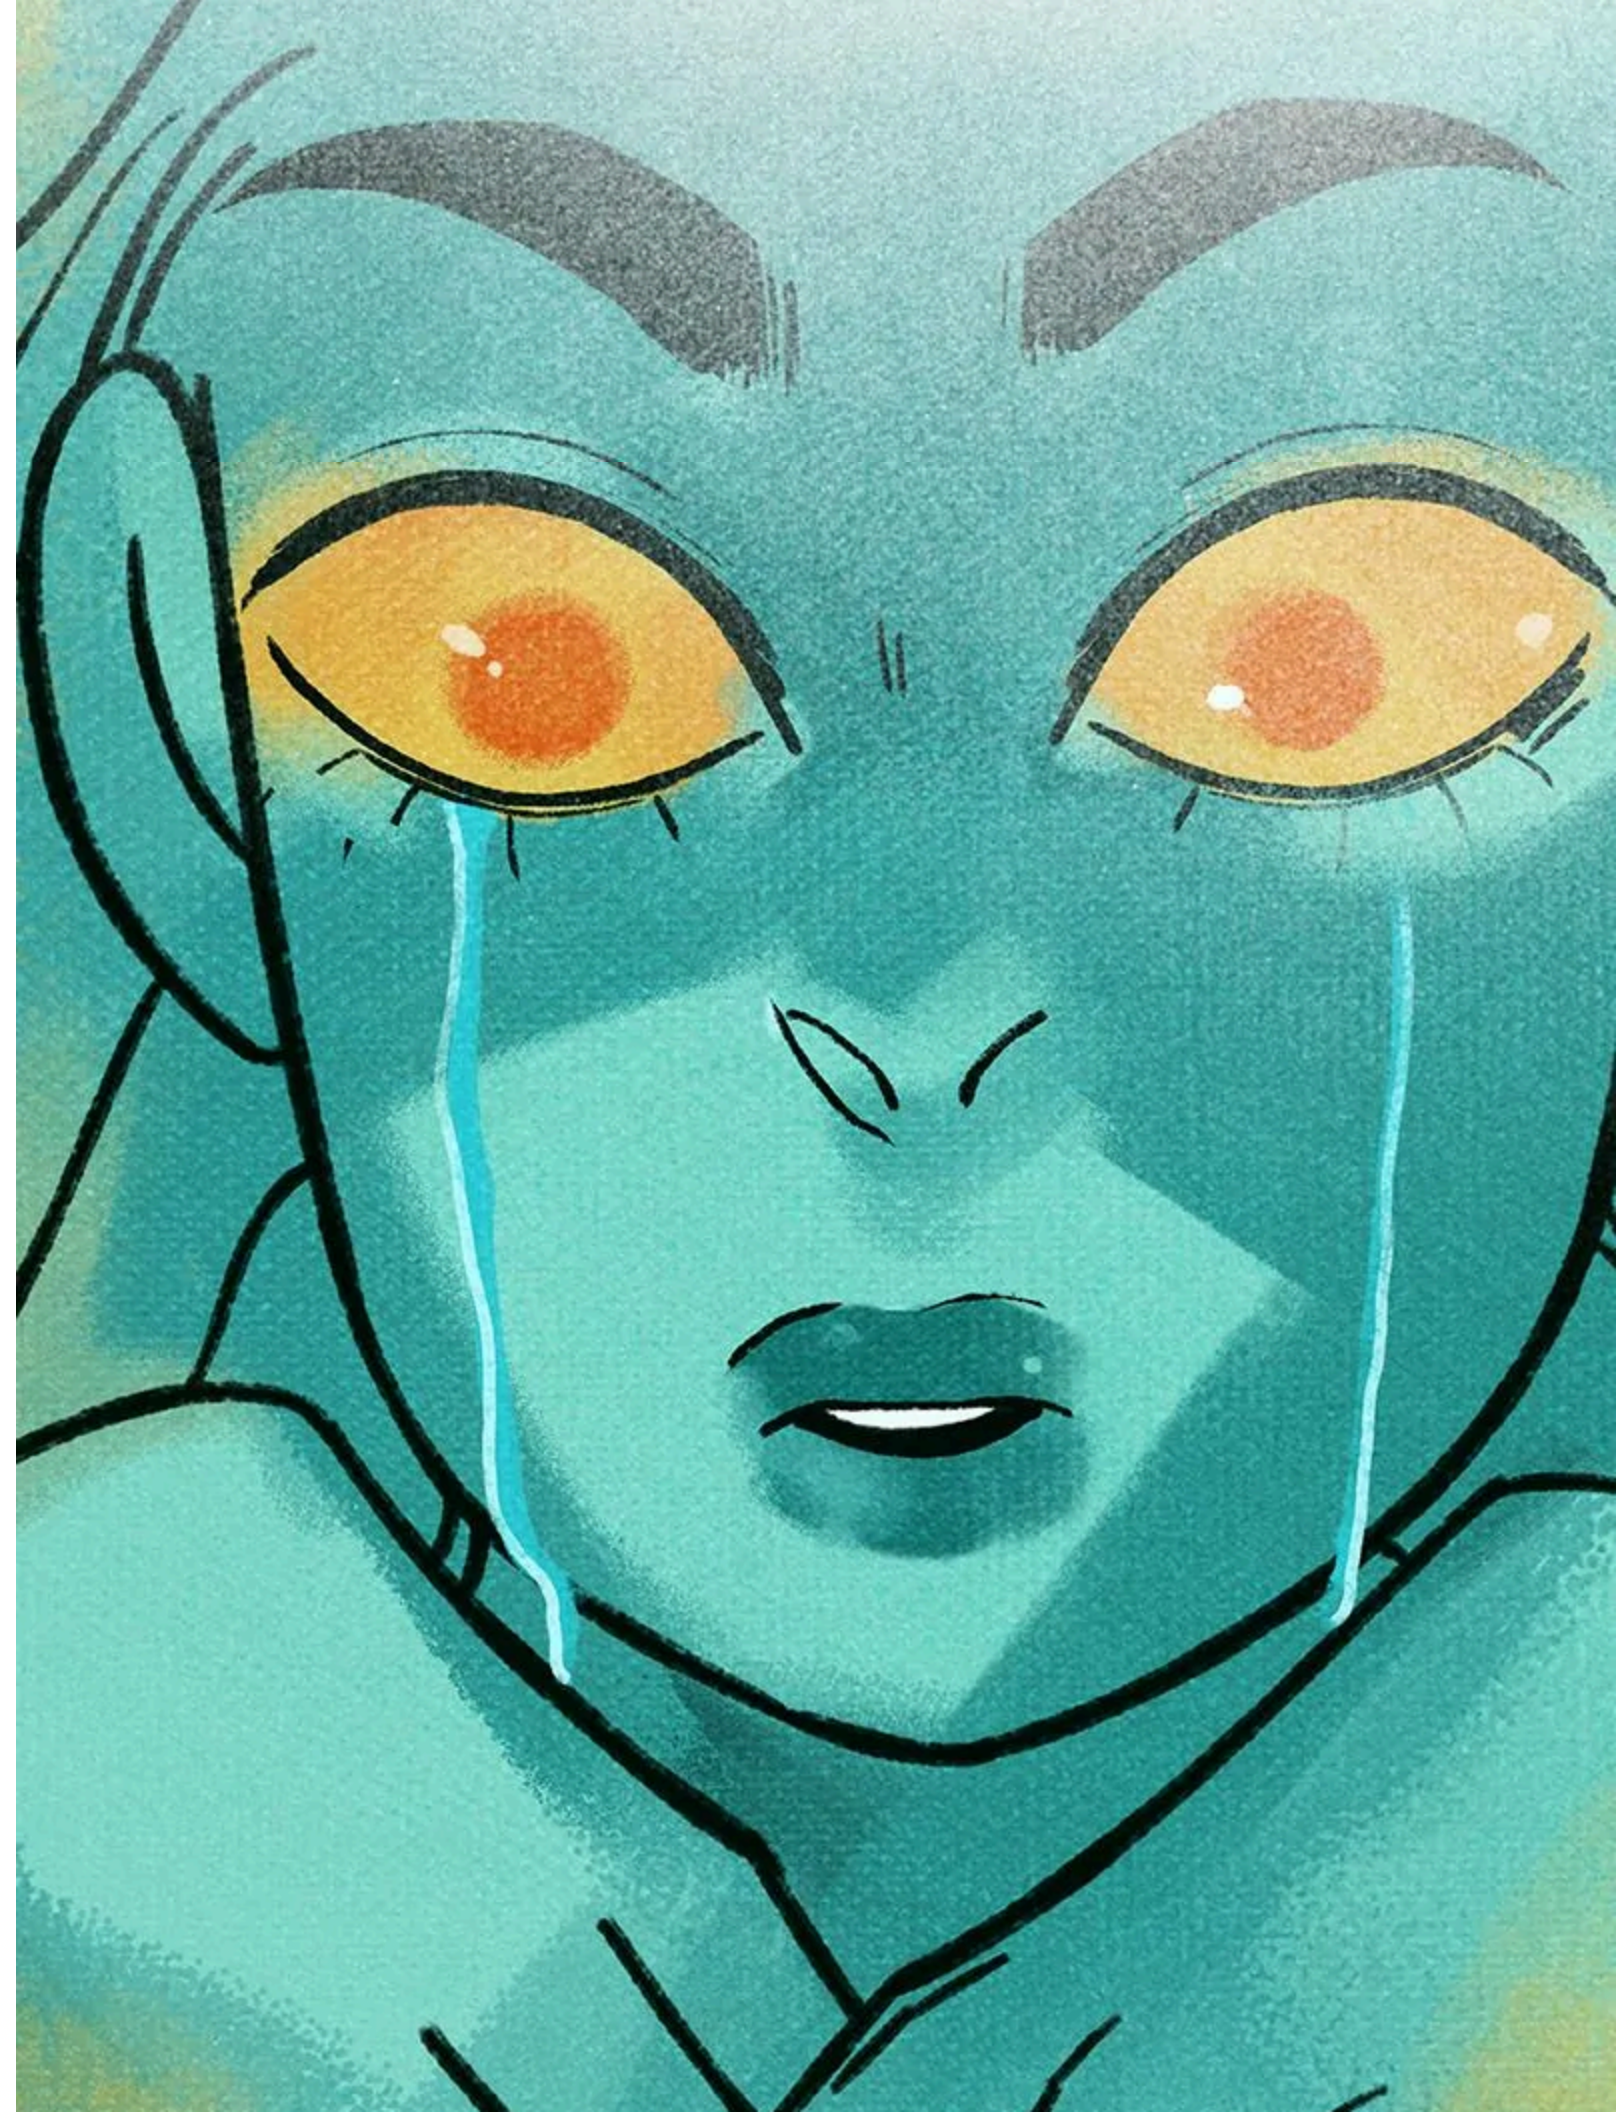

MORTAL
REALM
ENTRY

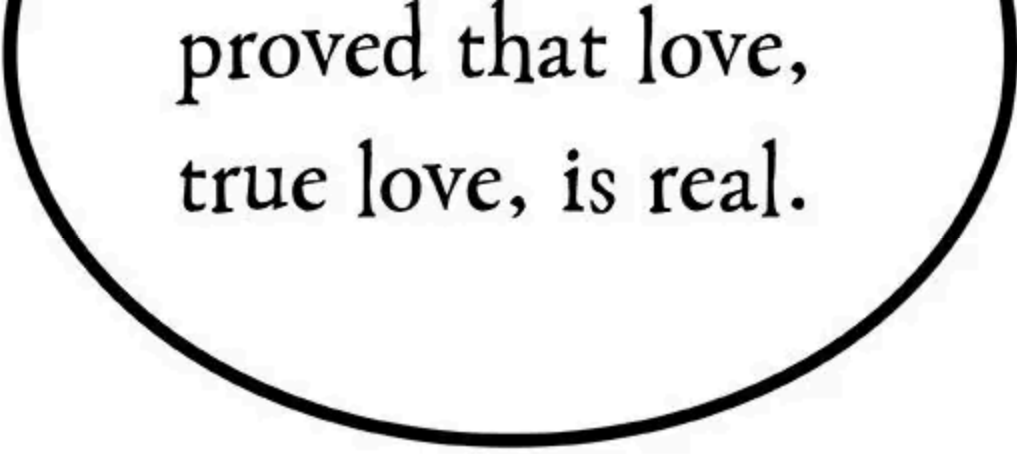

It's time to set
things right.

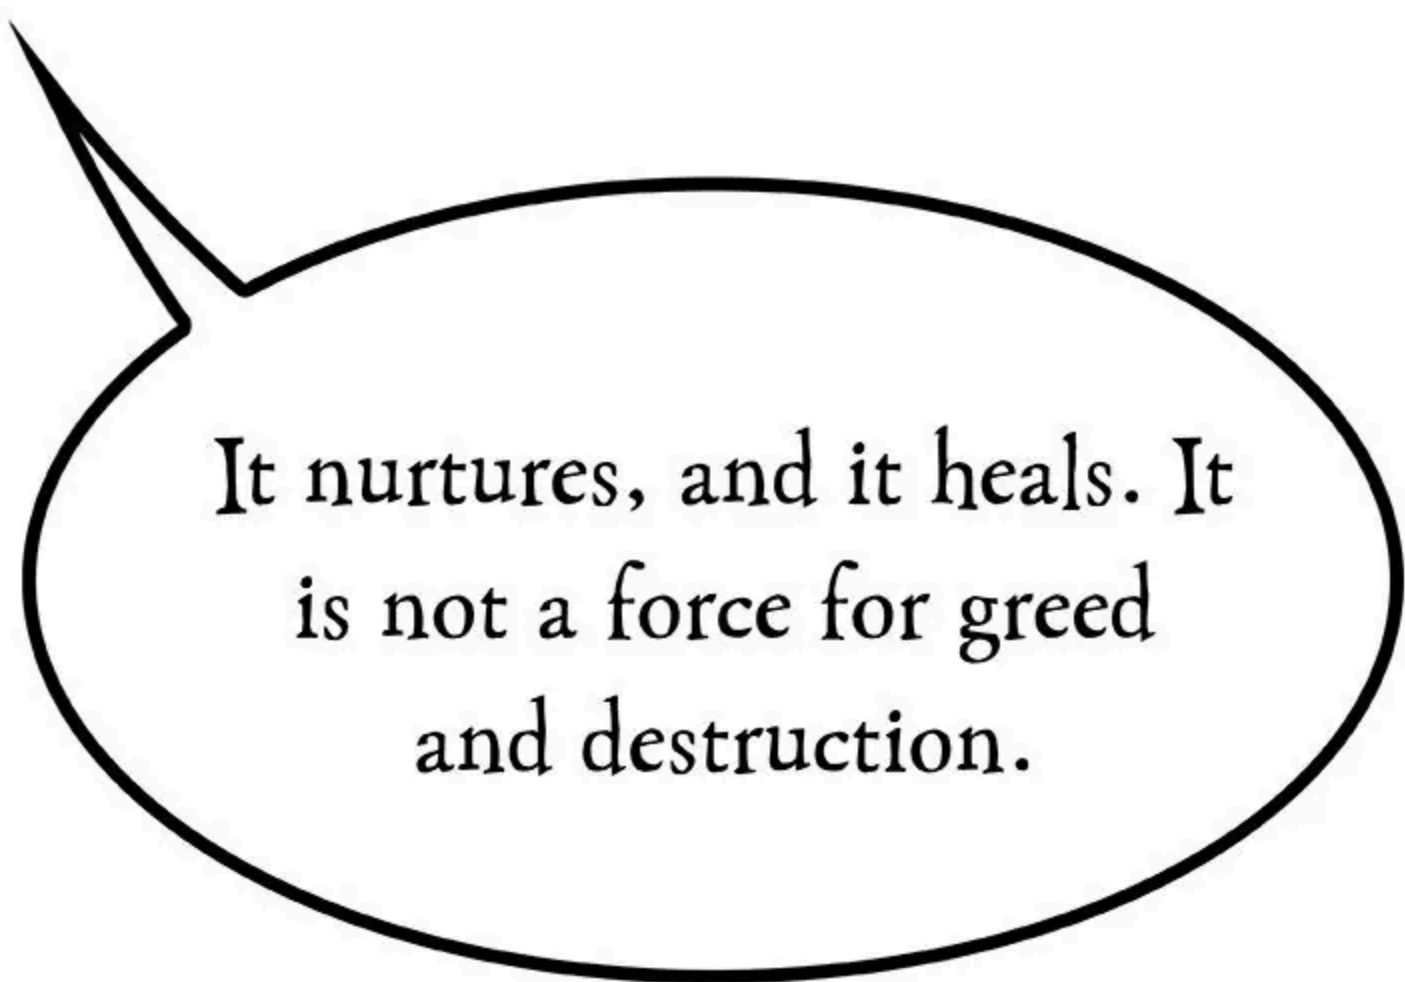

The two of you

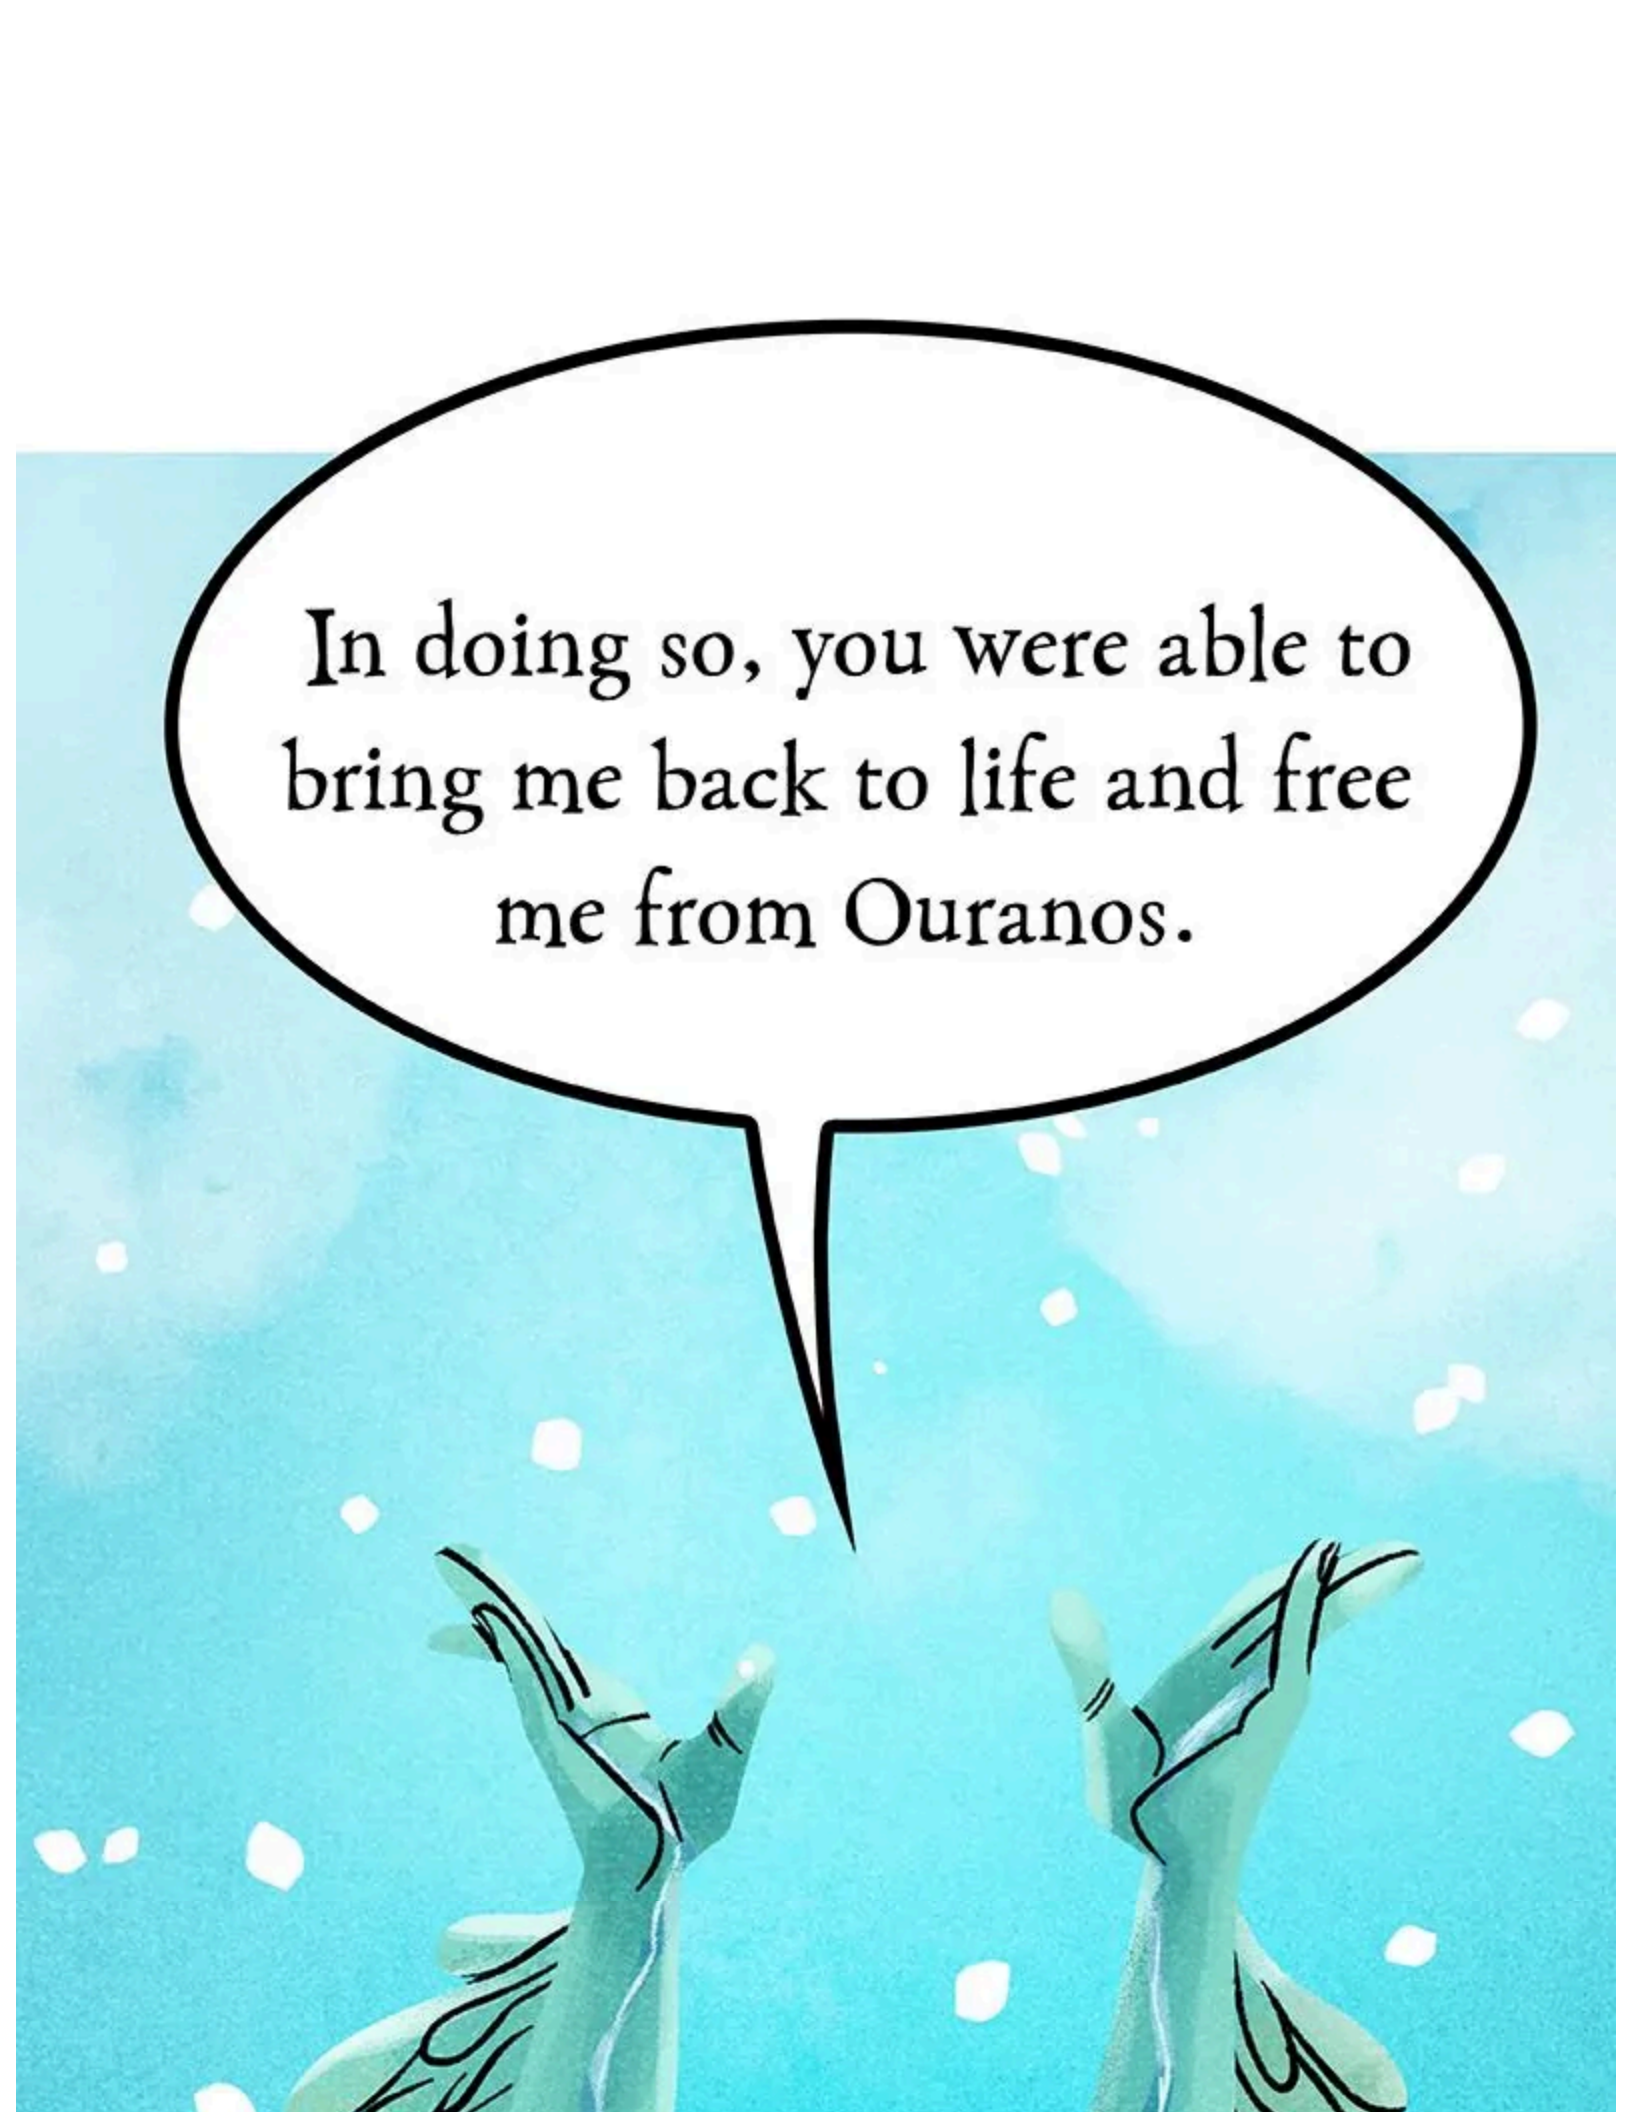

proved that love,
true love, is real.

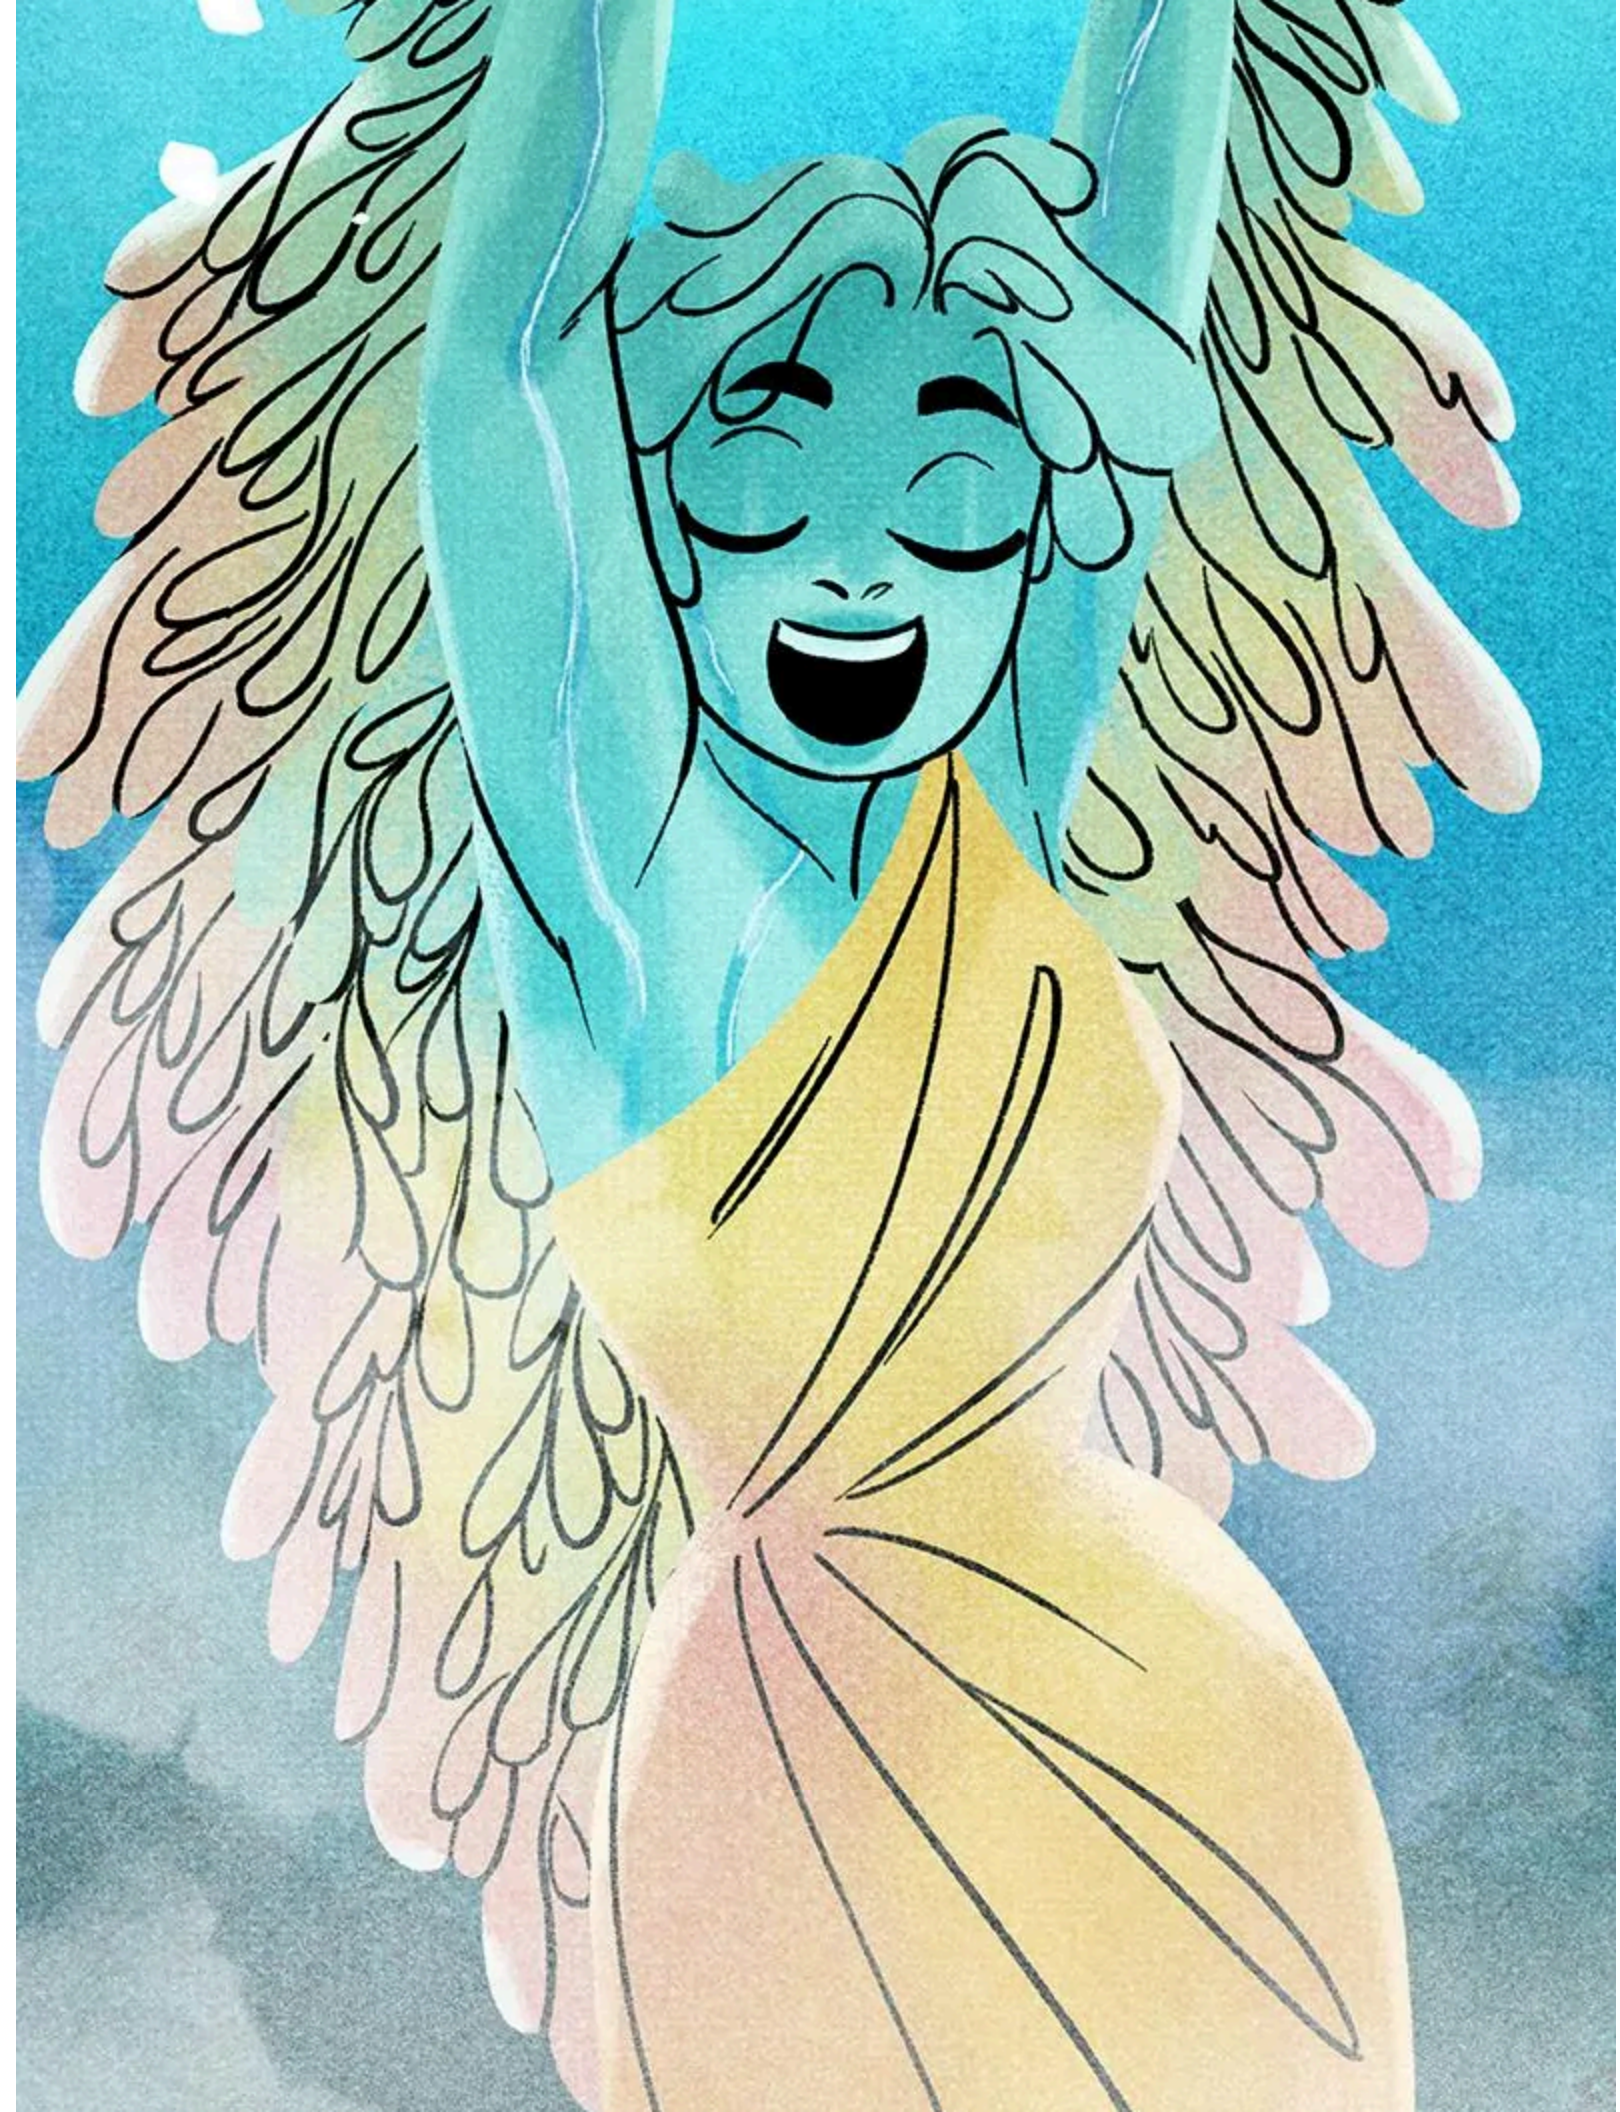

It nurtures, and it heals. It
is not a force for greed
and destruction.

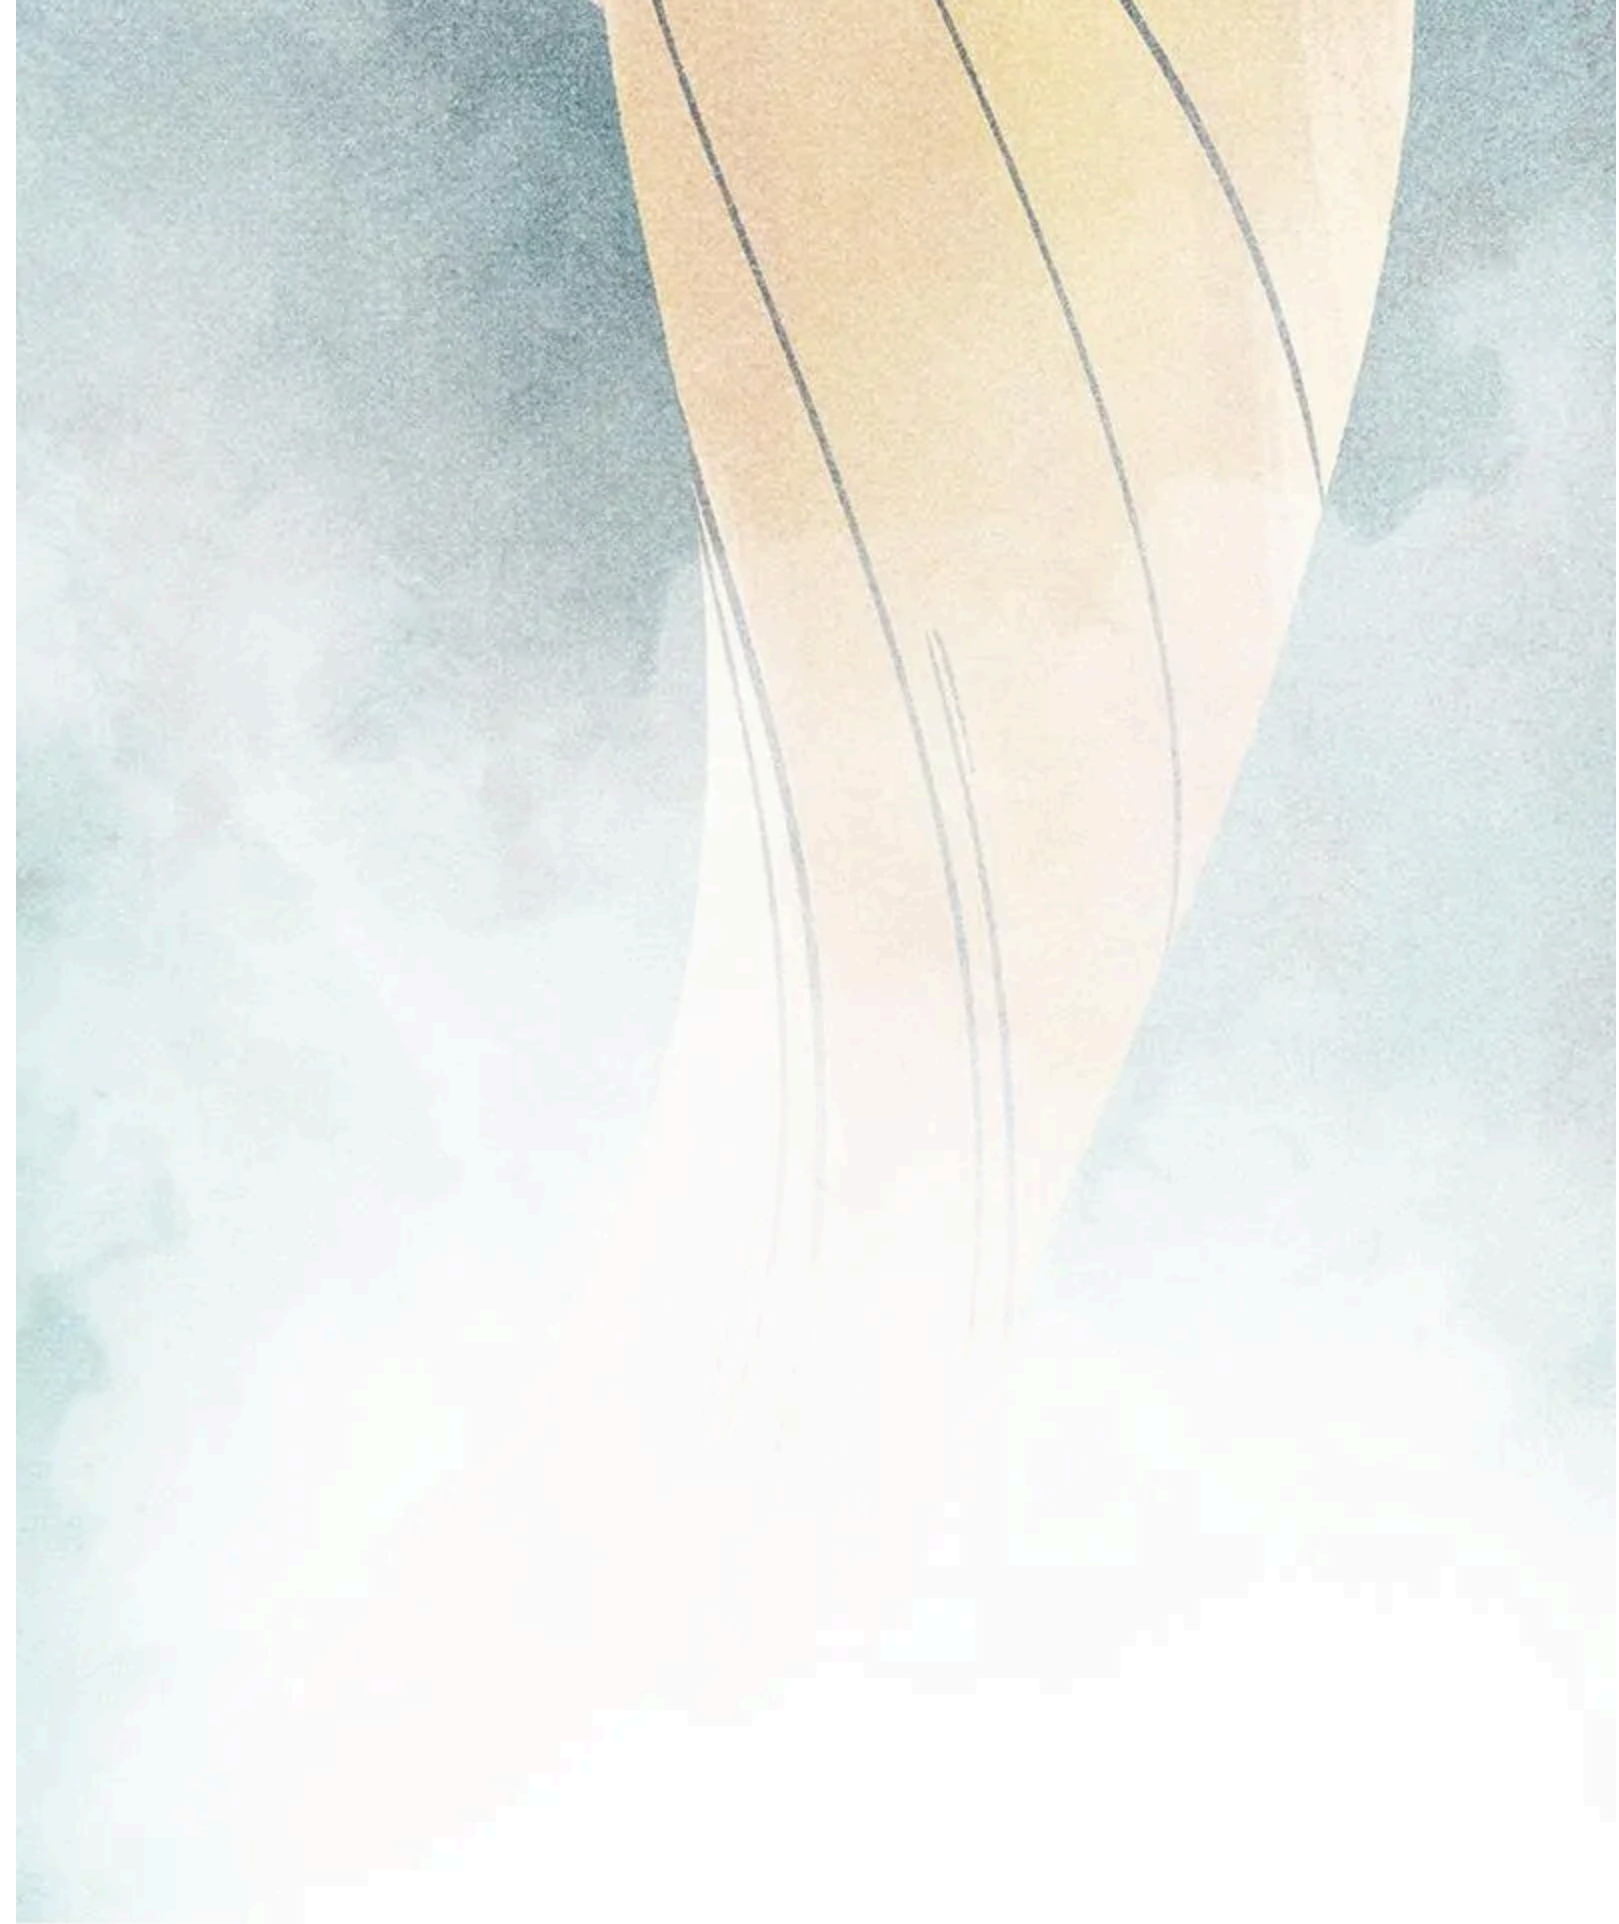

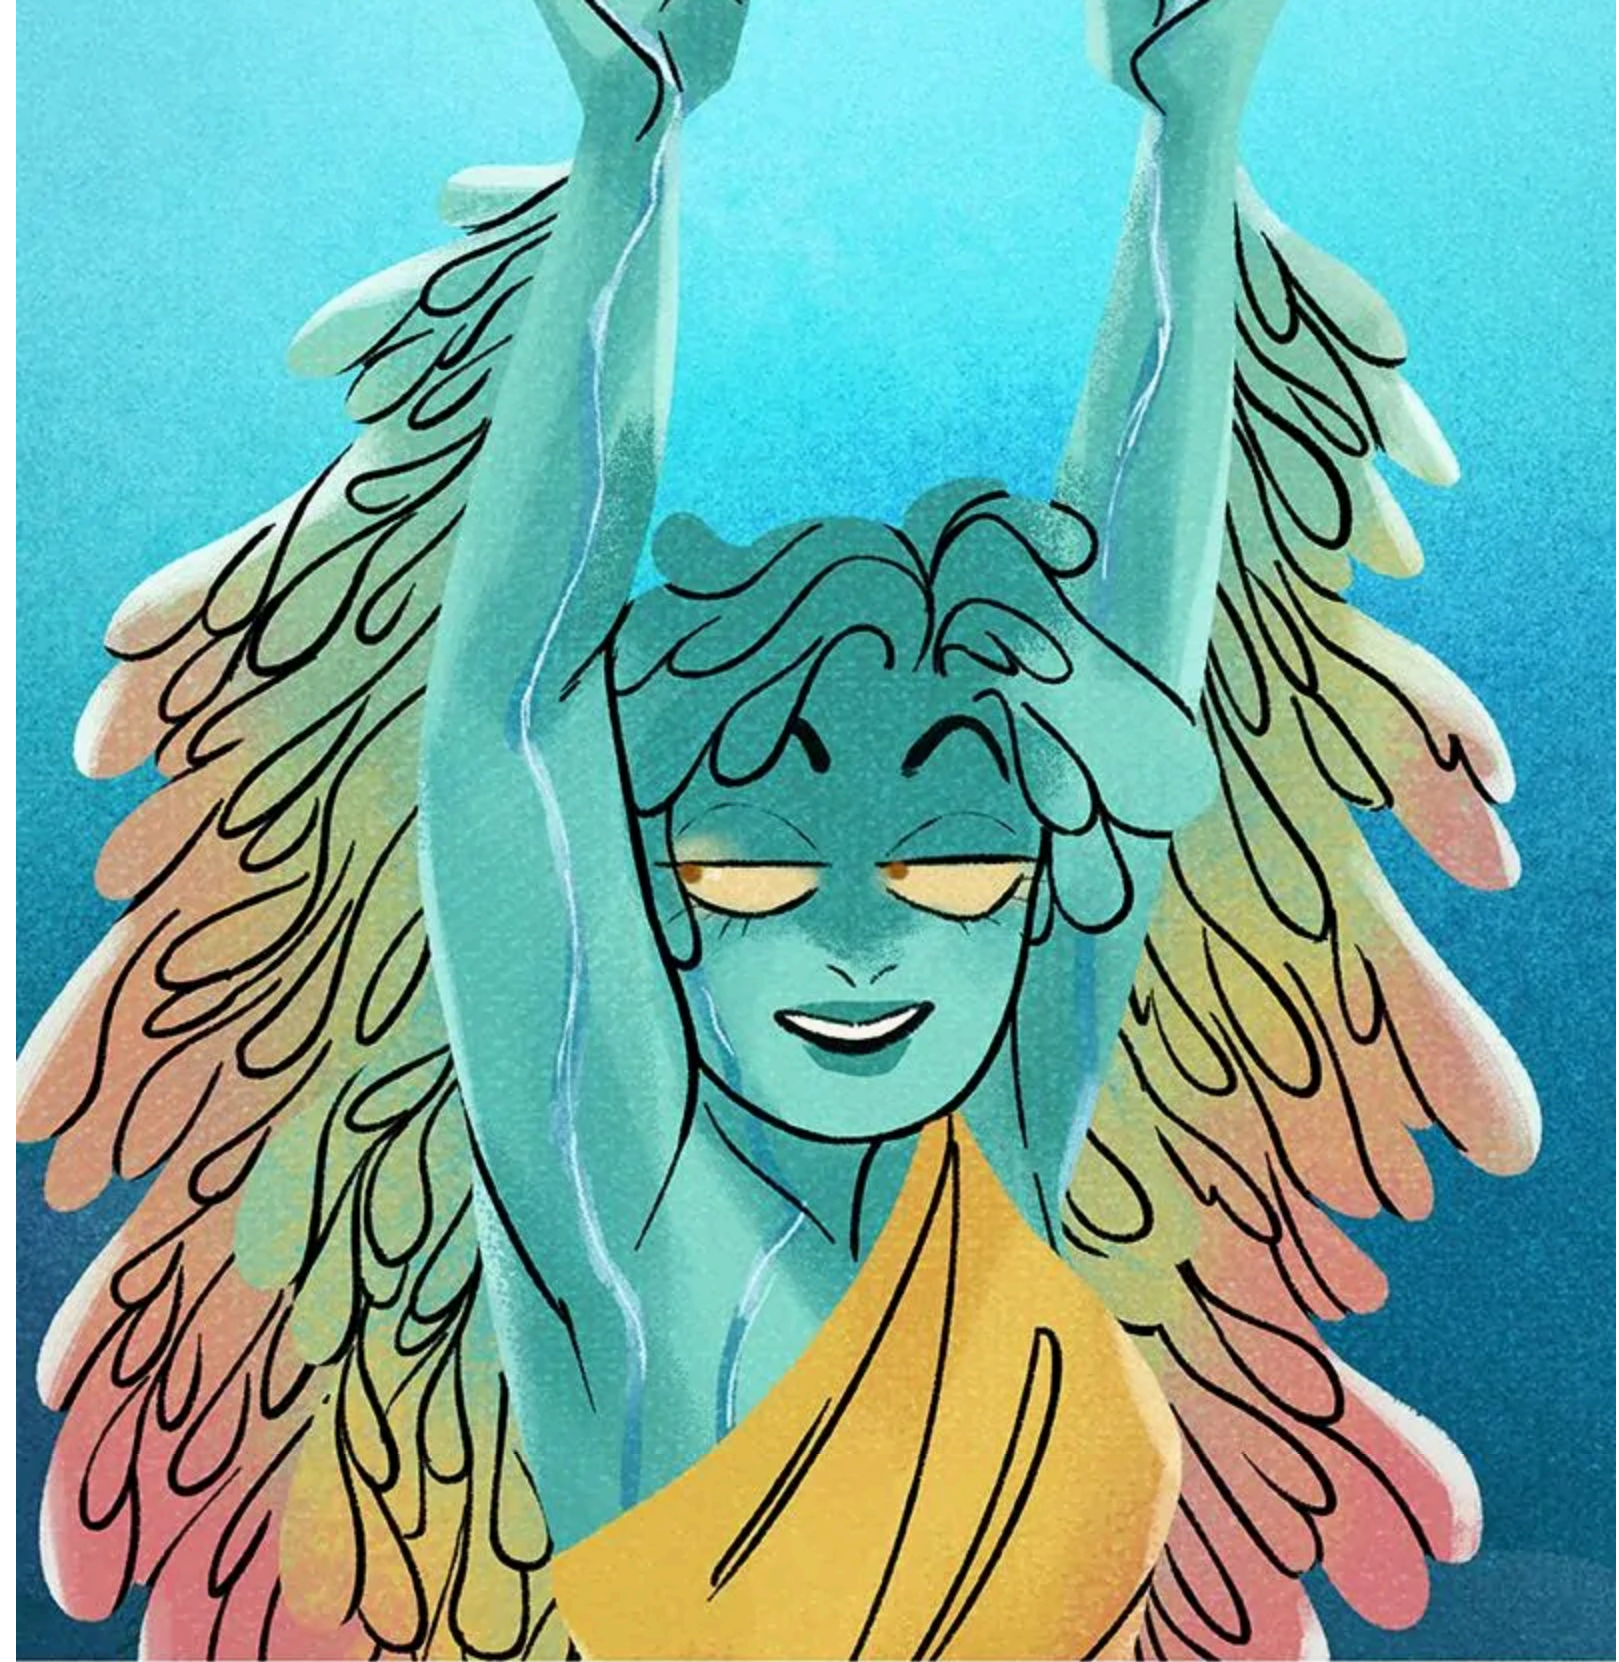

In doing so, you were able to
bring me back to life and free
me from Ouranos.

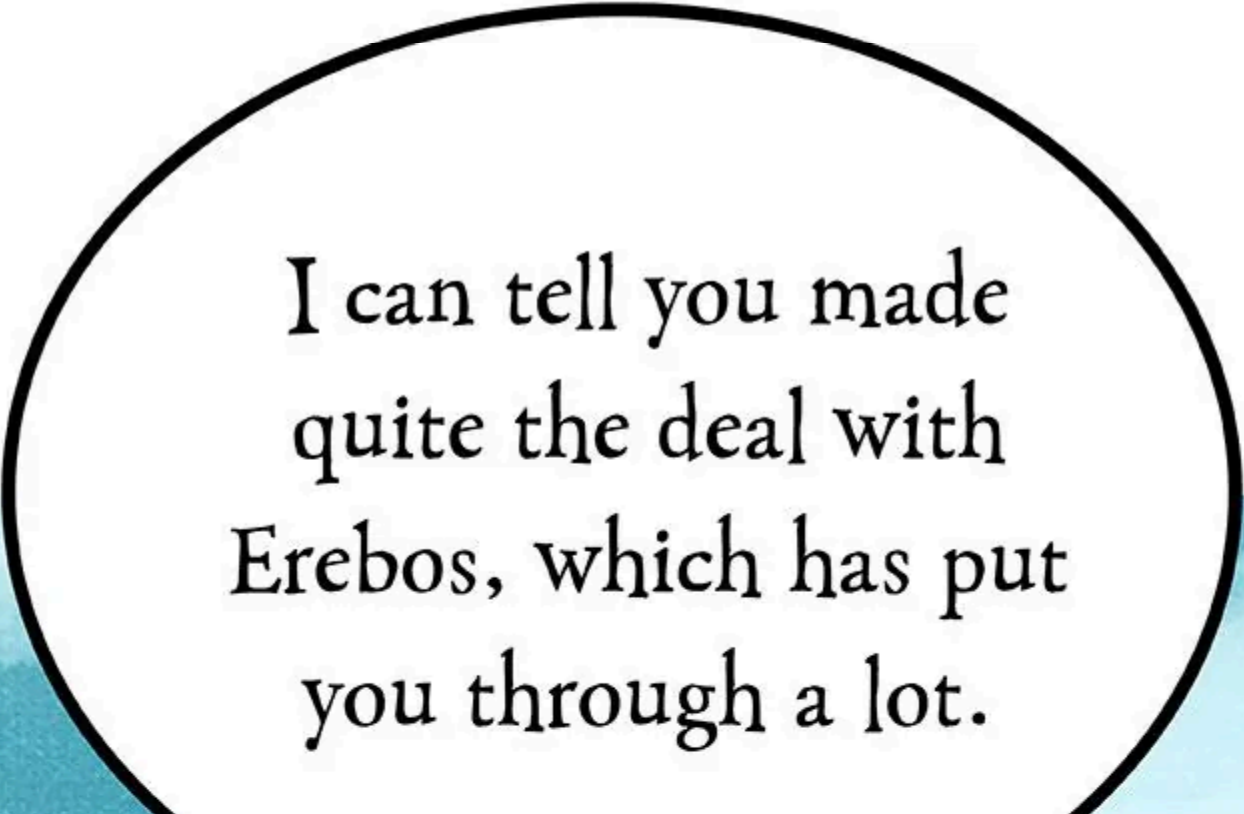

This also proves Hydros
wrong, which is very
satisfying for me.

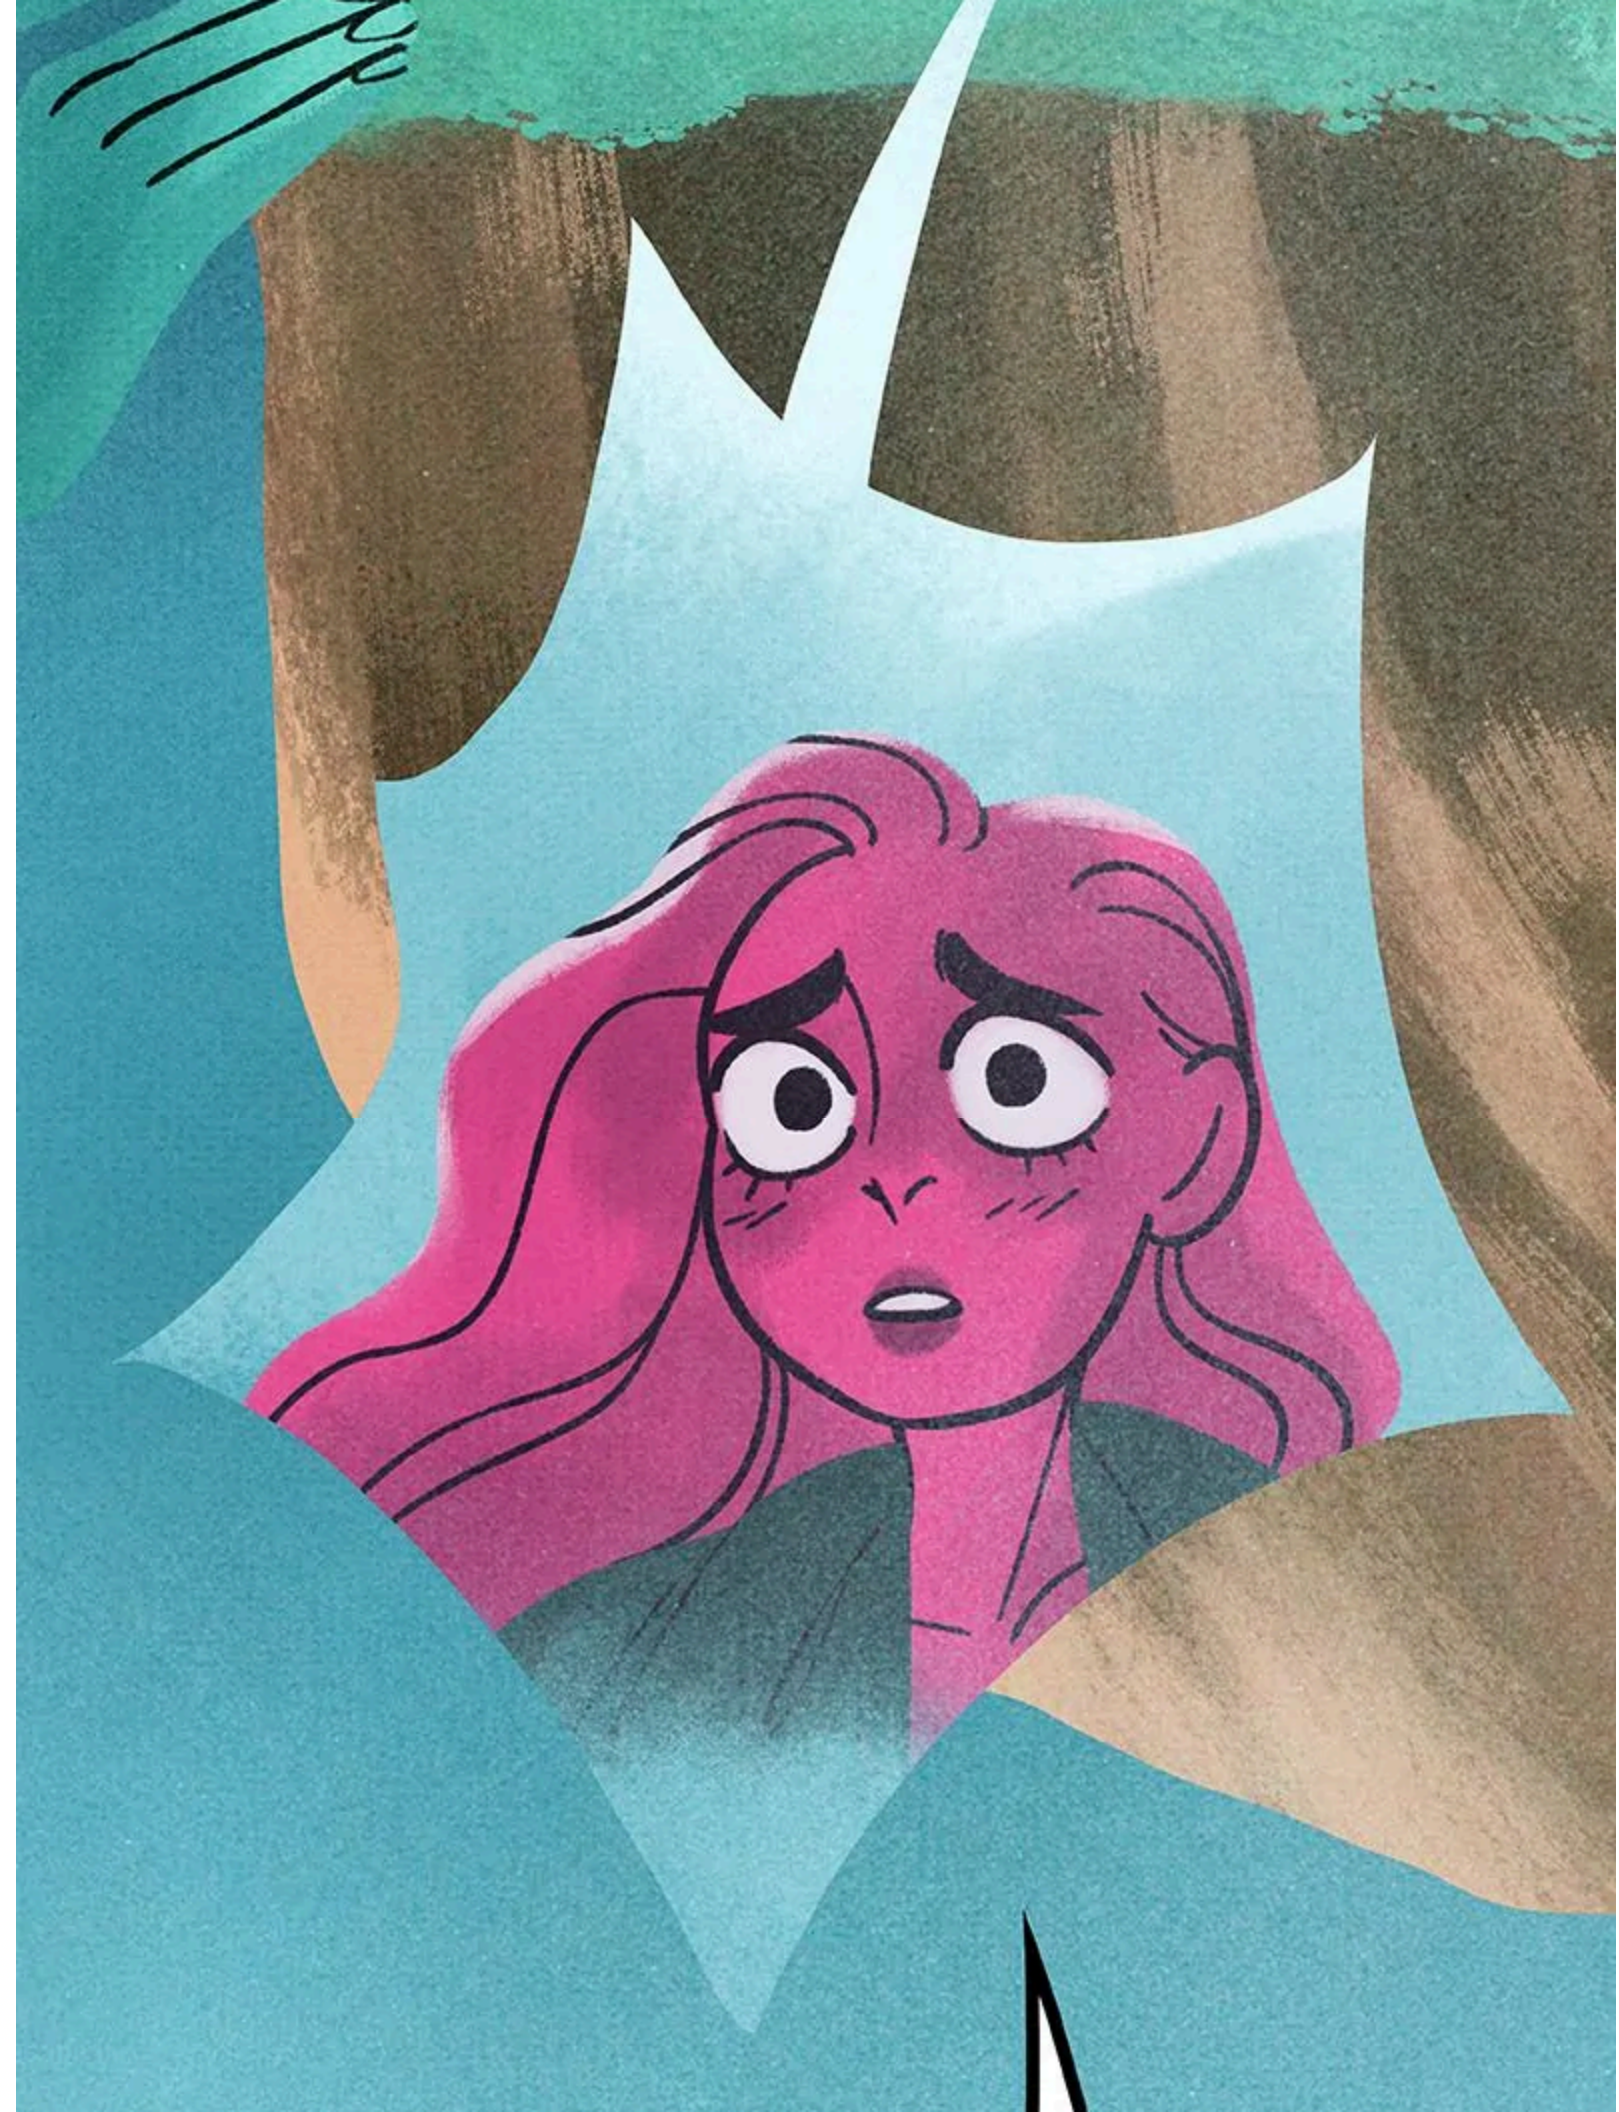

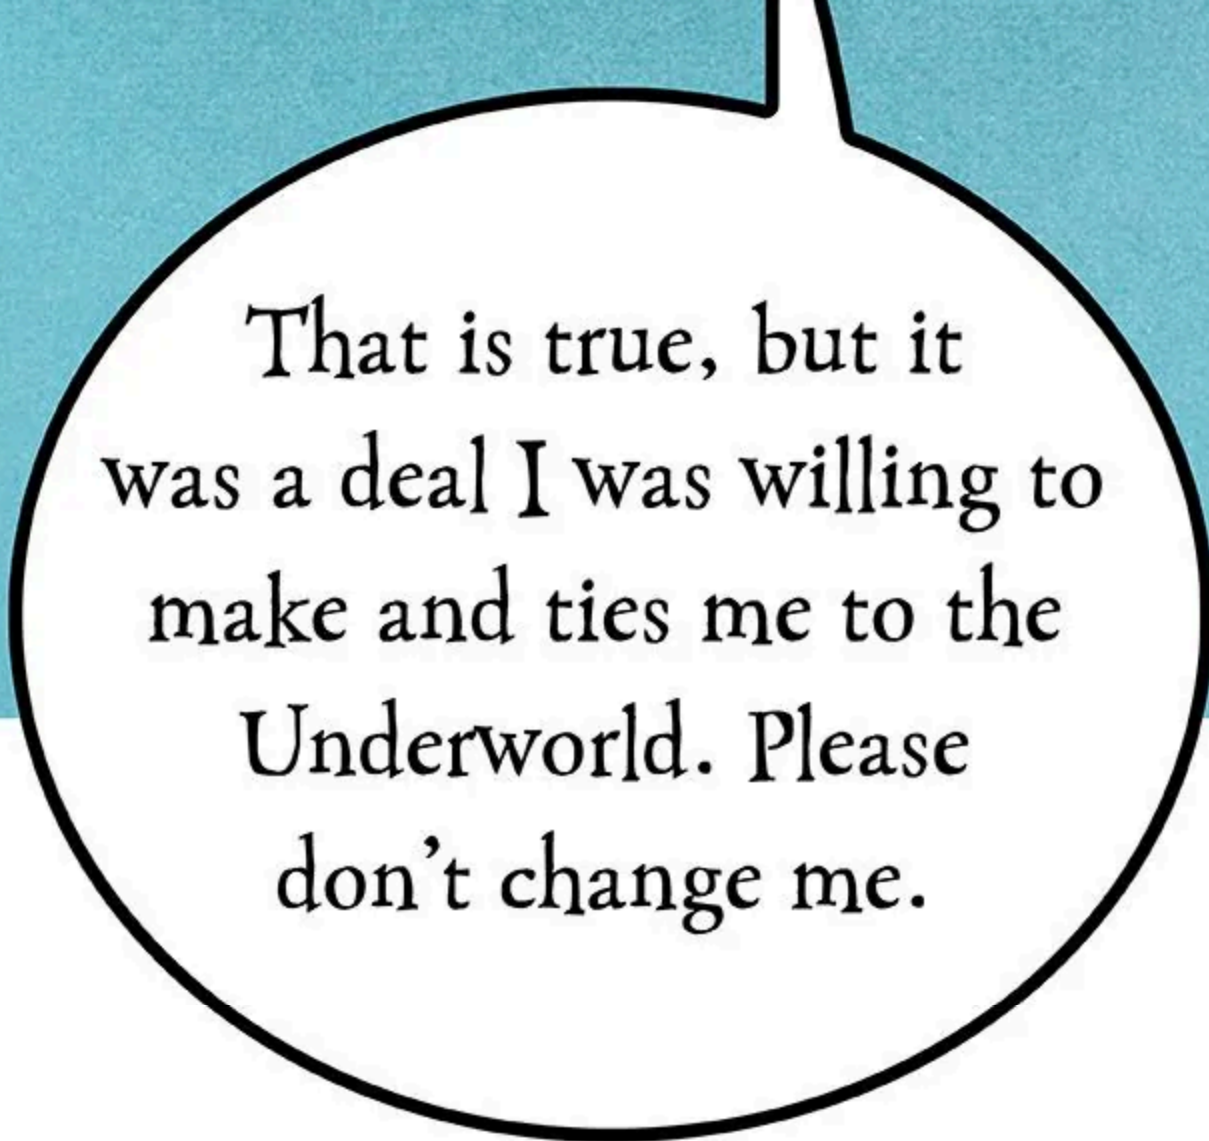

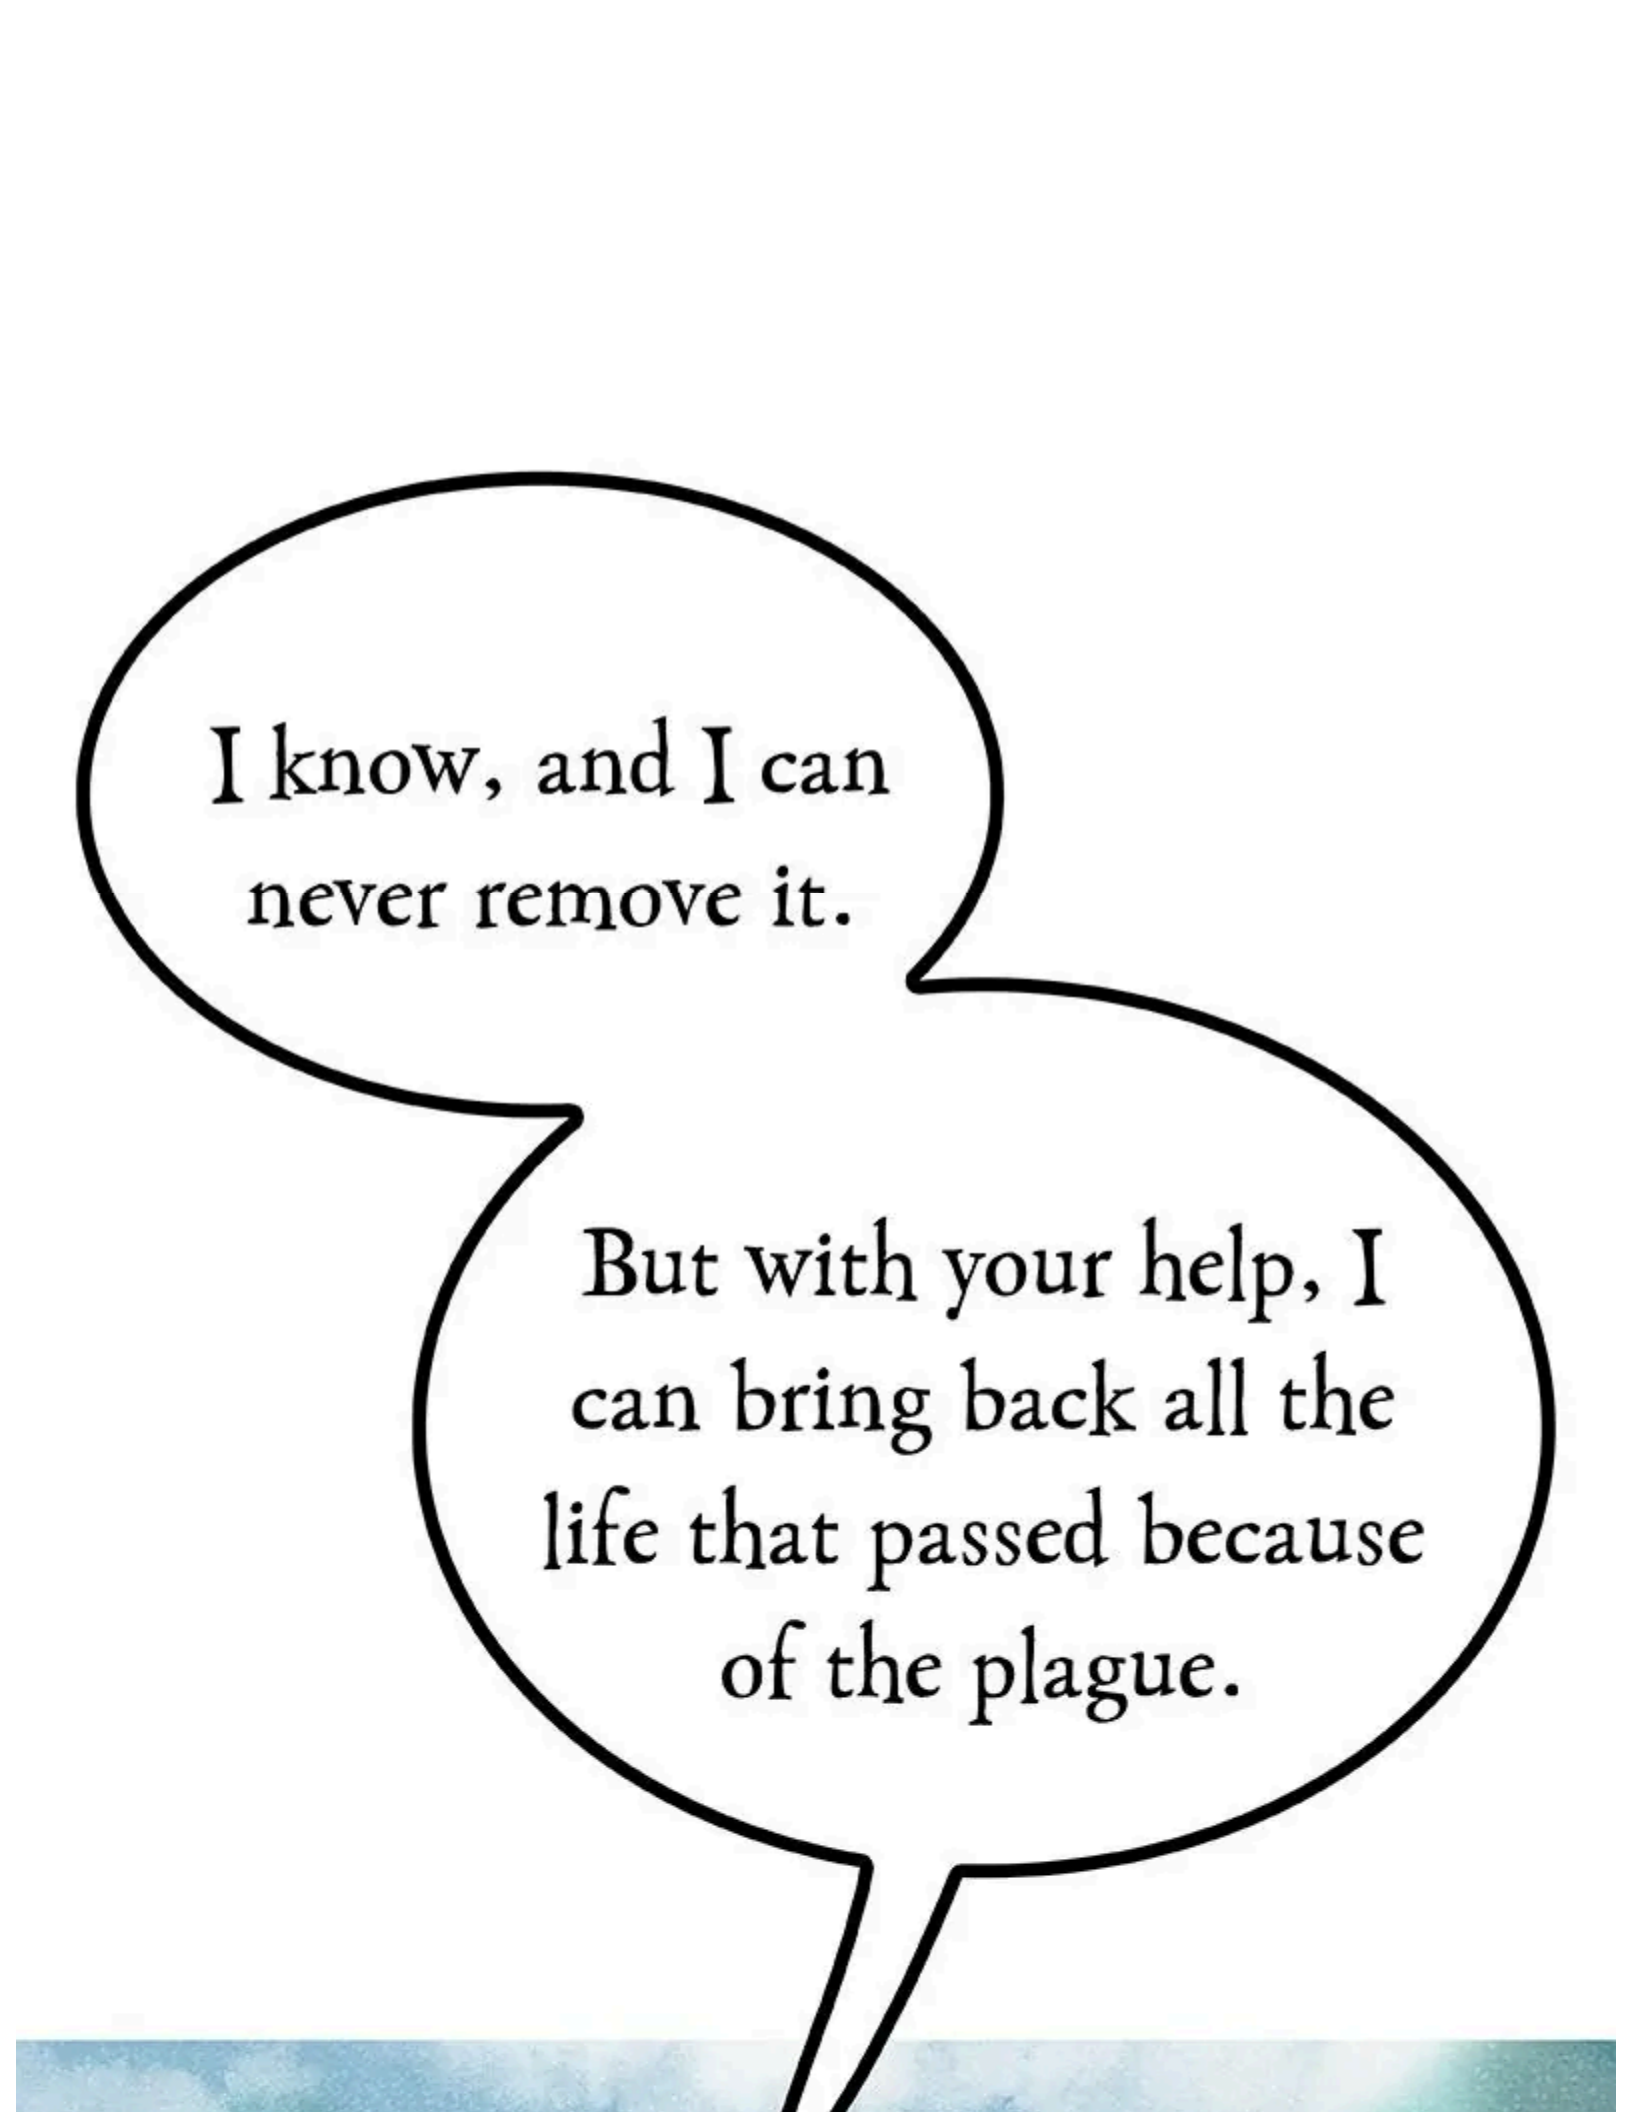

I can tell you made
quite the deal with
Erebos, which has put
you through a lot.

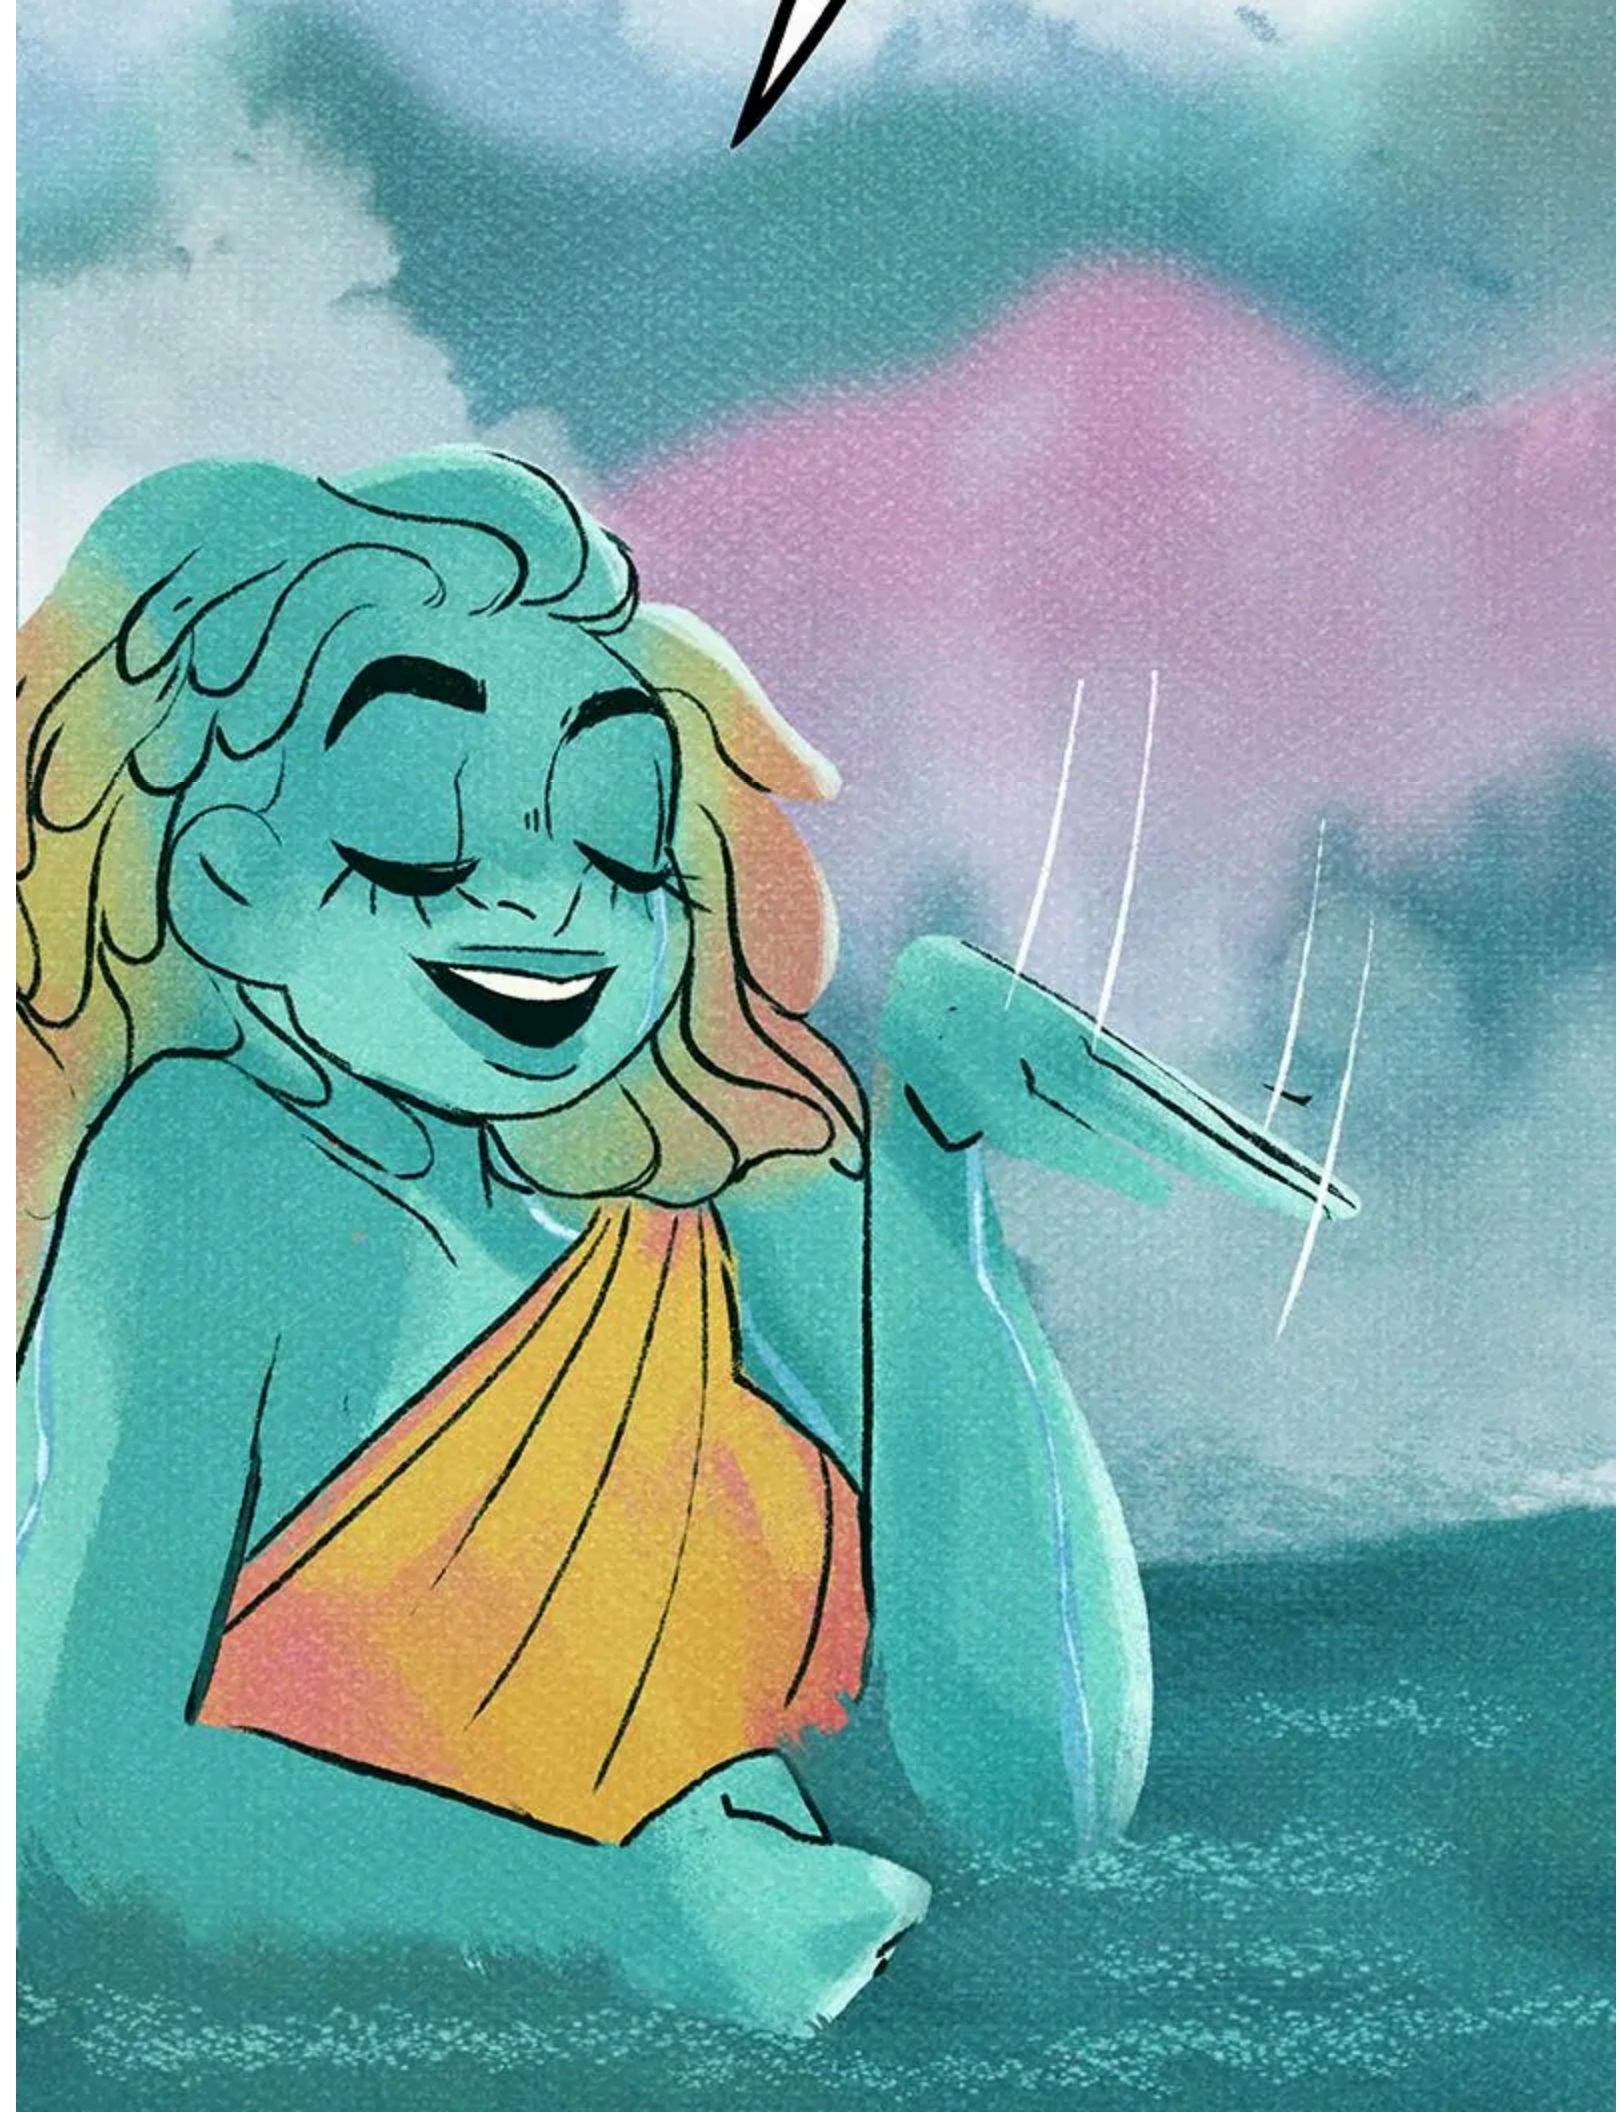

That is true, but it
was a deal I was willing to
make and ties me to the
Underworld. Please
don't change me.

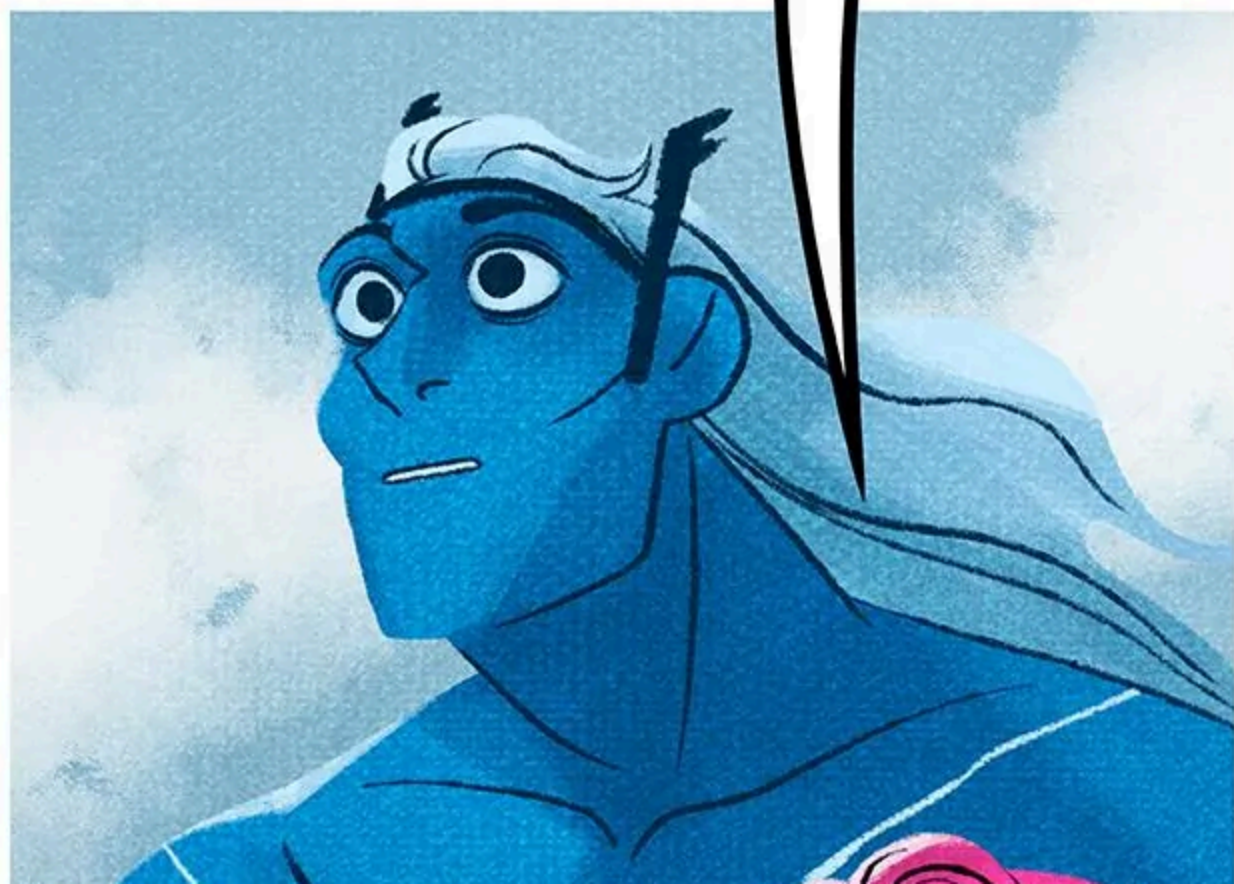

I know, and I can
never remove it.

But with your help, I
can bring back all the
life that passed because
of the plague.

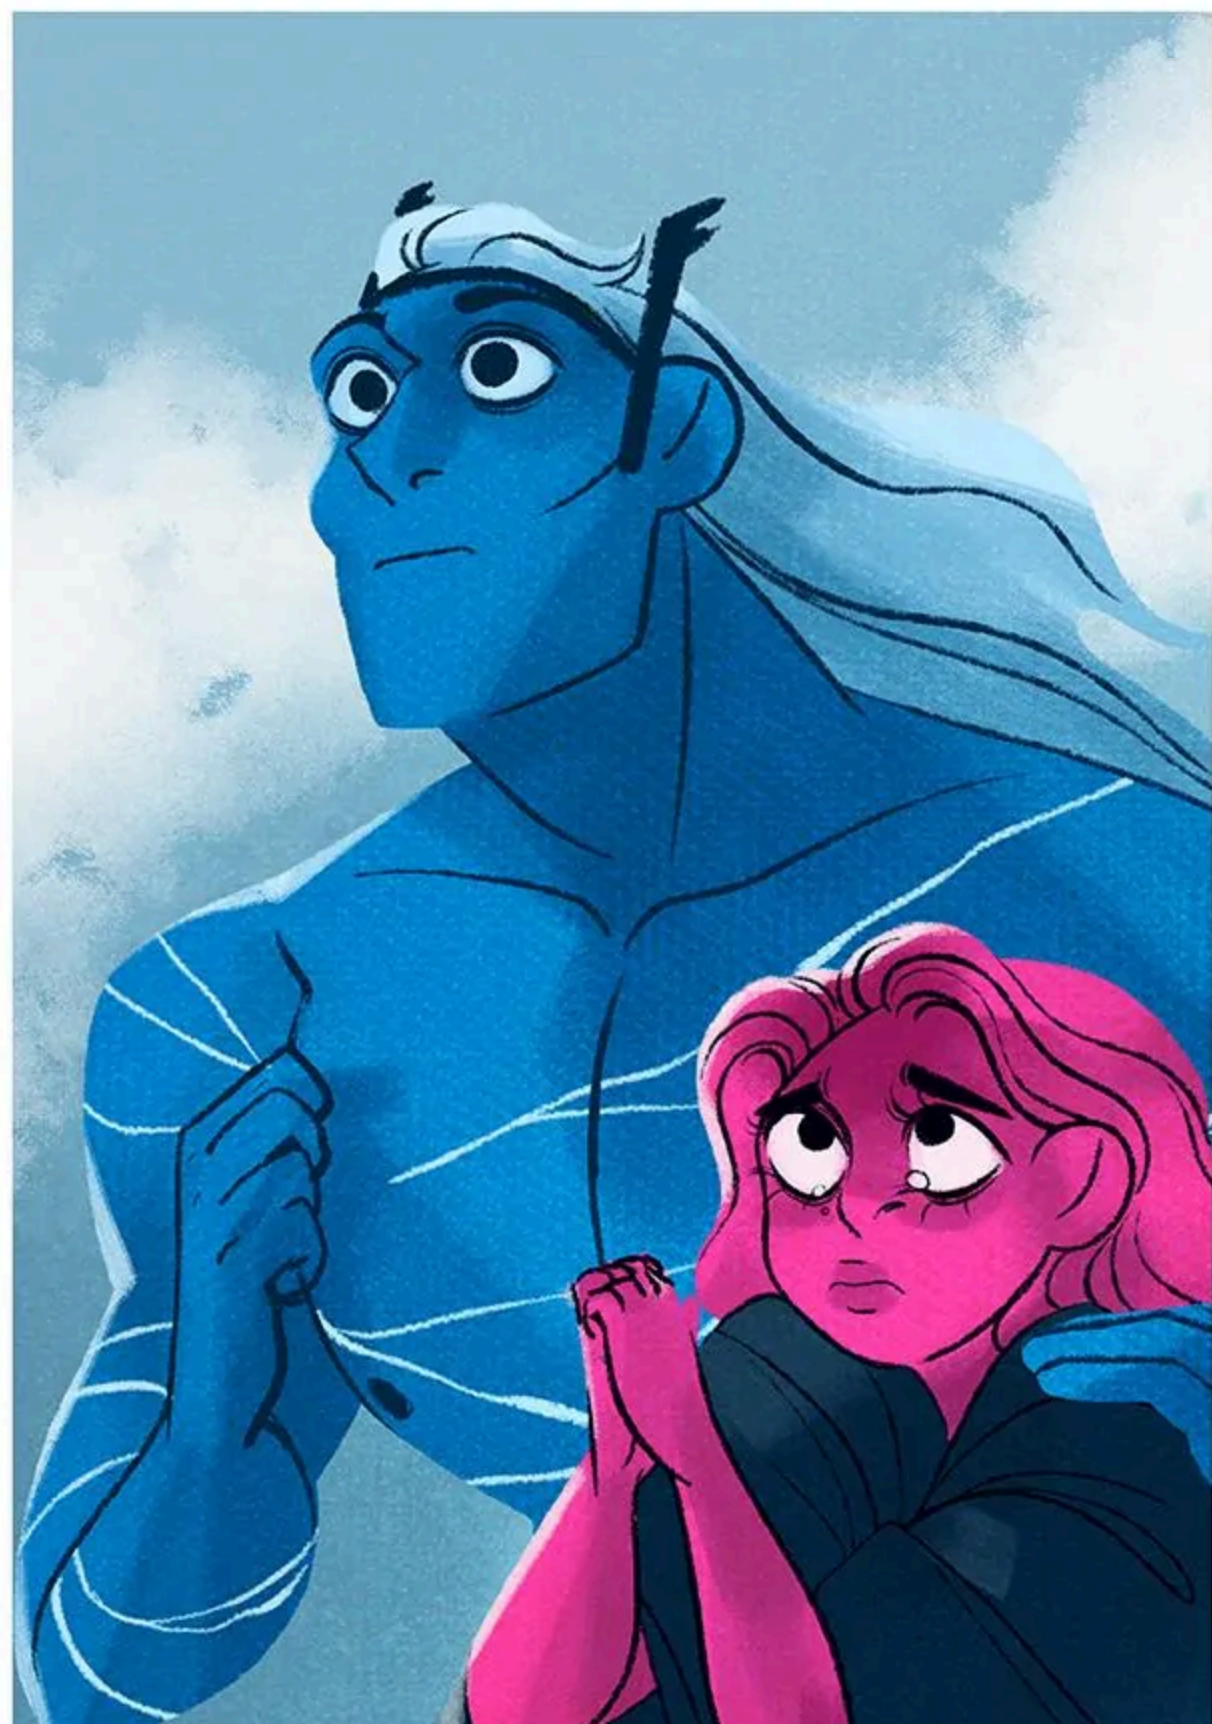

Oh, thank you so
much!!!

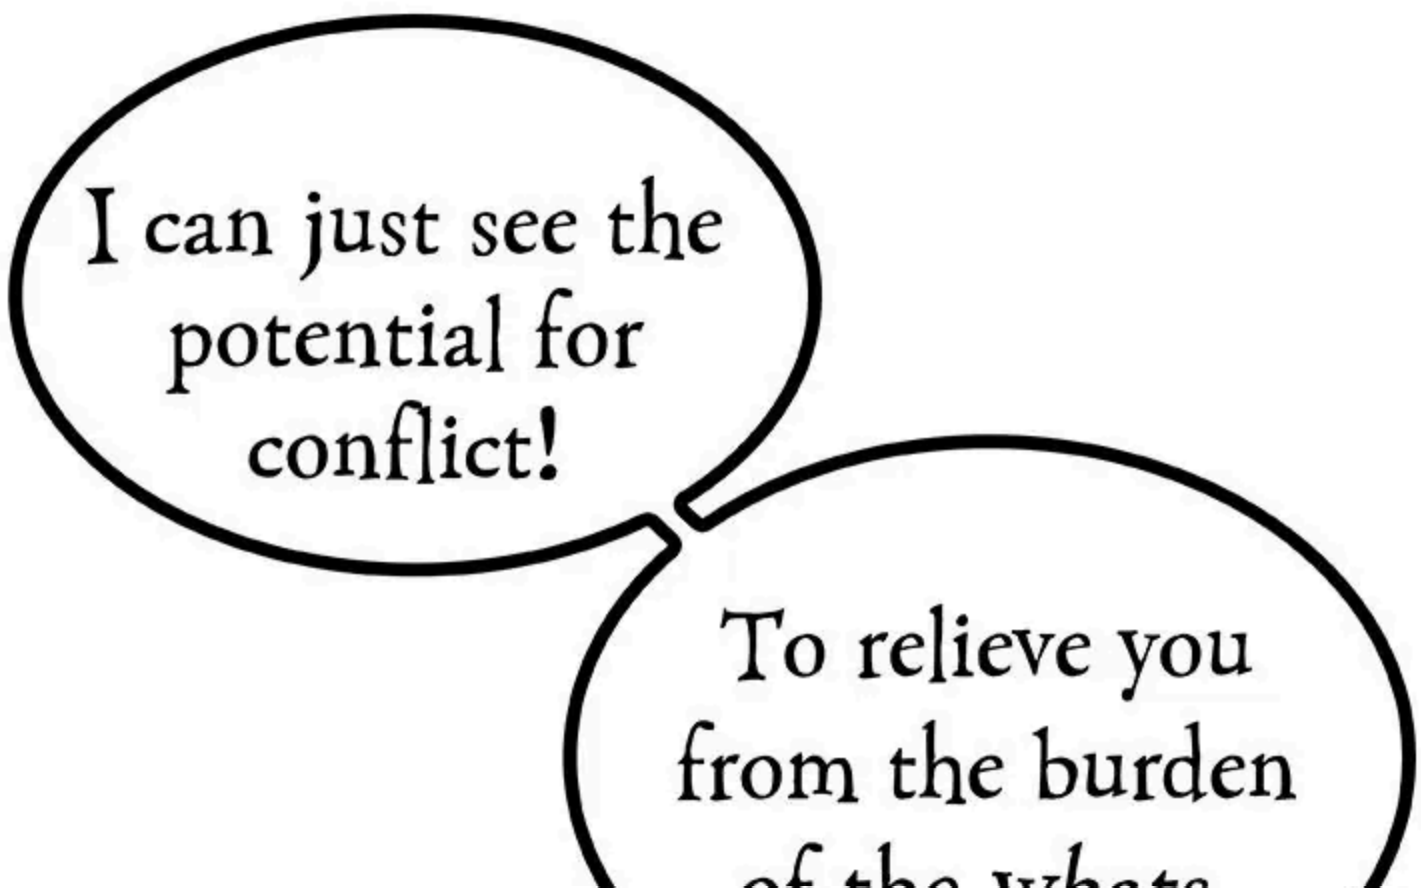

One more thing.

You're a goddess with
impressive powers, but you also
have a role in two different
realms.

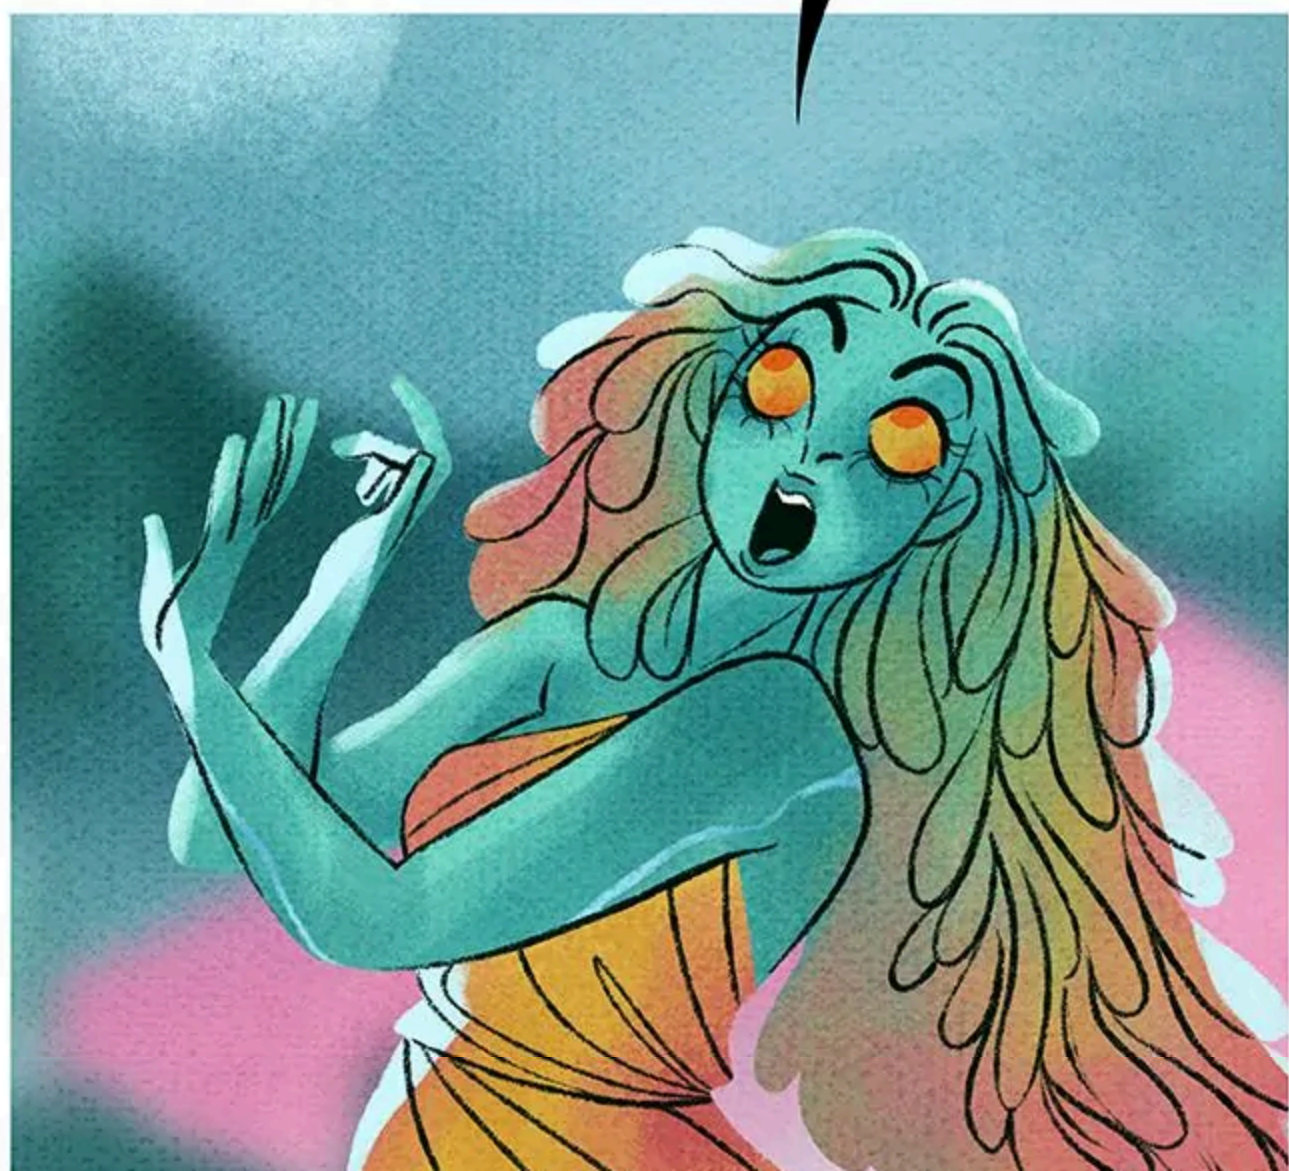

I can just see the
potential for
conflict!

To relieve you
from the burden
of the yoke

of the whats,

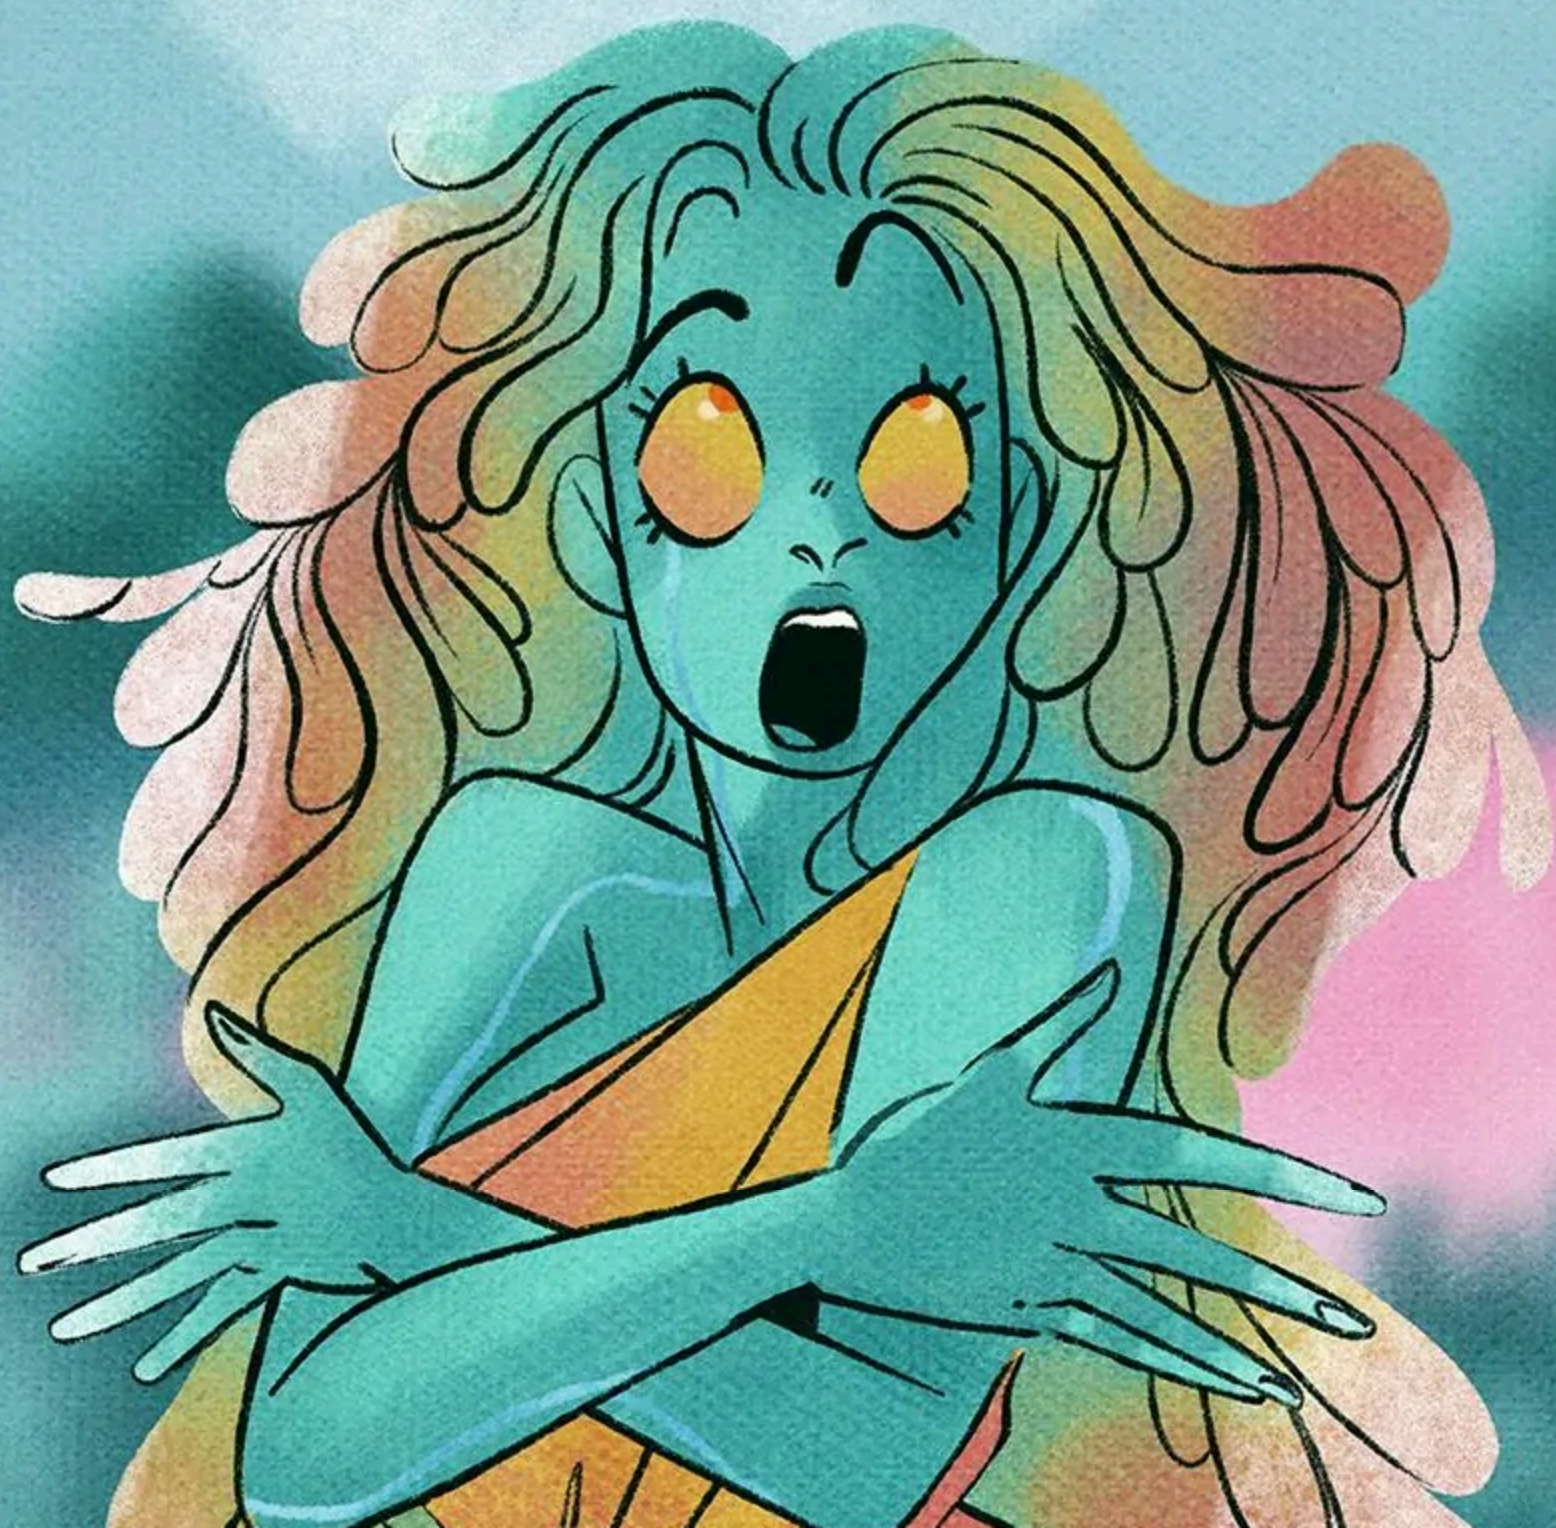

the hows,

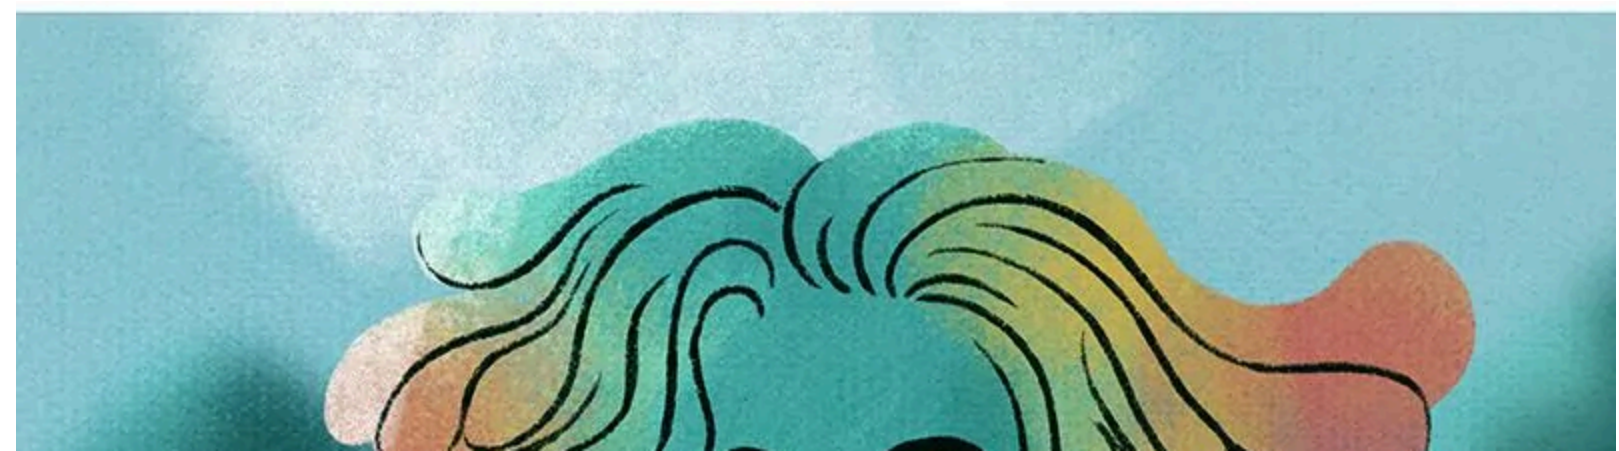

and wheres.

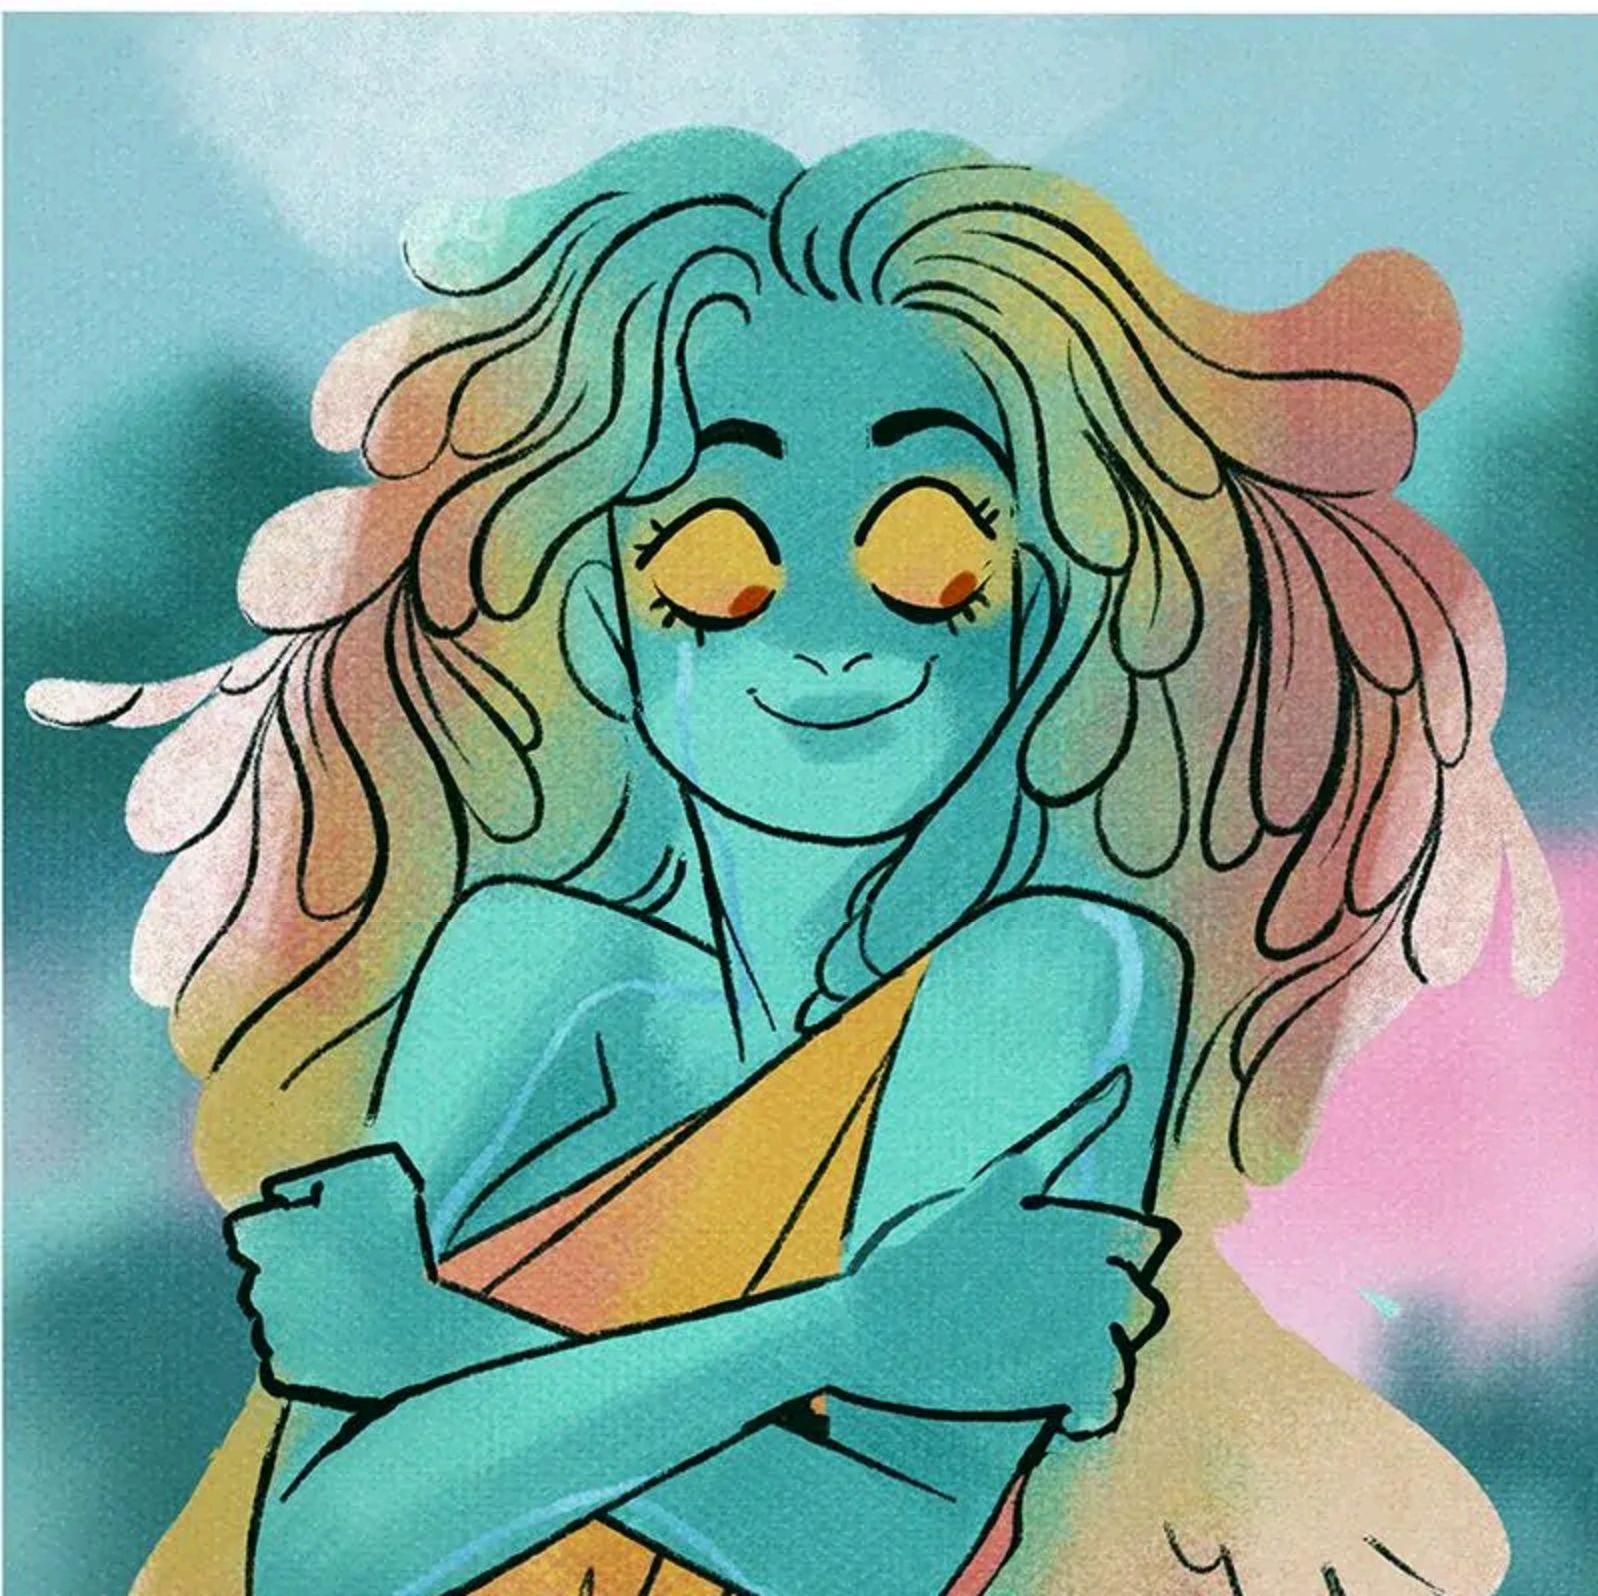

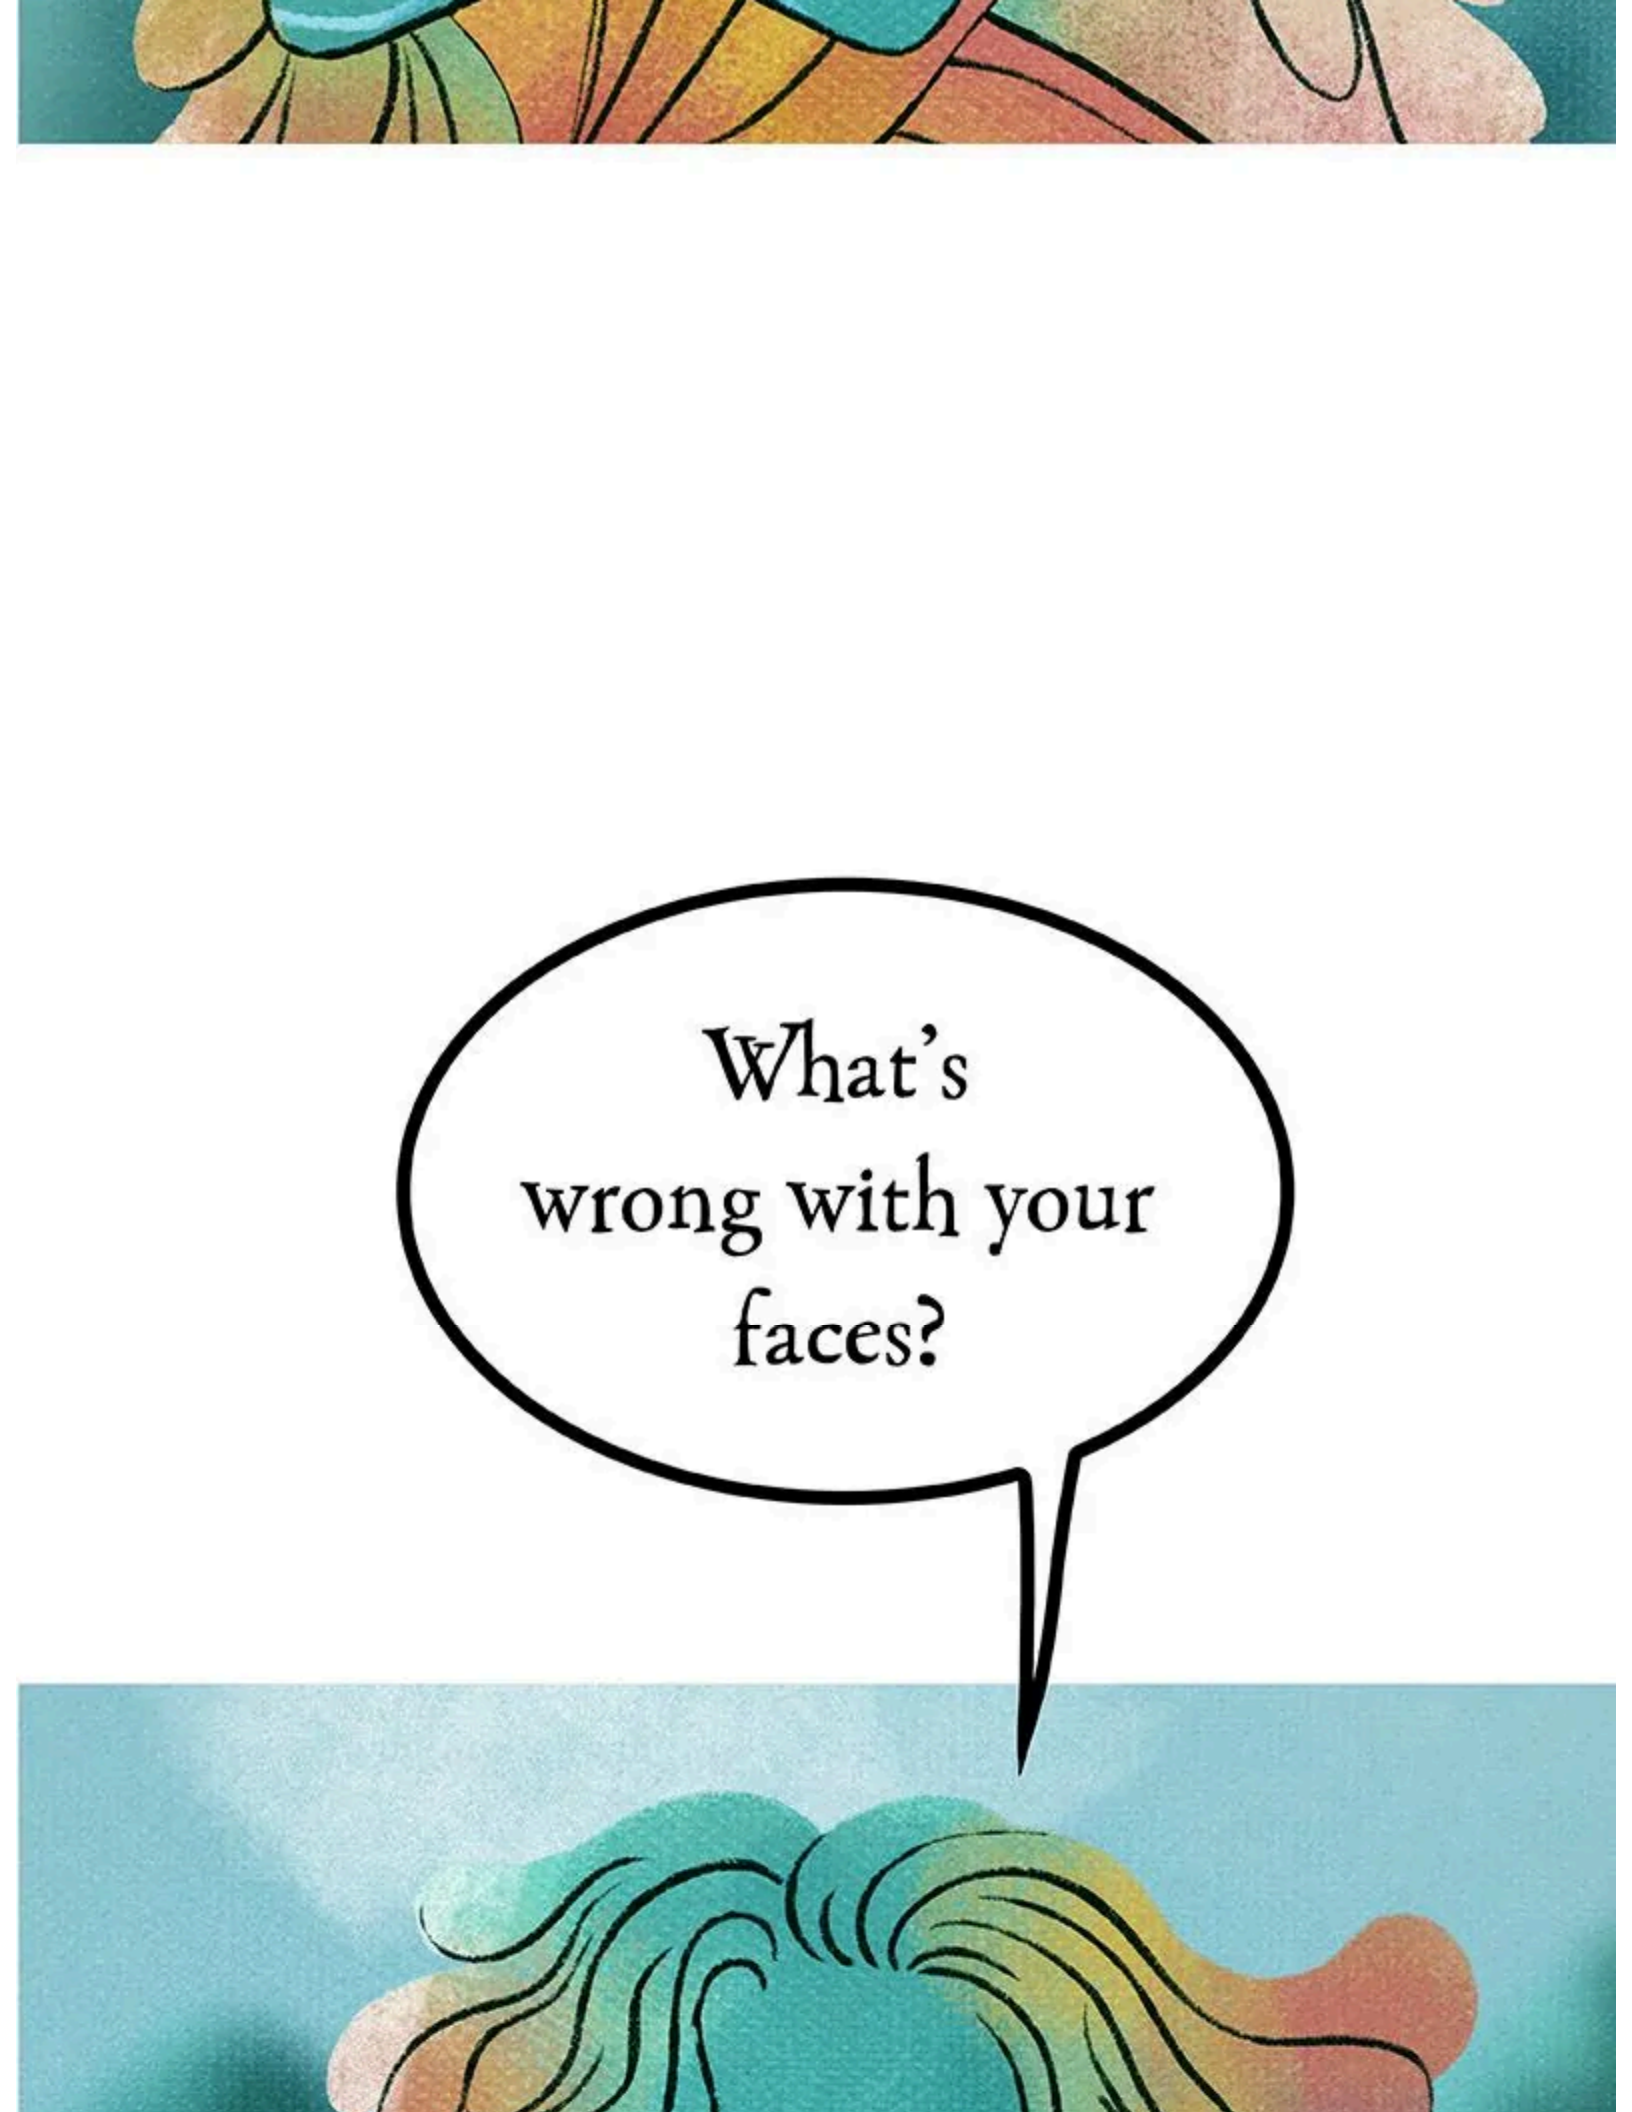

You are to spend three months in the Mortal Realm to do spring and the rest of the year in the Underworld. That seems fair to me.

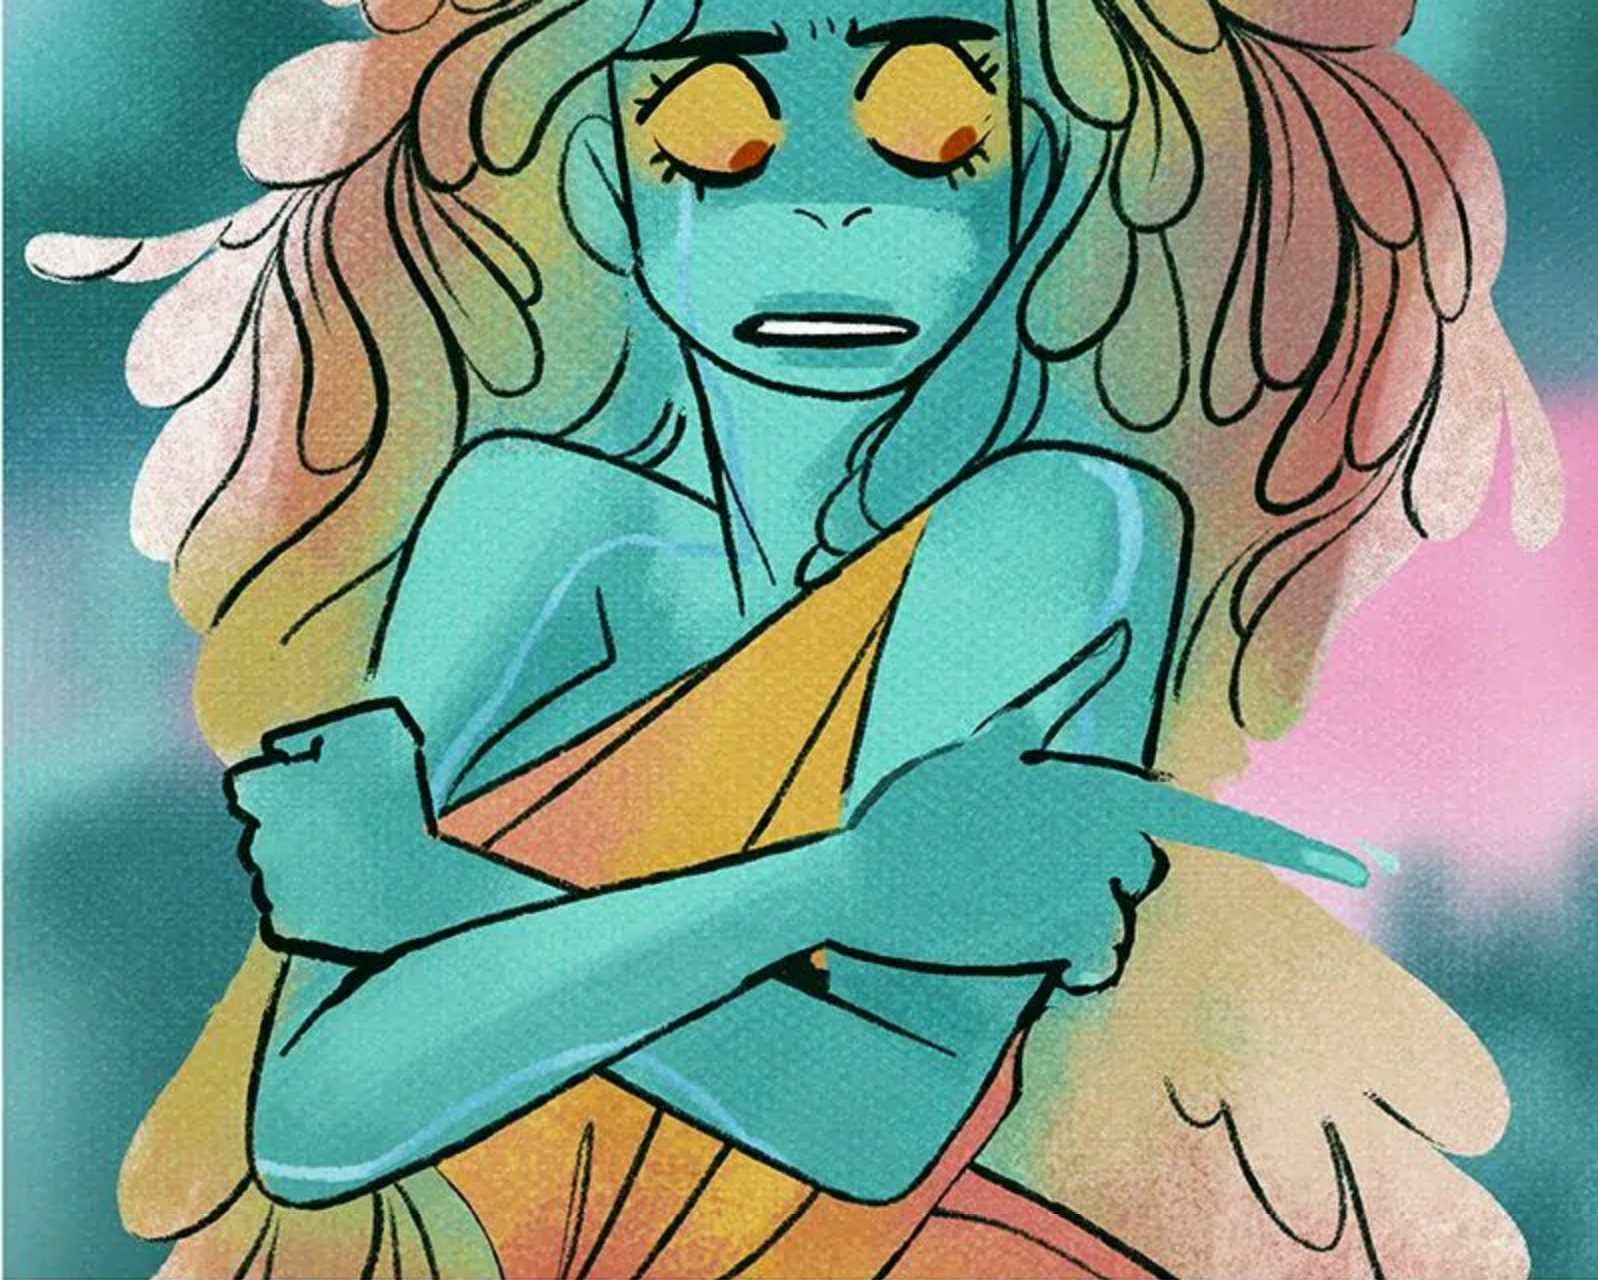

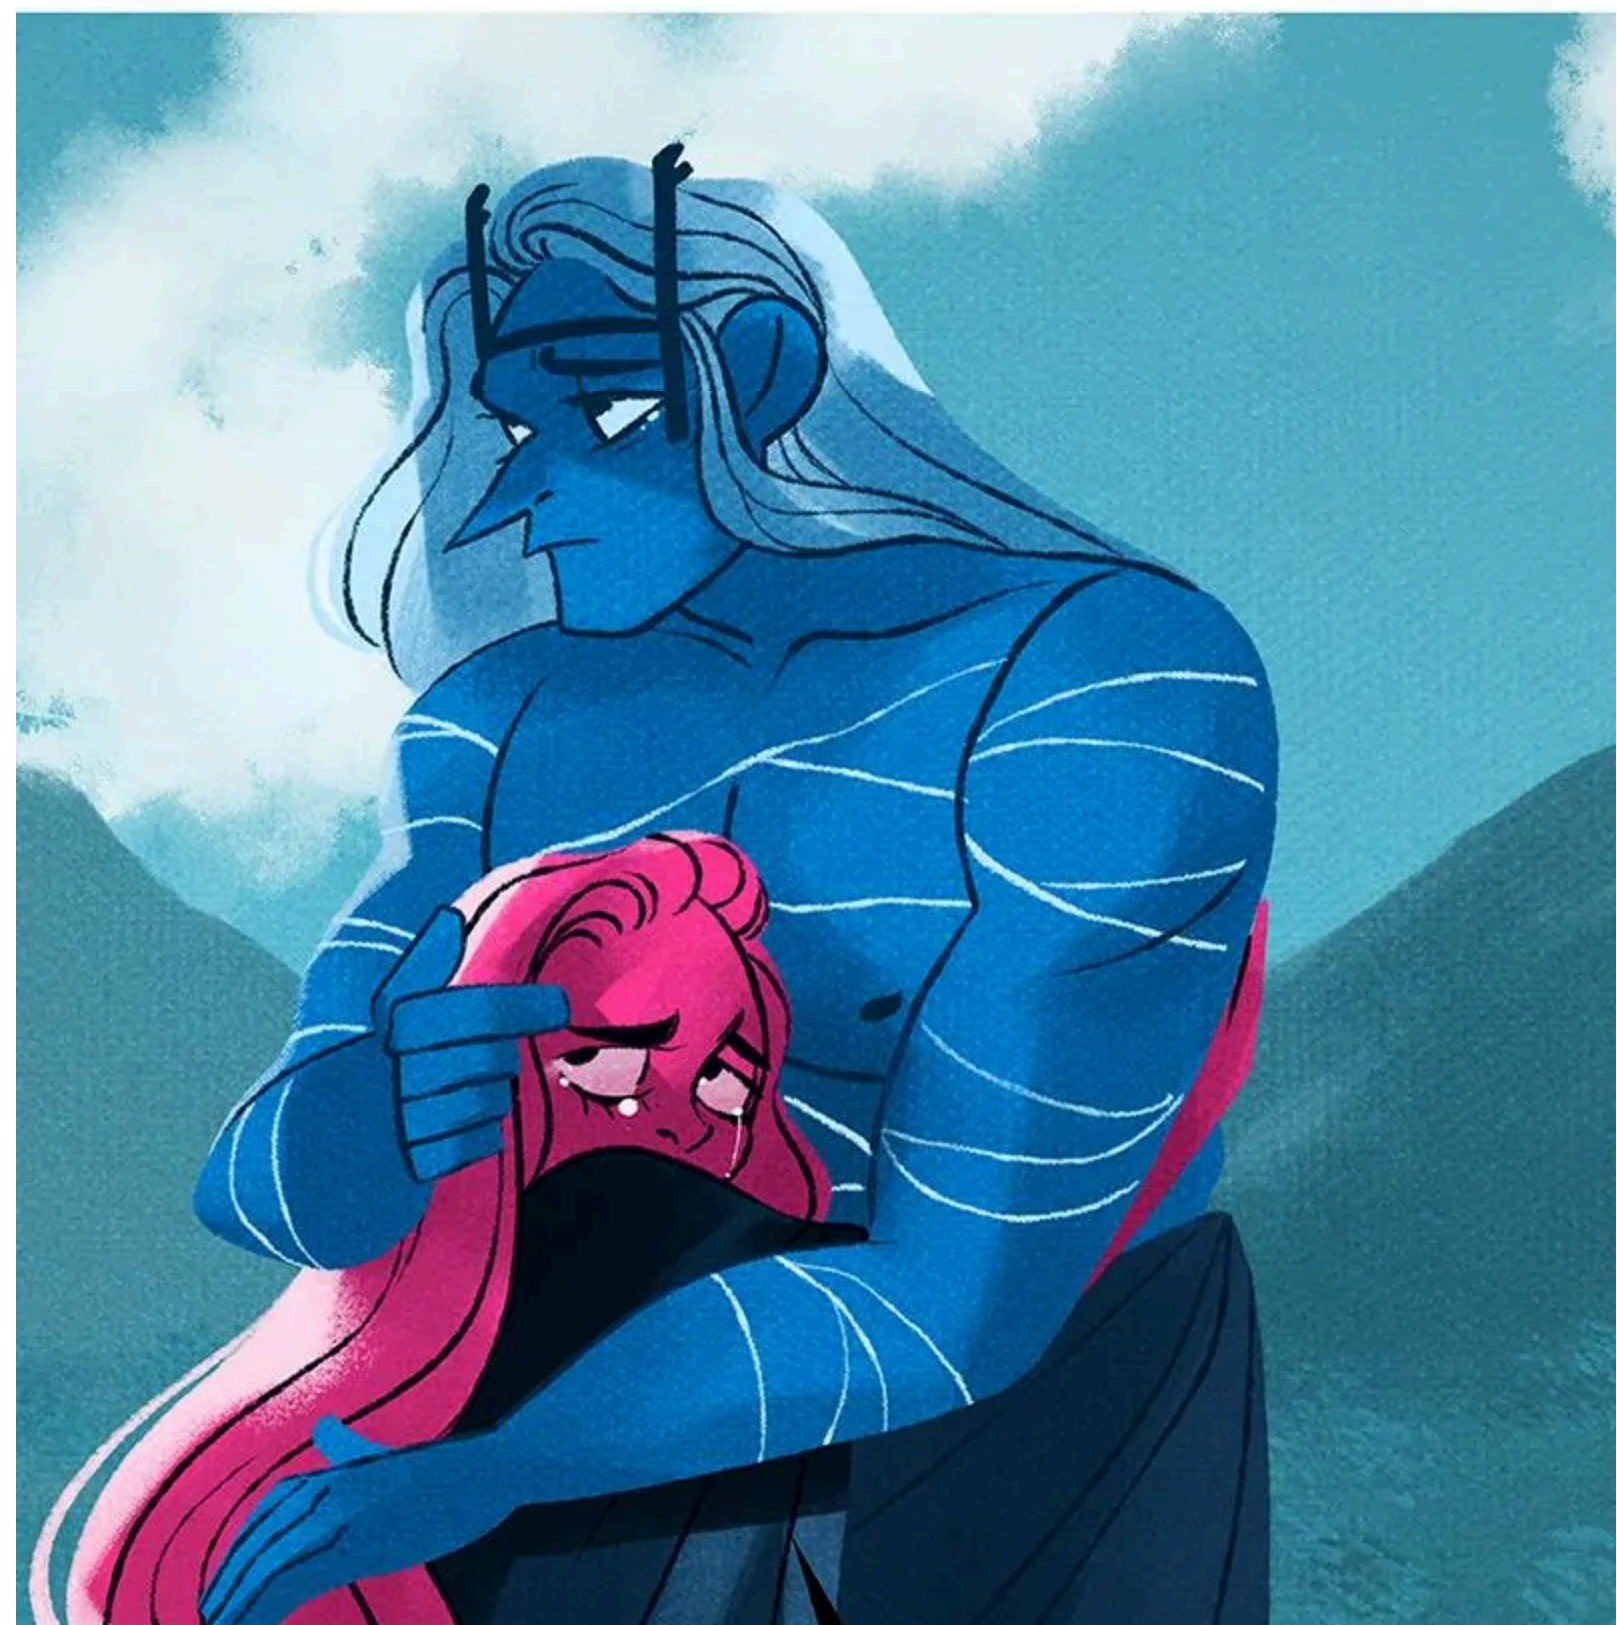

What's
wrong with your
faces?

Why are
you crying?

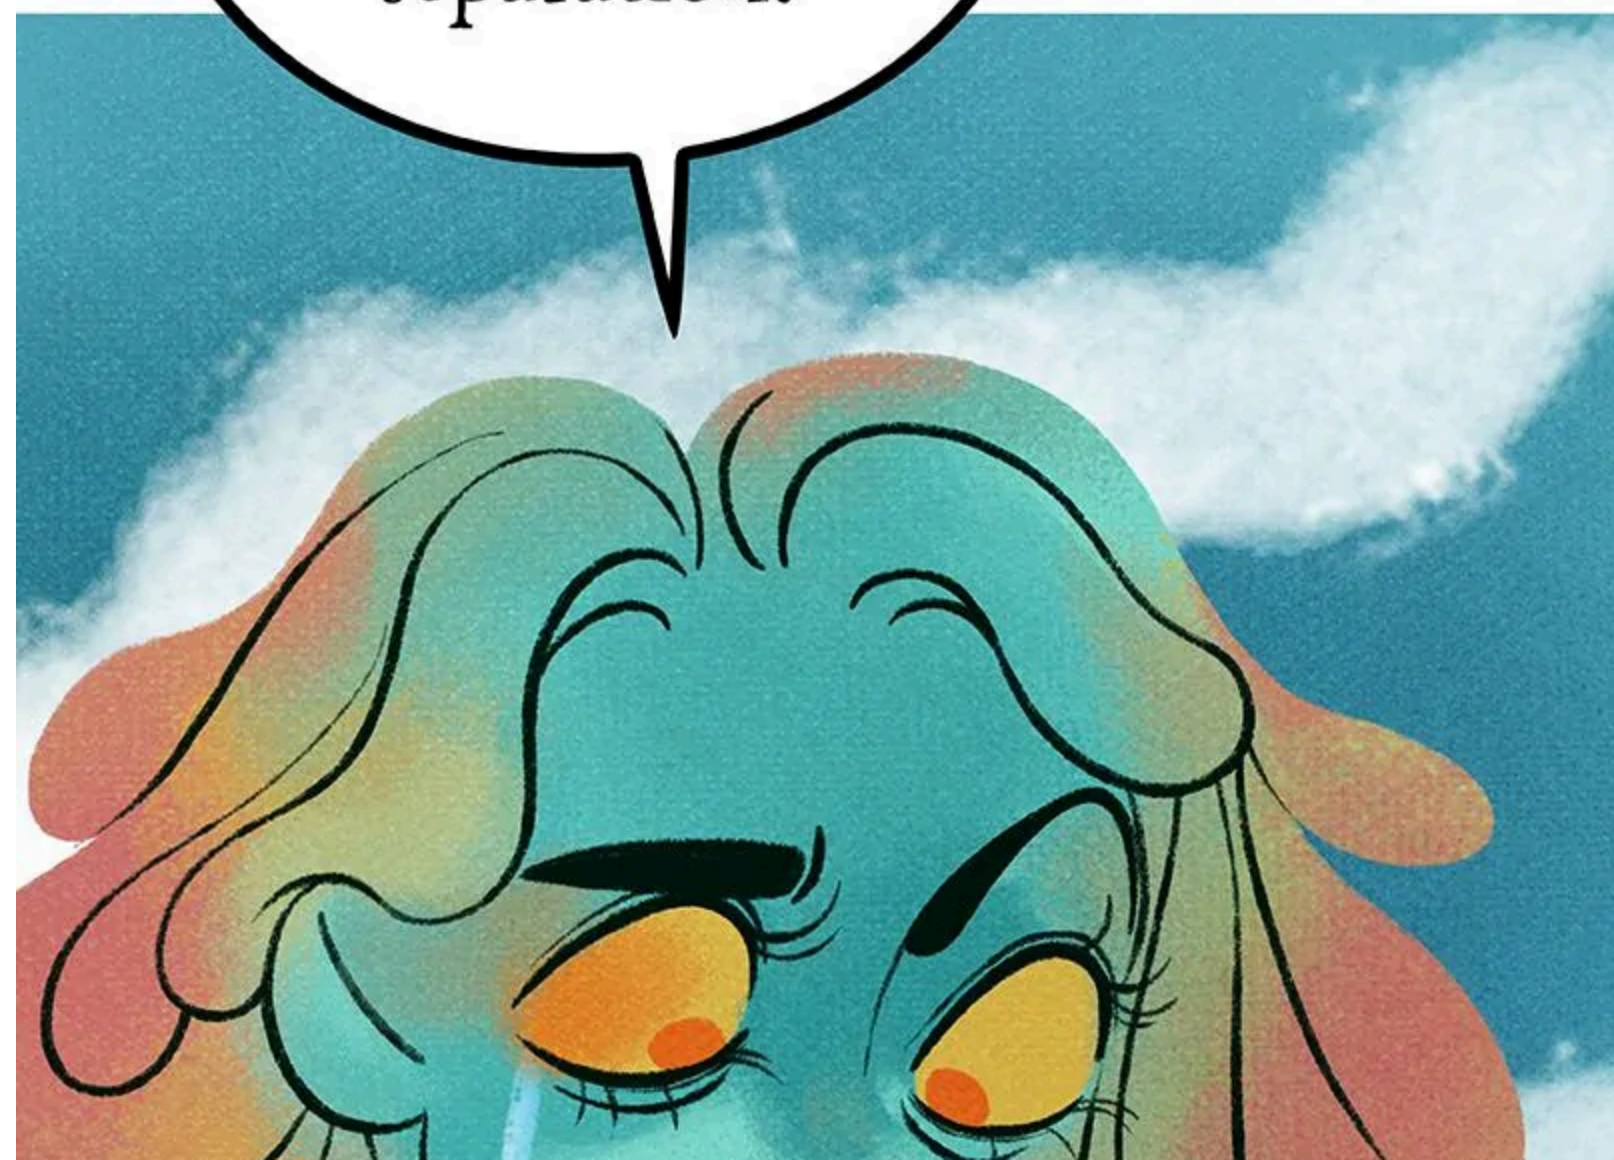

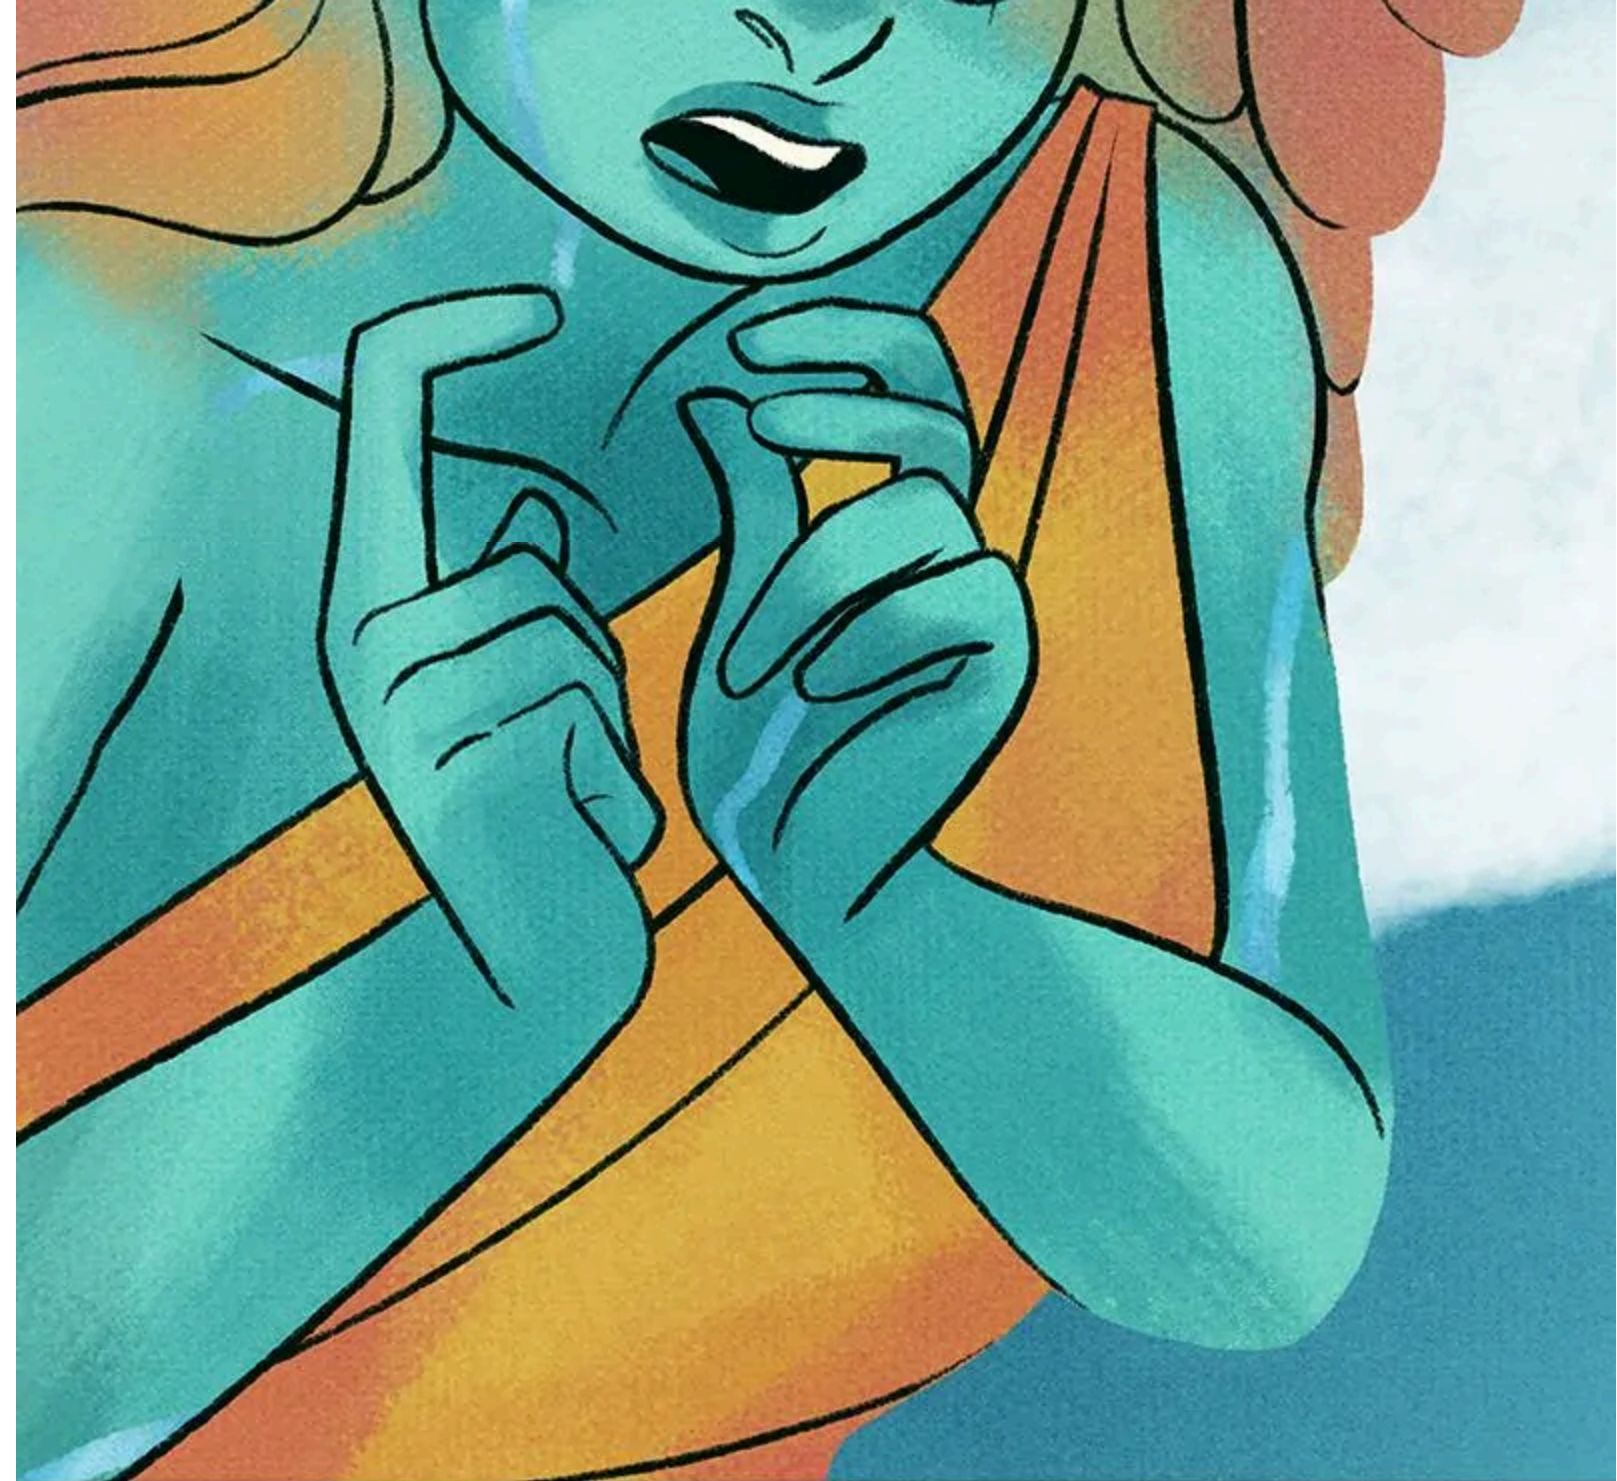

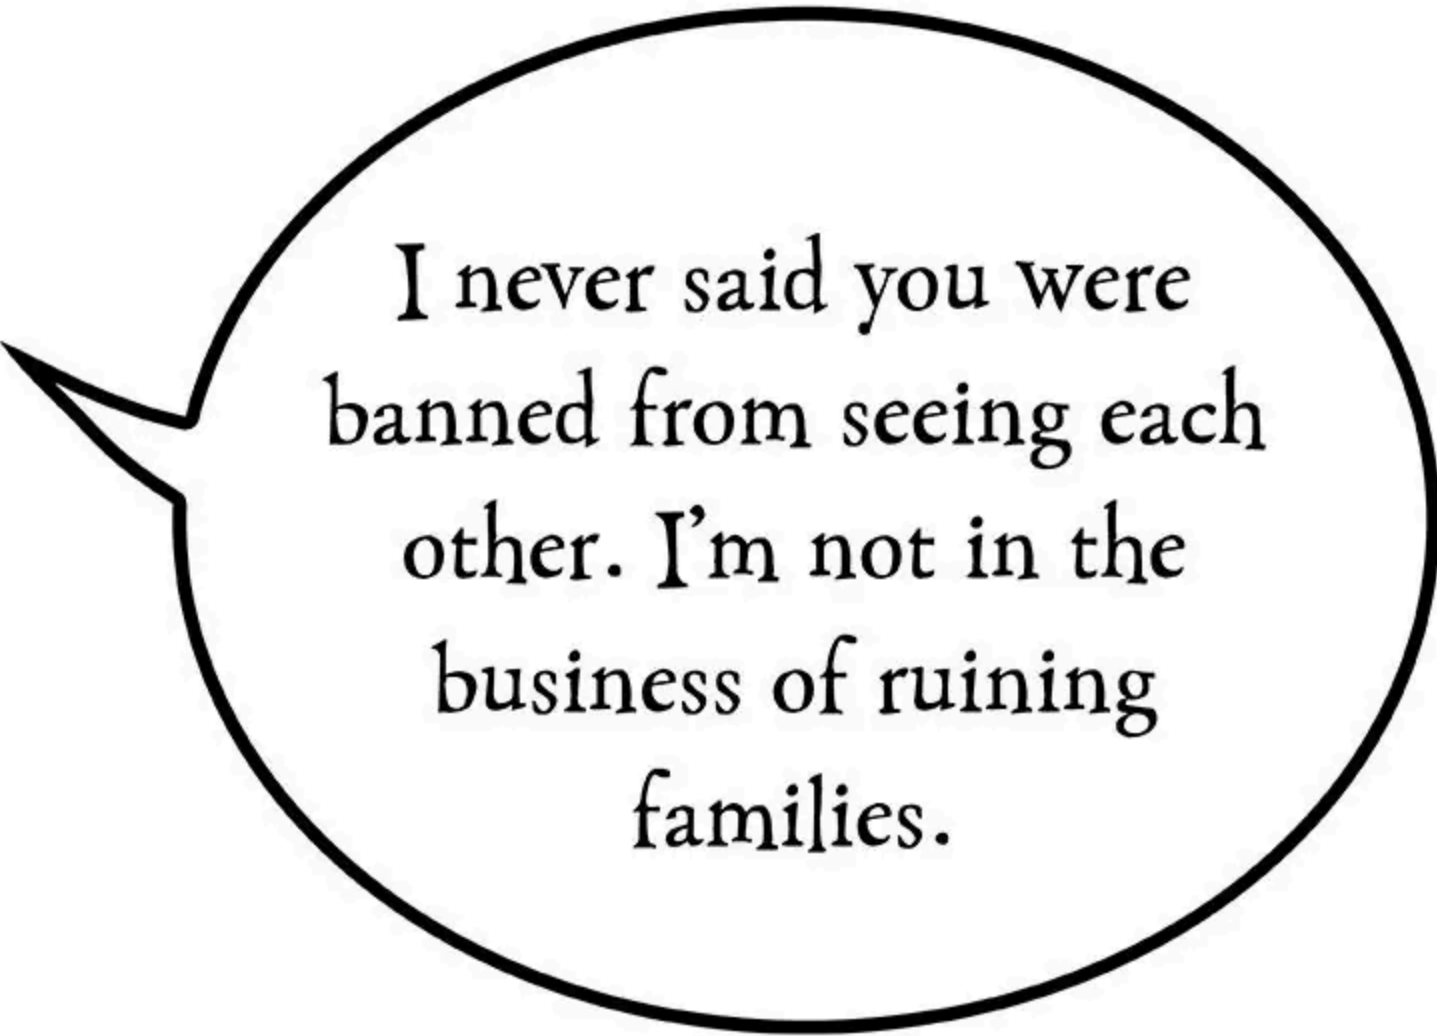

I'm sorry.

I know it's fair, but
we've been separated from
each other so many
times now.

Who said
anything about
separation?

A large, hand-drawn style speech bubble with a black outline and a small tail pointing towards the bottom left. Inside the bubble is a block of text in a black serif font.

I never said you were
banned from seeing each
other. I'm not in the
business of ruining
families.

So-so we can visit
each other?

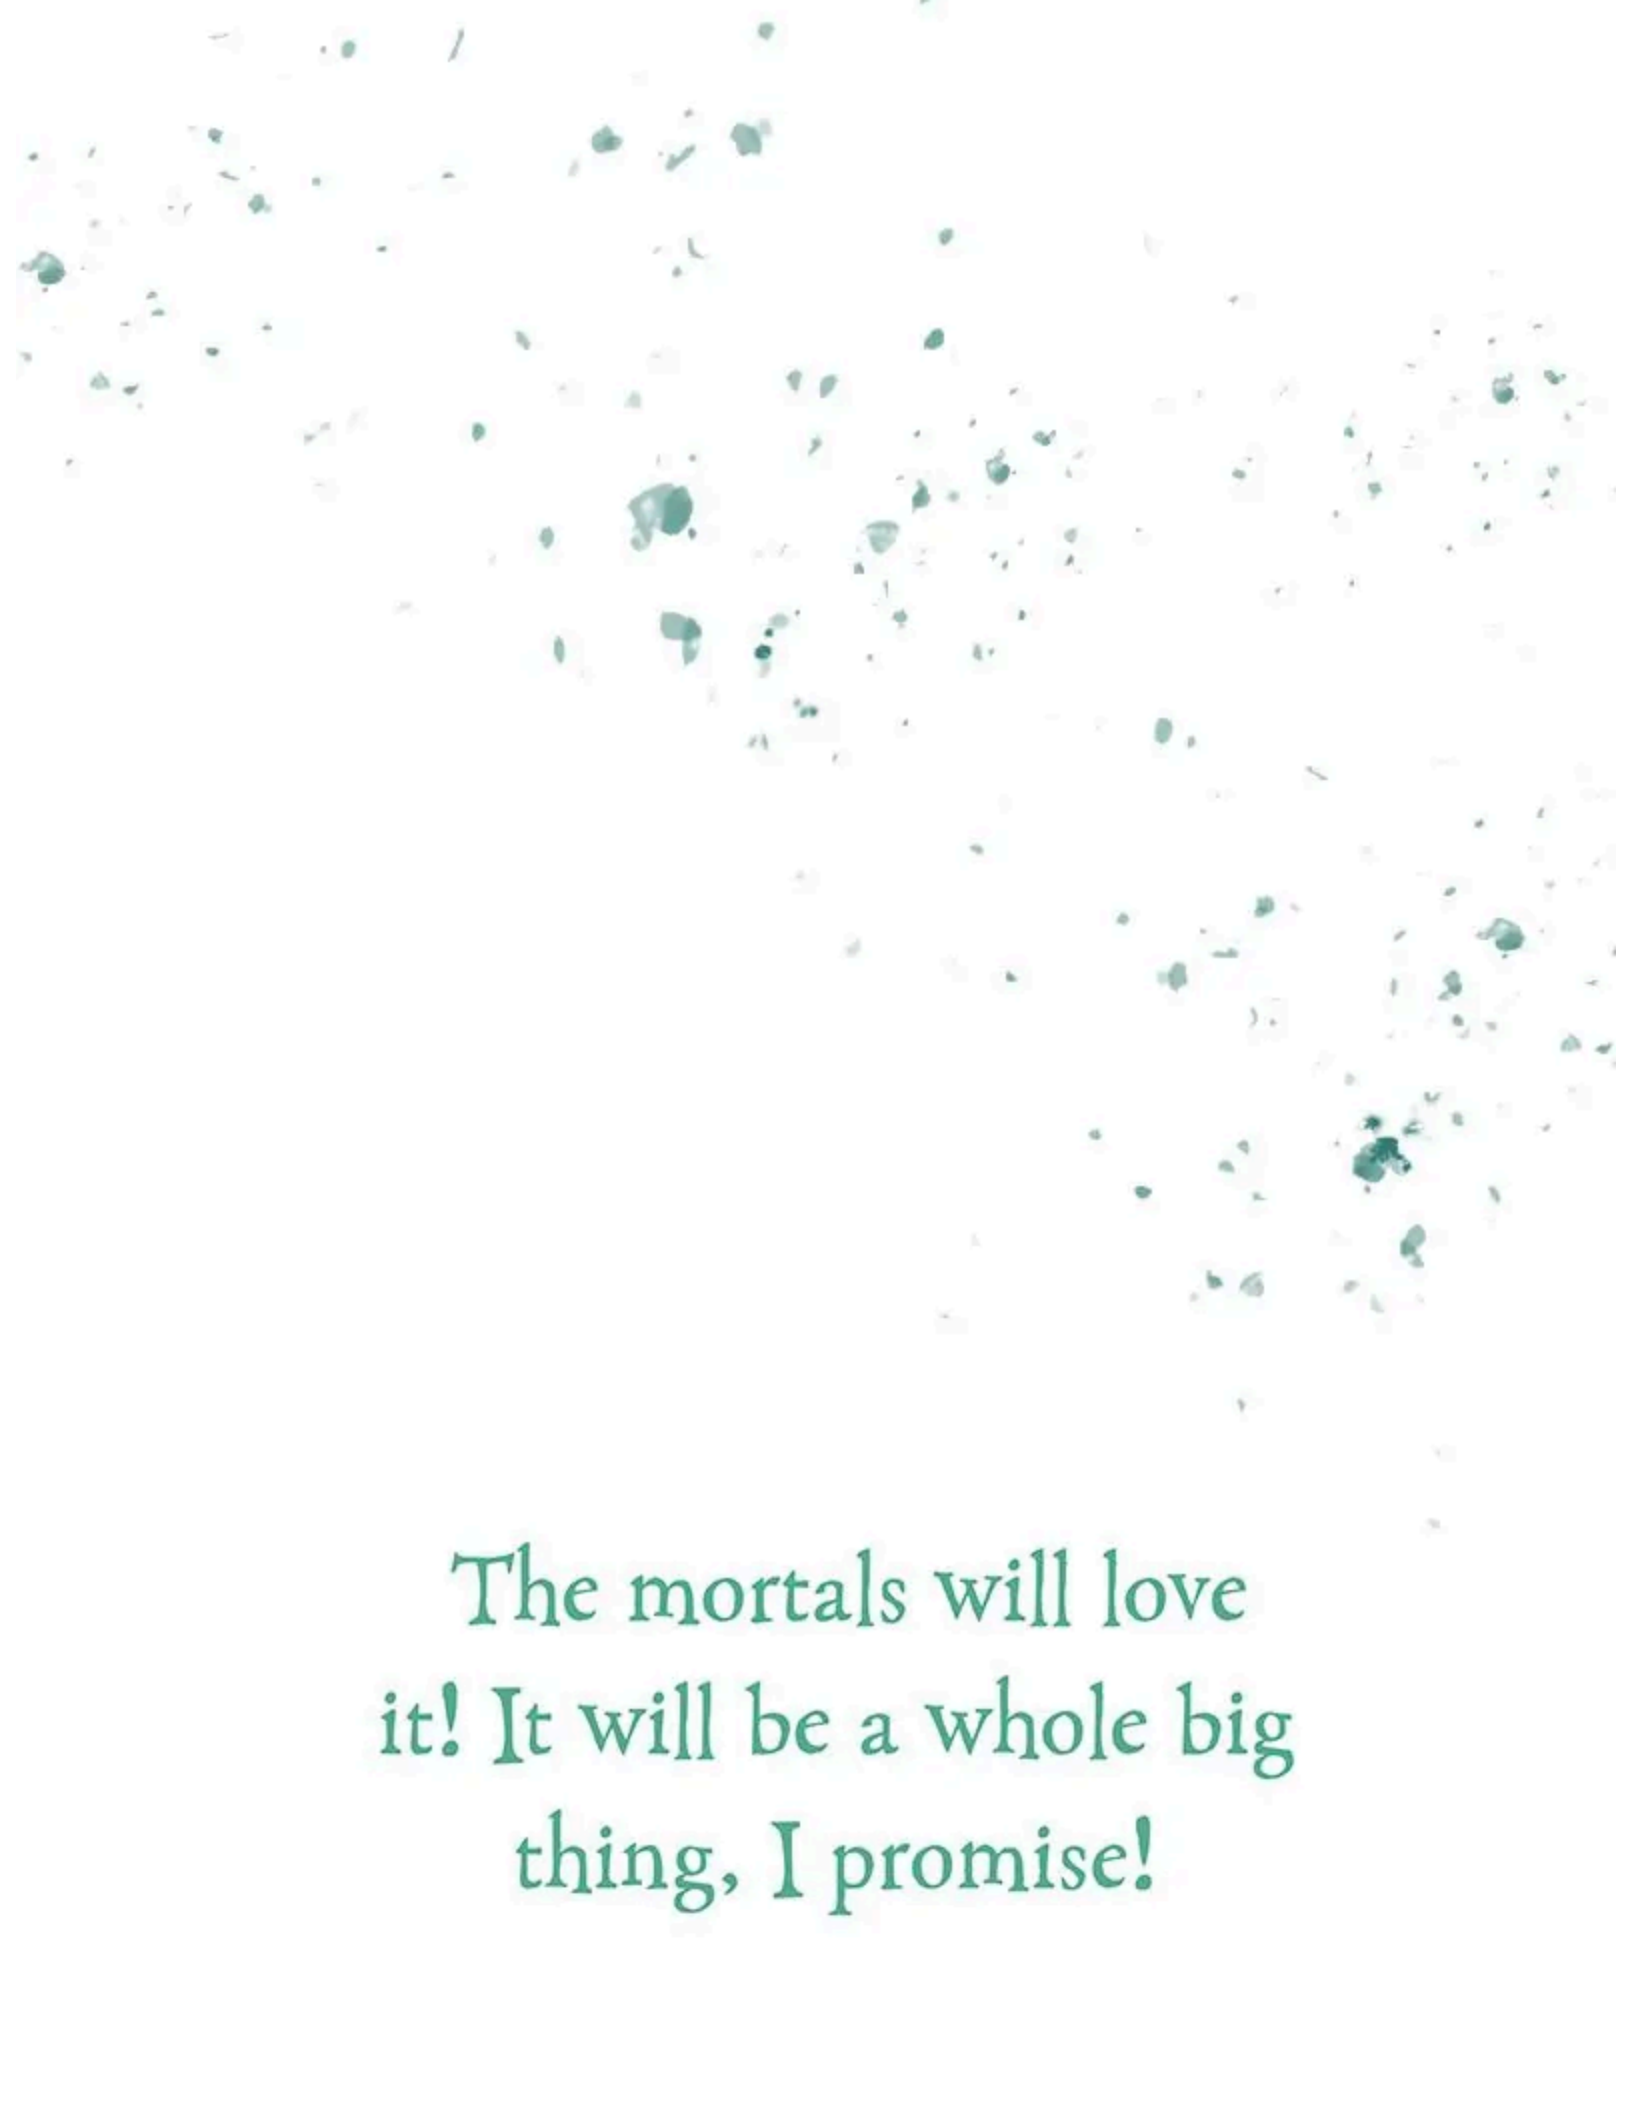

Of course!

And when
you're reunited
every year,

you can make it a
special occasion!

The mortals will love
it! It will be a whole big
thing, I promise!

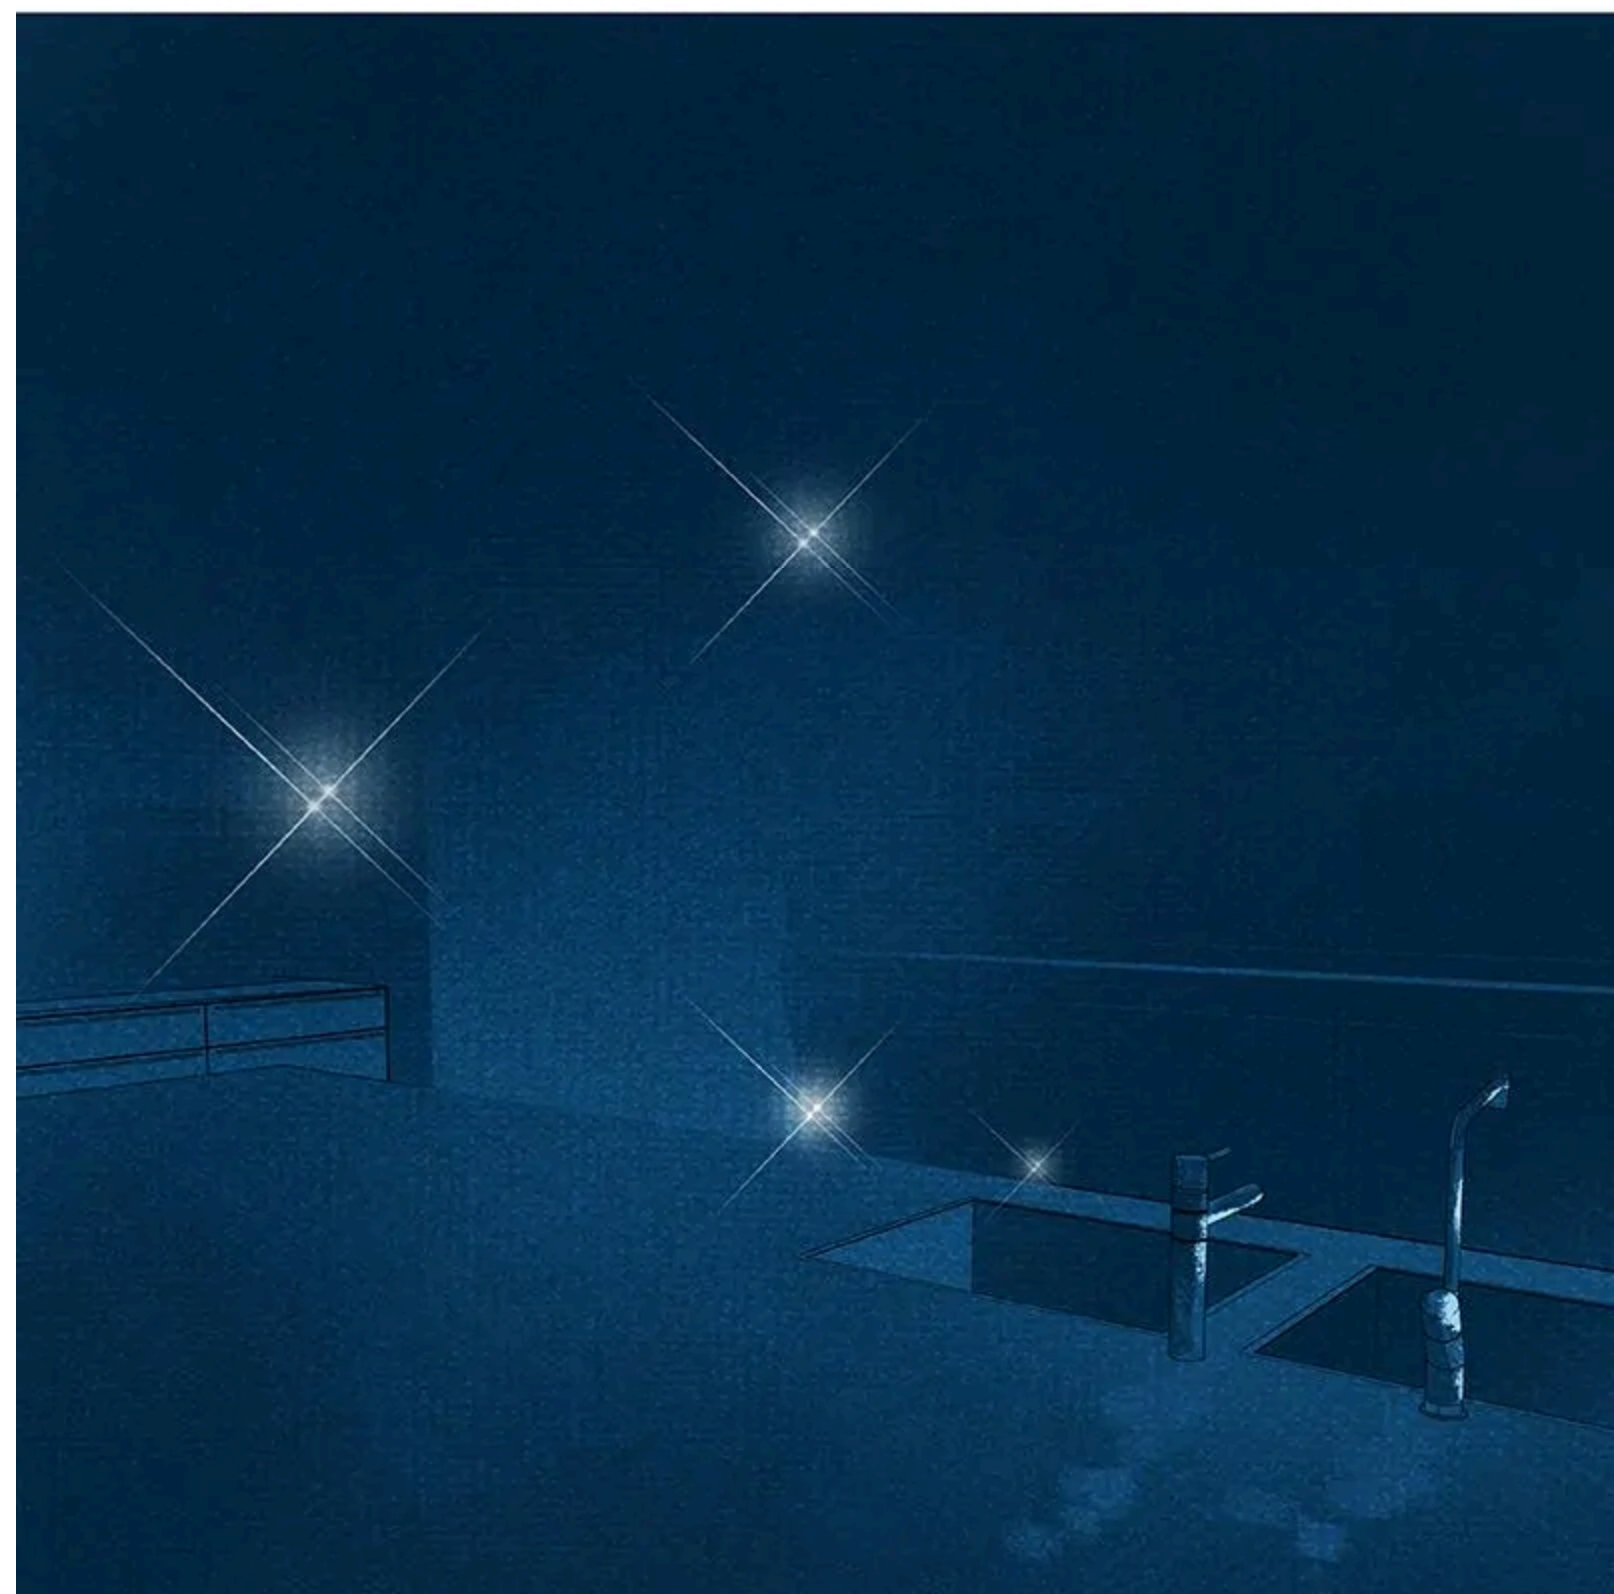

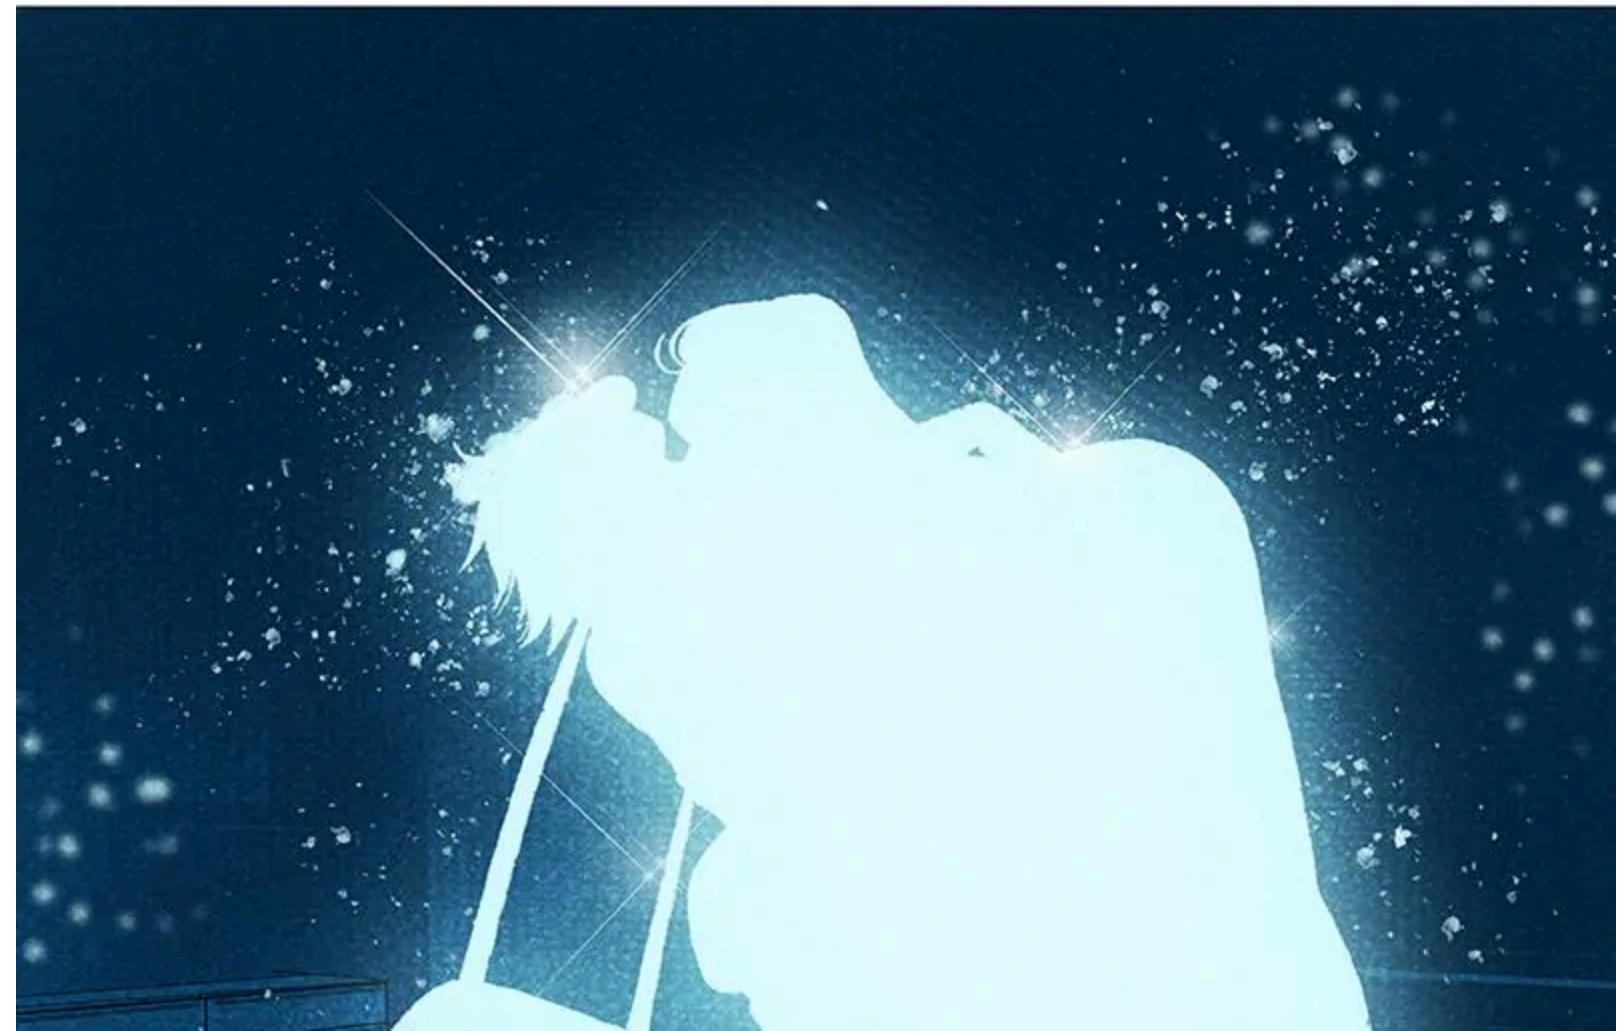

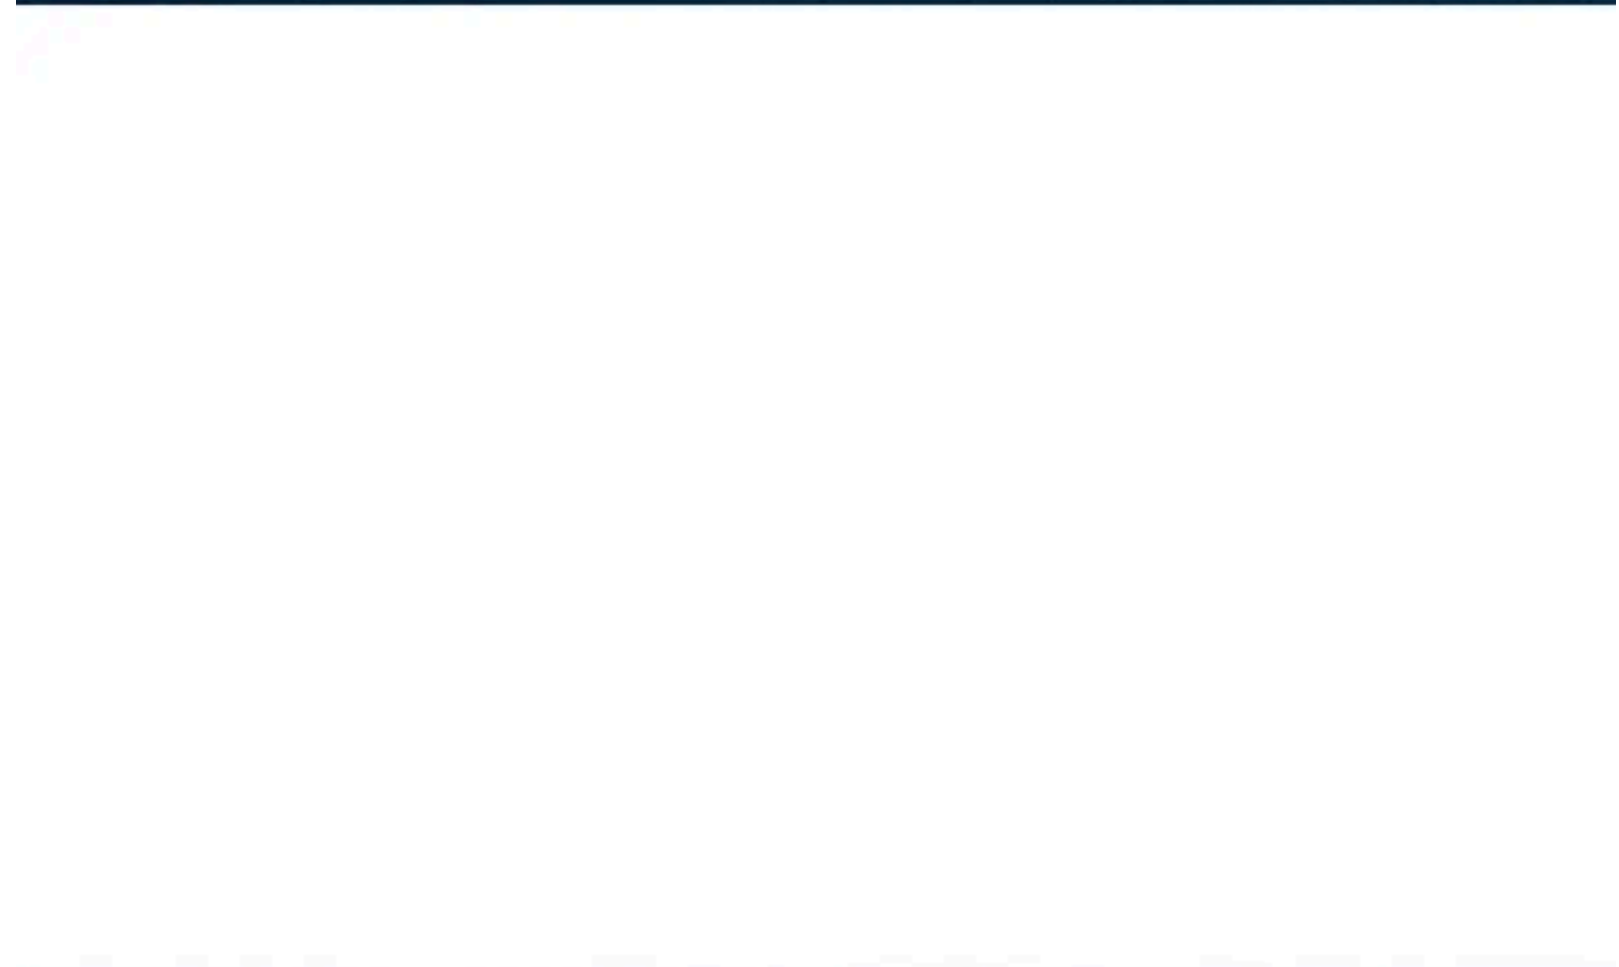

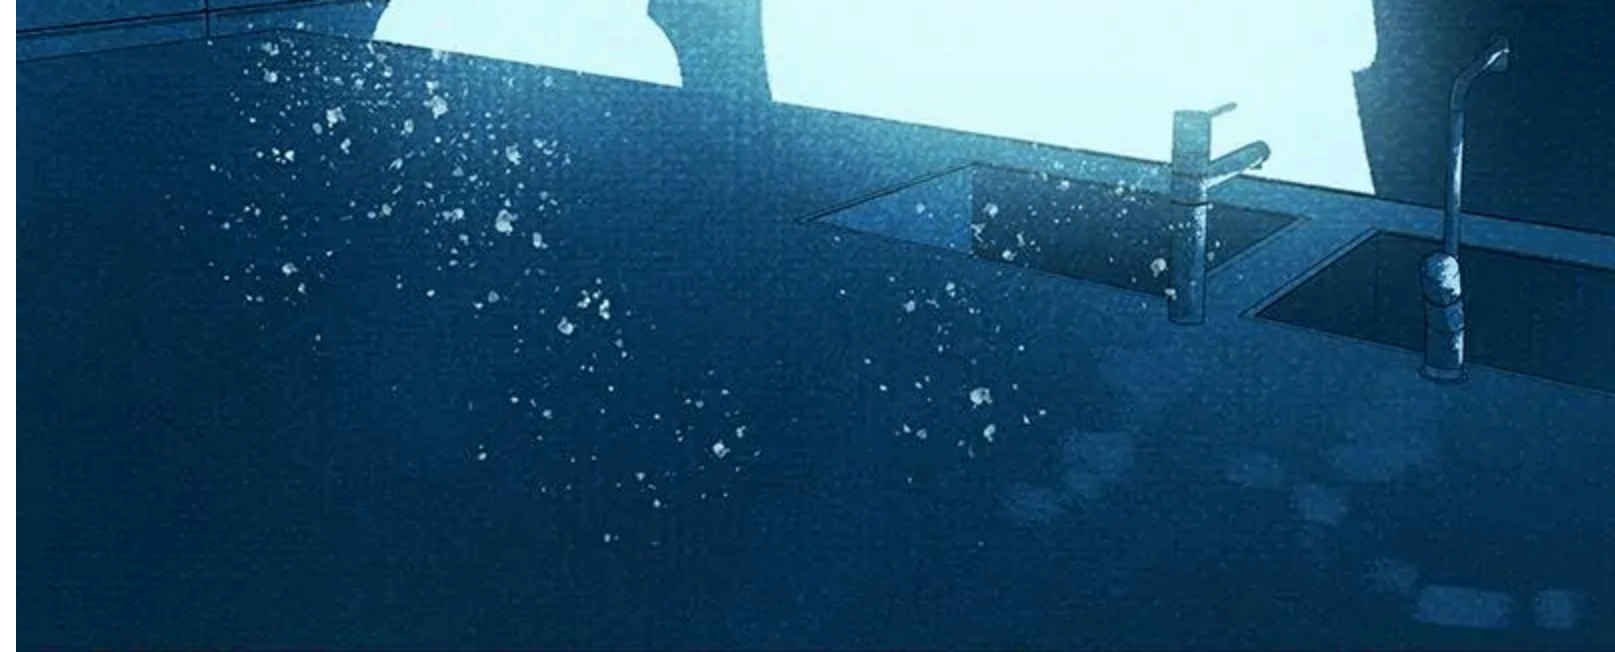

HADES!

1. The first step is to identify the problem. In this case, the problem is a kitchen sink that is not draining properly. The water is pooling in the sink, and the drain is clogged.

2. The next step is to determine the cause of the problem. There are several possible causes for a clogged sink drain, including food debris, grease, and hair.

3. Once the cause of the problem is identified, the next step is to remove the clog. This can be done using a variety of methods, including using a plunger, a drain snake, or a mixture of baking soda and vinegar.

4. After the clog is removed, the next step is to test the sink to see if it is draining properly. If the water still pools in the sink, the clog may not have been fully removed, and the process should be repeated.

5. If the sink is still not draining properly, it may be necessary to call a professional plumber to inspect the drain and make any necessary repairs.

6. Finally, it is important to take steps to prevent the problem from recurring. This can be done by avoiding putting food debris and grease down the drain, and by using a drain strainer to catch any debris.

7. In conclusion, a clogged kitchen sink drain can be a frustrating problem, but it can be easily resolved by following these steps. By identifying the cause of the problem, removing the clog, and taking steps to prevent it from recurring, you can keep your kitchen sink draining properly.

Good evening! This is Jill Dewit
coming to you from the
Underworld.

WELCOME BACK, PERSEPHONE!

This evening is a
momentous occasion as
we all celebrate the official

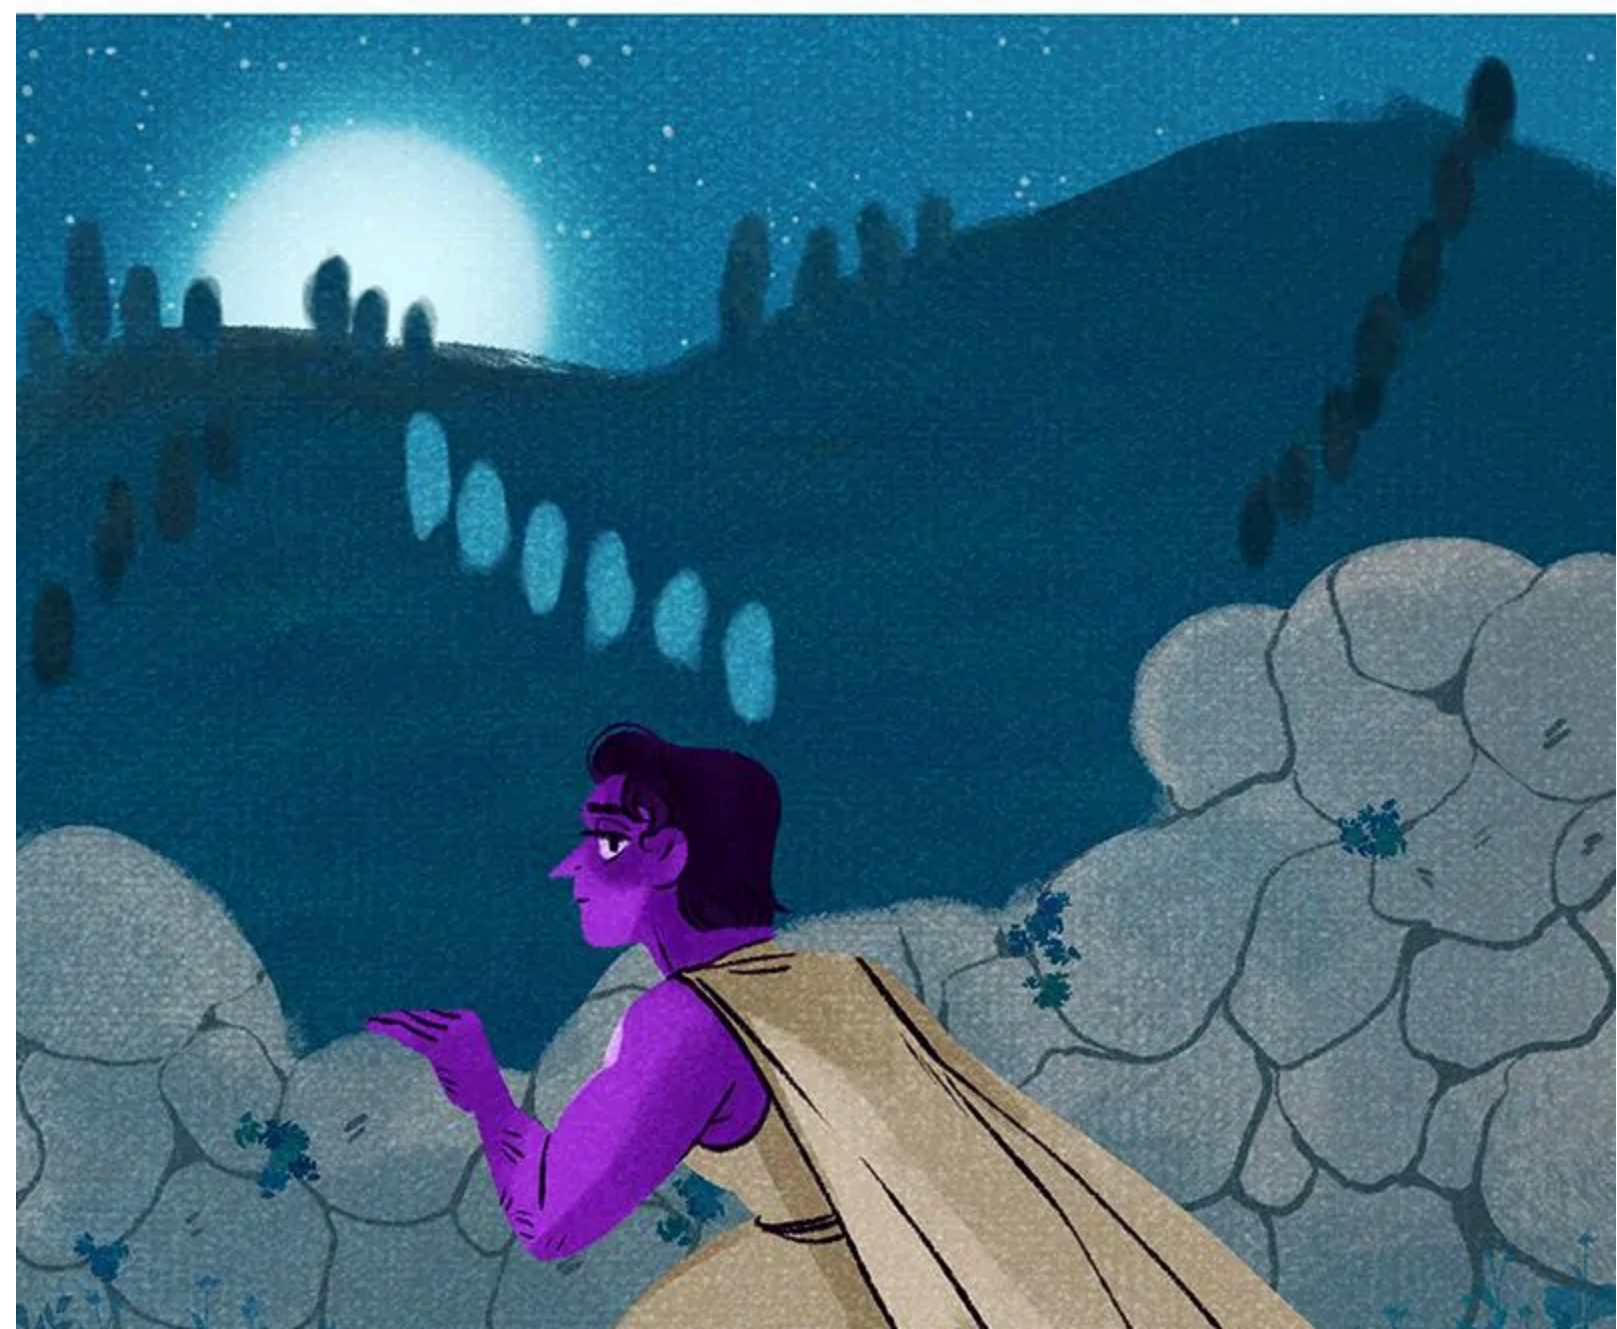

coronation of Persephone,
Queen of the Underworld!

Today also marks the end of
spring and her return to the
Underworld, where she will live
for the next nine months.

While you'll see many prominent faces tonight, one you will not see is that of the disgraced Apollo.

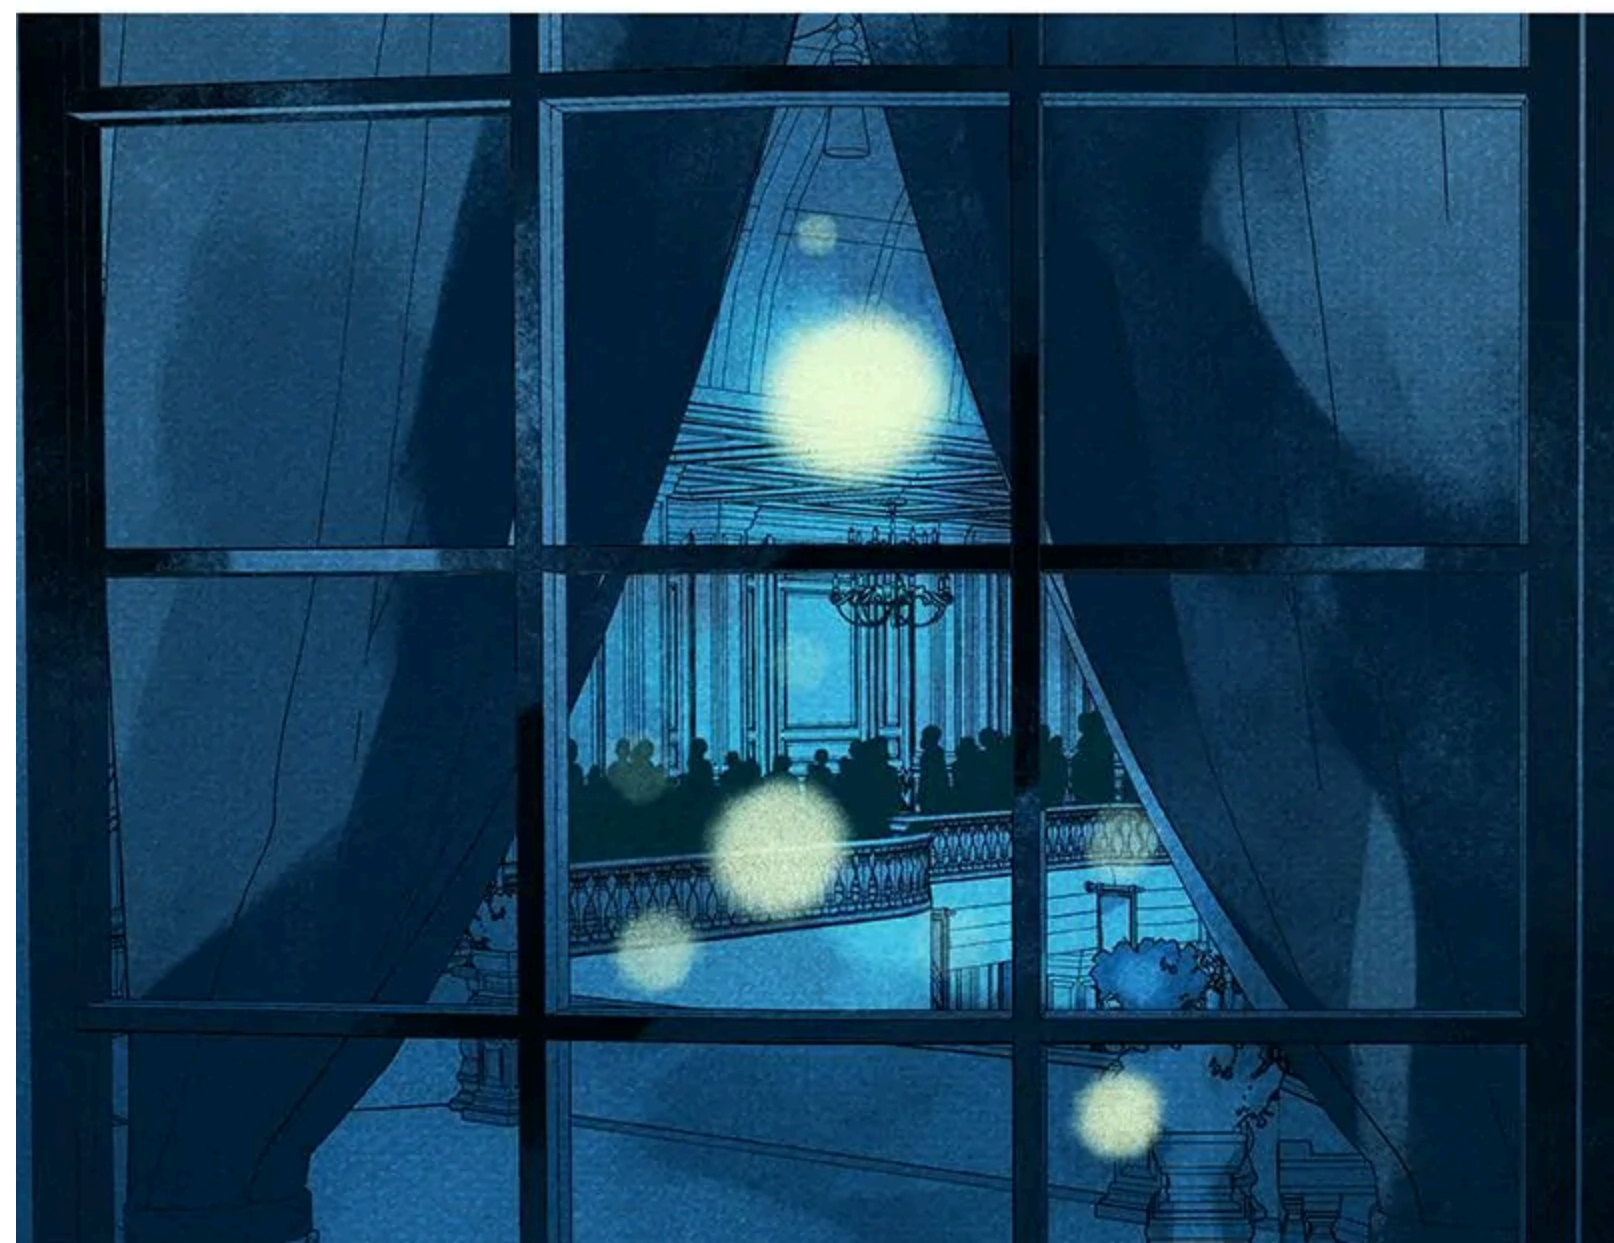

WELCOME BACK, PERSEPHONE!

He is working off his
punishment in the Mortal
Realm by completing temple
restoration.

As the Queen of
the Gods and the

Heavens,

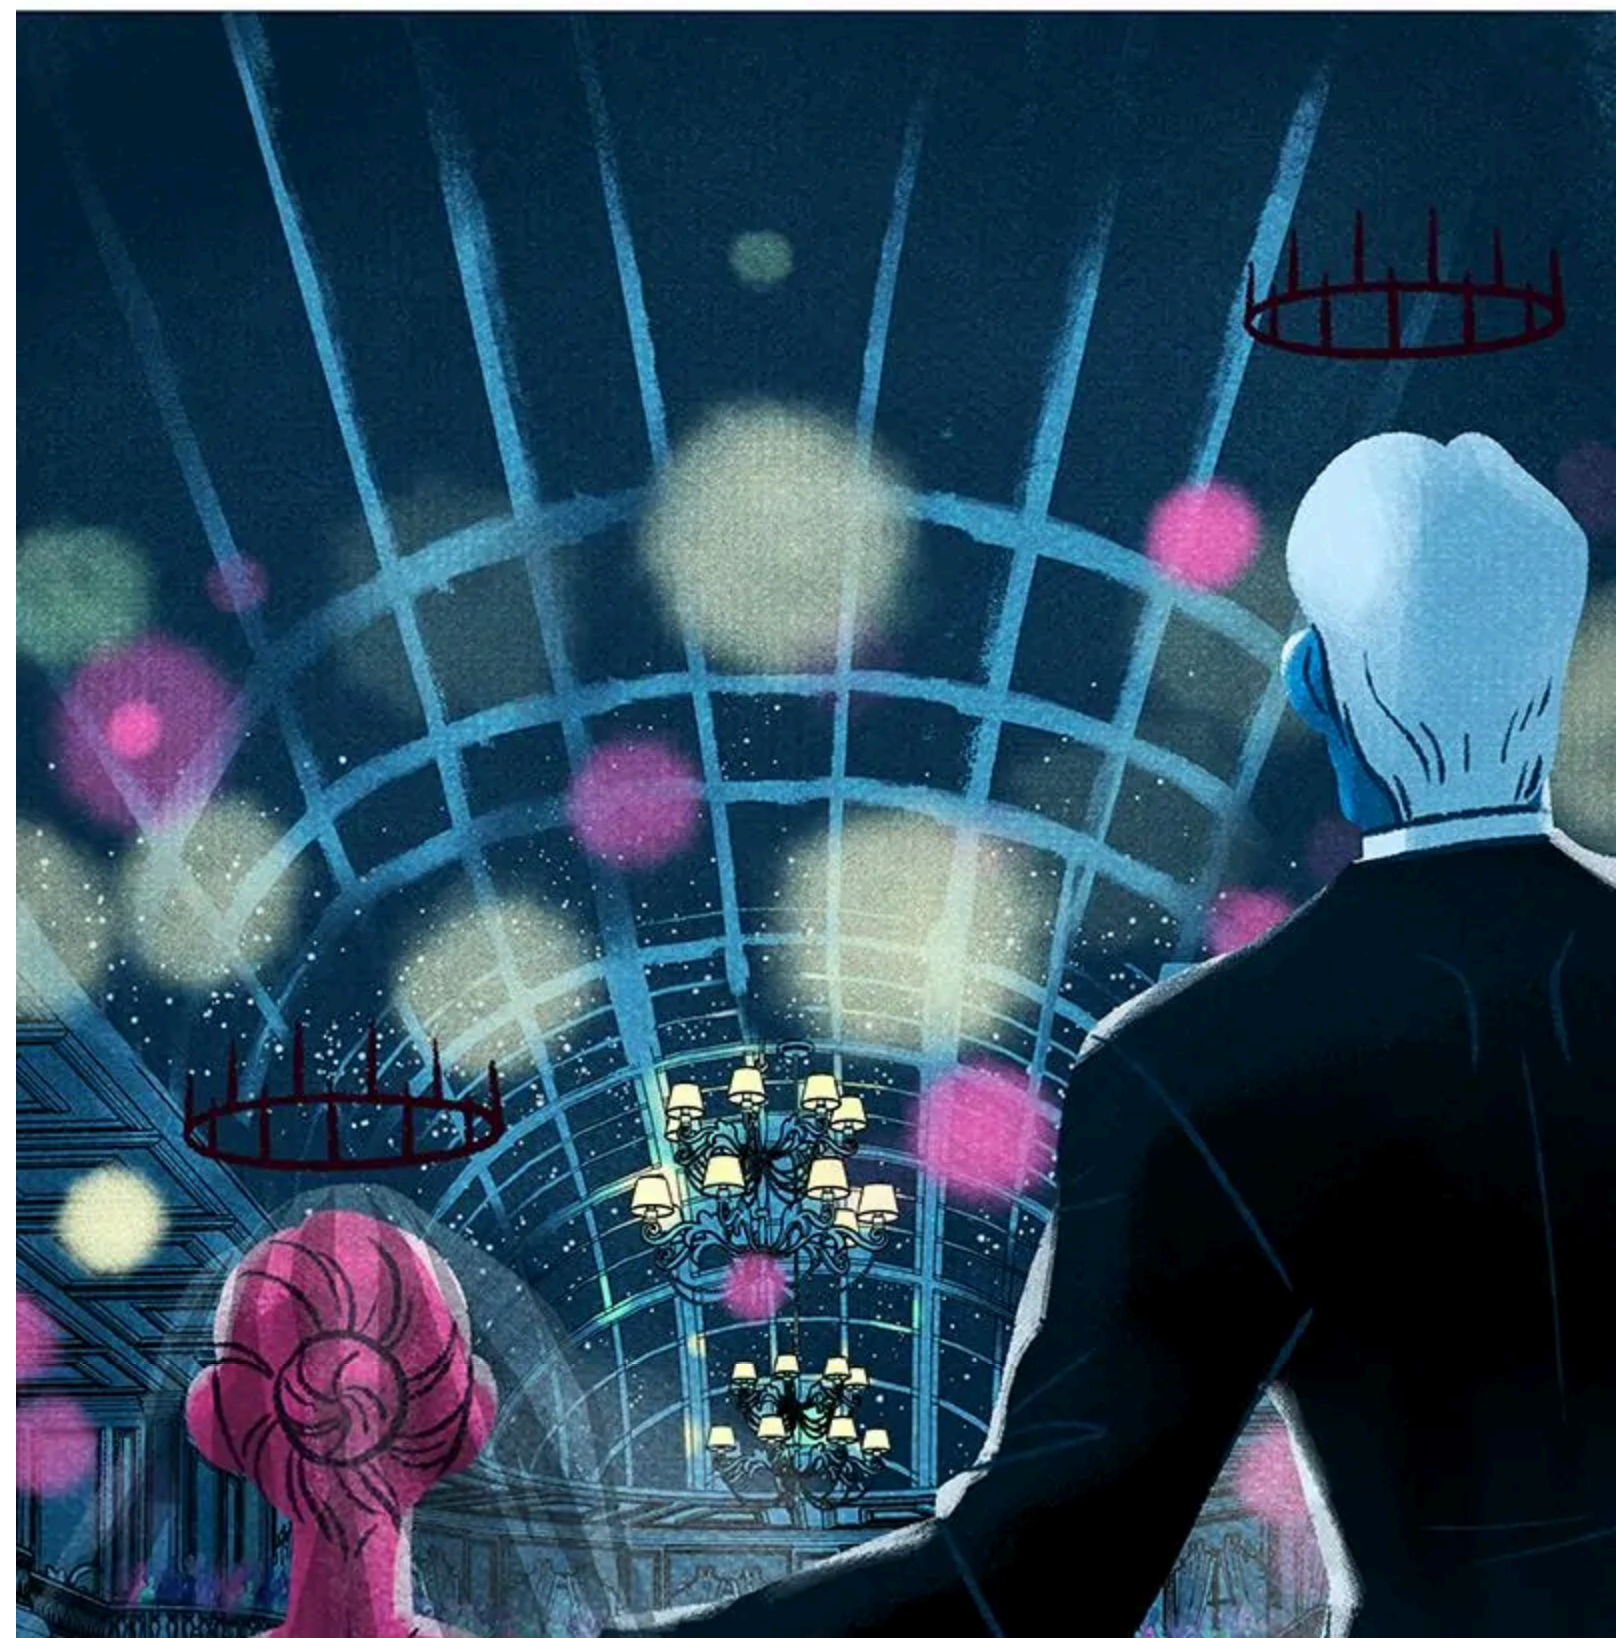

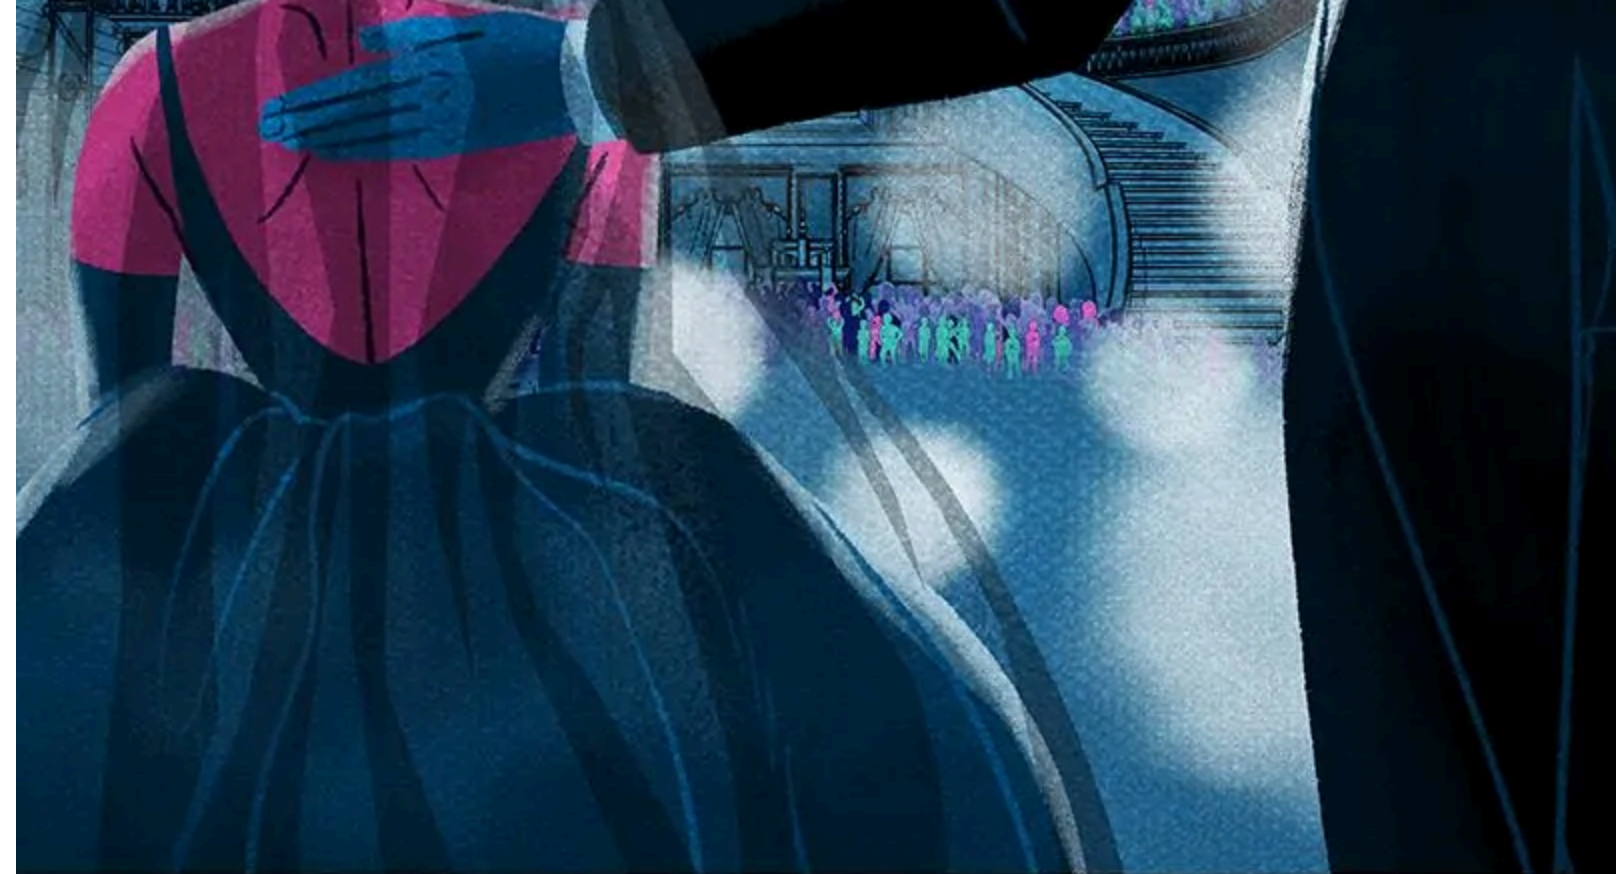

it gives me the utmost
pleasure to instate Persephone
as Queen of the Underworld.

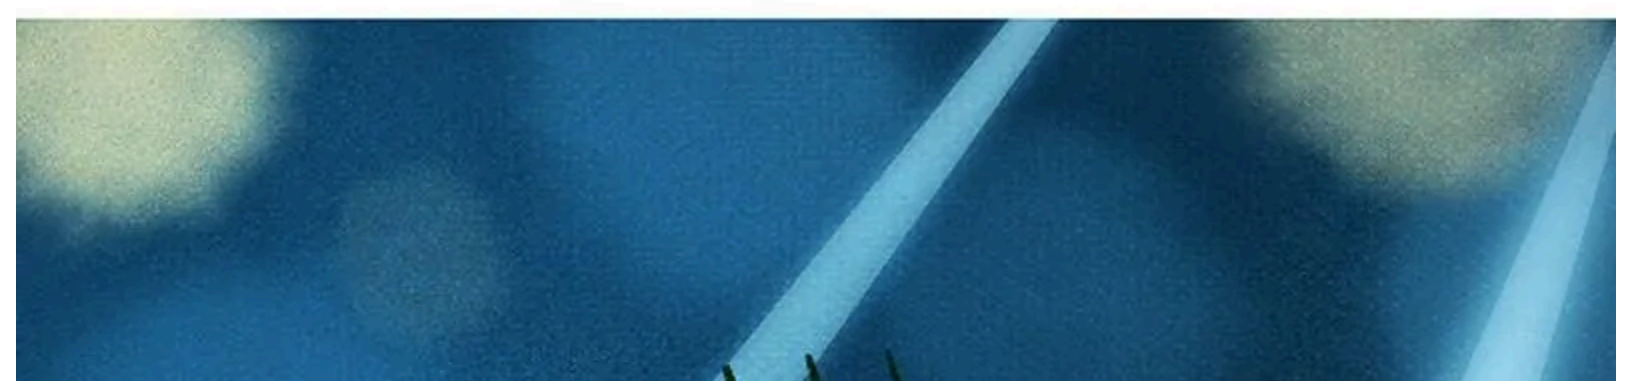

This is the part where
everybody watches us dance.

A lot has changed over the
past three months.

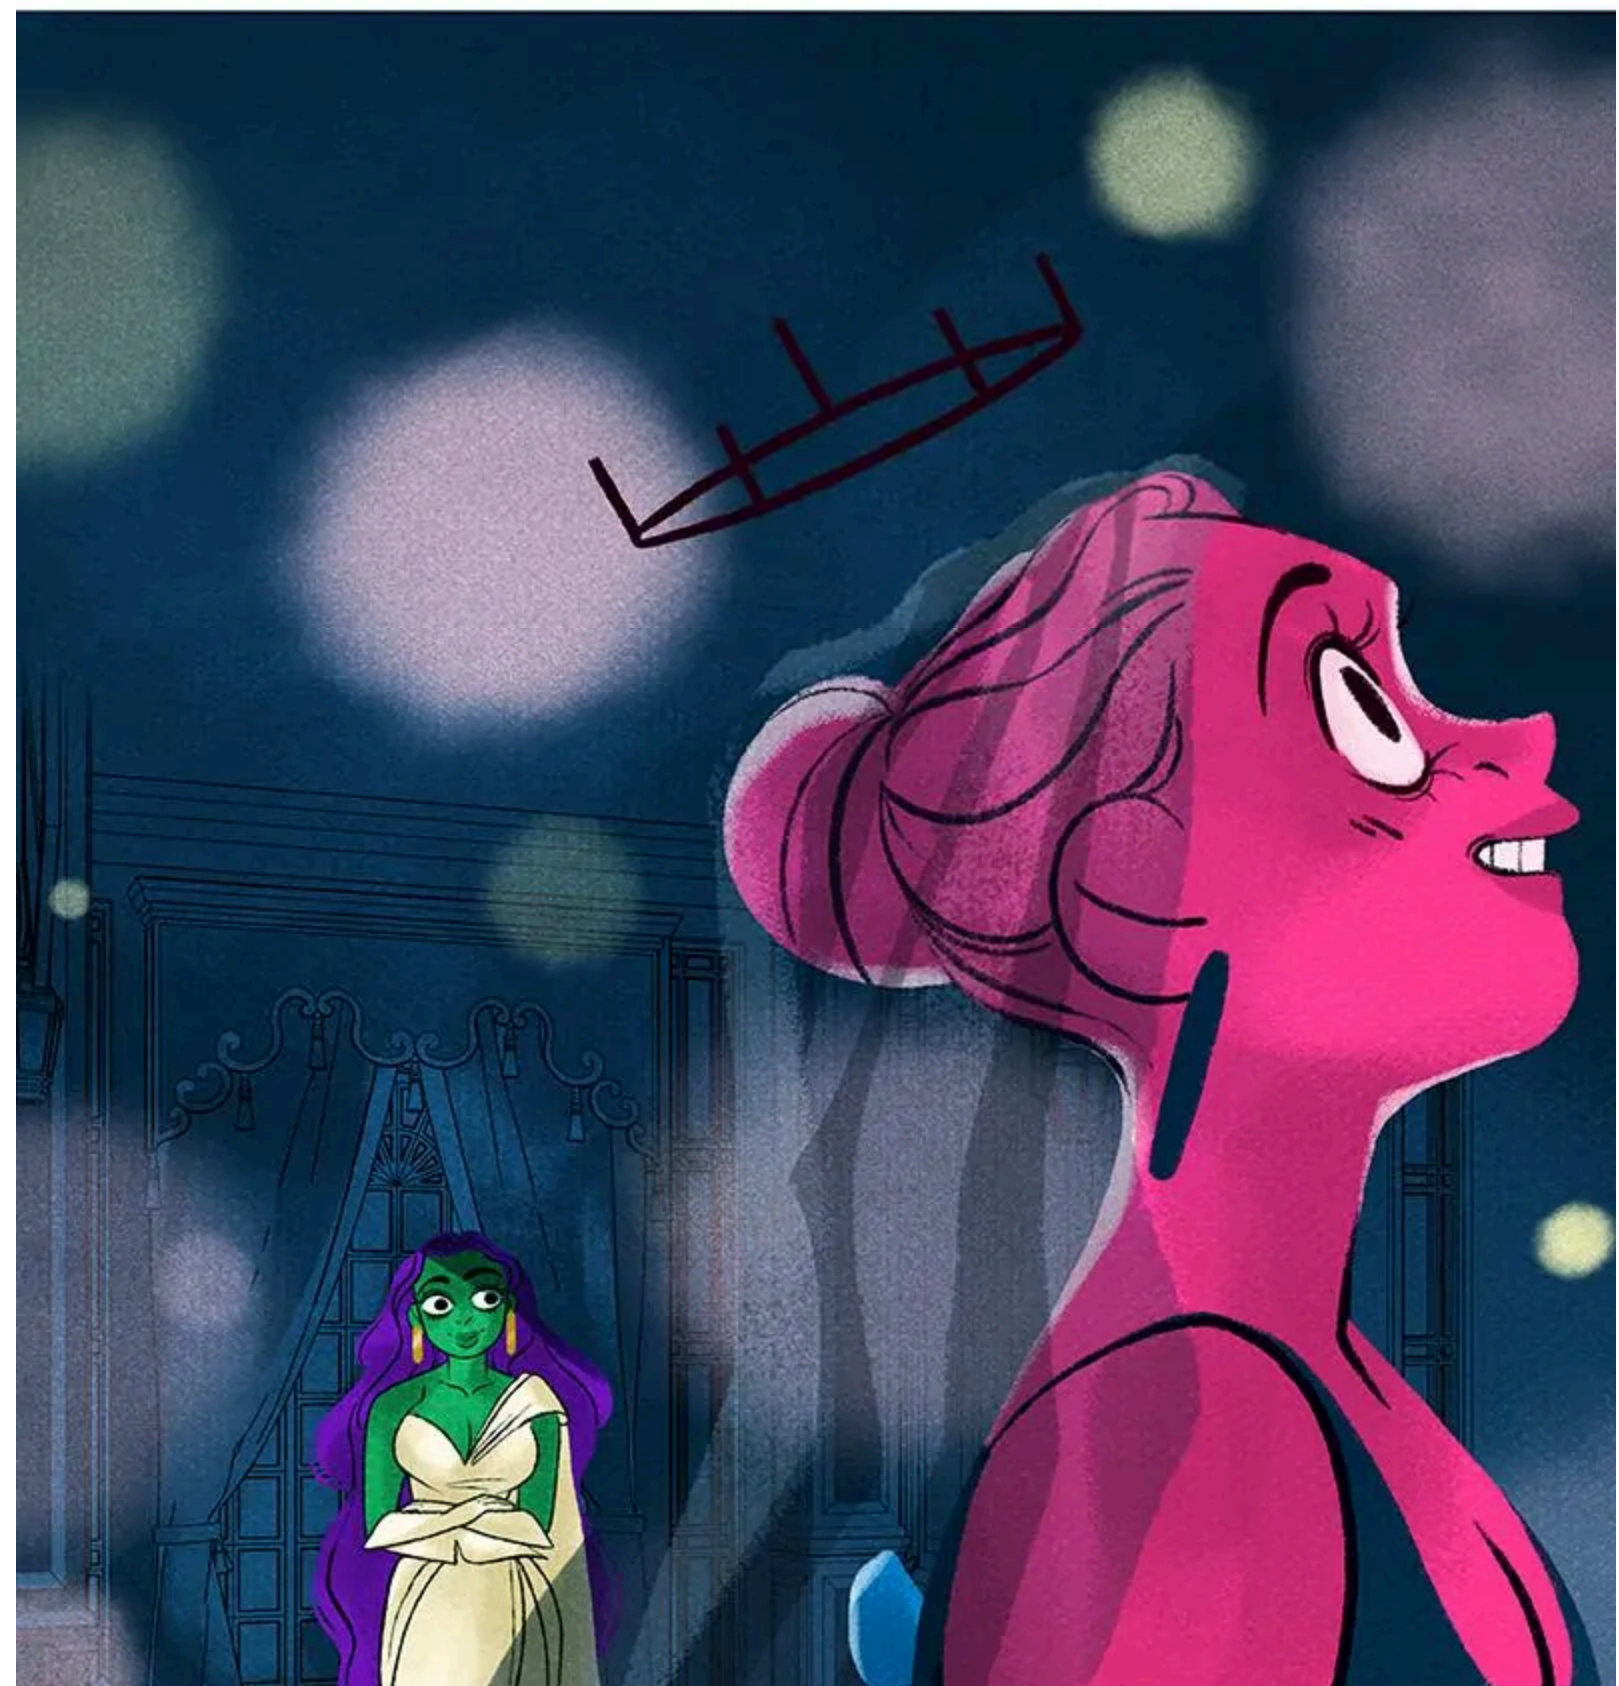

Living in the Mortal Realm is
much easier this time around
because Hades can visit me all
the time.

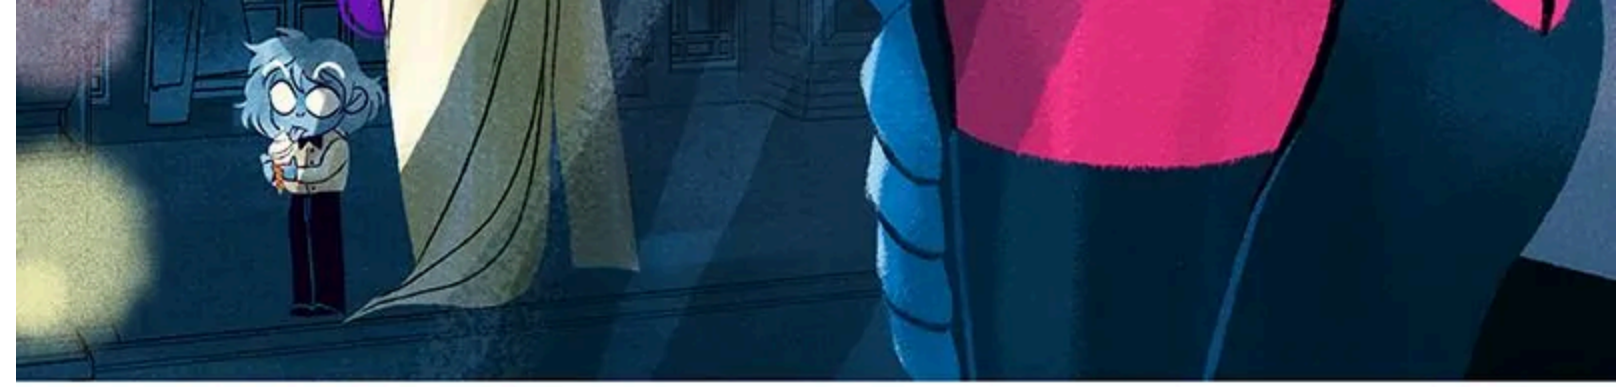

Mother is doing a lot better
these days. She has Metis
and Rhea to help her out
with the Mortal Realm.

with the mortal realm.

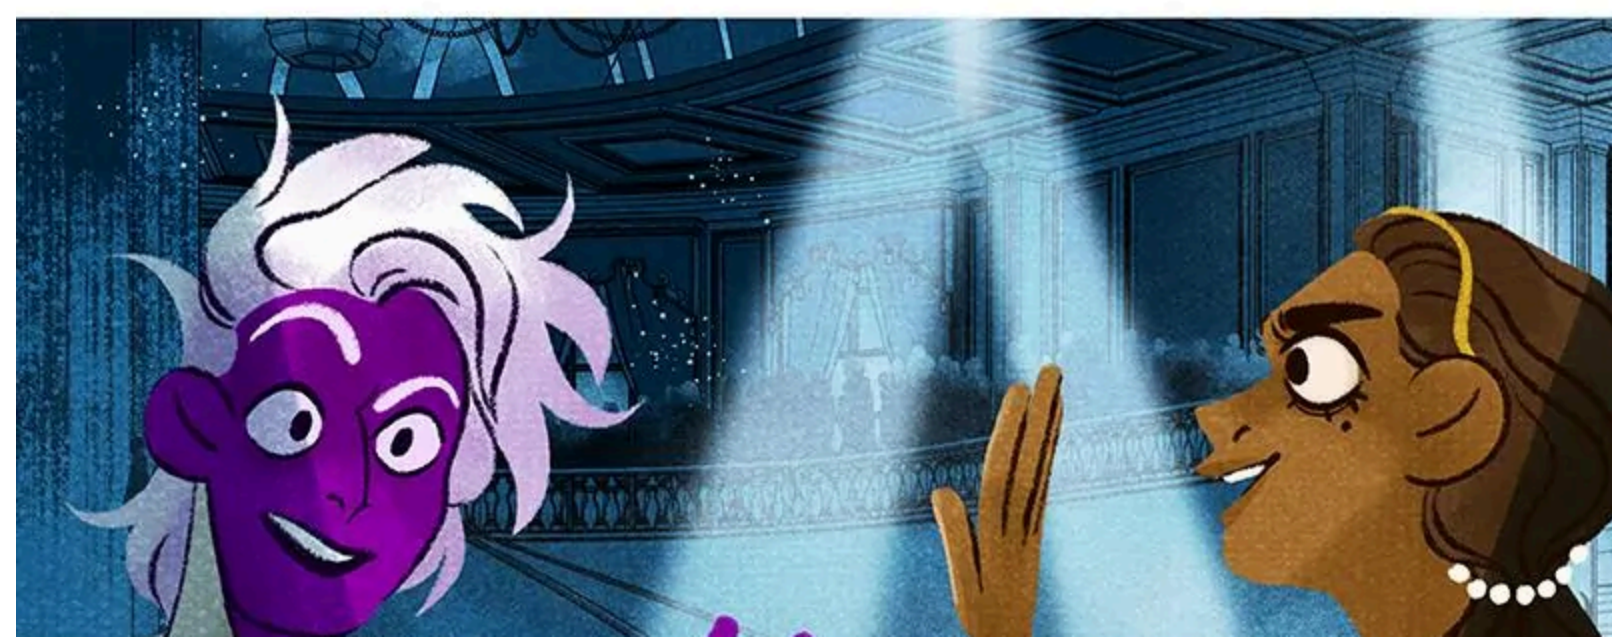

And Triptolemus is
showing a real talent
for farming.

Dionysus is growing
faster than ever.

Hades even managed to get
his hands on some more
ambrosia, so he was able to
reunite him and Semele.

We were able to heal Zeus, and while he still holds the title of King of the Gods, he is more of

a figurehead at this point. Hera just gives him busy work.

His powers haven't been the
same since his recovery.

And Hera?
She got a divorce.
She seems pretty happy
to me.

Can I cut in?

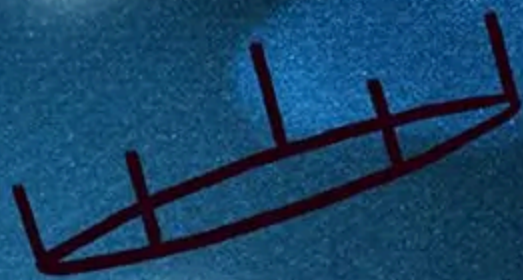

Ares is still a dog!

No, thank you.
I'd like to enjoy my
husband a little
longer.

The Goddesses of Eternal
Maidenhood disbanded.
And Artemis has been spending
a lot more time with Selene,
the Goddess of the Moon.

Hades and Thanatos have
been making preparations for

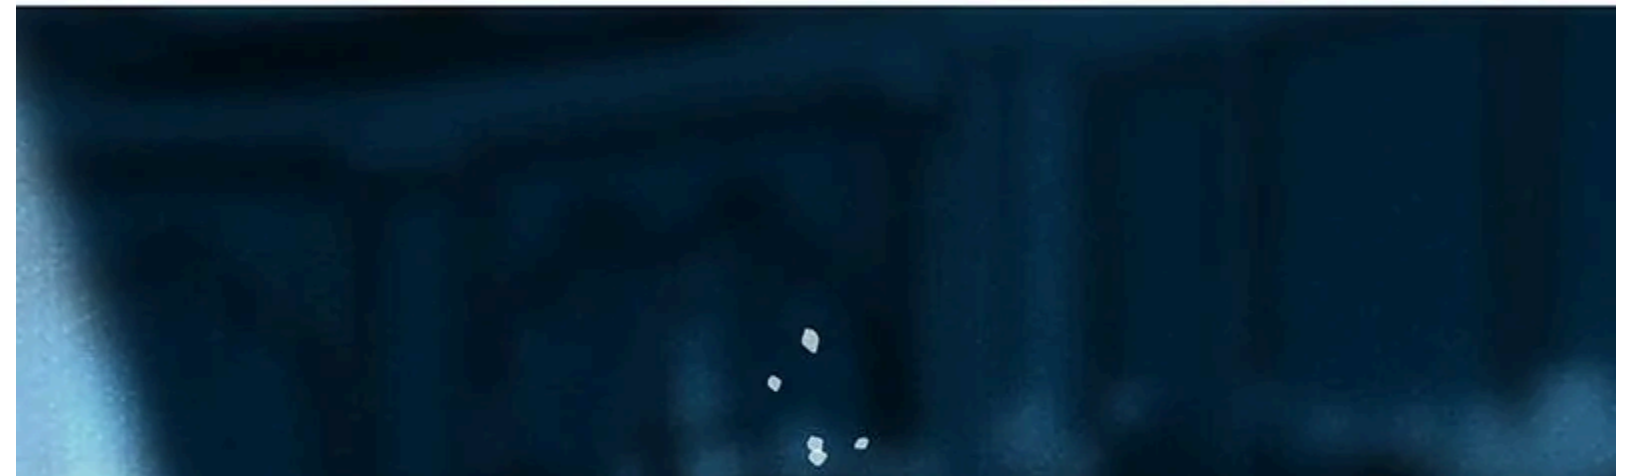

been making more time for
each other. Sometimes they
even have a conversation.

⋮

Eros and Psyche are doing
fantastic and enjoying
parenthood.

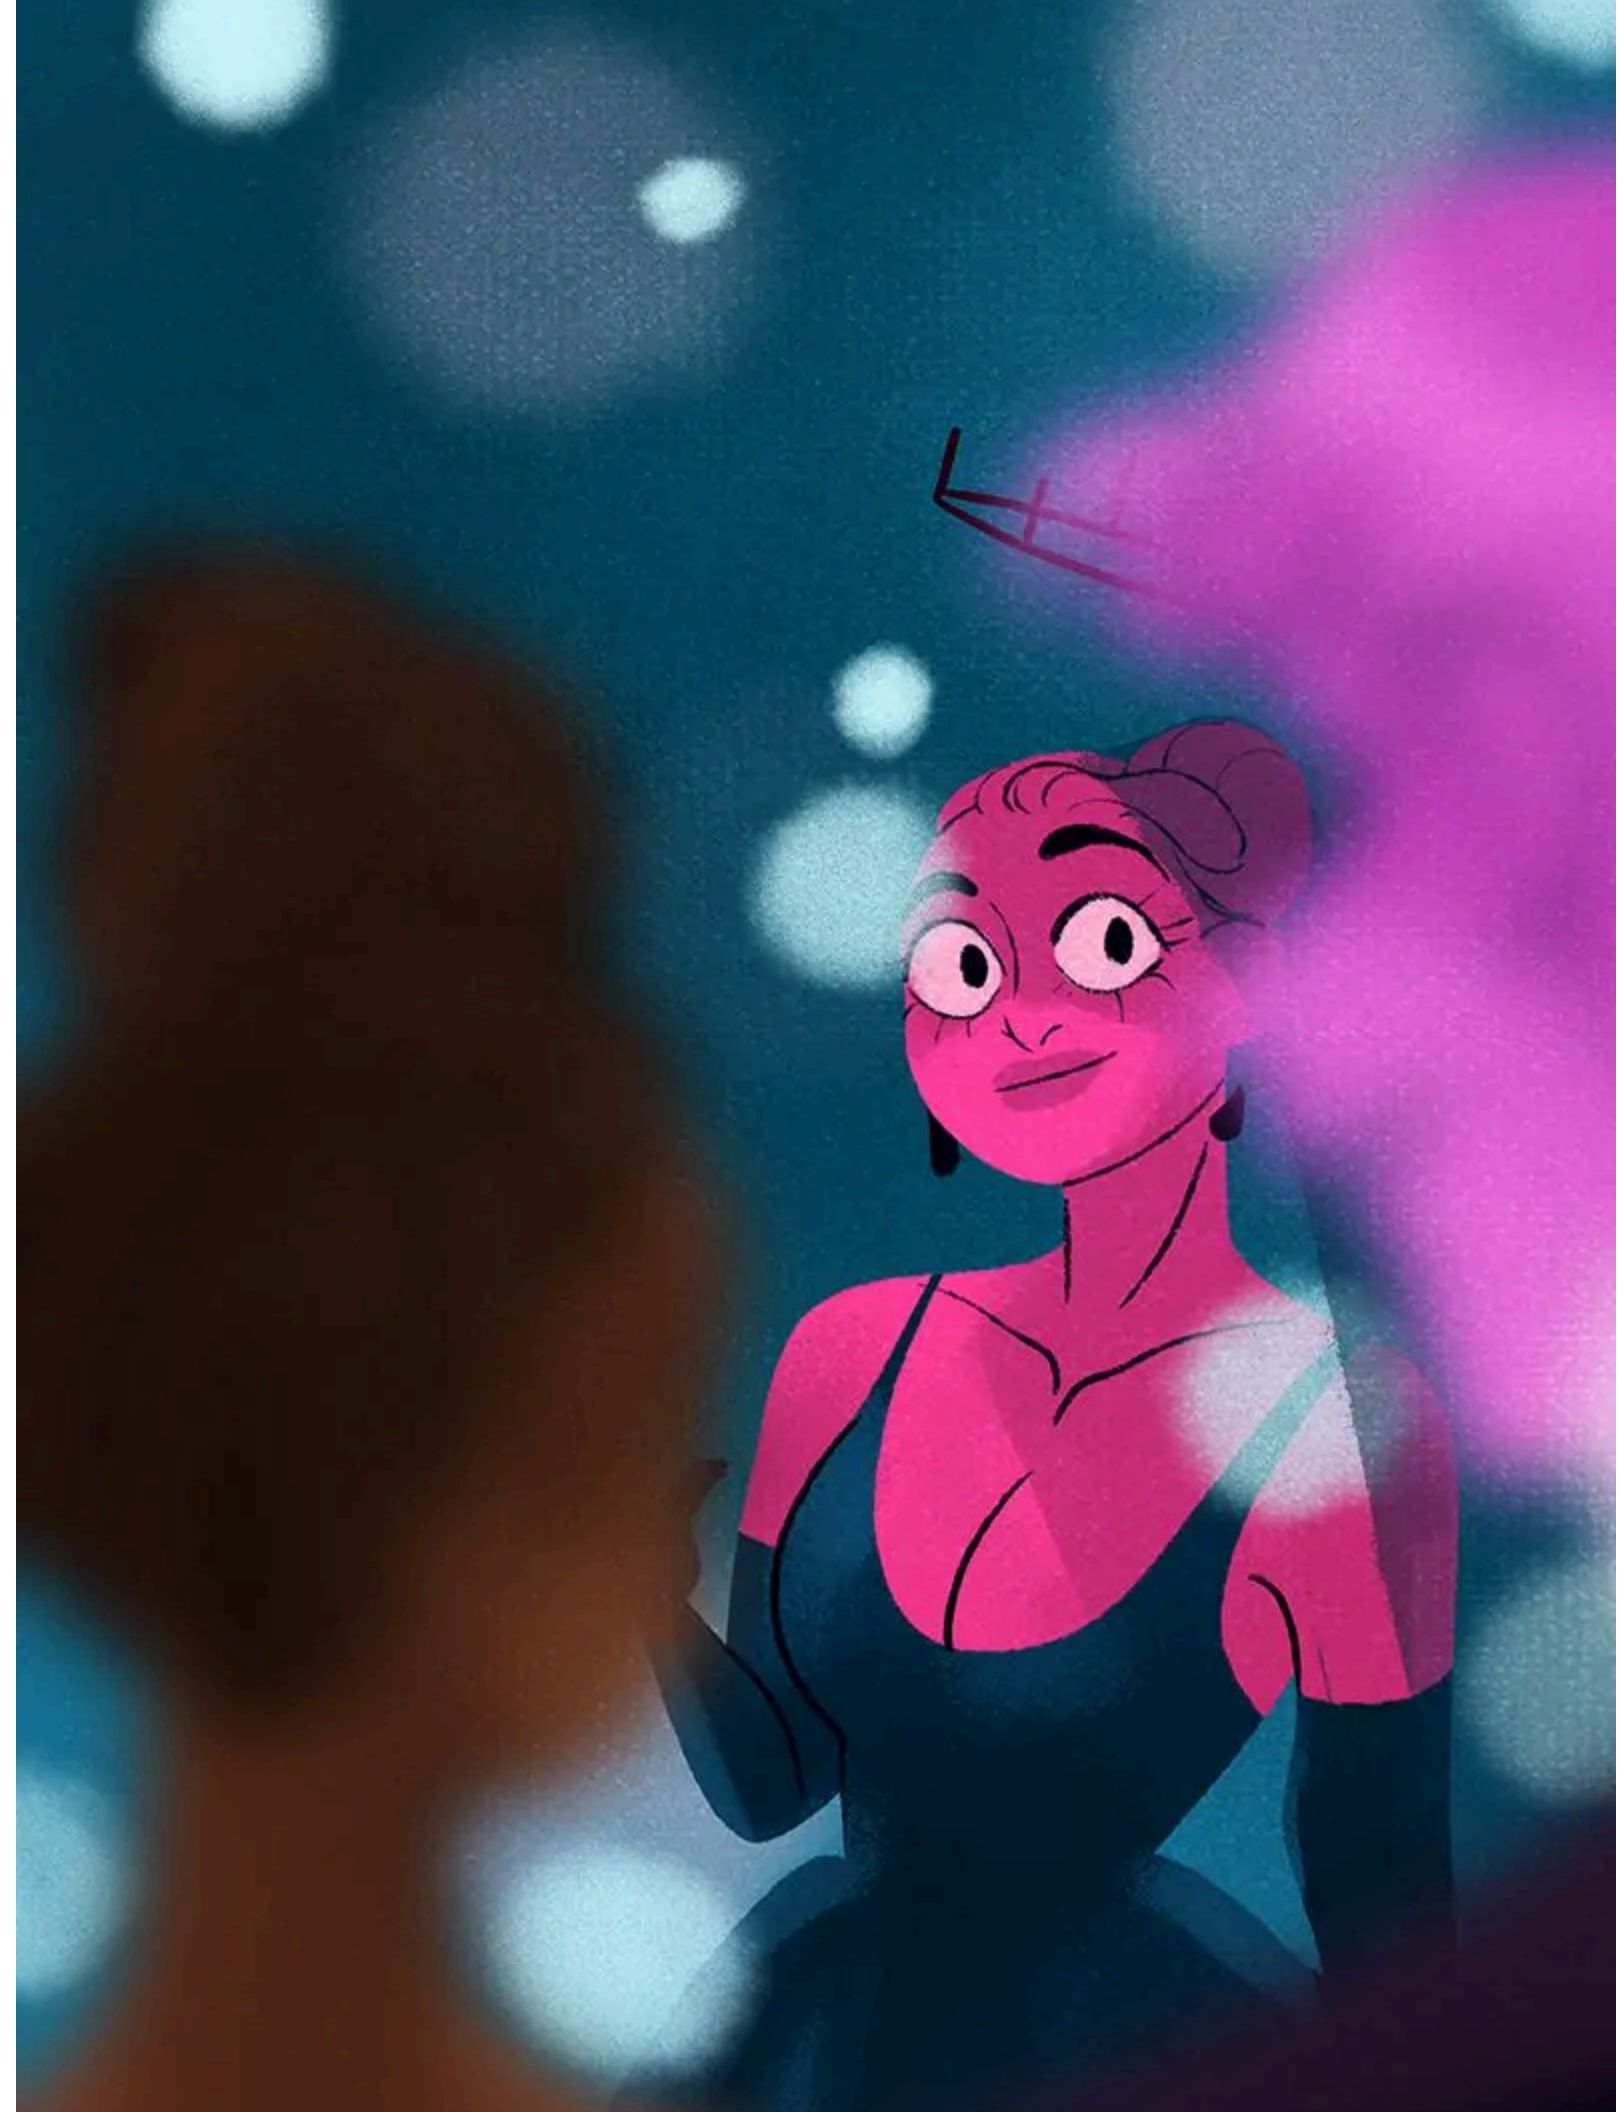

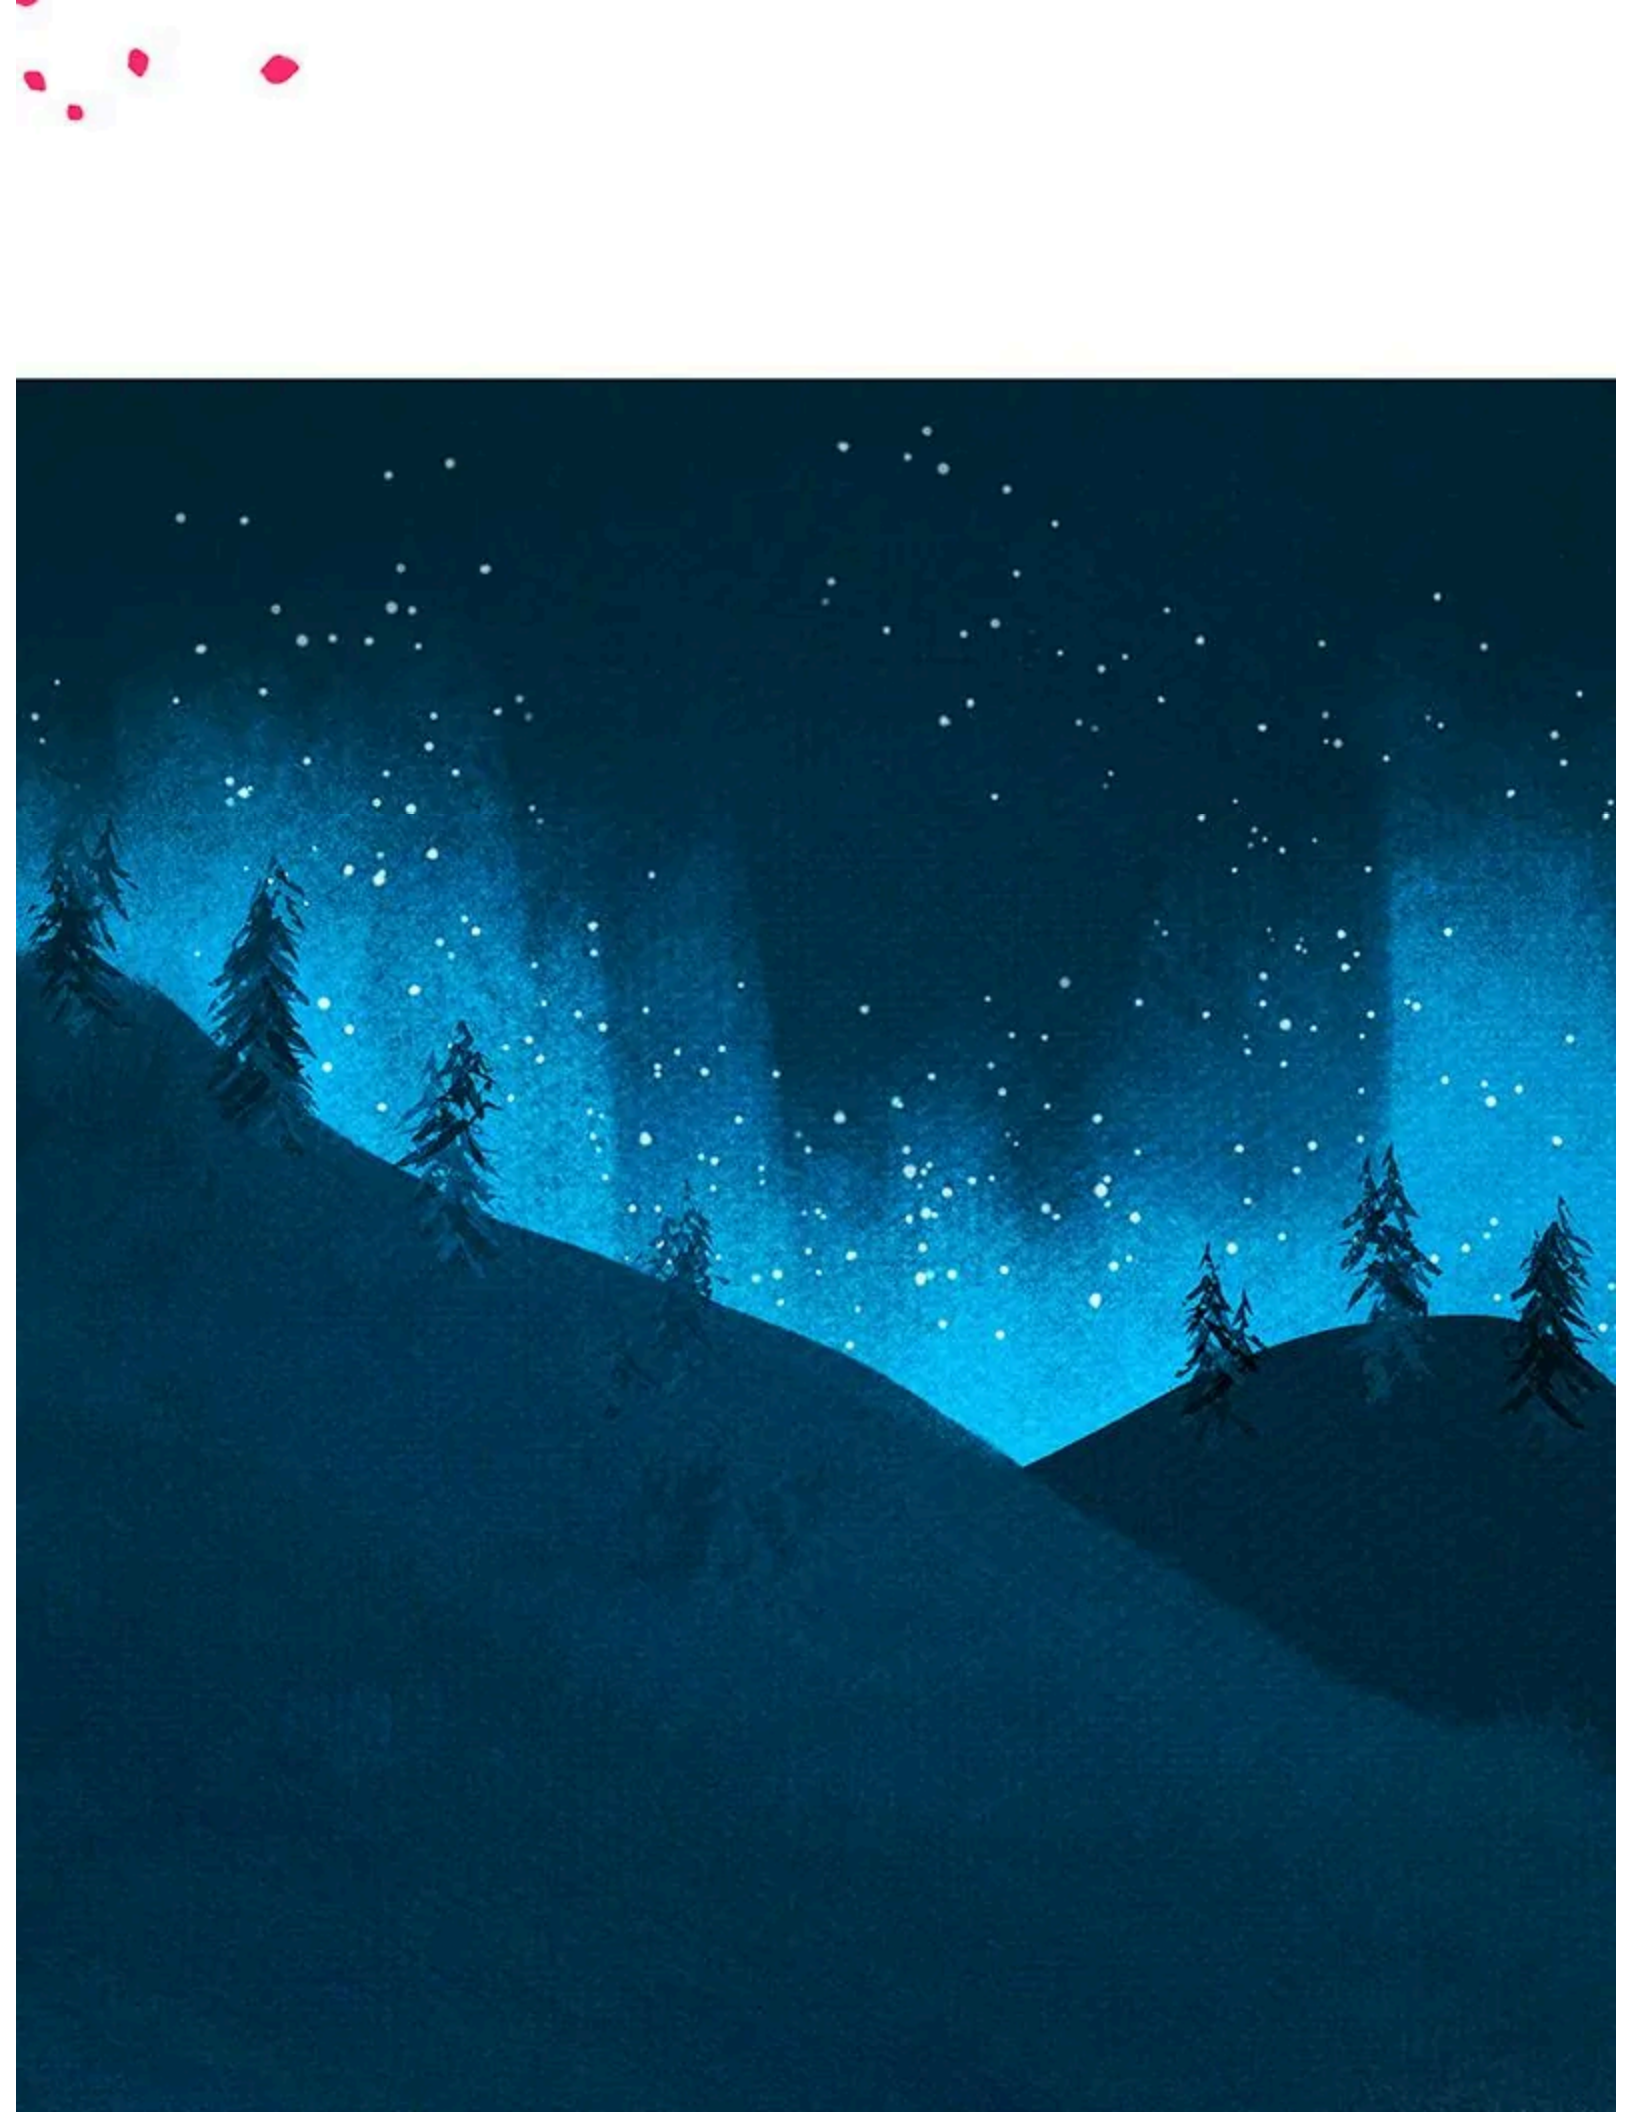

Much like me, Psyche is
navigating her new powers.

They are still looking for
Kassandra.

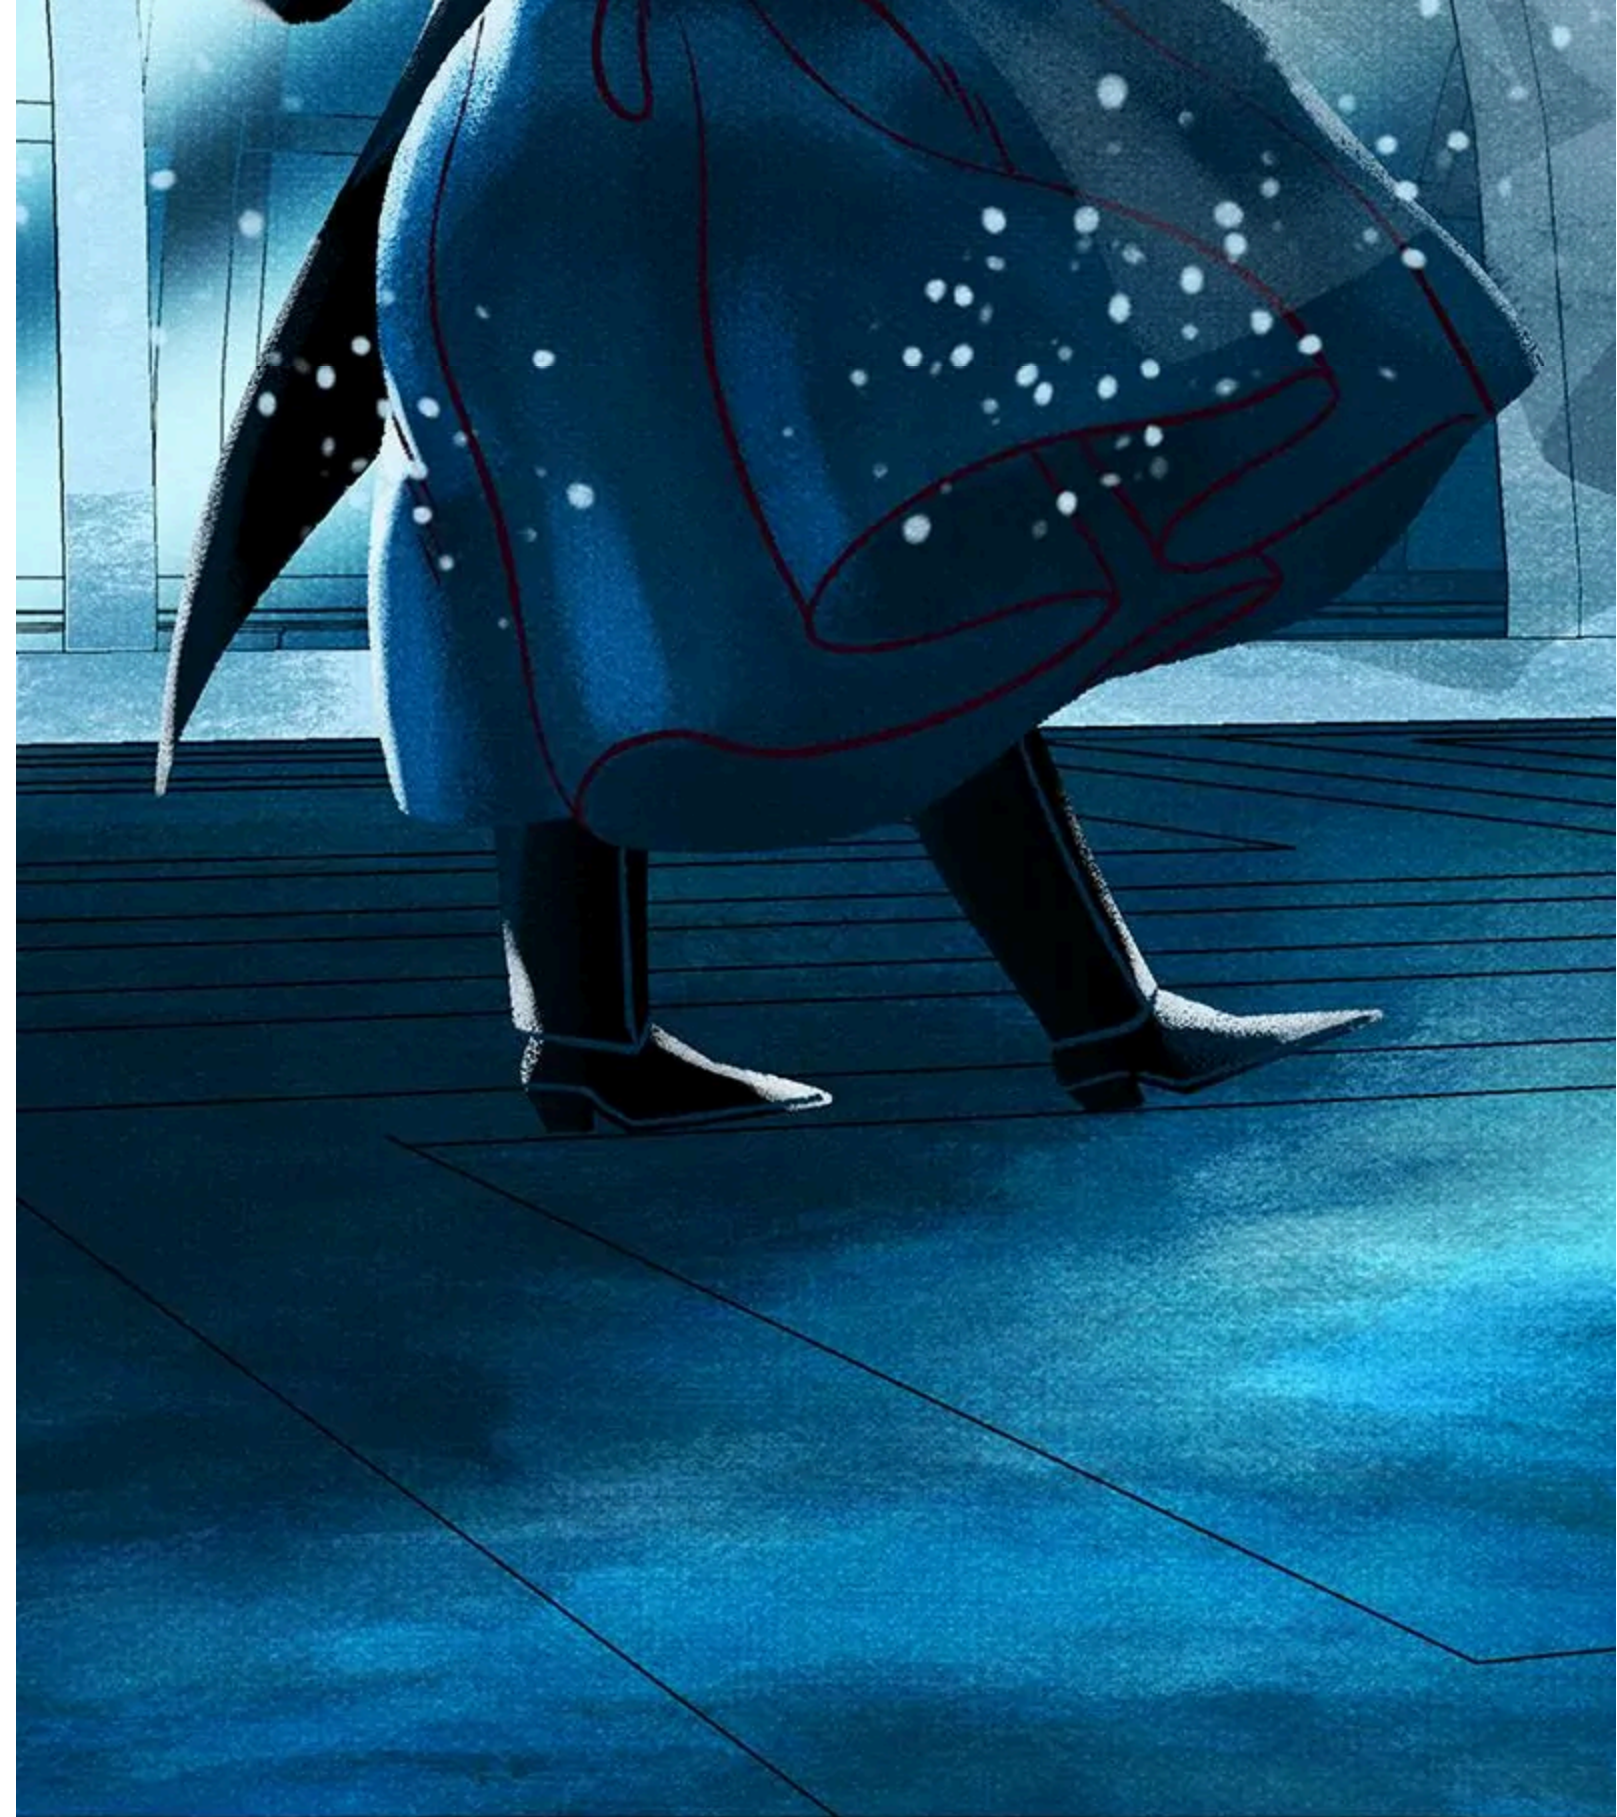

I know we get to see each other while you're away, but it will feel so good to finally have some alone time.

Haha, yes, I love my
childhood home, but
privacy is hard to
come by.

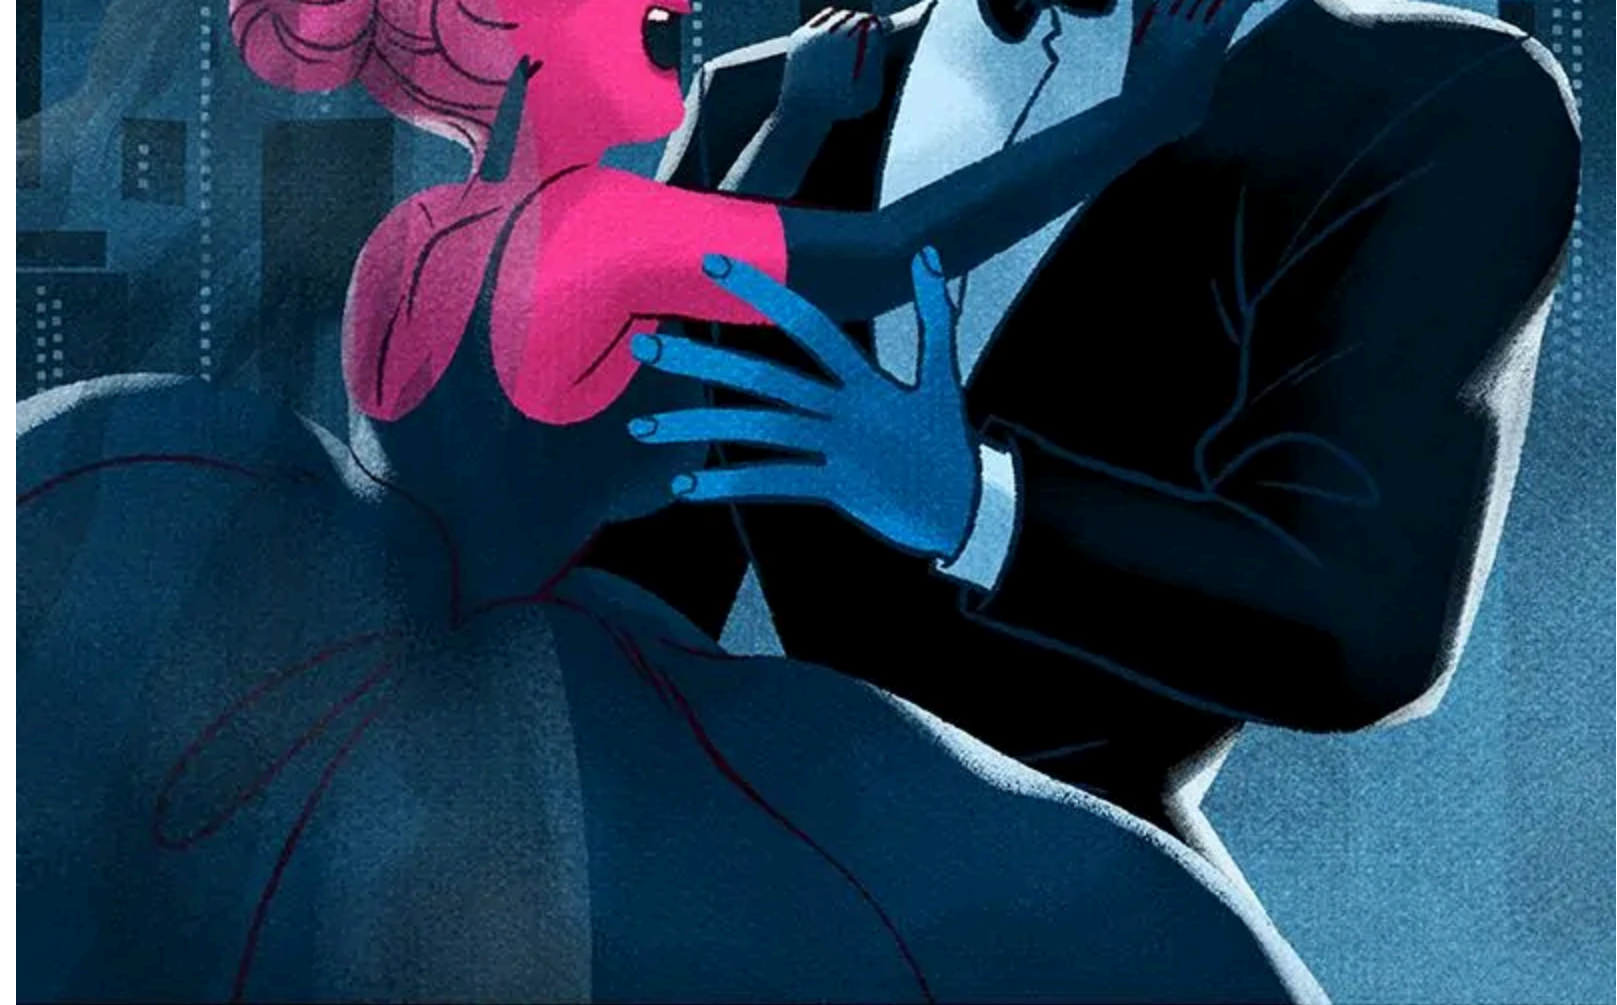

Are you enjoying
the party?

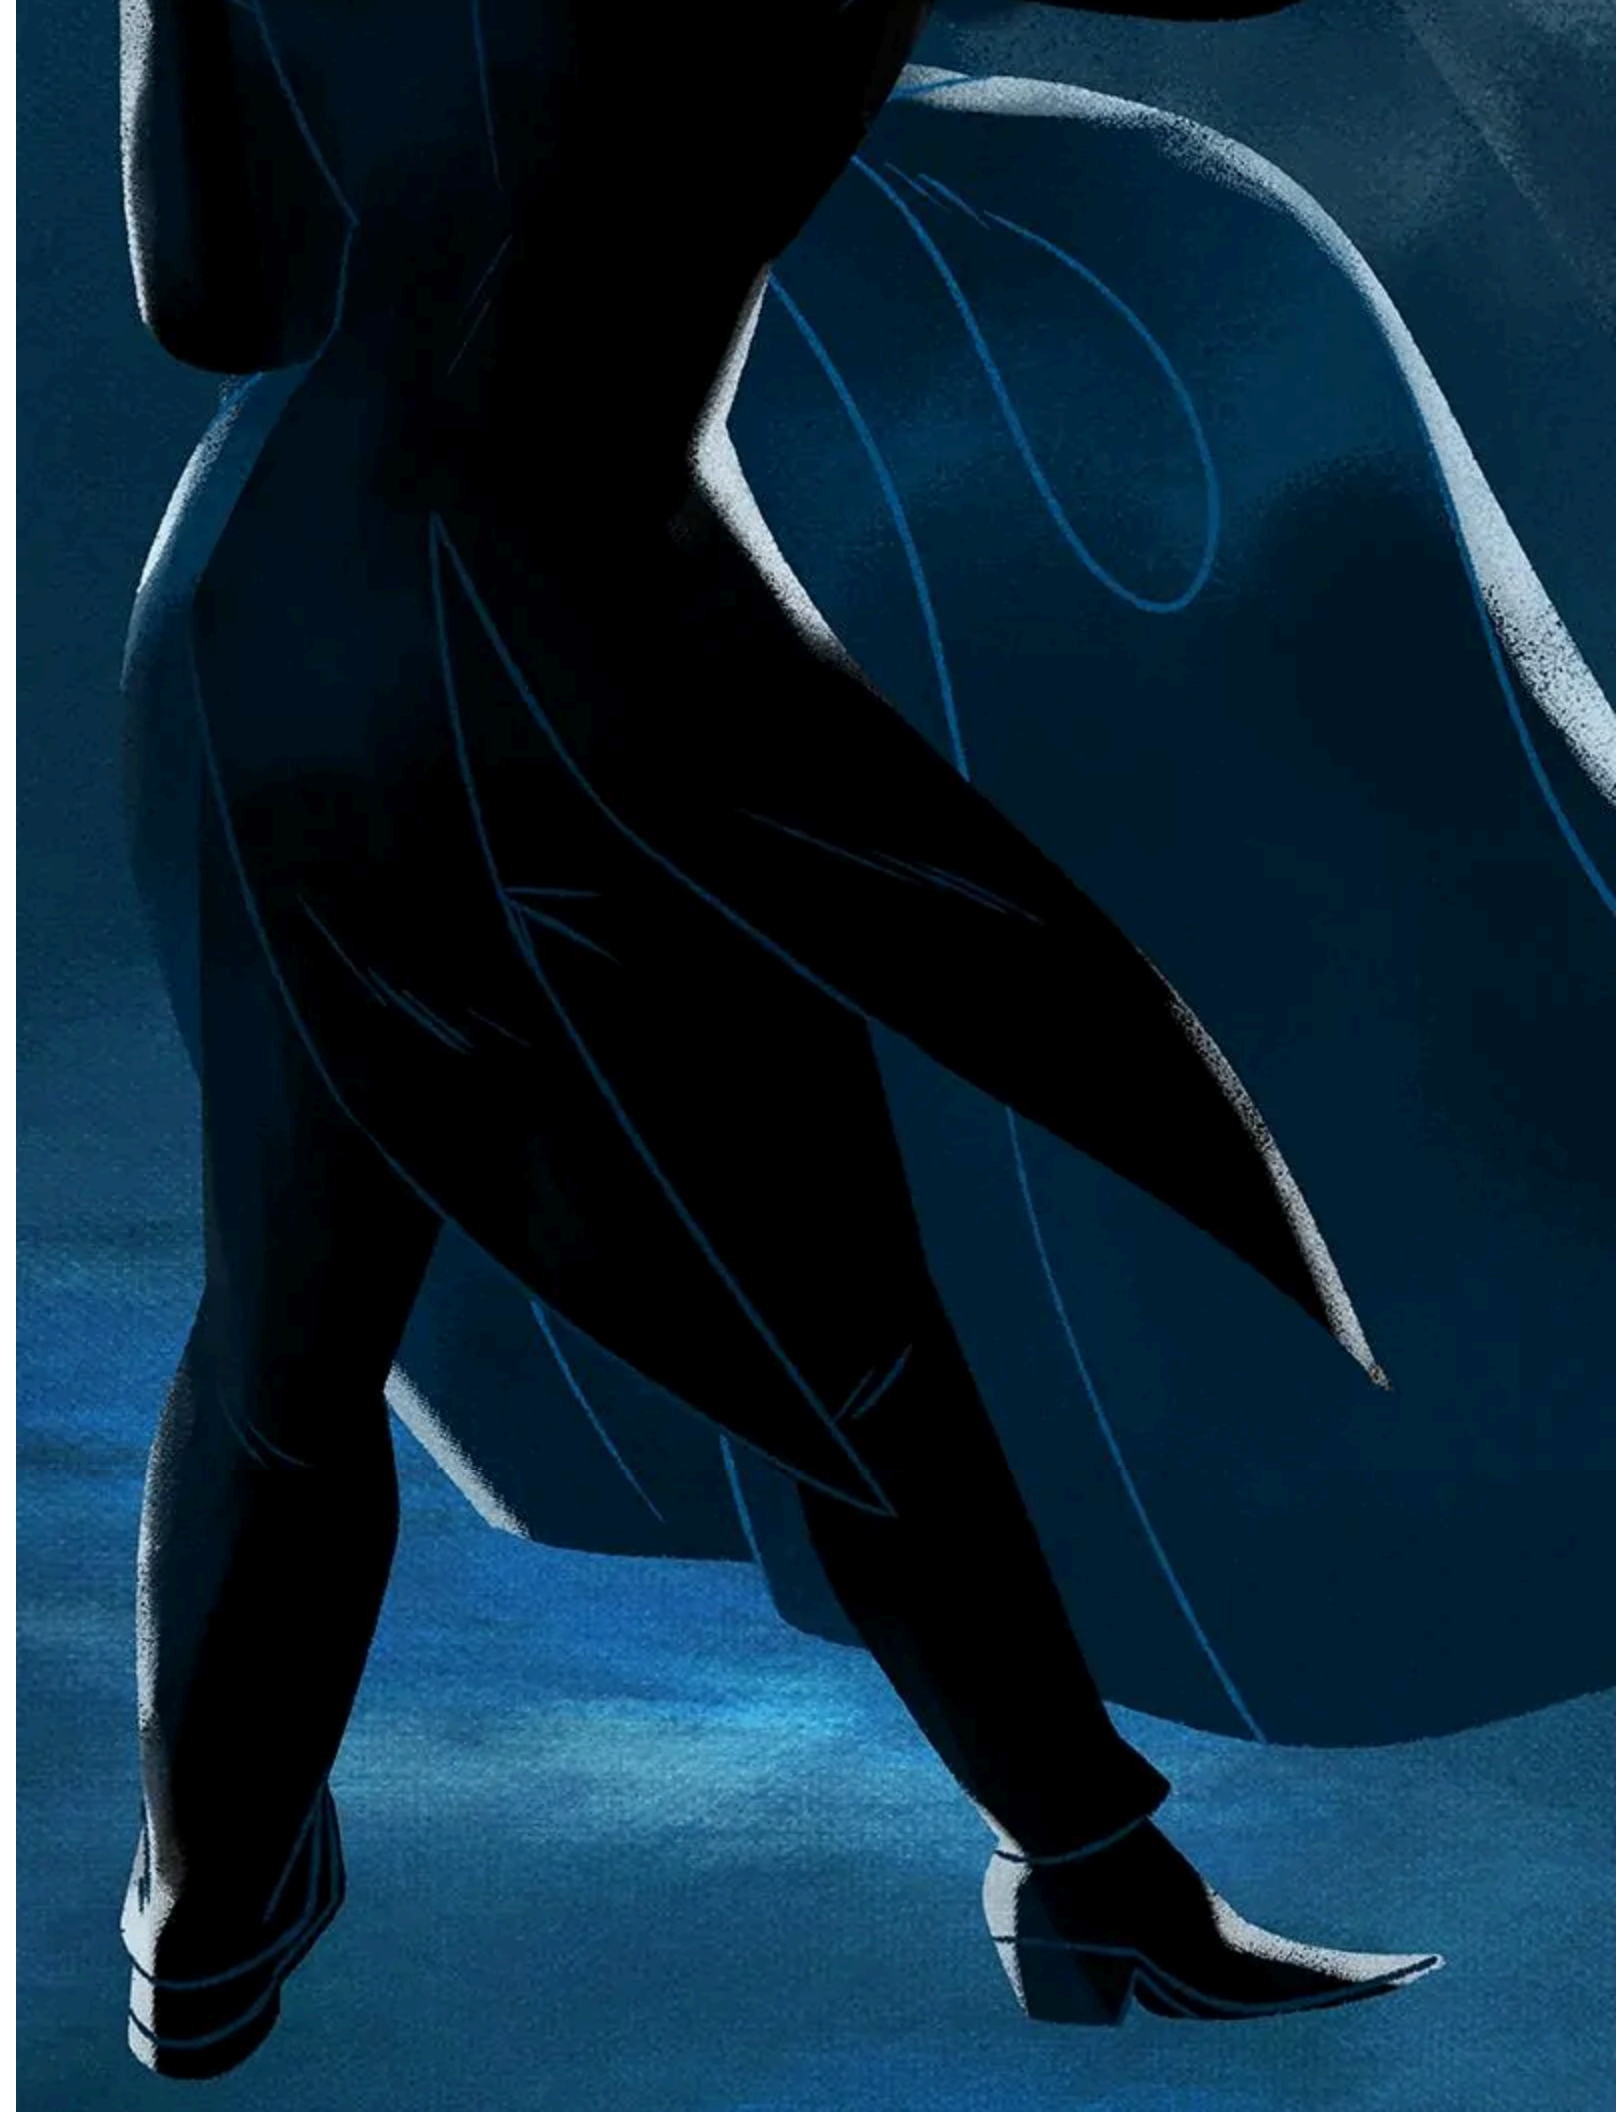

I have the best date, so, I
think this is the best party
I've ever been to.

Hades...

Thank you for making
my life so much bigger
and brighter than I ever
thought it could be.

I don't know if I can take
the credit for that.

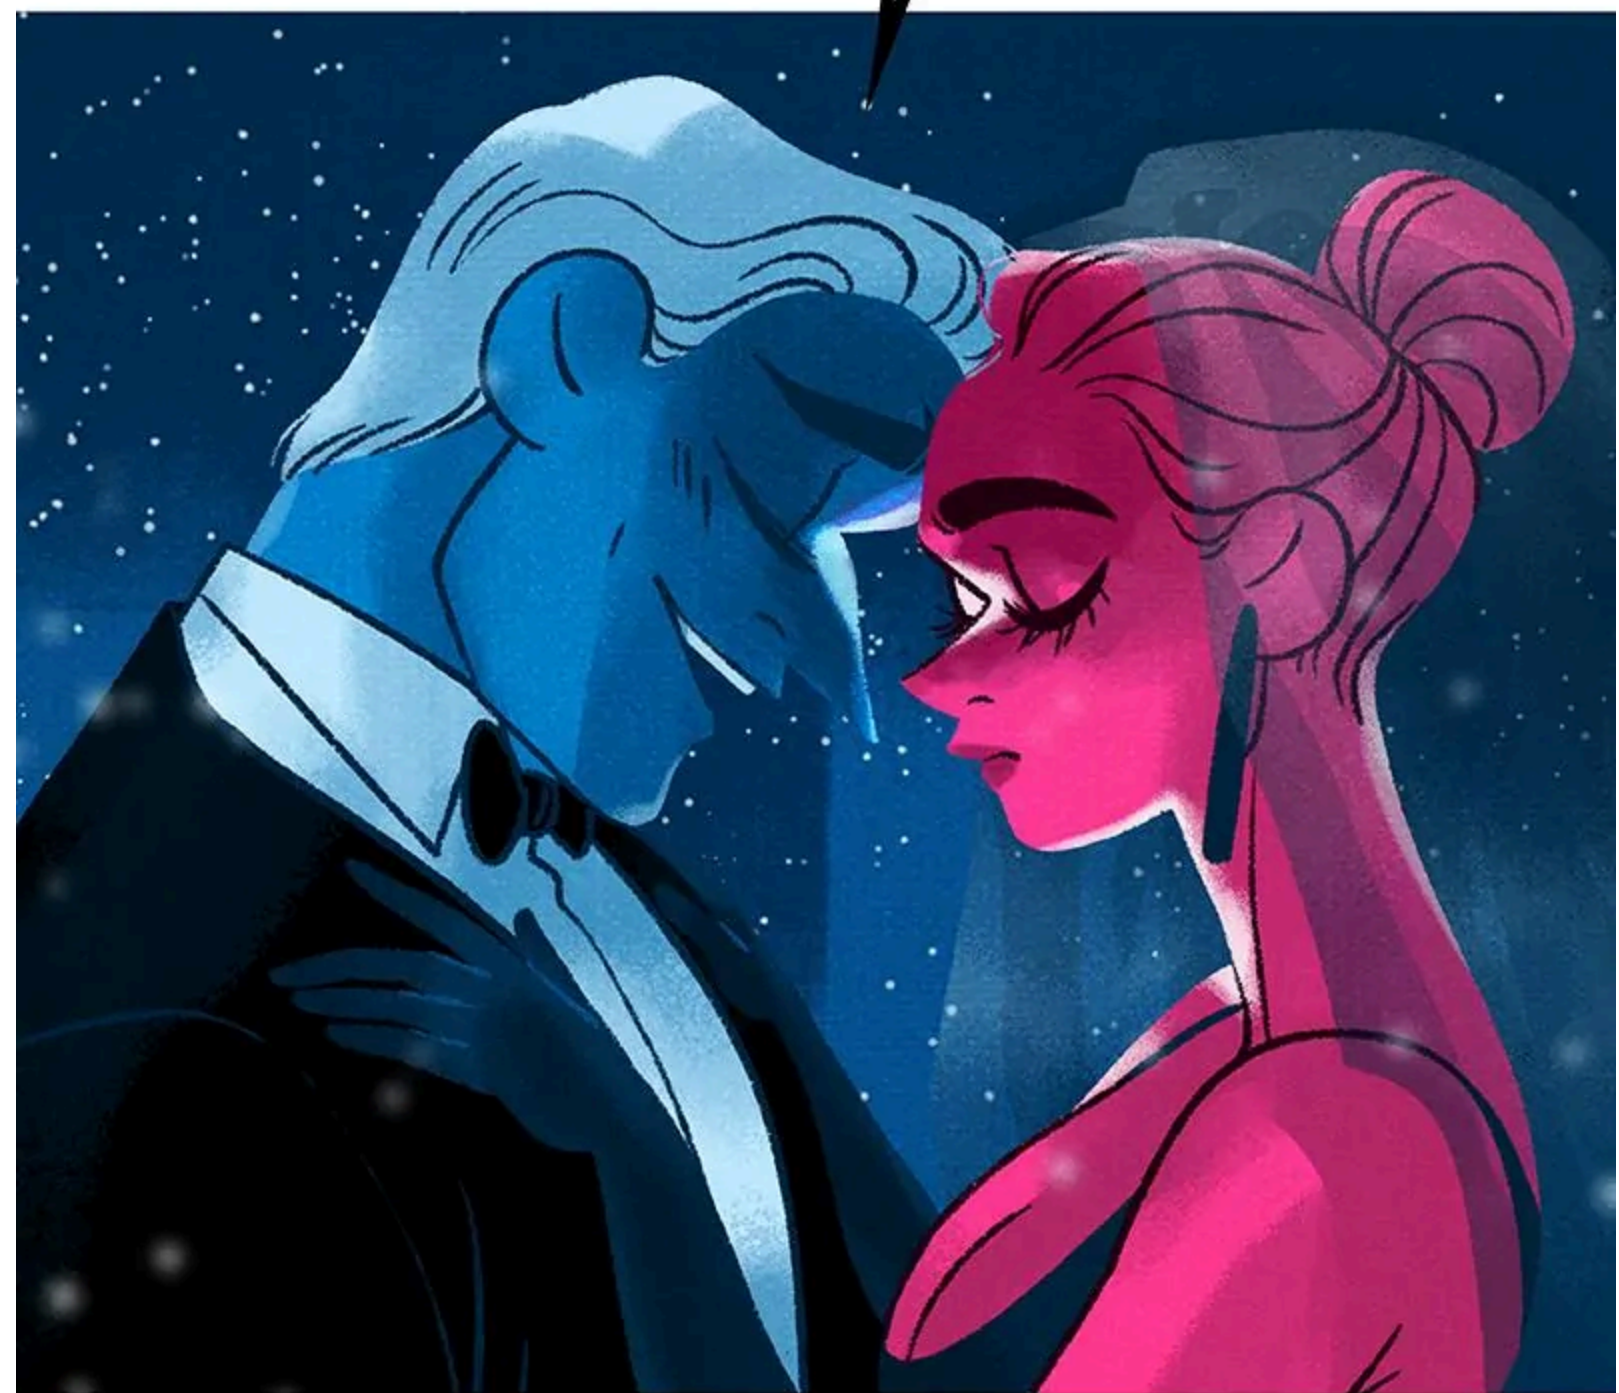

Just say,
“You’re welcome.”

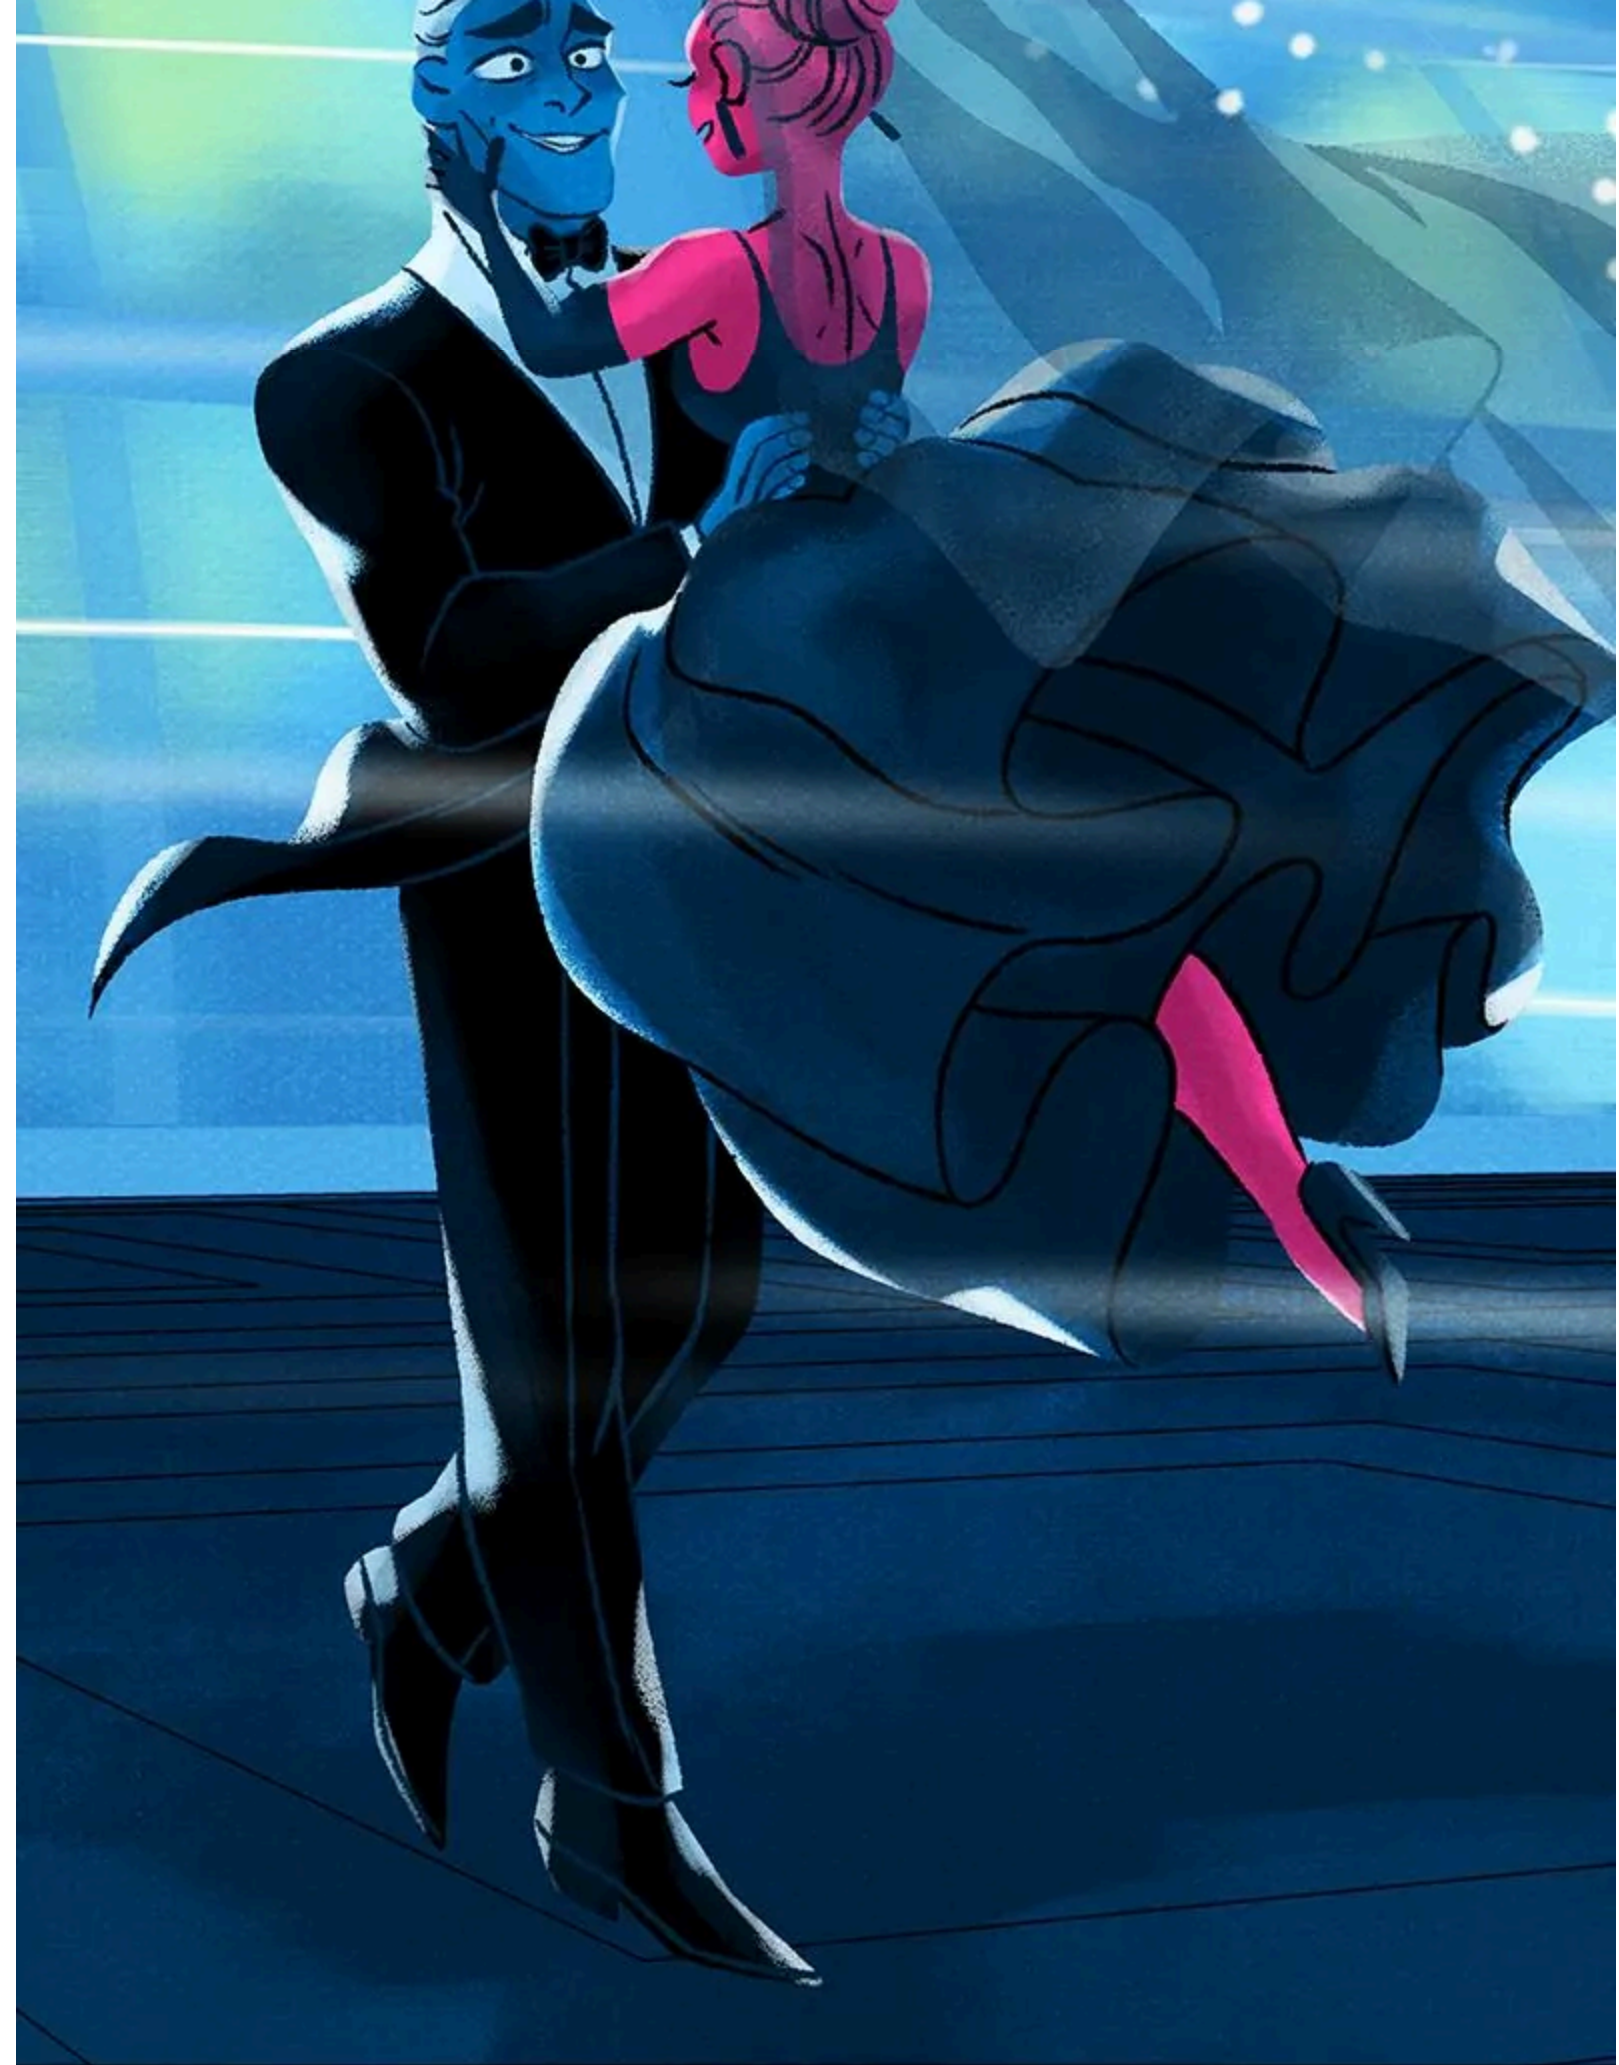

You're welcome.

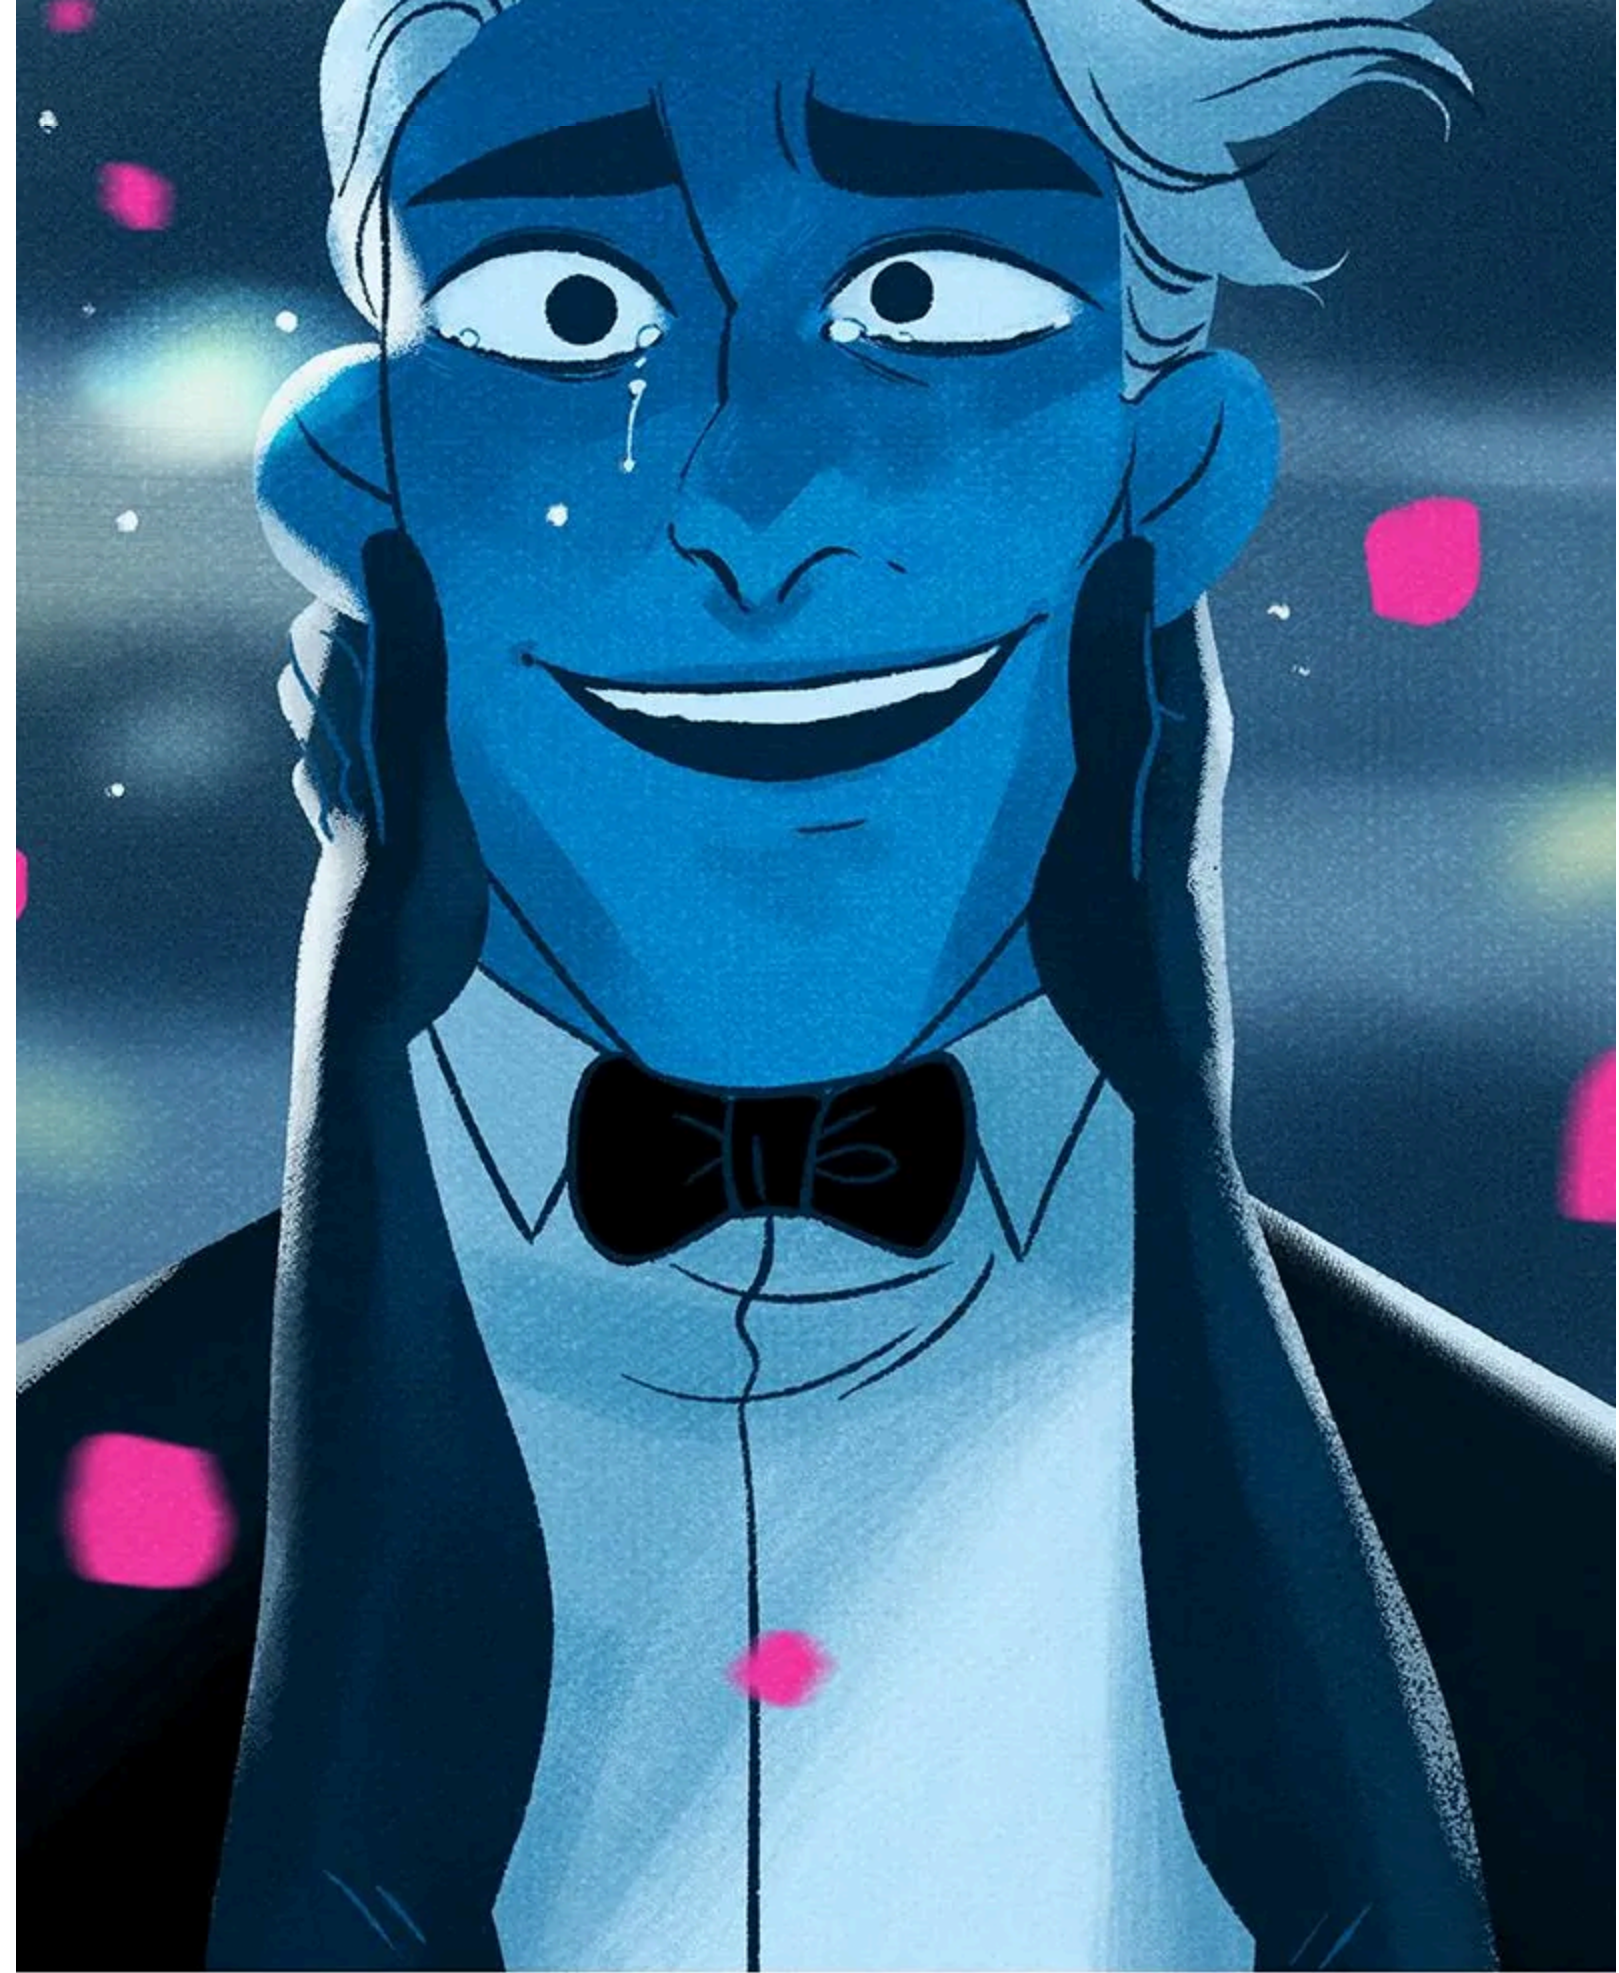

I could've never
imagined my life
looking like this, and
I'll always be so
grateful to you.

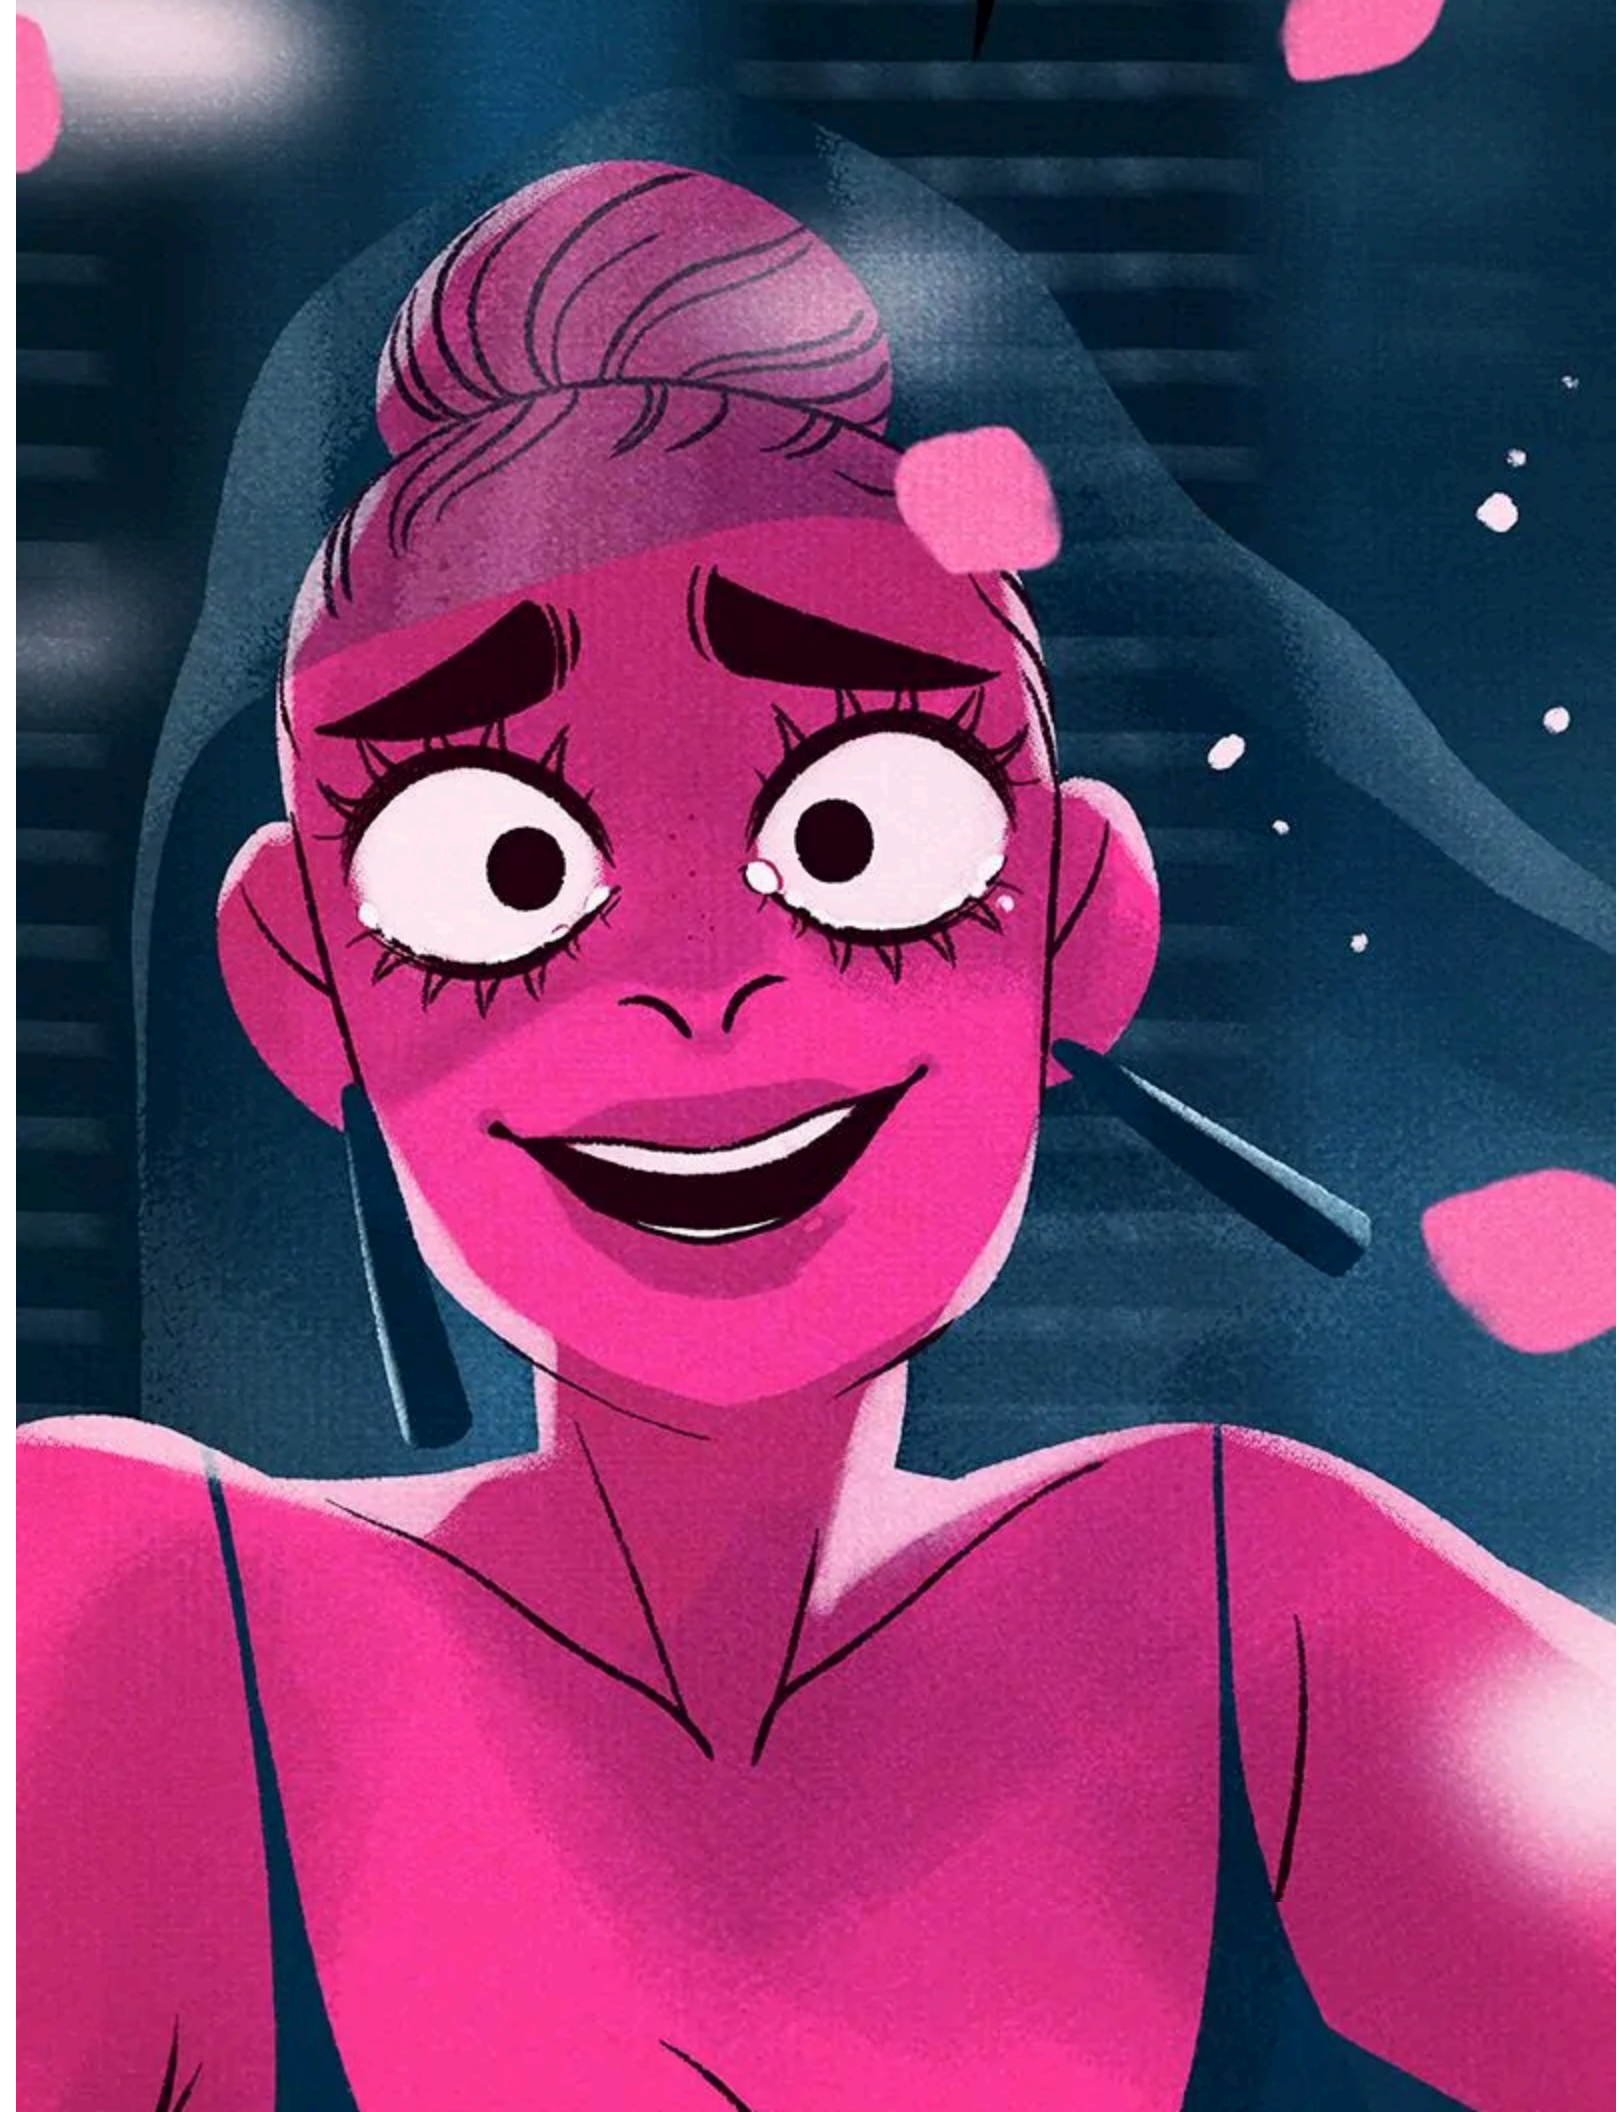

I LOVE YOU,
PERSEPHONE,
GODDESS OF
SPRING!

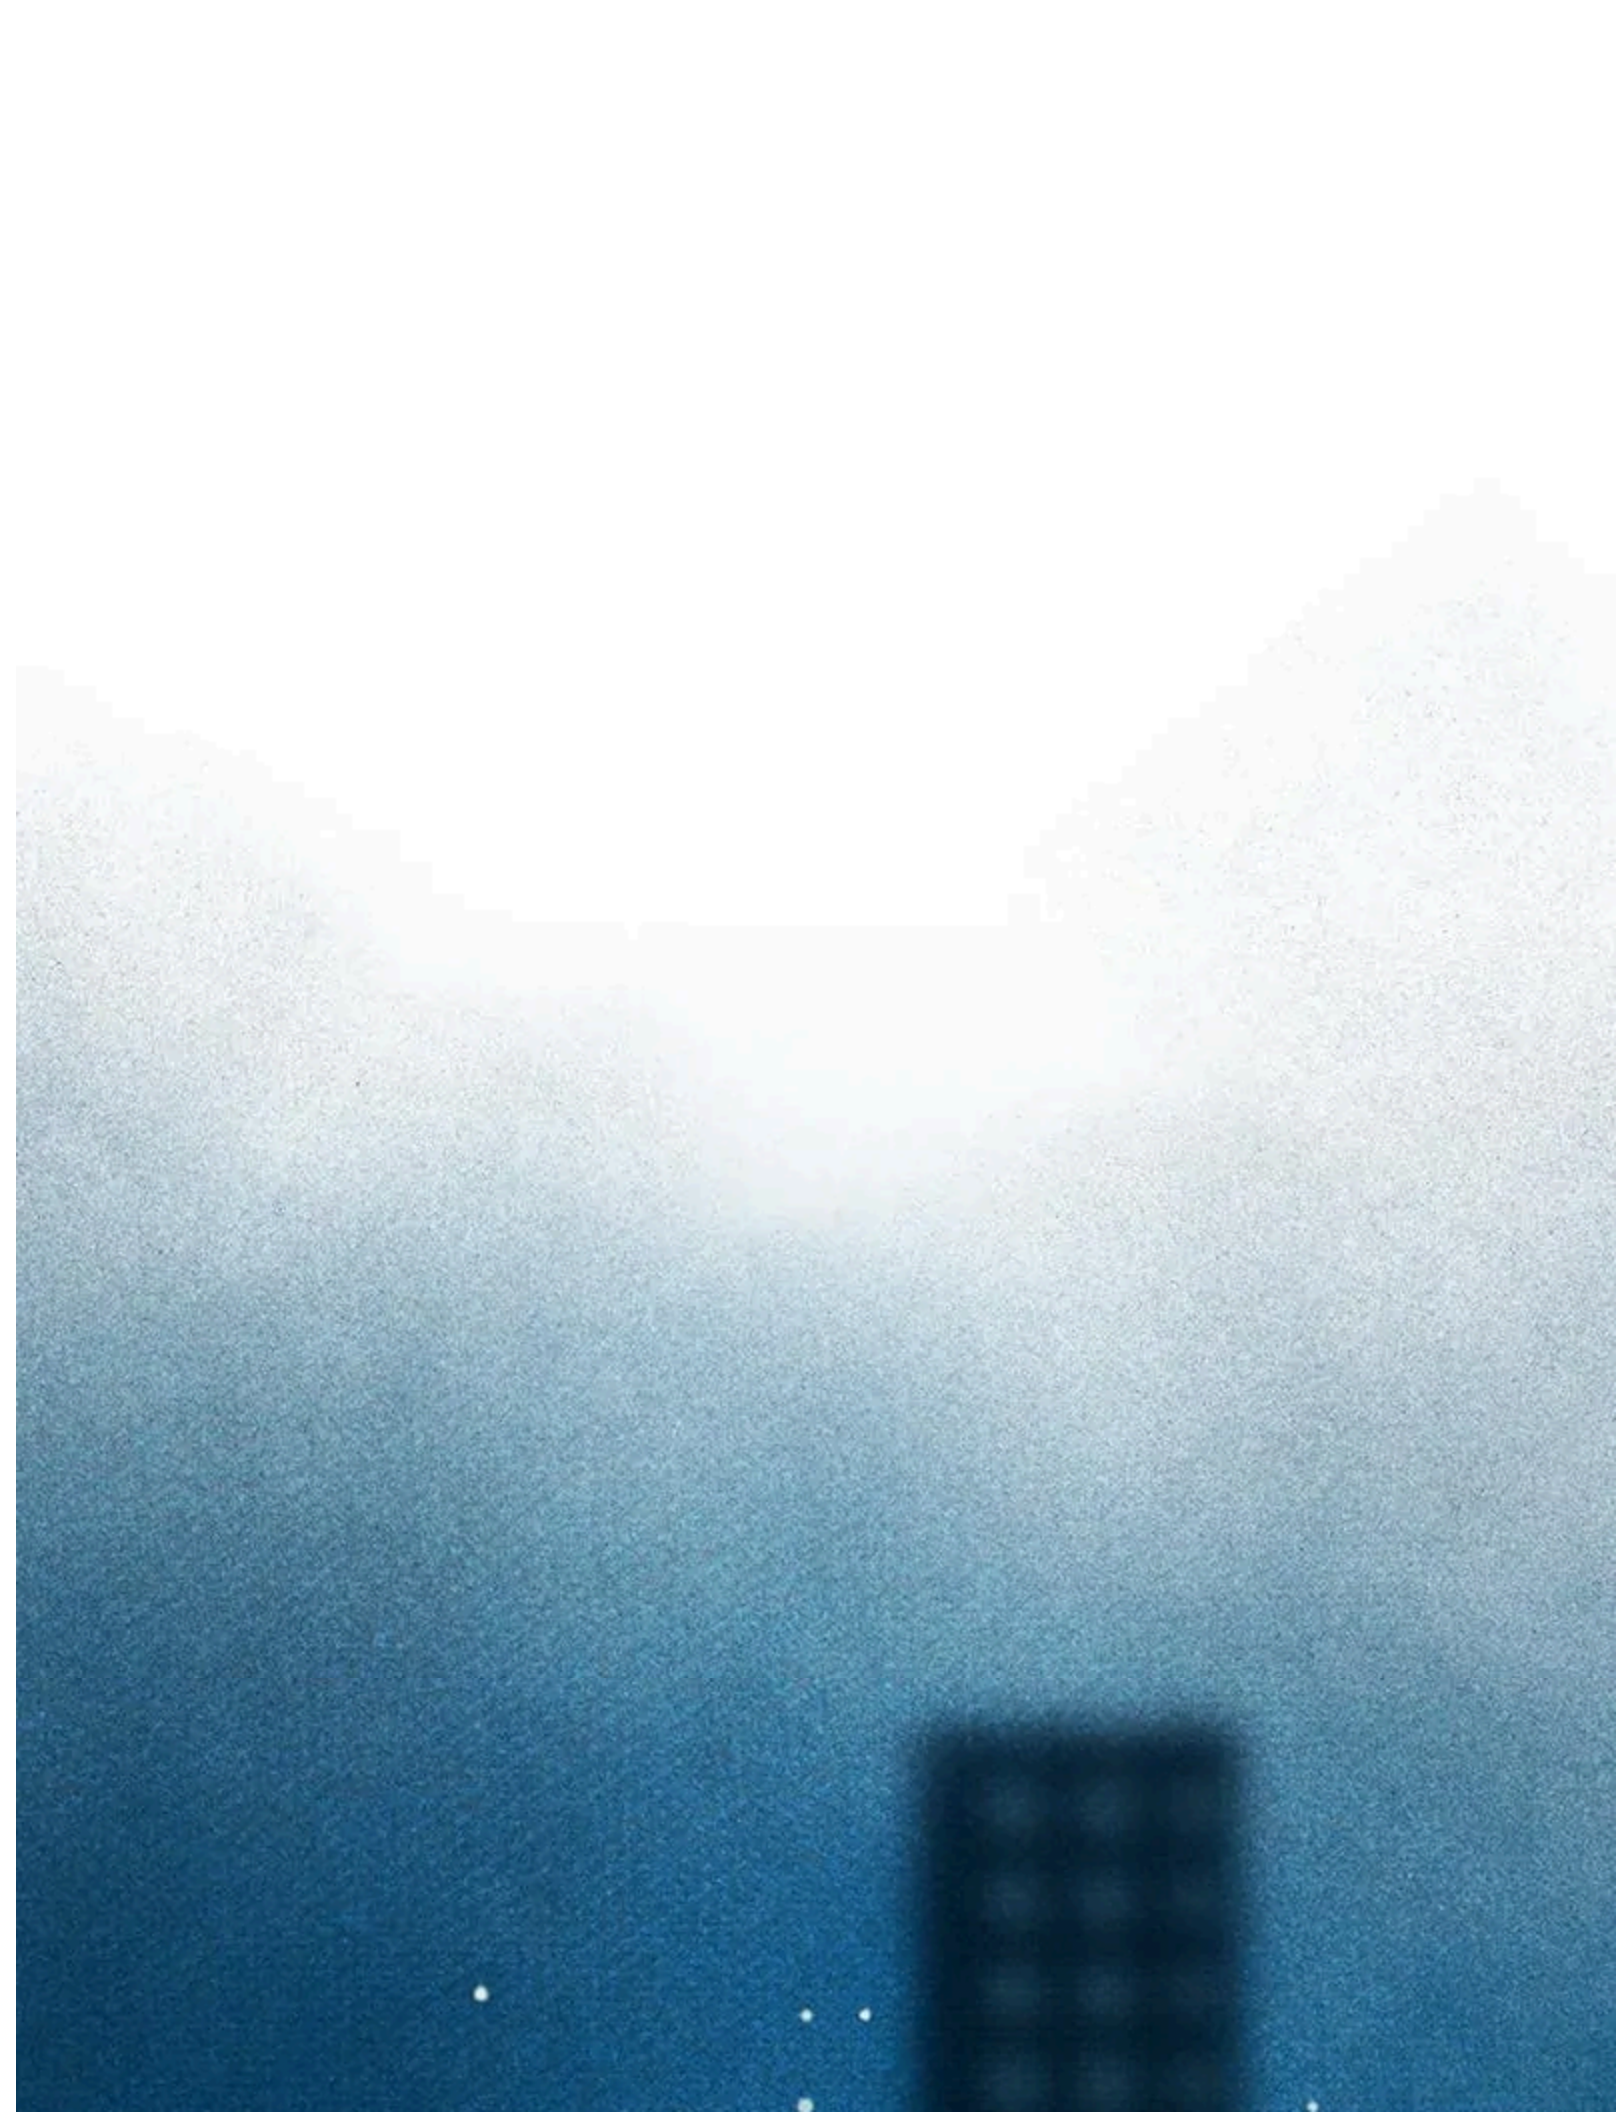

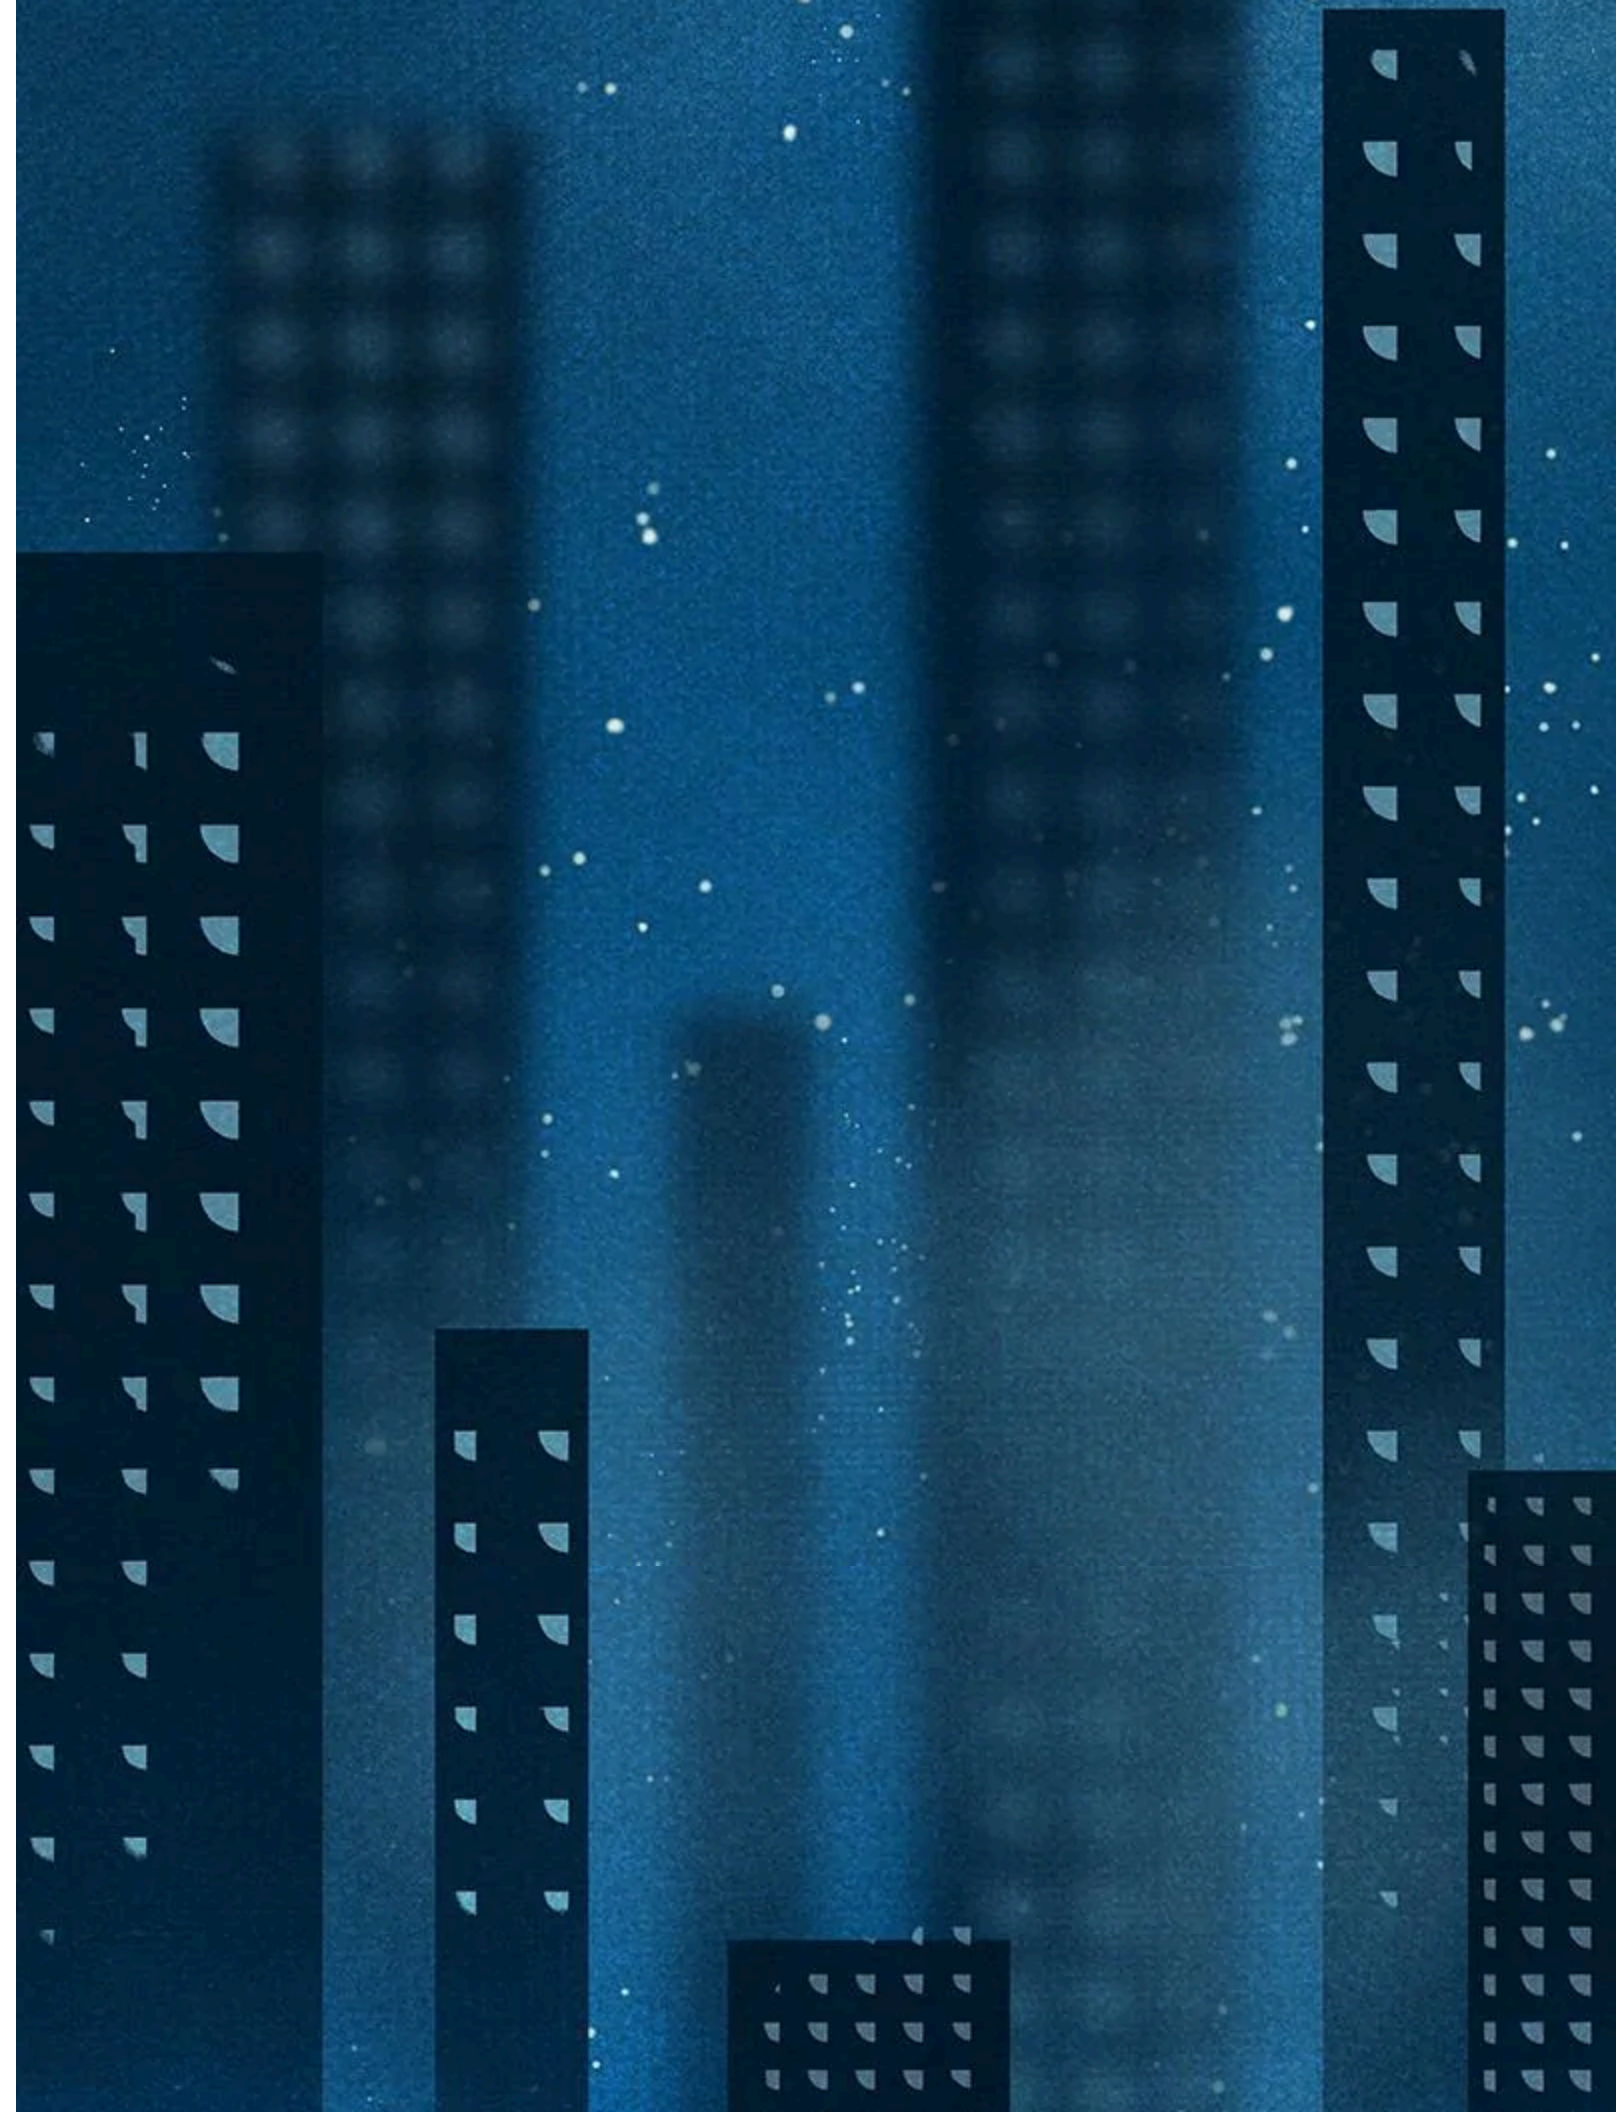

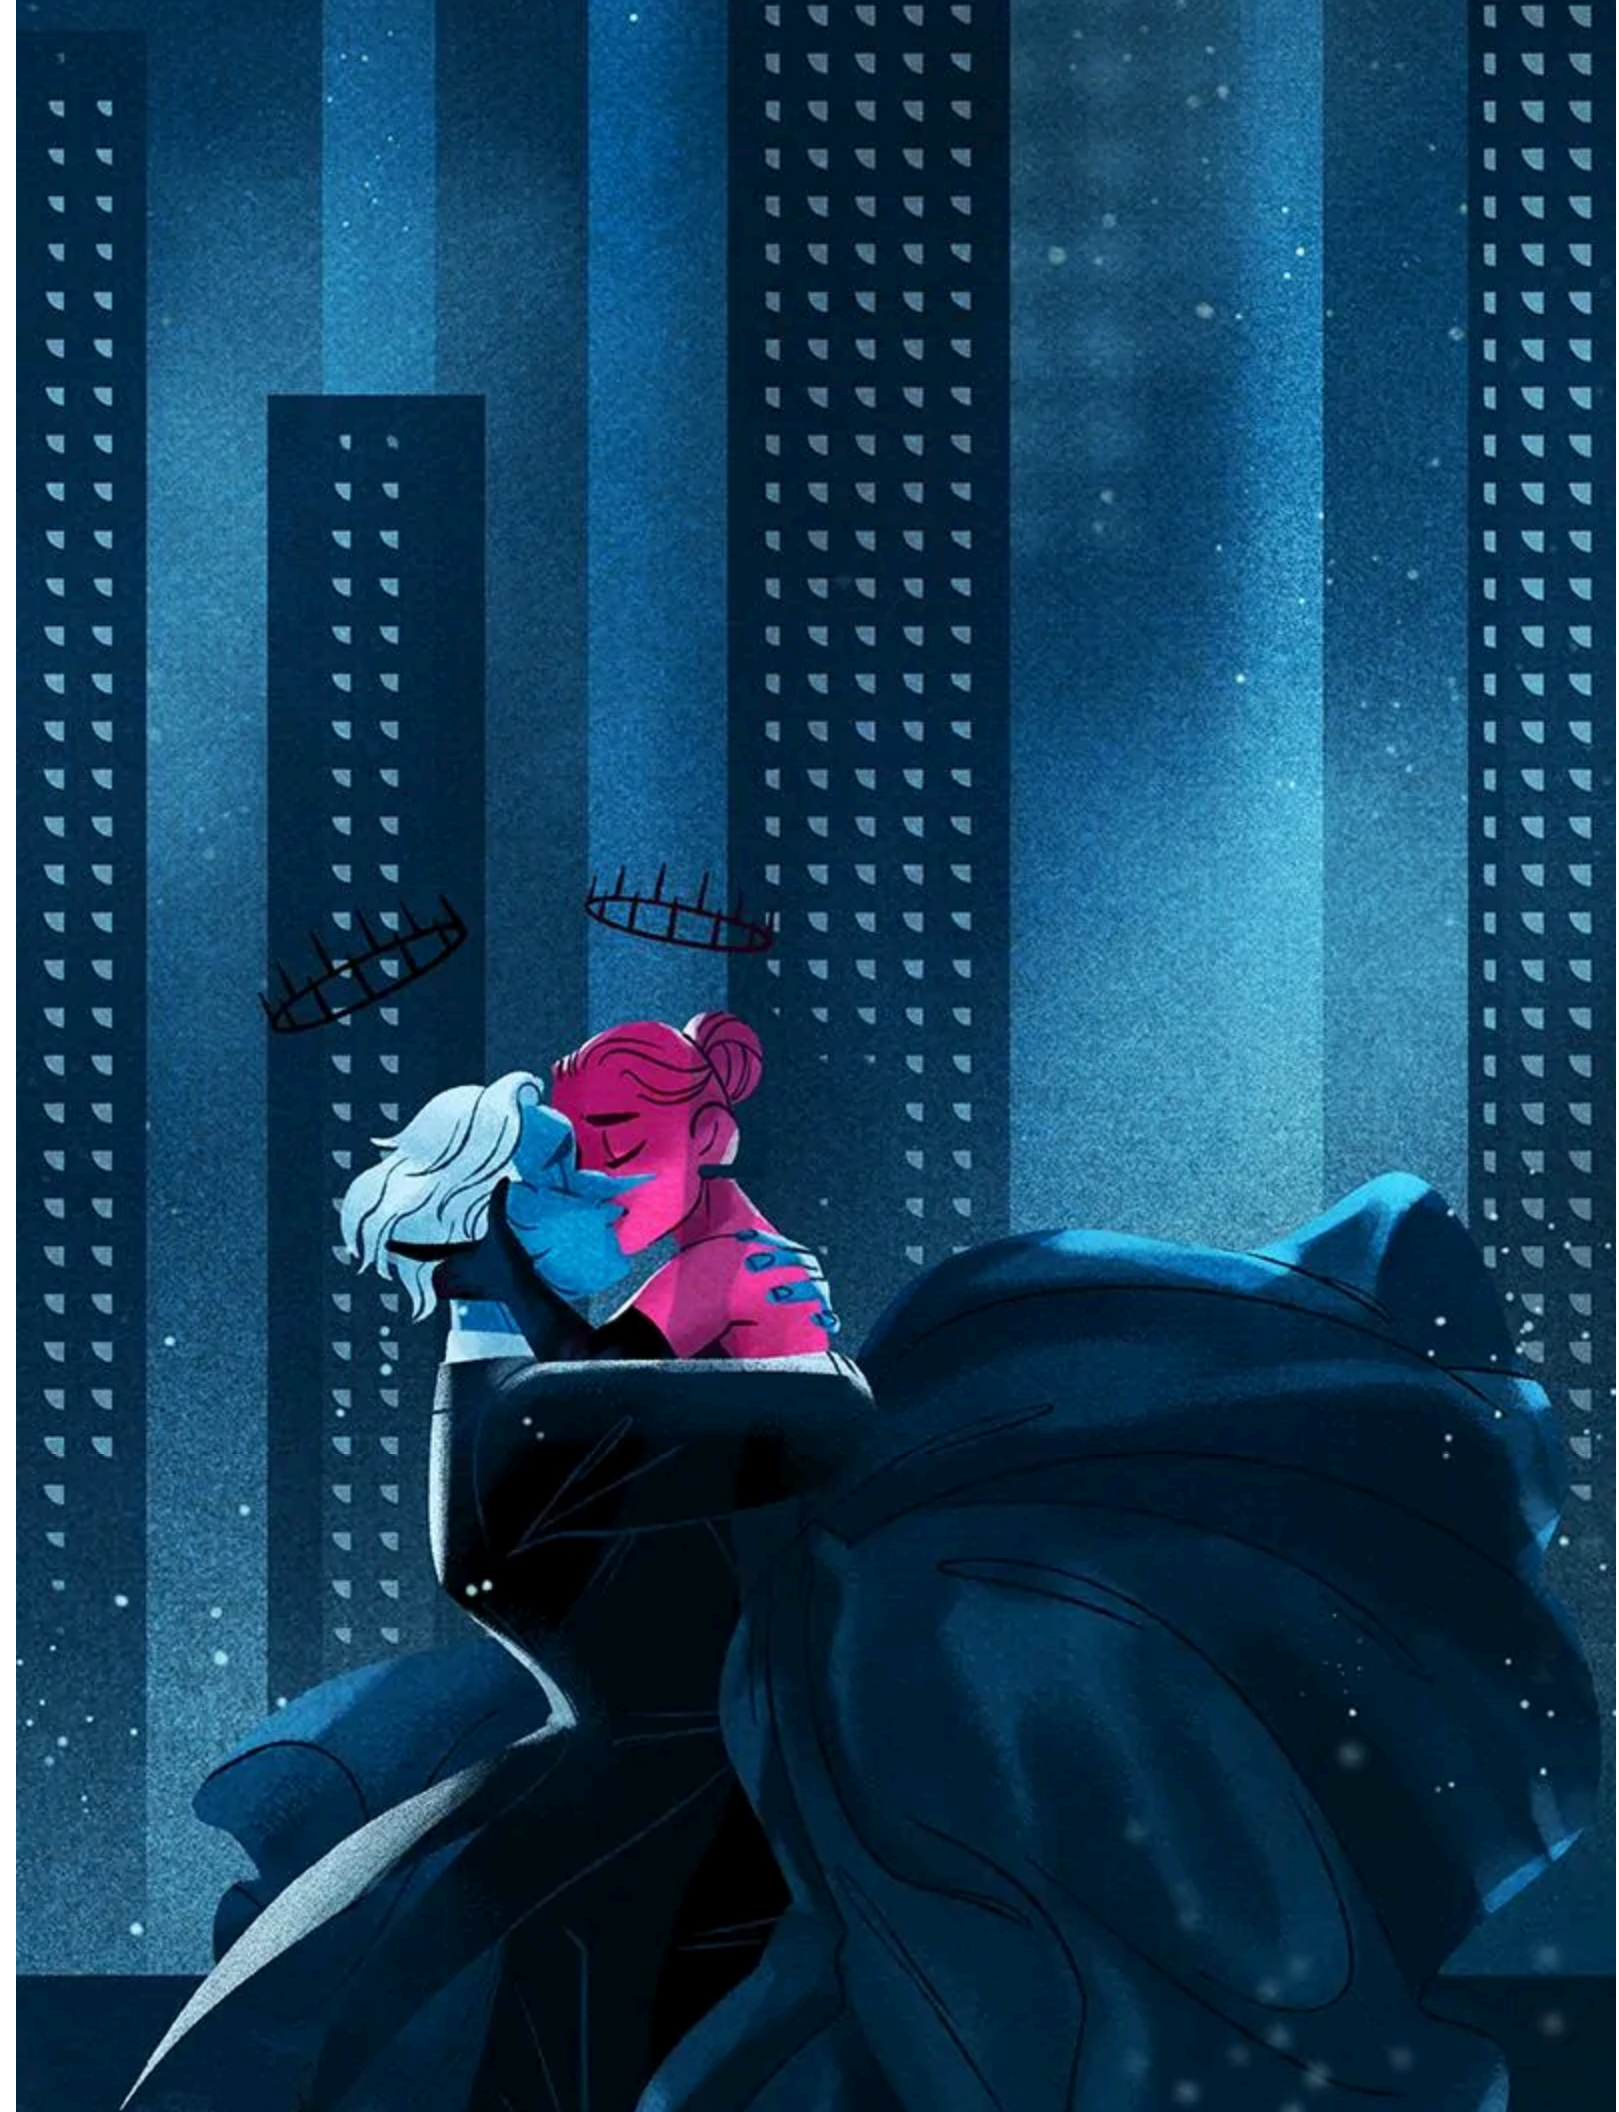

AND I LOVE YOU,
HADES, GOD OF
THE DEAD!

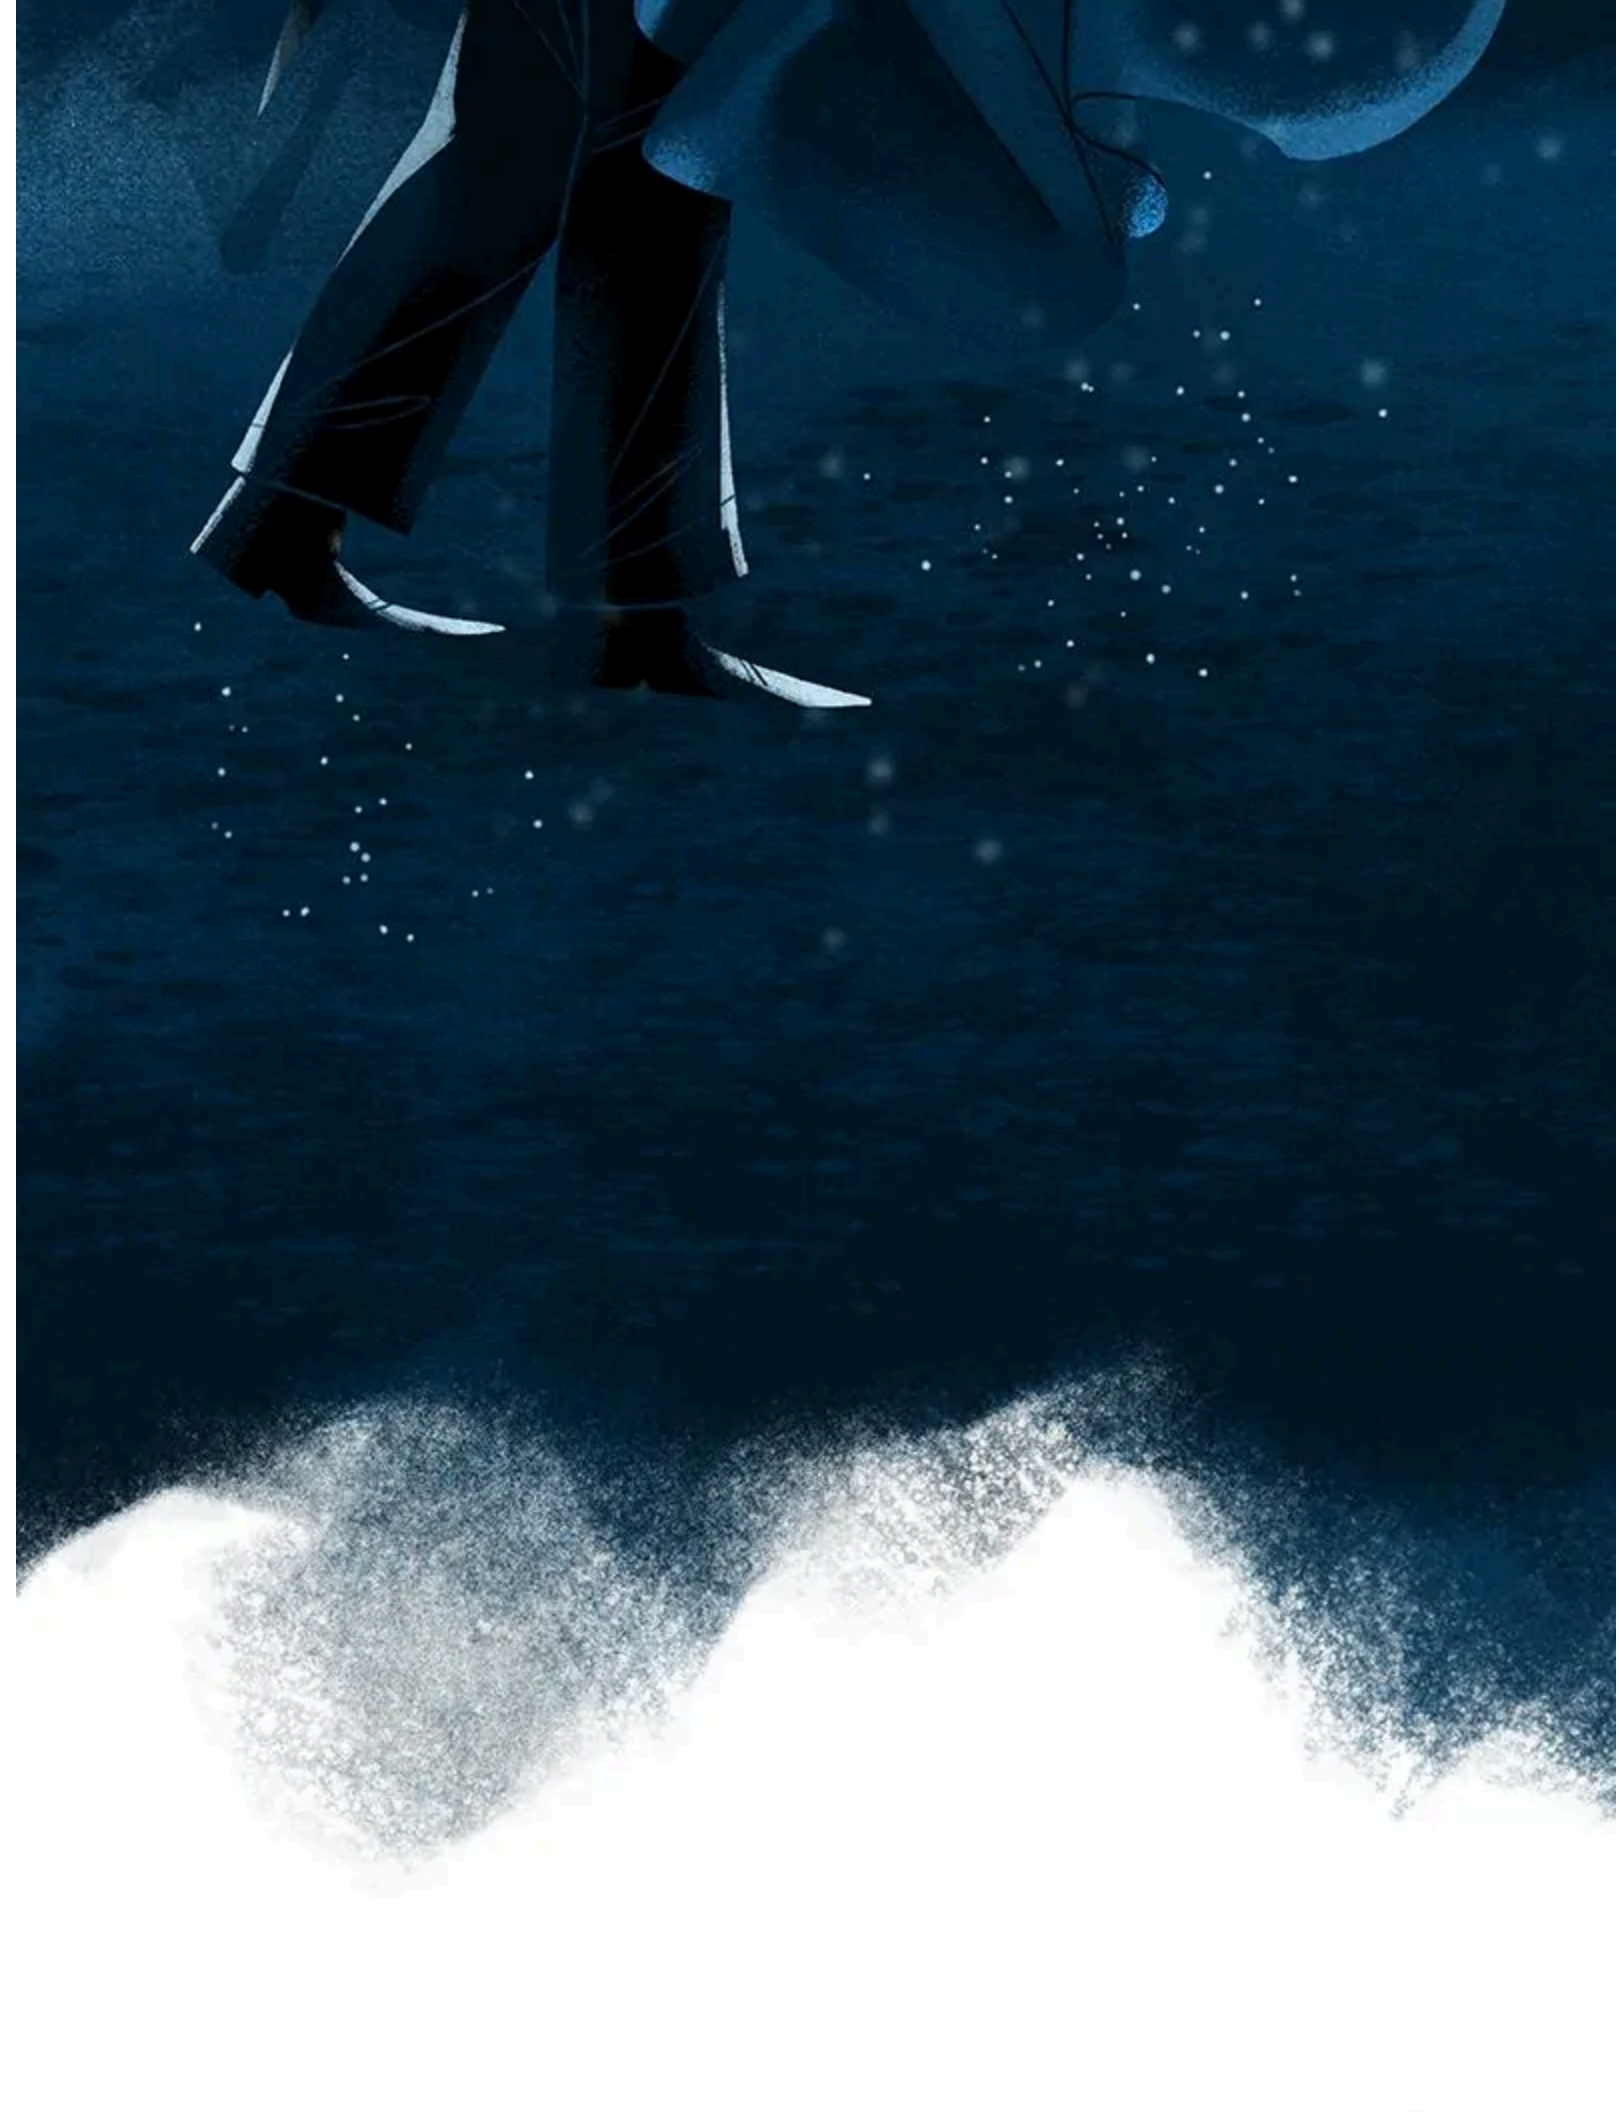

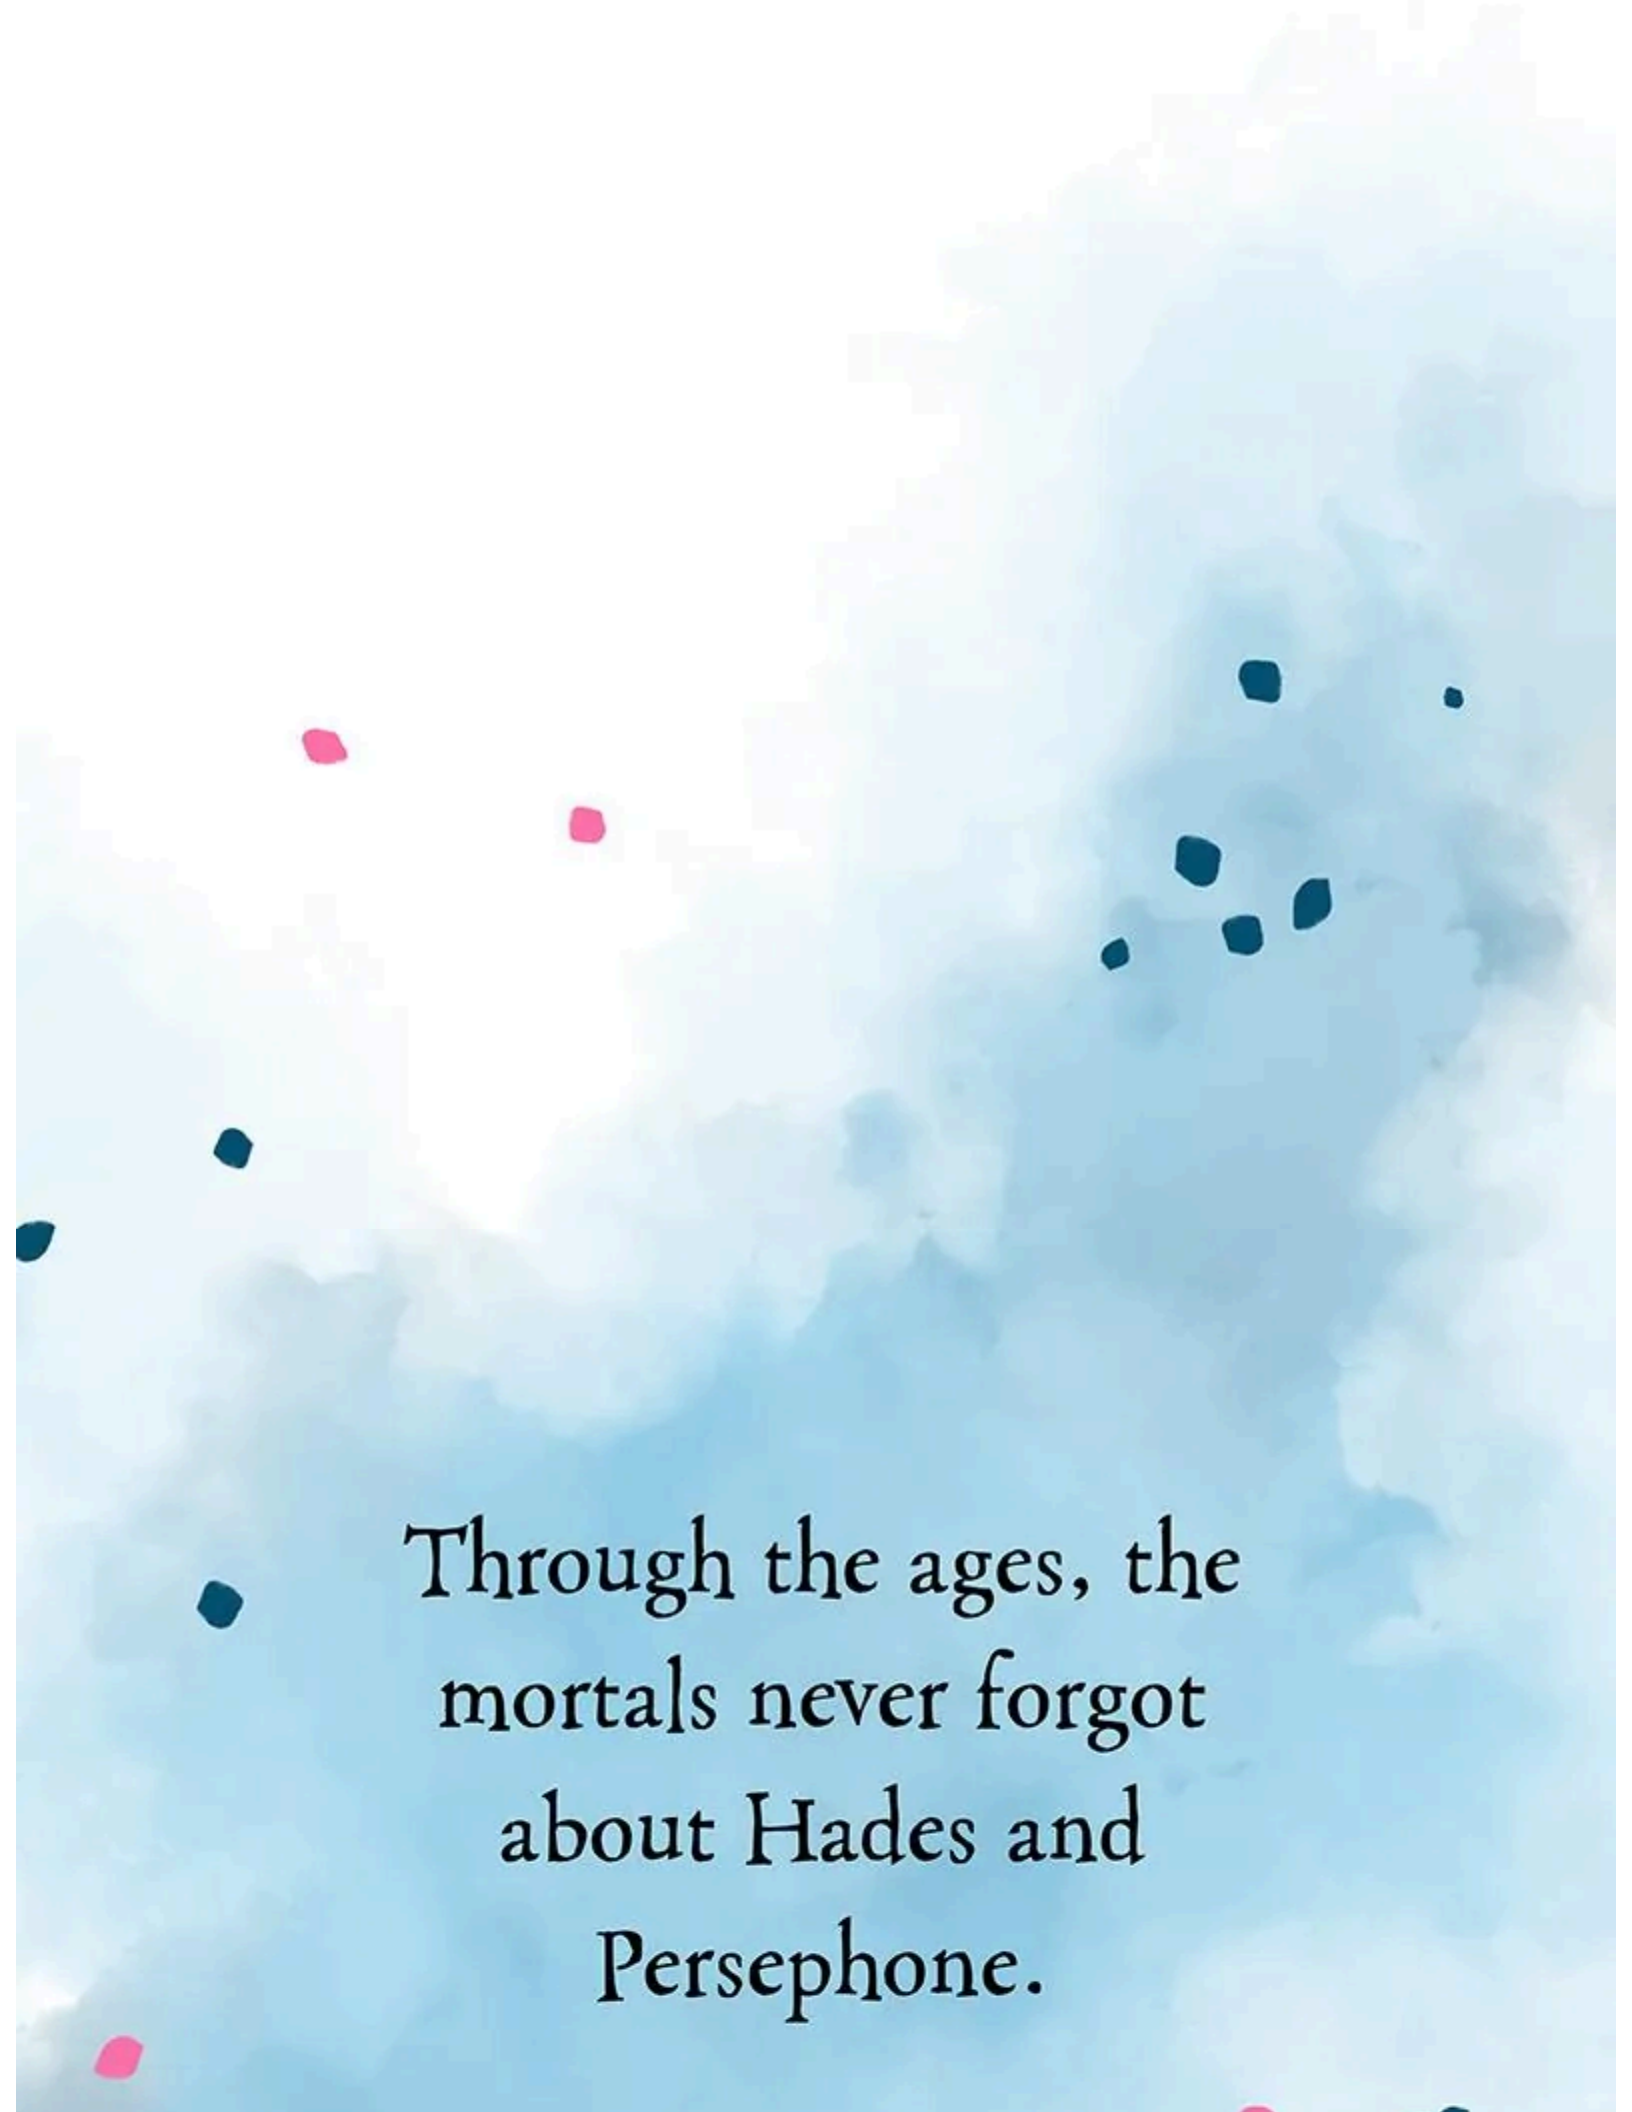

Through the ages, the
mortals never forgot
about Hades and
Persephone.

And thus, they remain
forever in love.

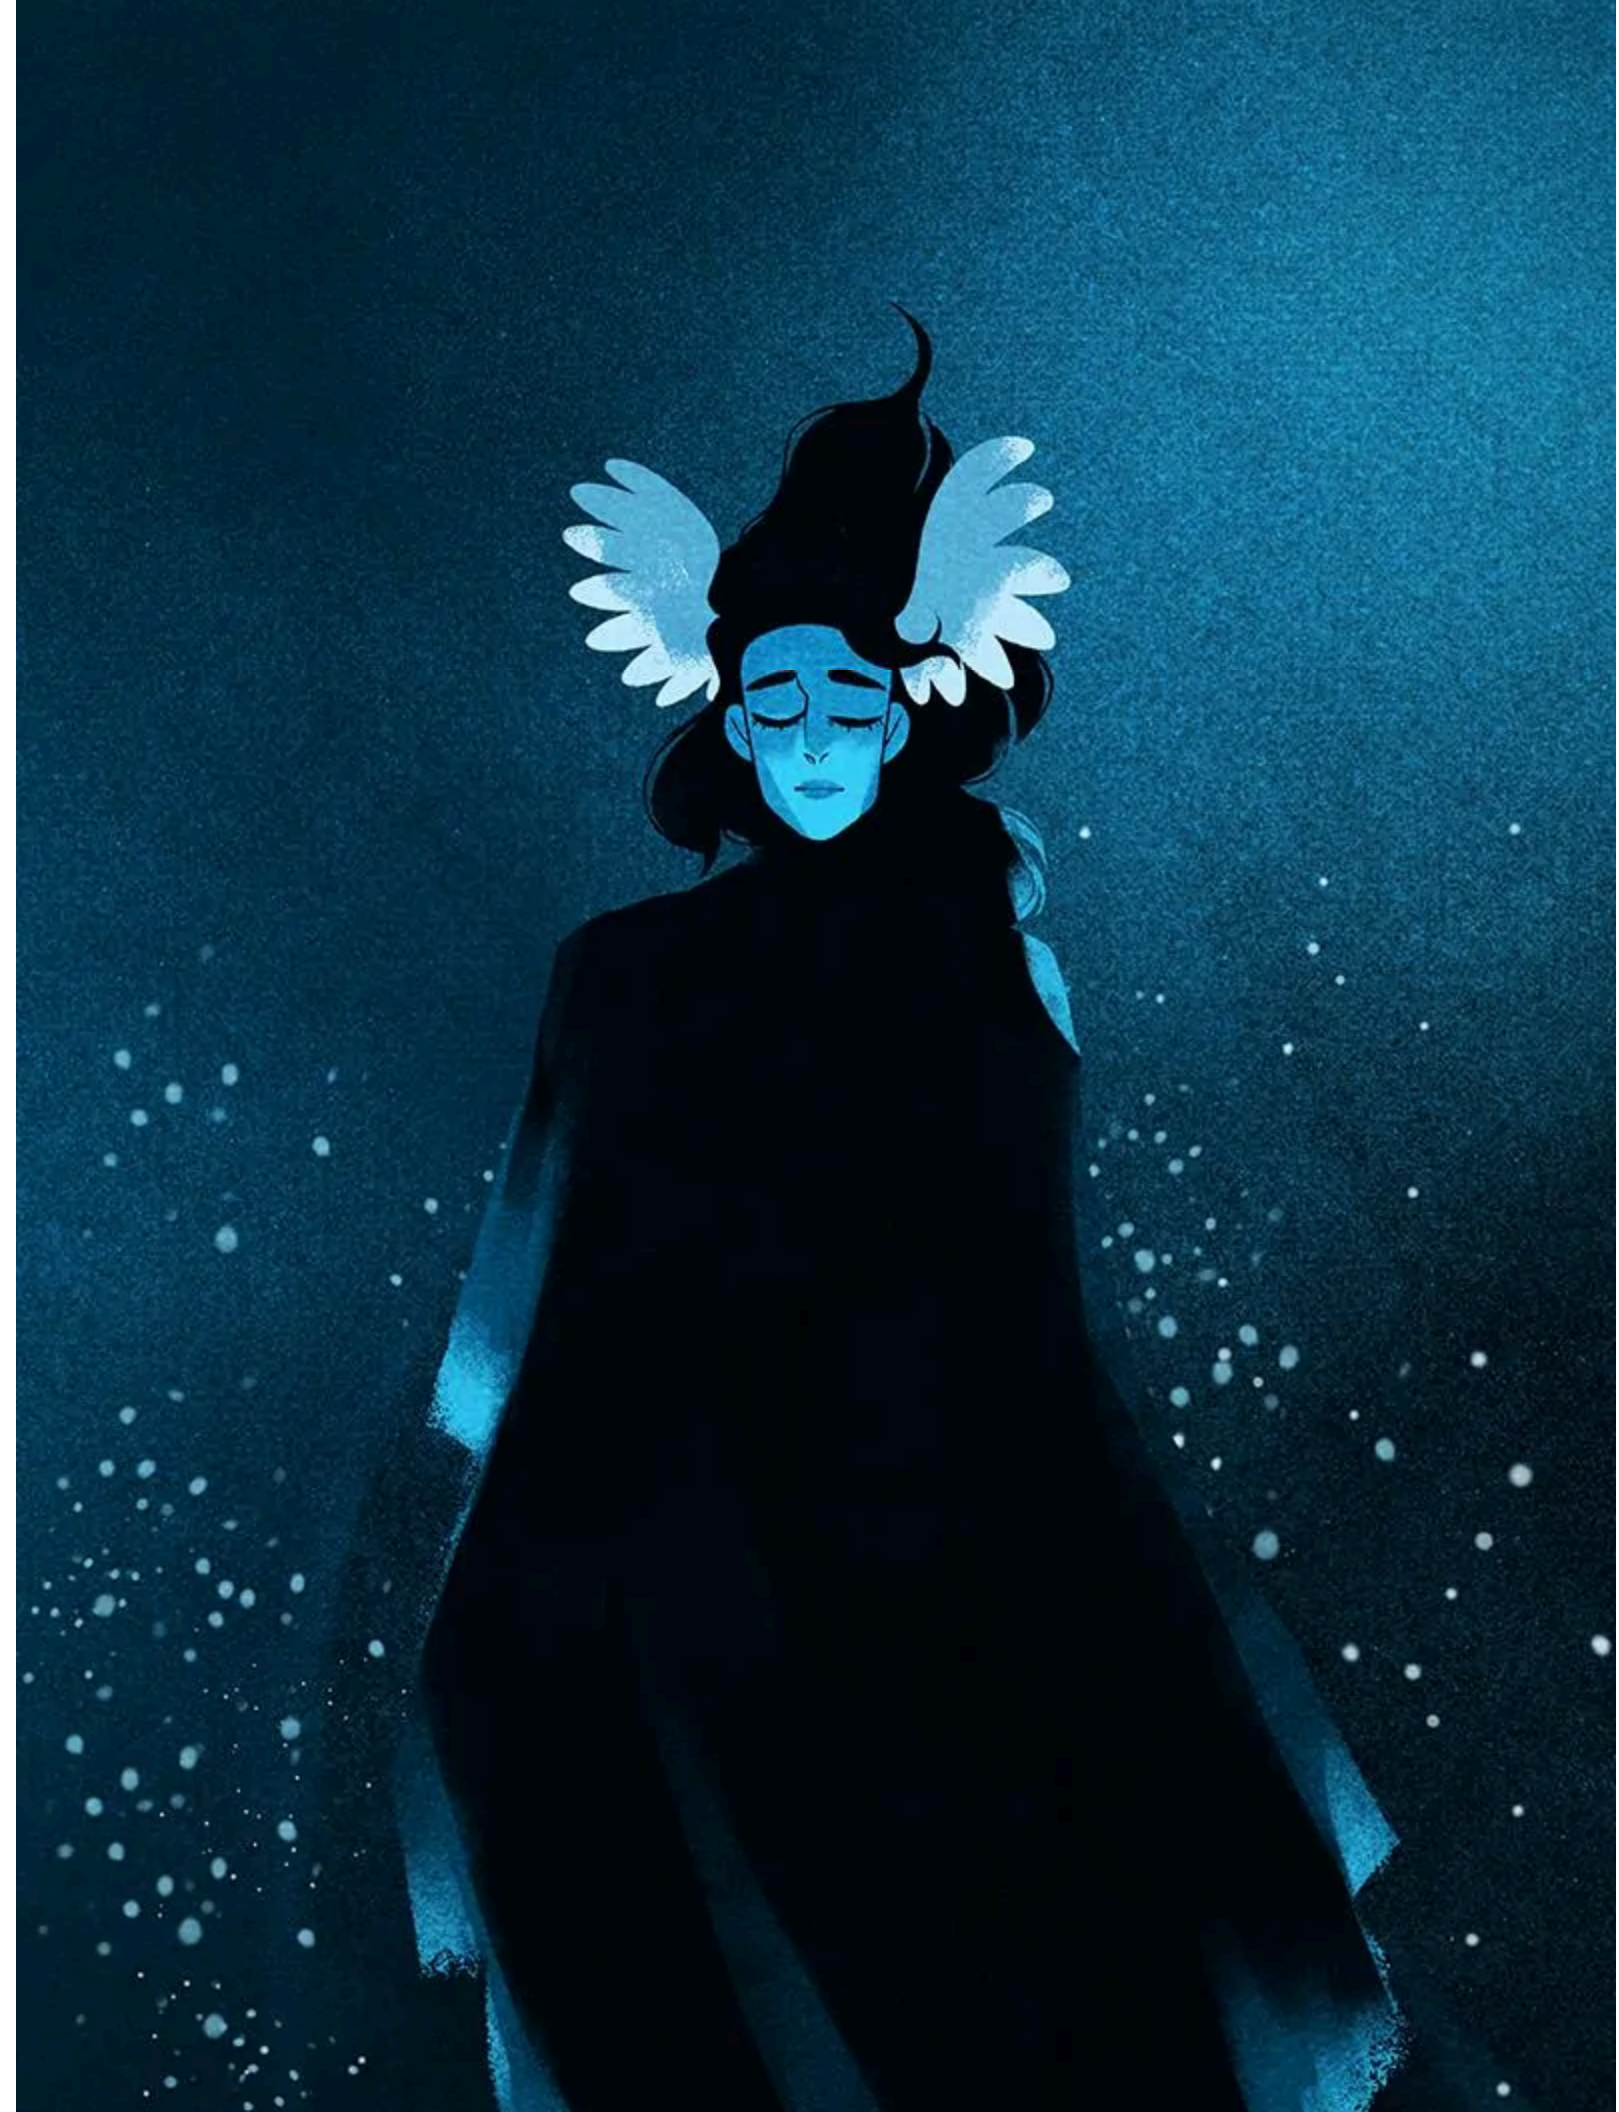

The end.

Many, many years later.

When the time comes, can

you make sure my daughter
doesn't remember any
of this?

Make her think it was
a dream if you can.

Melinoe.

Melrose...

Hi Sweetie,
it's time.

Yaya?

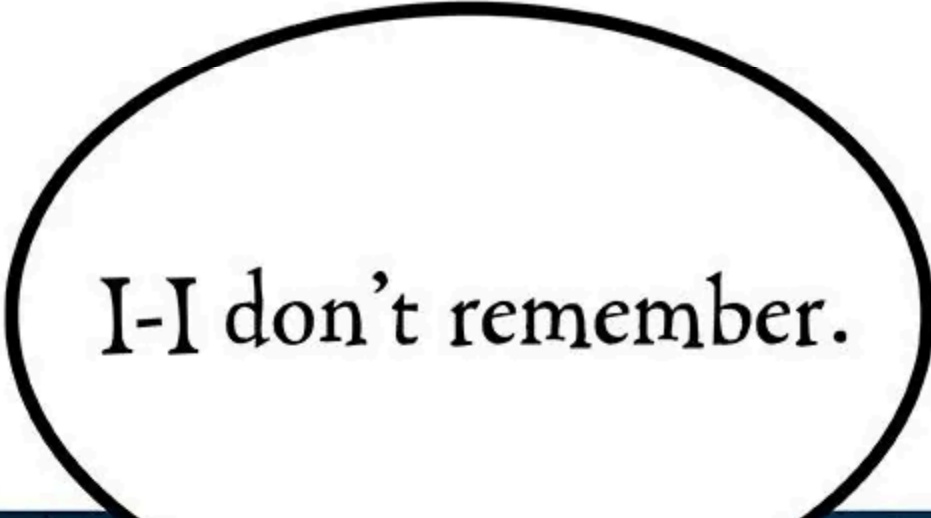

I had a really weird
dream.

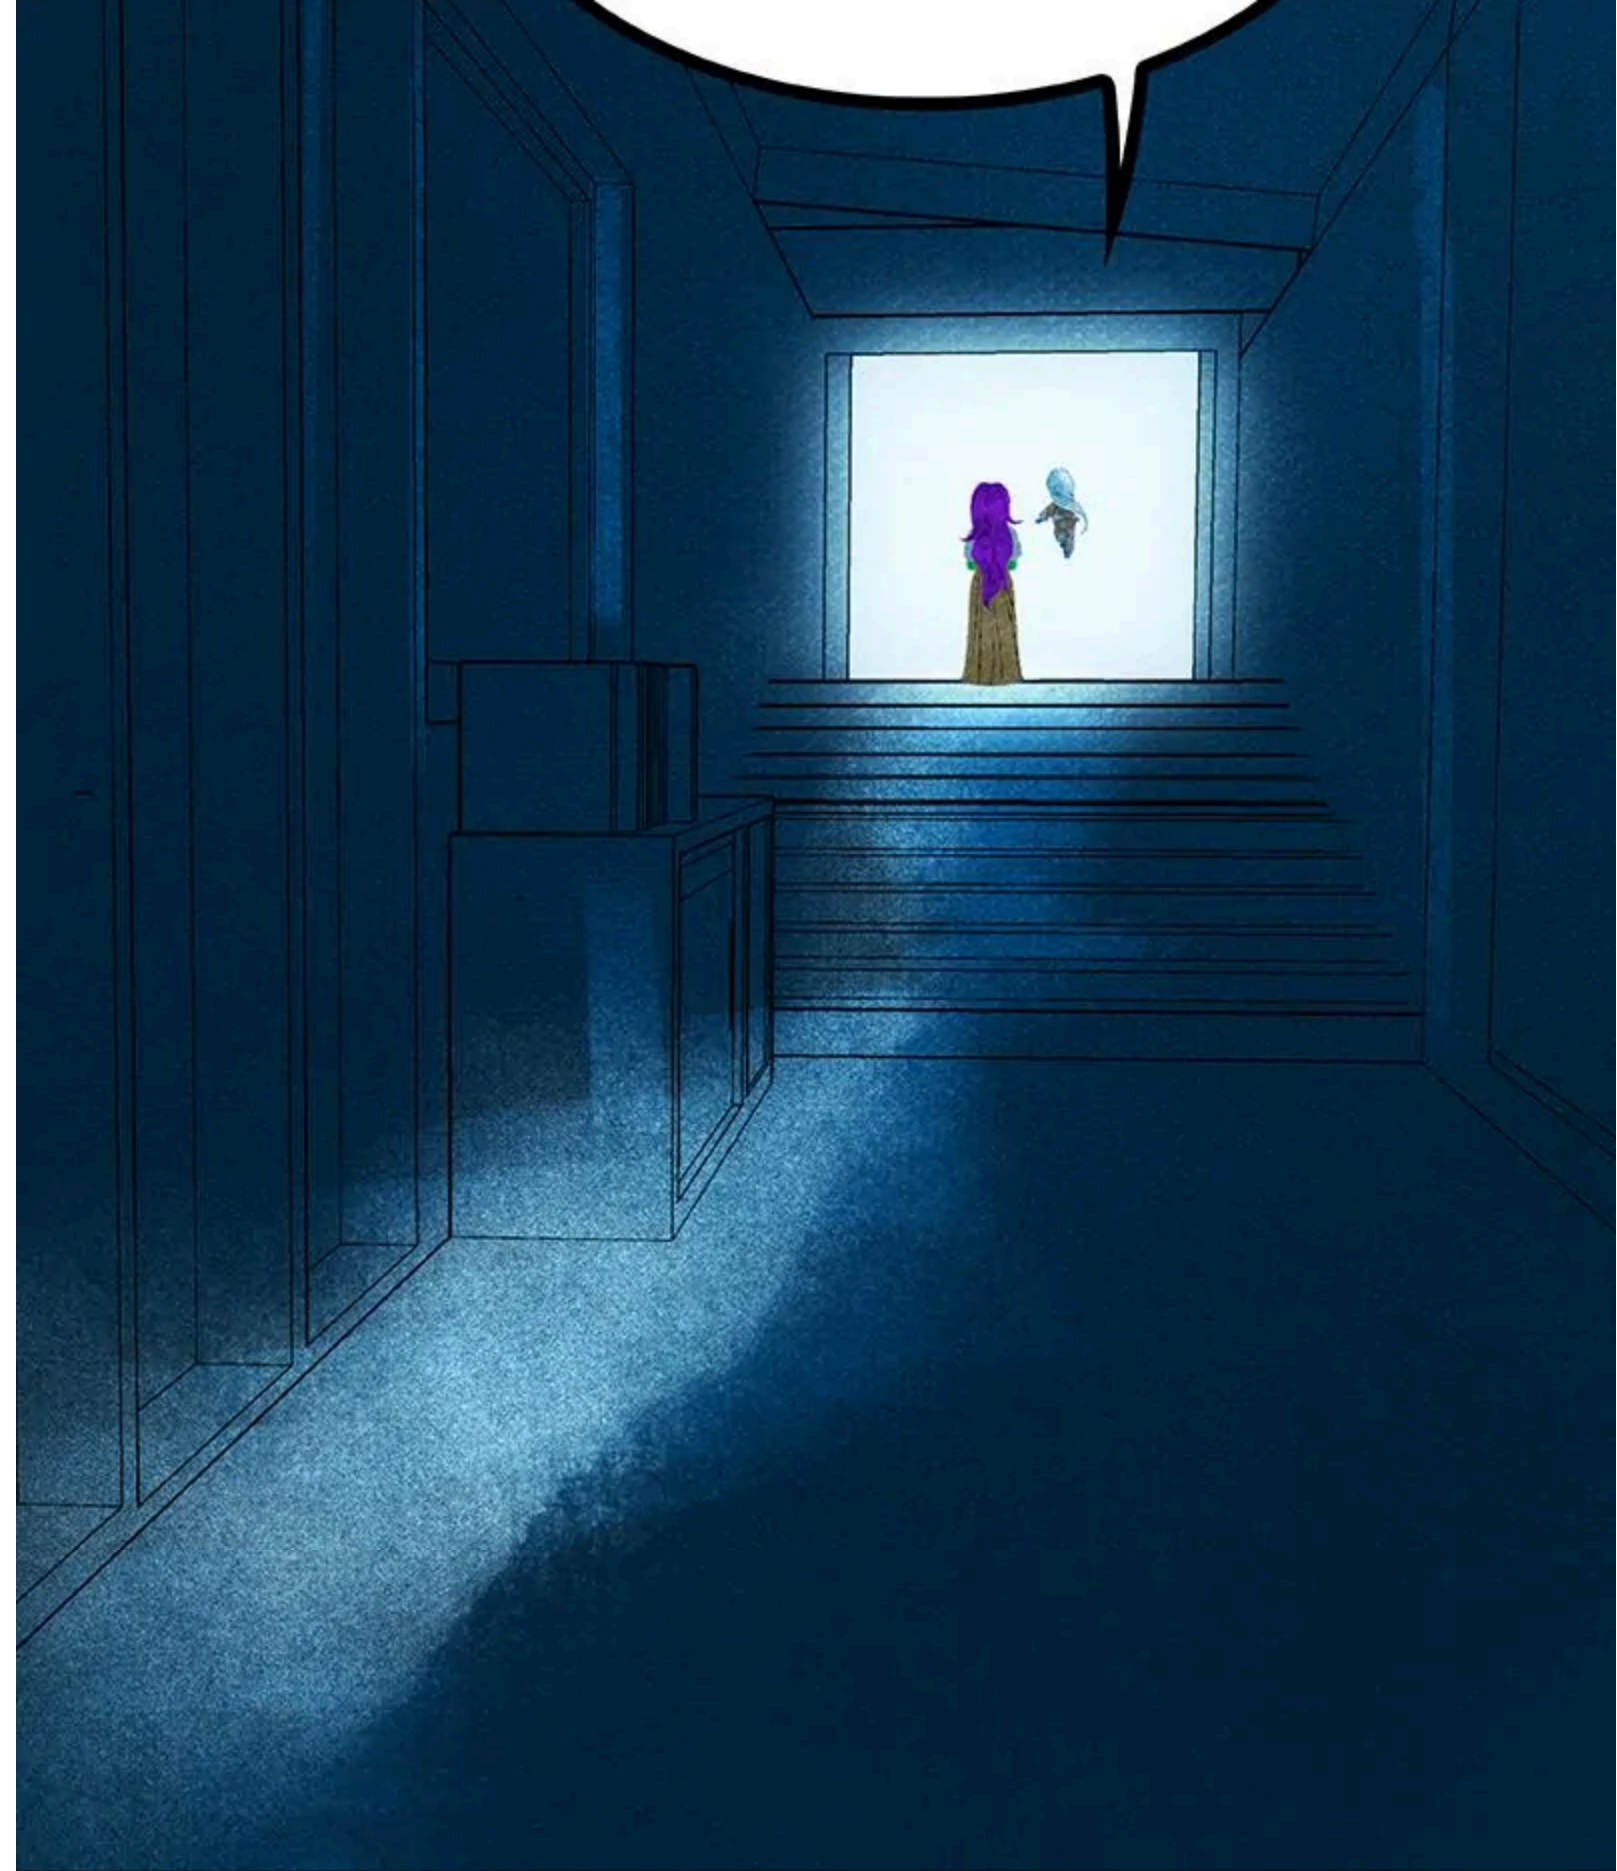

What
happened?

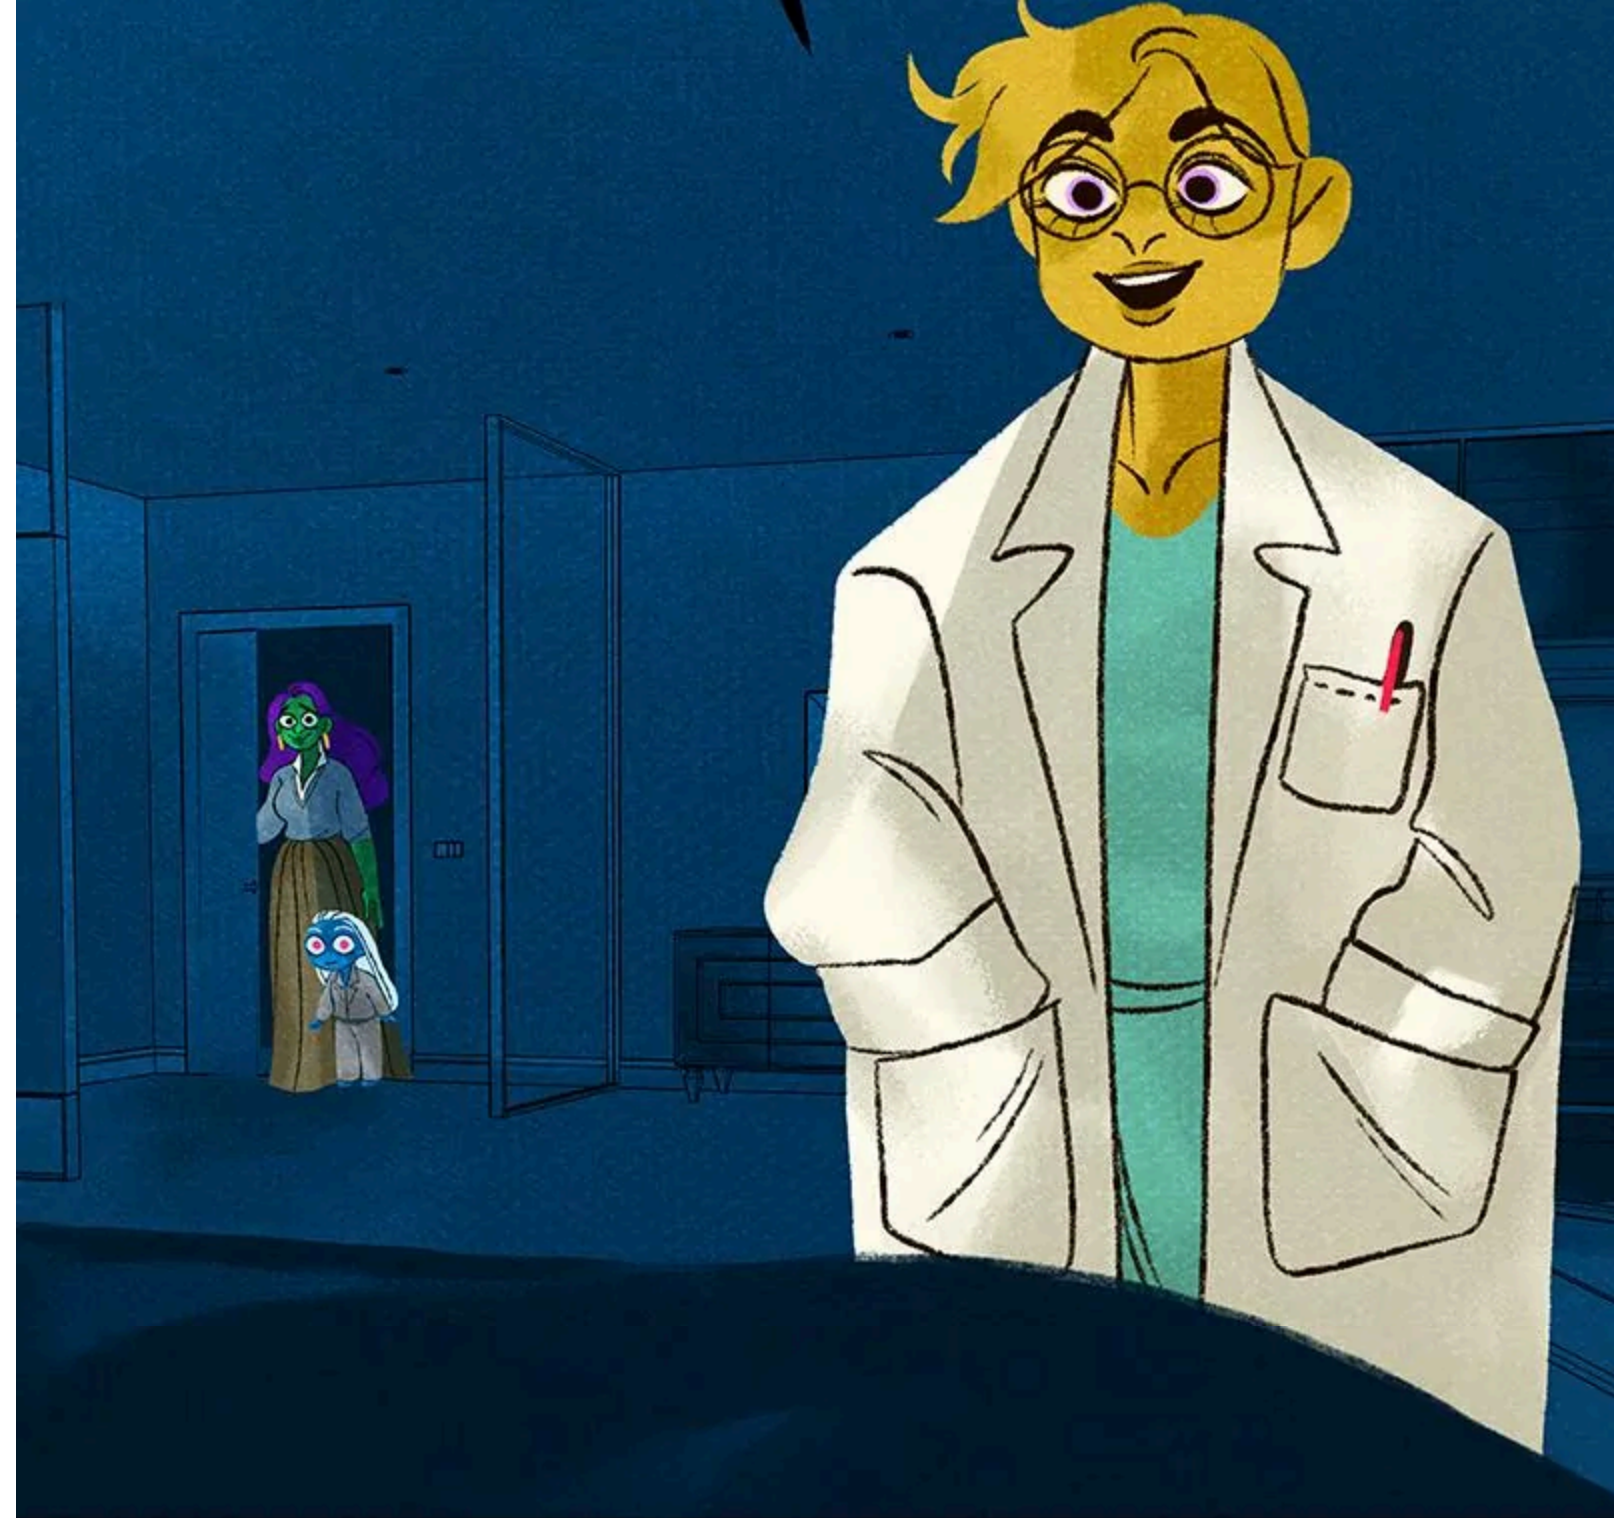

I-I don't remember.

I think that's about it!
Give me a call if you need
anything.

Thanks,
Eileithyia.
You've been
a great help.

Are you
okay, Mommy?

PAT

I'm just
a little tired.
Come and sit
with me.

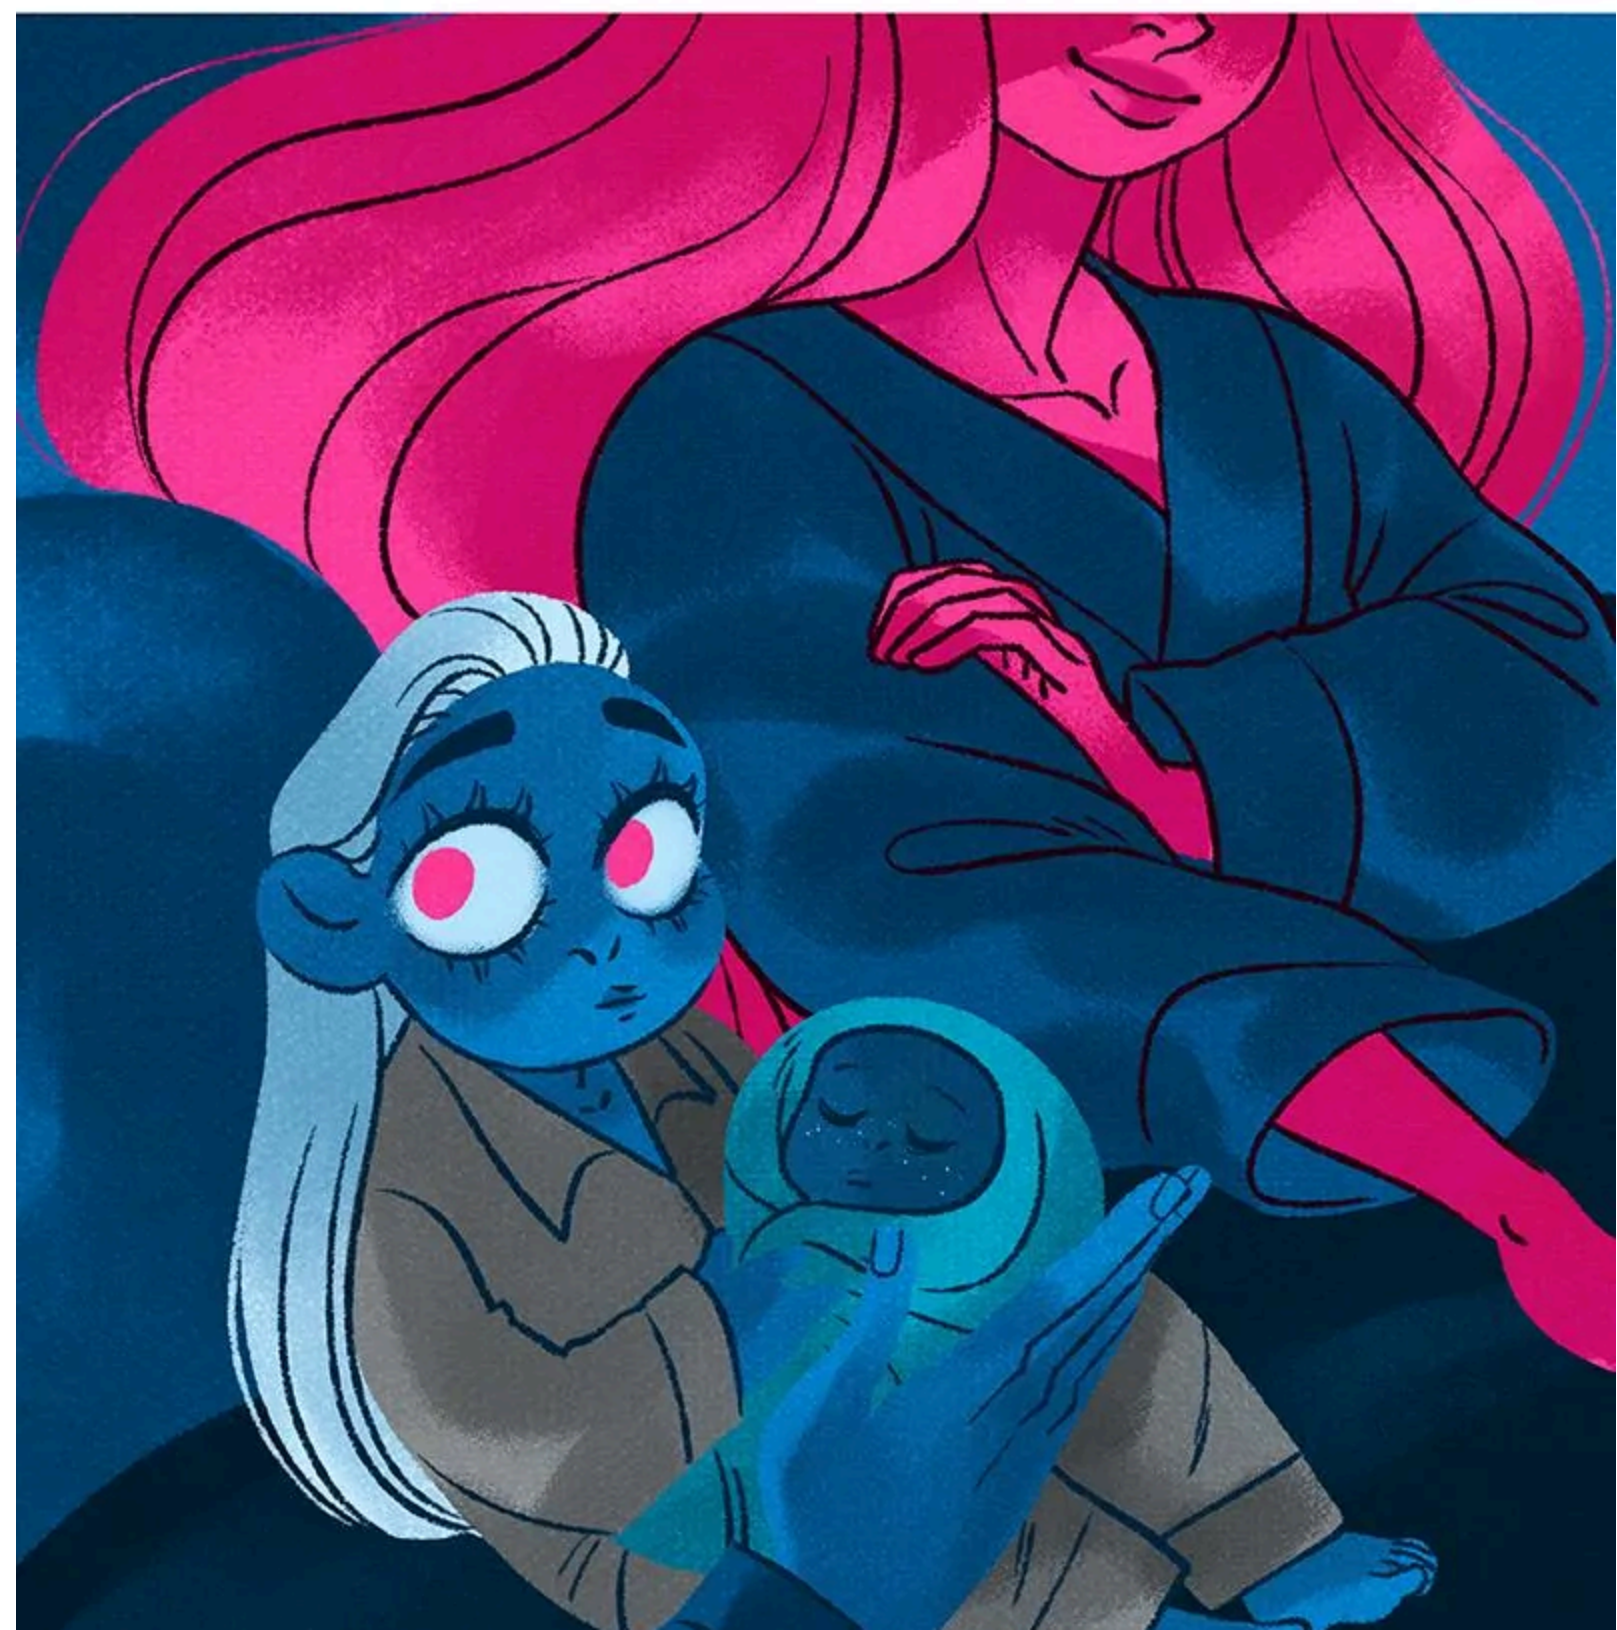

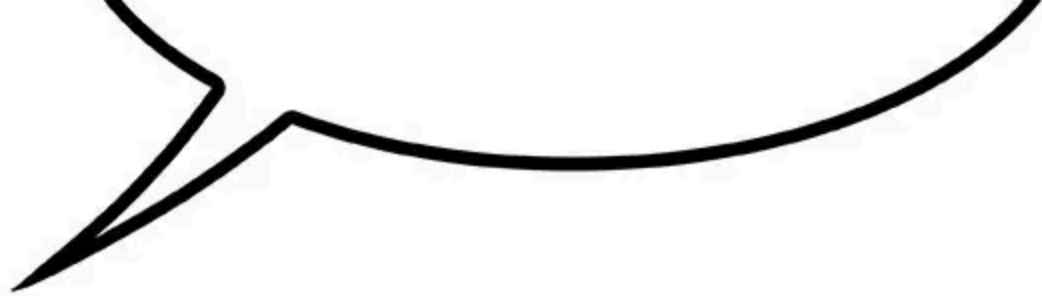

Are
you ready to meet
your sister?

NOD

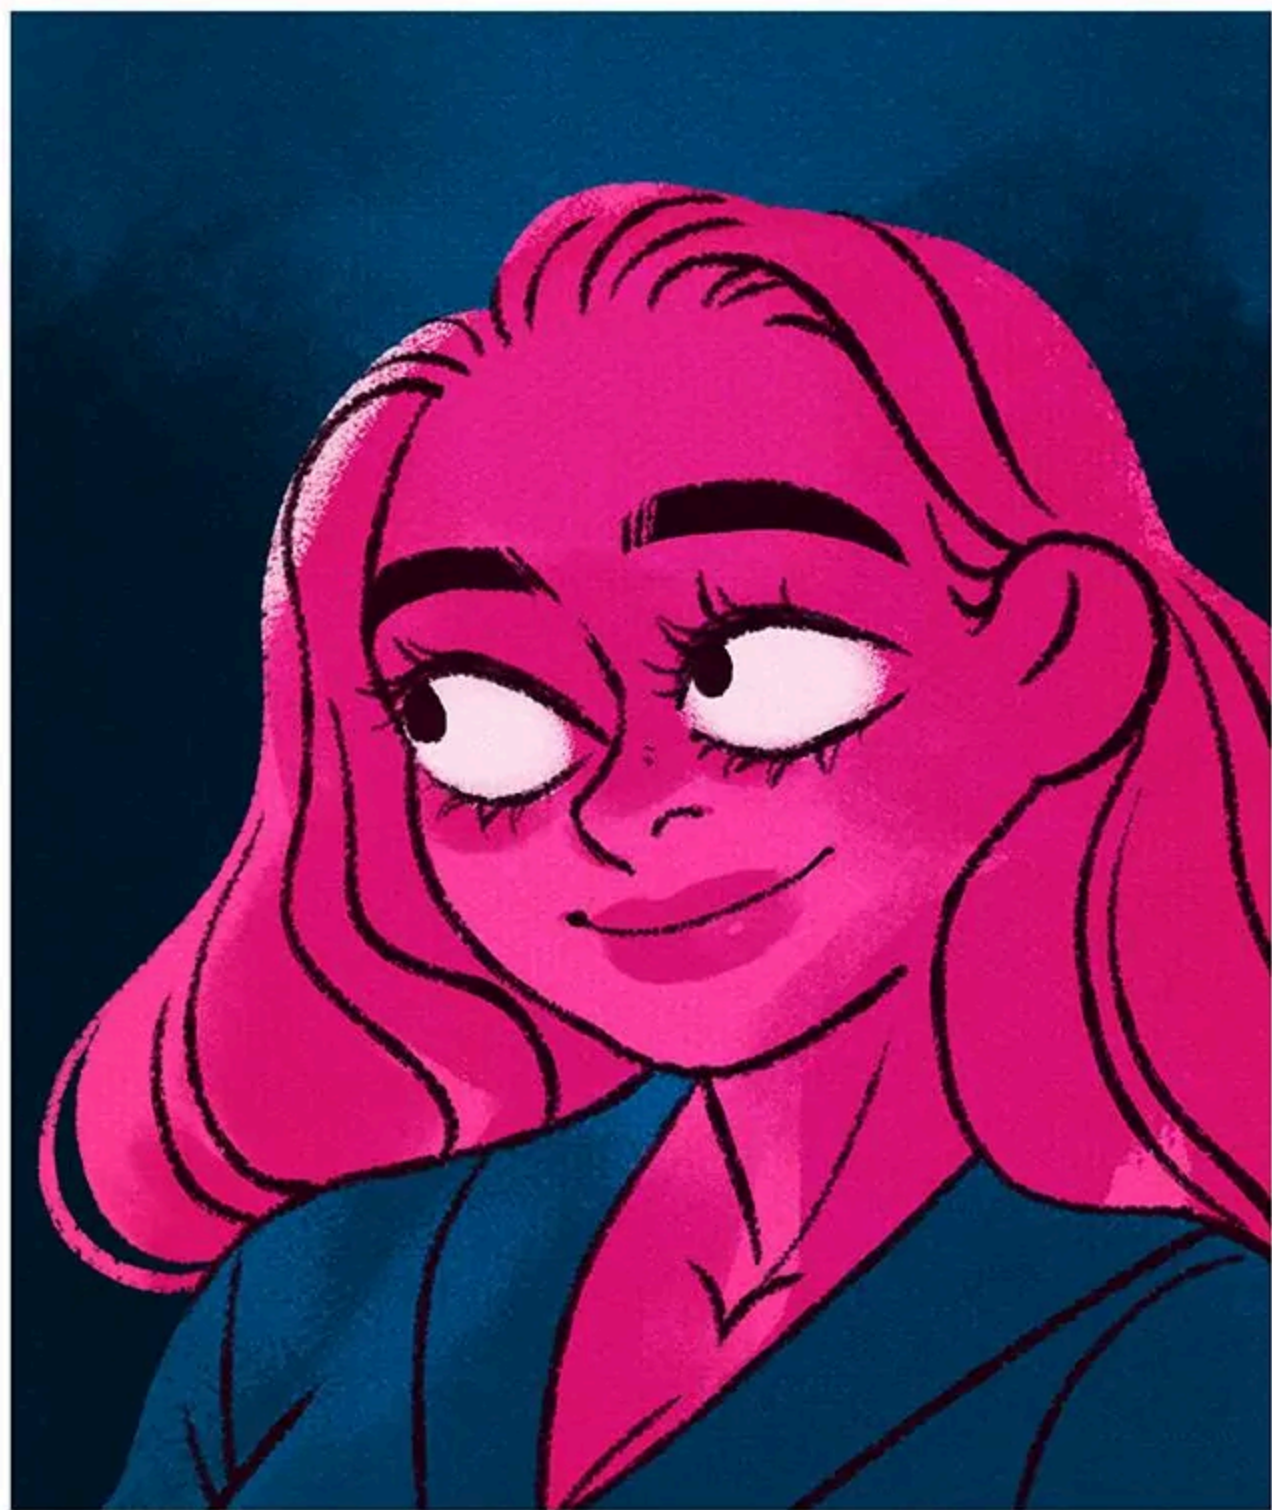

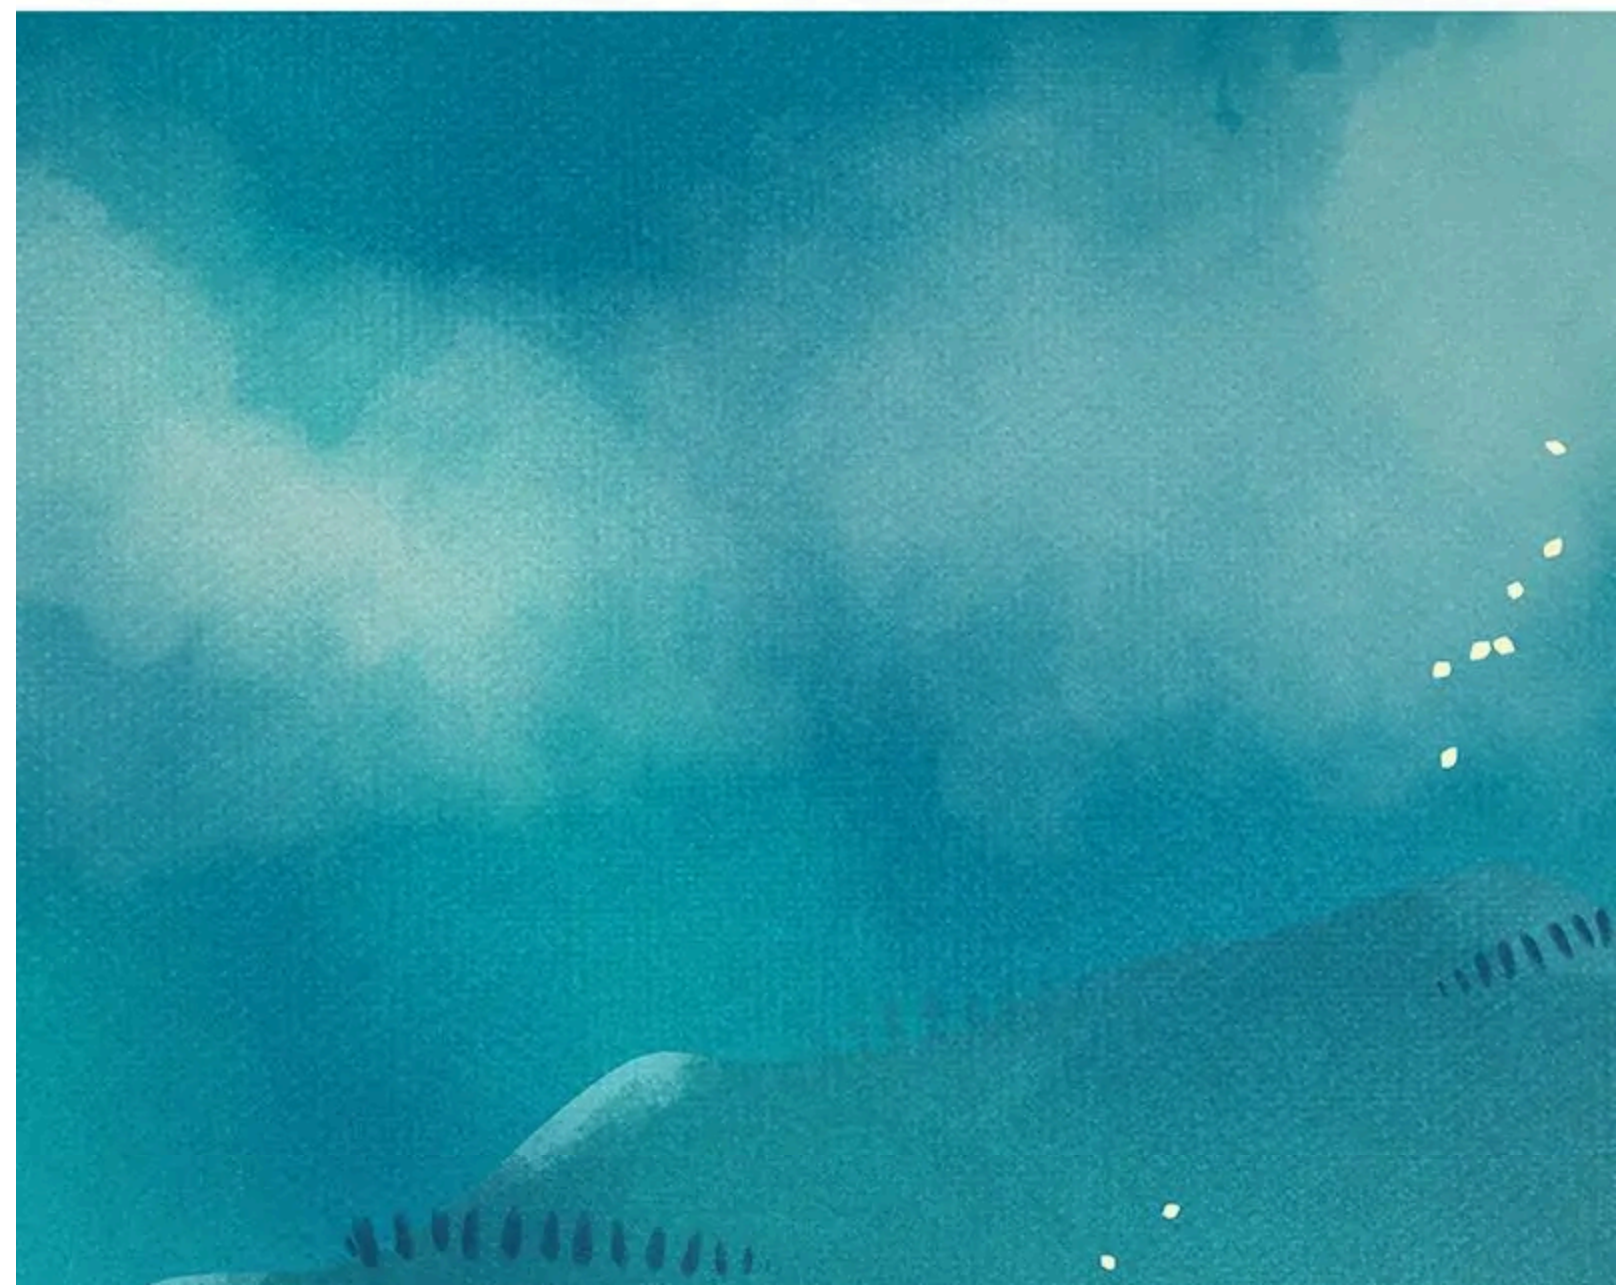

This is Macaria.

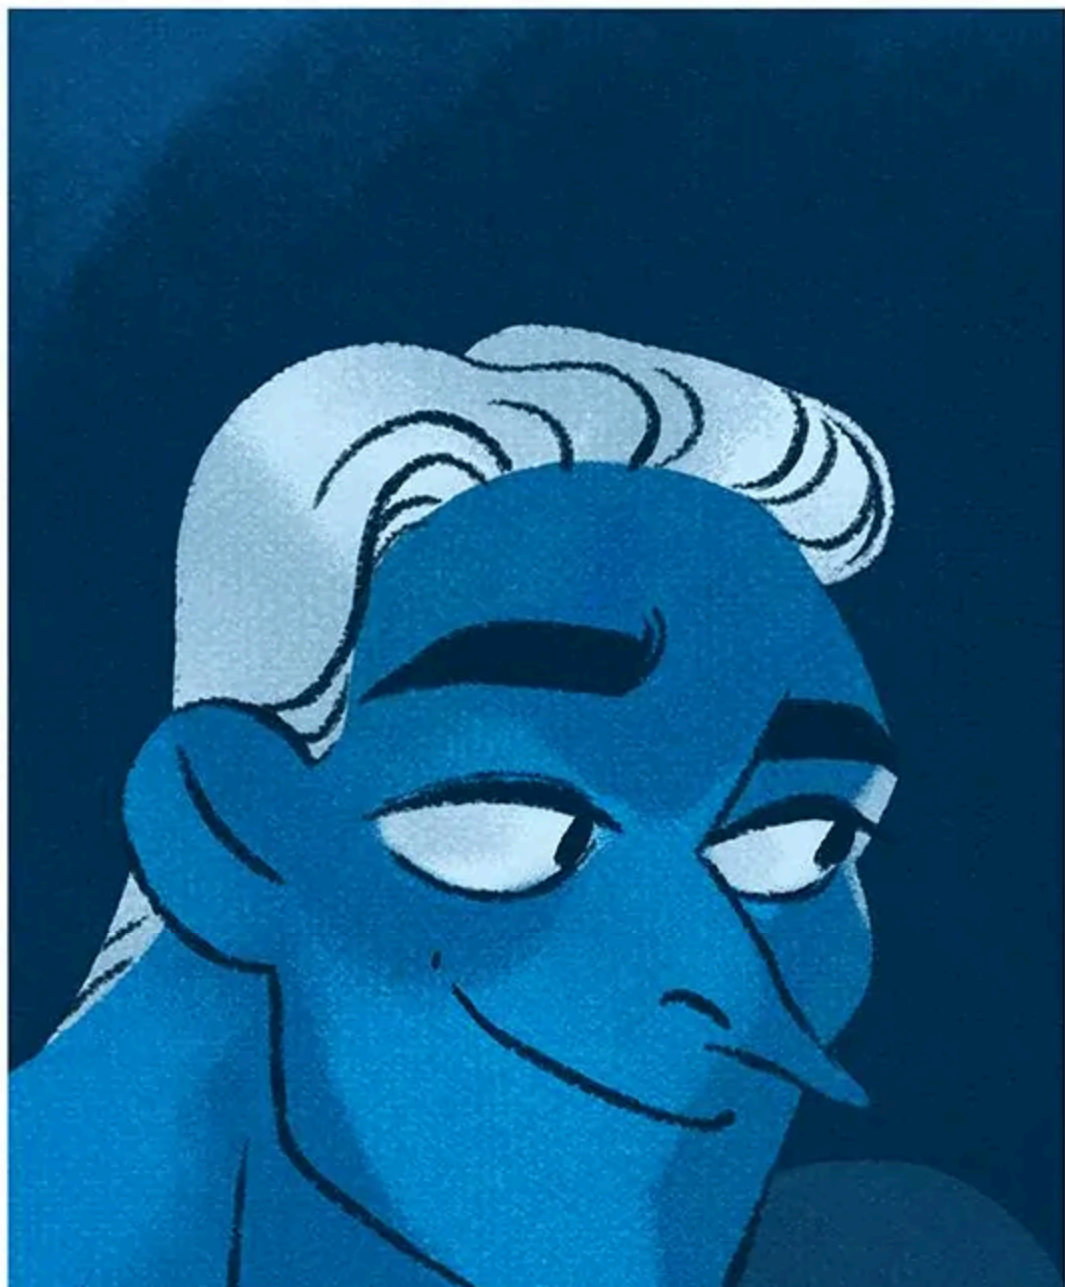

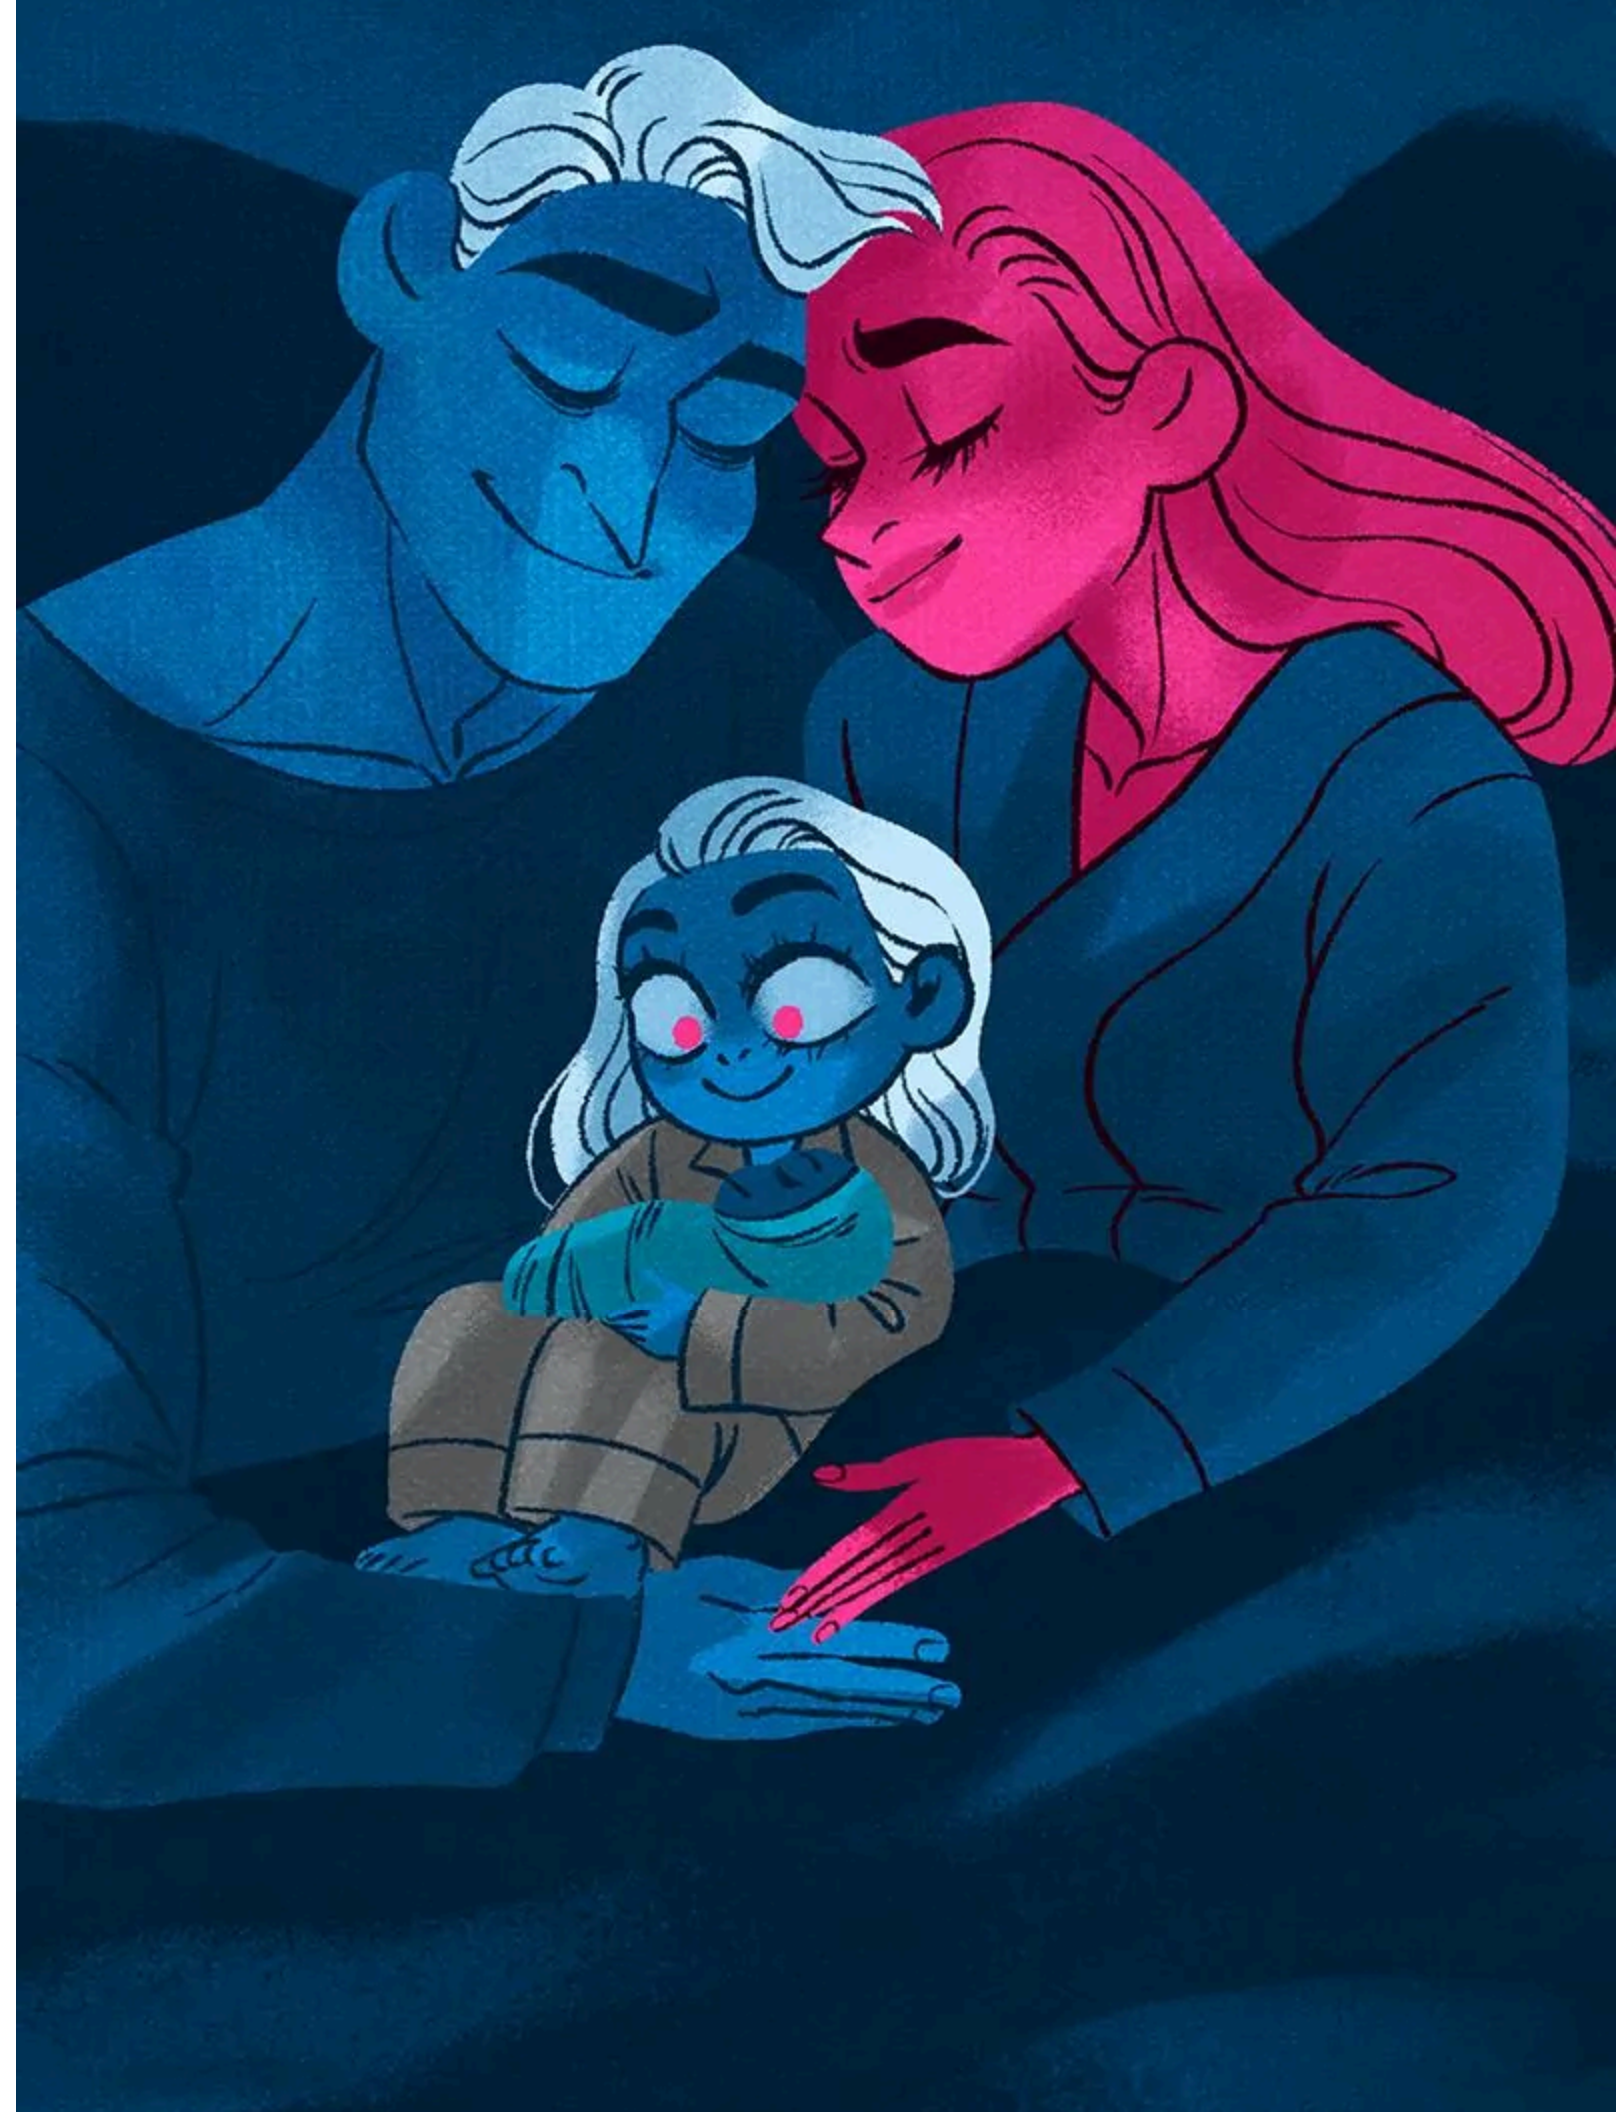

We've both
come a long way.

We certainly
have.

HELLO EVERYONE!

I HAVE MANY PEOPLE TO THANK AND MANY
EMOTIONS TO EXPRESS.

I'LL RETURN TO DO THIS WITH AN AFTERWORD
IN A FEW WEEKS.

UNTIL THEN, YOU HAVE MY SINCEREST
GRATITUDE.

MUCH LOVE,
RACHEL.
